

2023 Kansas Statutes

65-531. Immunization information and records; disclosure. On and after July 1, 1996: (a) Except as provided further, information and records which pertain to the immunization status of persons against childhood diseases as required by K.S.A. 65-508, and amendments thereto, may be disclosed and exchanged without a parent or guardian's written release authorizing such disclosure, to the following, who need to know such information to assure compliance with state statutes or to achieve age appropriate immunization status for children:

- (1) Employees of public agencies or departments;
- (2) health records staff of child care facilities, including, but not limited to, facilities licensed by the secretary of health and environment;
- (3) persons other than public employees who are entrusted with the regular care of those under the care and custody of a state agency including, but not limited to, operators of day care facilities, group homes, residential care facilities and adoptive or foster homes; and
- (4) health care professionals.

(b) Notwithstanding K.S.A. 60-427, and amendments thereto, or any other Kansas statute which provides for privileged information between a patient and a health care provider, there shall be no privilege preventing the furnishing of information and records as authorized by this section by any health care provider.

(c) Information and records which pertain to the immunization status of persons against childhood diseases as required by K.S.A. 65-508, and amendments thereto, whose parent or guardian has submitted a written statement of religious objection to immunization as provided in K.S.A. 65-508, and amendments thereto, may not be disclosed or exchanged without a parent or guardian's written release authorizing such disclosure.
