

2023 Kansas Statutes

12-3511. Local government may pay state share, when. In the event that any board apportions a part of any special assessment of taxes to the state of Kansas, and payment of the amount so apportioned or any part thereof is denied, such board may pay the same as a general obligation of the local unit of government.

History: L. 1969, ch. 428, § 11; July 1.
