

2023 Kansas Statutes

31-512. Explosives regulatory and training fund. There is hereby established in the state treasury a separate, nonlapsing fund to be known as the explosives regulatory and training fund which shall be administered by the state fire marshal. Money deposited to the credit of the fund as provided in K.S.A. 31-505, and amendments thereto, in addition to any other money made available for such purposes, shall be made available to the state fire marshal to support fireworks and explosives regulatory and training programs.

History: L. 2013, ch. 108, § 3; April 25.
