

2023 Kansas Statutes

39-1307. Application for grants-in-aid; agreements. All applications for grants-in-aid under this act shall be submitted to the secretary or commissioner, whichever is applicable, for approval or rejection. Whenever any such application is approved, the secretary or commissioner may enter into agreements for grants-in-aid as authorized in this act. The secretary shall expend funds for grants-in-aid as authorized in this act for all community based group boarding homes for children and youth. Any funds for grants-in-aid for such homes under the authority of the commissioner shall be expended upon written approval by the commissioner and communicated to the secretary.
