

2023 Kansas Statutes

25-2310. Publication of registration times, places and closing thereof; notice of information for registration by mail. County election officers shall publish notice of places and dates for registration and the closing thereof before each election in a newspaper having general circulation in the county. Such notice shall also be published on the website of the county election office of any county where the election is to be conducted. Such notice shall remain on the website until the day after the registration closes. Such notice also shall give information for registration by mail. Such notice shall be given in such form and at such time or times as is specified by rules and regulations of the secretary of state.

History: L. 1968, ch. 55, § 10; L. 1976, ch. 181, § 8; L. 2023, ch. 79, § 36; July 1.
