(a) All moneys received by the state treasurer under K.S.A. 76-6b01, and amendments thereto, shall be credited to the Kansas educational building fund to be used for the construction, reconstruction, equipment and repair of buildings and grounds at the state educational institutions under the control and supervision of the state board of regents and for payment of debt service on revenue bonds issued to finance such projects, all subject to appropriation by the legislature.

(b) Subject to any restrictions imposed by appropriation acts, the state board of regents is authorized to pledge funds appropriated to it from the Kansas educational building fund or from any other source and transferred to a special revenue fund of the state board of regents specified by statute for the payment of debt service on revenue bonds issued for the purposes set forth in subsection (a). Subject to any restrictions imposed by appropriation acts, the state board of regents is also authorized to pledge any funds appropriated to it from the Kansas educational building fund or from any other source and transferred to a special revenue fund of the state board of regents specified by statute as a priority for the payment of debt service on such revenue bonds.
