

2023 Kansas Statutes

2-2207. Exemptions. (a) The secretary may issue a permit for an experimental use pesticide in lieu of registration, as prescribed by rules and regulations adopted by the secretary.

(b) The penalties provided for violations of subsection (a) of K.S.A. 2-2203, and amendments thereto, shall not apply to: (1) Any carrier while engaged in transporting an agricultural chemical within this state, if such carrier, upon request, permits the secretary or the secretary's designated representative or agent to copy all records showing the transactions in and movement of the products; (2) public officials of this state and the federal government engaged in the performance of their official duties; (3) the manufacturer or shipper of an agricultural chemical for experimental use only (A) by or under the supervision of any agency of this state or of the federal government authorized by law to conduct research in the field of agricultural chemicals, or (B) by others if the agricultural chemical is not sold and if the container thereof is plainly and conspicuously marked "for experimental use only not to be sold," together with the manufacturer's name and address. If a written permit has been obtained from the secretary, or an authorized representative of the secretary, an agricultural chemical may be sold for experiment purposes subject to such restrictions and conditions as may be set forth in the permit.

(c) No article shall be deemed in violation of this act when consigned for export to a foreign country, and when prepared or packed according to the specifications or directions of the purchaser. If not so exported all of the provisions of this act shall apply.

(d) This act shall not limit or abridge in any manner the right of any pharmacist licensed in the state of Kansas to sell chemicals and drugs in broken packages in compliance with the Kansas pharmacy laws.

(e) Any pesticide product that is permitted for distribution and use under the provisions of an emergency exemption shall be exempt from the requirements for registration of the label allowing for use in an emergency.

(f) Any pesticide product label for which the secretary seeks registration under the provisions for special local need (SLN) registration shall be exempt from the registration fee for the remainder of the first year the SLN is in place. A registration fee in an amount fixed by the secretary shall be required for renewal of the SLN registration.
