65-3017. Motor vehicle pollution. (a) As the state of knowledge and technology relating to the control of emissions from motor vehicles may permit or make appropriate, and in furtherance of the purposes of this act, the secretary may provide by rules and regulations for the control of emissions from motor vehicles. Such rules and regulations may prescribe requirements for the installation and use of equipment designed to reduce or eliminate emissions and for the proper maintenance of such equipment and of vehicles. Any rules or regulations pursuant to this section shall be consistent with provisions of federal law or regulations, if any, relating to control of emissions from the vehicles concerned. The secretary shall not require, as a condition precedent to the initial sale of a vehicle or vehicular equipment, the inspection, certification or other approval of any feature or equipment designed for the control of emissions from motor vehicles, if such feature or equipment has been certified, approved or otherwise authorized pursuant to federal law.

(b) As used in this section "motor vehicle" shall have the same meaning as in K.S.A. 8-1437.
