

2023 Kansas Statutes

66-1,195. Same; general supervision and inspection of utilities; liability for damages. The commission shall have general supervision of all telecommunications public utilities over which the commission has control and shall inquire into any neglect or violations of the laws of this state by any such telecommunications public utility or by the officers, agents or employees thereof. From time to time, the commission shall carefully examine and inspect the condition of each such telecommunications public utility, its equipment, the manner of its conduct and its management with reference to the public safety and convenience. Nothing in this section shall be construed as relieving any telecommunications public utility from its responsibility or liability for damage to person or property.
