

2023 Kansas Statutes

74-8761. Gray machines prohibited; penalties; prosecutorial authority of the attorney general and the Kansas racing and gaming commission. (a) It shall be a severity level 9, nonperson felony for any person to place in operation or continue to have in place any gray machine for use by members of the public at any location in this state.

(b) It shall be the duty of the attorney general and the Kansas racing and gaming commission to enforce the provisions of this section, together with any rules and regulations adopted pursuant thereto. The attorney general and the Kansas racing and gaming commission shall have original jurisdiction to investigate and prosecute violations of this section.

History: L. 2007, ch. 110, § 30; L. 2022, ch. 91, § 35; July 1.
