

2023 Kansas Statutes

65-2924. Fingerprinting of applicant for license; use for identification and criminal history record check; fee. (a) As part of an original application for a license as a physical therapist or a certificate as a physical therapy assistant or as part of an original application for reinstatement of a license or certificate or in connection with any investigation of any holder of a license or certificate, the state board of healing arts may require a person to be fingerprinted and submit to a state and national criminal history record check. The fingerprints shall be used to identify the person and to determine whether the person has a record of criminal history in this state or other jurisdiction. The state board of healing arts is authorized to submit the fingerprints to the Kansas bureau of investigation and the federal bureau of investigation for a state and national criminal history record check. The state board of healing arts may use the information obtained from fingerprinting and the criminal history for purposes of verifying the identification of the person and in the official determination of the qualifications and fitness of the person to be issued or to maintain a license or certificate.

(b) Local and state law enforcement officers and agencies shall assist the state board of healing arts in taking and processing of fingerprints of applicants for and holders of any license or certificate and shall release all records of adult convictions and nonconvictions and adult convictions or adjudications of another state or country to the state board of healing arts.

(c) The state board of healing arts may fix and collect a fee as may be required by the board in an amount necessary to reimburse the board for the cost of fingerprinting and the criminal history record check. Any moneys collected under this subsection shall be deposited in the state treasury and credited to the healing arts fee fund.

(d) This section shall be a part of and supplemental to the physical therapy practice act.
