

2023 Kansas Statutes

73-1236. Same; annual study by legislative budget committee; reports by veterans service organizations. The legislative budget committee shall annually study and review the veterans claims assistance program and the service grants program of the Kansas commission on veterans affairs office under this act. The director of the Kansas commission on veterans affairs office and each veterans service organization which is receiving service grants under this section shall prepare and present annual reports of activities and expenditures under the veterans claims assistance program and the service grants program.

History: L. 2006, ch. 153, § 3; L. 2014, ch. 83, § 27; July 1.
