12-4808. Review of existing facilities by governing body prior to expenditure for new facility. For the purpose of avoiding any duplication of services or competition between services, before any expenditure may be made under the provisions of this act on any new facility, all organizations within such taxing subdivision which are already providing such services as would make them eligible to receive funds under the provisions of this act, and all programs or services provided by youth services of the Kansas department for children and families, must be reviewed by the governing body and found to be insufficient to meet the child care needs of such taxing subdivision.
