

2023 Kansas Statutes

50-6,139a. Attorney general assistance for victims of identity-related crimes. (a) Within the limits of available resources, the attorney general may assist victims of identity theft, identity fraud and related crimes and violations in obtaining refunds in relation to fraudulent or unauthorized charges or debits, canceling fraudulent accounts, correcting false information in consumer reports caused by identity theft or identity fraud, correcting false information in personnel files and court records, obtaining security freezes, completing identity theft affidavits, filing complaints and related matters.

(b) This section shall be part of and supplemental to the Kansas consumer protection act.

History: L. 2016, ch. 103, § 1; July 1.
