

2023 Kansas Statutes

65-1912. Apprentice license; practice as apprentice required prior to licensure; charge for services of apprentice. (a) Any person desiring to practice as an apprentice shall be required to pay to the board the fee required pursuant to K.S.A. 65-1904, and amendments thereto, and obtain an apprentice license from the board. Application for an apprentice license allowing a person to practice in a licensed school shall be submitted to the board not more than 15 days after the person's enrollment in the school.

(b) (1) An applicant for examination and licensure as a cosmetologist shall be required to have practiced as an apprentice in a licensed school for not less than 1,500 clock hours or, if the applicant has attended a licensed school electing to base the course of instruction and practice on credit hours as provided in K.S.A. 65-1903, and amendments thereto, the applicant shall have practiced as an apprentice for not less than those credit hours which are the equivalent of 1,500 clock hours under the formula for conversion used by the licensed school.

(2) (A) Before July 1, 2009, an applicant for examination and licensure as an esthetician shall be required to have practiced as an apprentice in a licensed school for not less than 650 clock hours or, if the applicant has attended a licensed school electing to base the course of instruction and practice on credit hours as provided in K.S.A. 65-1903, and amendments thereto, the applicant shall have practiced as an apprentice for not less than those credit hours which are the equivalent of 650 clock hours under the formula for conversion used by the licensed school.

(B) On and after July 1, 2009, an applicant for examination and licensure as an esthetician shall be required to have practiced as an apprentice in a licensed school for not less than 1,000 clock hours, or, if the applicant has attended a licensed school electing to base the course of instruction and practice on credit hours as provided in K.S.A. 65-1903, and amendments thereto, the applicant shall have practiced as an apprentice for not less than those credit hours which are the equivalent of 1,000 clock hours under the formula for conversion used by the licensed school.

(3) An applicant for examination and licensure as a manicurist shall be required to have practiced as an apprentice in a licensed school of cosmetology or nail technology for not less than 350 clock hours or, if the applicant has attended a licensed school electing to base the course of instruction and practice on credit hours as provided in K.S.A. 65-1903, and amendments thereto, the applicant shall have practiced as an apprentice for not less than those credit hours which are the equivalent of 350 clock hours under the formula for conversion used by the licensed school.

(4) An applicant for examination and licensure as an electrologist shall be required to have practiced as an apprentice: (A) In a licensed school of cosmetology or electrology for not less than 500 clock hours or, if the applicant has attended a licensed school electing to base the course of instruction and practice on credit hours as provided in K.S.A. 65-1903, and amendments thereto, the applicant shall have practiced as an apprentice for not less than those credit hours which are the equivalent of 500 clock hours under the formula for conversion used by the licensed school; or (B) in a licensed clinic or establishment for not less than 1,000 clock hours of training. The duration of practice as an apprentice in a clinic or establishment must be in the clinic or establishment in which practice was commenced, except that the board may permit, upon written application and for good cause, the transfer of the apprentice to another clinic or establishment for completion of the term of apprenticeship. Any licensed cosmetologist who is practicing electrology in a licensed clinic or establishment on July 1, 1987, may apply for and be issued an electrologist's license without examination.

(c) No apprentice shall make any charge for the apprentice's services, but a licensed school of cosmetology, electrology or nail technology or a proprietor of a licensed clinic or establishment in which an apprentice of electrology practices may charge for services of the apprentice.

(d) For purposes of subsection (b), a person is not required to have practiced as an apprentice continuously or without interruption in obtaining the required number of hours.
