(c) Each such lease shall be signed by the governor and the chairperson of the state board of regents, attested by the secretary of state and signed by the authorized representative of the center. Each lease shall be for a period of 40 years or contemporaneous with the term of any existing lease entered into under the provisions of this section and shall be entered into with such terms and conditions as the governor, the board of regents and the center shall agree to, consistent with and subject to the other provisions of this section. Each such lease shall require that the real estate so leased shall be maintained and operated by the center at no cost to the state.

(d) Each lease entered into pursuant to the provisions of this section shall be renewable at the end of the term of the lease or may be deemed canceled at the instance of either of the parties thereto. Such lease shall be deemed canceled automatically, after notice thereof to the center, if any of the provisions of subsection (e) are violated. Upon the termination of any such lease, all buildings and other improvements on the real estate under such lease shall become the property of the state of Kansas.

(e) In addition to the other provisions of this section, each lease entered into pursuant to this section shall contain the following restrictions or limitations on the use of the land so leased:

- (1) All building or facility designs shall conform to existing standards for state buildings;
- (2) final building or facility plans must be approved by the division of architectural services and the state board of regents prior to letting of contracts for construction of any such building;
- (3) the center shall be liable for any damage to any state-owned property or injury to any person;
- (4) the center shall be made available at reasonable times for students at Fort Hays state university enrolled in educational programs designated by the university to observe and work with persons enrolled or participating in programs in the center; and
- (5) the center shall reserve the right to sublease the facility under the terms and conditions prescribed by the terms of the lease and subject to approval by the state board of regents.

(f) No child who resides in this state shall be denied admission to the center solely because the child resides in a county other than Ellis county.
