

2023 Kansas Statutes

55-1623. Oil and gas regulation by commission; penalties, procedures. On and after July 1, 1998, no fine or other penalty, except cease and desist orders for which subsequent hearing is required, shall be imposed by the state corporation commission pursuant to statutes or rules and regulations relating to regulation of oil and gas production, sale or conservation except after notice and an opportunity for hearing in accordance with the Kansas administrative procedure act.

History: L. 1998, ch. 122, § 5; April 30.
