All proclamations issued by the governor that are not published in the Kansas register shall be published on the official Kansas website.

(b) (1) For the purpose of informing the electors of the propositions to be voted on at the election thereon, the secretary of state shall cause resolutions making propositions to amend the constitution to be published in one newspaper in each county of the state where a newspaper is published, or, if no newspaper is published in a county, then in a Kansas-published newspaper of general circulation in each county once each week for three consecutive weeks immediately preceding the election at which the proposition is to be submitted.

(2) After such publication, the secretary of state shall certify the amount of moneys expended on such publication and shall transmit a copy of such certification to the director of accounts and reports. Upon receipt of such certification, the director of accounts and reports shall transfer an amount of moneys equal to such certified amounts from the state general fund to the information services fee fund of the secretary of state and shall transmit a notification of such transfer to the director of legislative research and the director of the budget.
