

2023 Kansas Statutes

65-2923. Dry needling; requirements to practice; rules and regulations. (a) The board shall adopt rules and regulations establishing minimum education and training requirements for the practice of dry needling by a licensed physical therapist, including a physical therapist licensed in a home state and practicing in this state under the physical therapy licensure compact.

(b) This section shall be a part of and supplemental to the physical therapy practice act.

History: L. 2016, ch. 92, § 31; L. 2021, ch. 100, § 7; July 1.
