

2023 Kansas Statutes

25-1122c. Advance voting; notice to applicants whose voting in county office on machines authorized. Upon receipt of an application filed pursuant to K.S.A. 25-1122, and amendments thereto, the county election officer of a county which authorizes the use of voting machines for tabulation of advance voting ballots shall notify the person that such person may vote in person at the office of the county election officer during the times established by the election officer.

History: L. 1974, ch. 155, § 3; L. 1995, ch. 192, § 29; July 1.
