The League of Women voters of Johnson County was selected to host two women from Colombia, South America to observe local and state governments in Kansas. While in Johnson County, they have observed a Board of County commissions meeting as well as interacted with heads of departments within county government to learn about county services. They also attended an Overland Park City Council Meeting, visited the Municipal Court and visited with other department heads. Visits with NGO service providers as well as educational institutions from Head Start to the Community College have occurred. This week they visited the U. S. District Court and the EPA offices in Kansas City, KS. Ten days ago they met with Reps. Quigley, Spalding and me to discuss legislative issues related to women, children and education. We also described the election process including campaign finances. I invited them to spend the morning to observe a session in the House.

At this time Rep. Garcia will introduce our two guests from Colombia, South America and tell you a little about them.

Rep. Garcia: Ximena Poveda Bernal is an economist for CEI Corporation whose motto is “Excelencia en la Justicia” and is located in Bogota, Colombia. Paulina Guerra Quetana is a system engineer at Mariana University in Narino, Colombia and is an elected official, Township Councilor of Sandona in Narino, Colombia. Won’t you please join us in giving these two visitors a cordial welcome!

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Burroughs are spread upon the journal:

Today we recognize and pay tribute to the men and women who have given their lives or have been injured the job.

Every day many workers throughout our state are subjected to dangerous work environments simply to provide for their families and contribute to our collective well-being. Many of these workers put themselves in harm’s way just to ensure that the rest of us live in safe and thriving communities.

• The KDOT workers who put themselves in danger on fast moving highways to make sure that we have safe and reliable roads.

• The Corrections Officers who risk their lives and limbs every day to stand between our communities and dangerous convicted offenders.

• The social worker who enters at-risk homes to provide our most vulnerable citizens hope and refuge against abusive conditions.

In recent weeks and months there have been a series of workplace tragedies around the country—
• the coal mine disaster at the Massey Energy Upper Big Branch mine in West Virginia that killed 29 miners,

• an explosion a few days earlier at the Tesoro Refinery in Washington State that killed six workers,

• and the explosion at the Kleen Energy Plant in Connecticut in February that also claimed the lives of six workers

Each of you can recall tragedies that have happened in your communities. So please join with me in a moment of silence as we remember the fallen Kansans who have contributed so much for our state and communities.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I am vetoing S. Sub. for HB 2115.

Kansas’ current law concerning abortion was passed more than a decade ago and strikes a reasonable balance on a very difficult issue. I support the current law and believe that an annual legislative battle over the issue is not in the public’s best interest.

My view is that all abortions are tragedies, which is why I would encourage women who have unwanted pregnancies to consult with their partners, families, doctors and spiritual advisors. I would not encourage women to consult with state legislators, as this is a private decision and should not be dictated by public officials.

Therefore, with respect to people on both sides of the issue, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto S. Sub. for HB 2115.

Message to the House of Representatives of the State of Kansas:

Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I am vetoing S. Sub. for Sub. HB 2538.

This legislation improves upon actions taken last year to give the Secretary of the Department of Commerce more discretion as to when and how state resources are spent to provide economic development incentives. I respect the considerable work and efforts of many to make these improvements, they are needed and appreciated. However, there are elements within this legislation with which I have concerns, including increasing the budget for Kansas, Inc. by $250,000 each year.

In light of these concerns, pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I veto S. Sub. for Sub. HB 2538.

Be it resolved by the House of Representatives of the State of Kansas:

That we congratulate the Baldwin High School team for being named national champions in the Real World Design Challenge in Washington D.C., we commend them for setting an example of excellence for their peers and we extend our best wishes for their continued success and happiness; and

Be it further resolved: That the Chief Clerk of the House of Representatives be directed to give nine enrolled copies of this resolution to Representative T. Brown, one for each member and mentor of the Baldwin High School design team.

There being no objection, the following remarks by Rep. T. Brown are spread upon the journal:

Colleagues, it is my great honor to present to you a national championship team from Baldwin City, Kansas.

These young women and men before you won the National Real World Design Challenge engineering competition last month in Washington, D.C.

The Real World Design National Challenge encourages high school students to solve real world problems currently faced by the engineering industry. The 2010 national challenge was to design and optimize a business jet wing and tail for a flight condition of 400 knots true airspeed and altitude of 37,000 feet.

I had the privilege of hearing their presentation at a Baldwin City School Board Meeting earlier this month. I readily admit that I understood none of what they said.

I present to you the 2010 National Real World Design National Challenge championship team: Carson Barnes, Brandon Baltzell, Carrie Deitz, Shelby Gregory, Mason Johnson, Austin Kraus and Mac Halpin.

The team also won an award for outstanding mentor collaboration, and that mentor was Sandy Barnes. The leader of this team, the extended learning teacher at Baldwin High School, is Pam Davis.

On a personal note, I want to tell you that I coached many of these young persons in little league soccer, and did so very badly. Had I been even an adequate soccer coach, some of these young scholars might not have turned to engineering as a plausible field of endeavor.

So I take credit, indirect as it might be, for the success of this team. I never imagined that my poor coaching would foster these future engineering aspirations.

Prayer by guest chaplain, the Rev. Dr. Mark A. Leenerts, Journey Church, Topeka:

Almighty God, you have given us this good land to call our home, help us
to remain mindful and grateful for that blessing. Lord we humbly ask that
we may always prove ourselves a people mindful of your grace and honored
by the privilege to serve in this role. Lord may these men and women I gather
with this morning, always remain aware of the tremendous opportunity and
responsibility they have been given to serve you in this role. Help them Lord
to do your will. Bless our land with honorable men and women who exercise
sound judgment and Godly wisdom. Protect us from violence, discord and
confusion, from pride and arrogance, and from every evil way. Help these
before me to defend our liberties, and fashion us into one united people,
before you, our Holy and righteous God. Endow these individuals with your
wisdom to know the right things to do, and the courage to do them, even
when it’s hard. Thank you for entrusting them with the authority of govern-
ment. Help them to be agents of justice and peace. Help us, through obe-
dience to your laws, to show forth your praise among the nations of the earth.
In times of prosperity fill our hearts with thankfulness, and in days of trouble,
help our trust in you to never fail. All of this I ask through Jesus Christ our
Lord. Amen.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. K. Wolf, HR 6030, A resolution promoting public awareness of the risk of colon cancer, recognizing March as Colon Cancer Awareness Month and commend- ing the Kansas Association of Health Plans, the American Cancer Society and the Kansas Insurance Commissioner for their efforts to fight this disease through encouraging regular colon cancer screenings, was adopted.

There being no objection, the following remarks of Rep. K. Wolf are spread upon the journal:

I wanted to make a few comments today regarding colon cancer screenings. As most of you know, assuring that Kansans have insurance coverage for screenings has been a priority of mine and Rep Benlon’s.

It bears repeating that Colon Cancer is the third most common cancer. An estimated 500 Kansans will die this year. Access to screening test can reduce deaths by 80% and if detected early colon cancer is 92% curable. Late detection results in only a 10% chance of survival.

We were so pleased to have been a part of a coalition with Insurance Commissioner Praeger, the American Cancer Society and the Kansas Association of Health Plans. Working together as a team, an agreement was reached and a press release issued on March 9th stating colon cancer screenings are a priority and will be a covered benefit for members of individual and group health plans.

Our original intent was to recognize the members of this coalition and to present them with their copies of the resolution last month as March is Cancer Awareness month. This was not possible as we adjourned the day before.

However, Rep Benlon and I did want this body to be aware of the work this group accomplished and its’ importance to all Kansans health. Assuring colon cancer screenings are accessible and a covered benefit to a Kansans will play a significant part in the on-going
endeavor of living a longer and healthier life. Many lives will be saved by early detection, timely screening and the promotion of colon cancer awareness.

"Section 1. K.S.A. 2009 Supp. 21-4603d, as amended by section 1 of 2010 House Bill No. 2604, is hereby amended to read as follows: 21-4603d. (a) Whenever any person has been found guilty of a crime, the court may adjudge any of the following:

(1) Commit the defendant to the custody of the secretary of corrections if the current crime of conviction is a felony and the sentence presumes imprisonment, or the sentence imposed is a dispositional departure to imprisonment; or, if confinement is for a misdemeanor, to jail for the term provided by law;

(2) impose the fine applicable to the offense and may impose the provisions of subsection (p);

(3) release the defendant on probation if the current crime of conviction and criminal history fall within a presumptive nonprison category or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate. In felony cases except for violations of K.S.A. 8-1567, and amendments thereto, the court may include confinement in a county jail not to exceed 60 days, which need not be served consecutively, as a condition of an original probation sentence and up to 60 days in a county jail upon each revocation of the probation sentence, or community corrections placement;
(4) assign the defendant to a community correctional services program as provided in K.S.A. 75-5291, and amendments thereto, or through a departure for substantial and compelling reasons subject to such conditions as the court may deem appropriate, including orders requiring full or partial restitution;

(5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

(8) order the defendant to repay the amount of any reward paid by any crime stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape, as defined in K.S.A. 21-3809, and amendments thereto, or aggravated escape, as defined in K.S.A. 21-3810, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson under K.S.A. 21-3718 or 21-3719, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant’s conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by any law enforcement agency or county; repay expenses incurred by a fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior to use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto, unless waived by the court;

(11) if the defendant is convicted of a misdemeanor or a felony provision of subsection (i) of K.S.A. 21-4704, and amendments thereto, assign the defendant to a work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program;

(12) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10) and (11); or

(13) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant’s crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 21-4018, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of resti-
tution, and the victim to whom restitution is ordered paid has not initiated proceedings
in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an
agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto,
to collect the restitution on behalf of the victim. The administrative judge of each judicial
district may assign such cases to an appropriate division of the court for the conduct of civil
collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to
submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when re-
quired by subsection (4) of K.S.A. 21-4502, and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the
county general fund for all or a part of the expenditures by the county to provide counsel
and other defense services to the defendant. Any such reimbursement to the county shall
be paid only after any order for restitution has been paid in full. In determining the amount
and method of payment of such sum, the court shall take account of the financial resources
of the defendant and the nature of the burden that payment of such sum will impose. A
defendant who has been required to pay such sum and who is not willfully in default in the
payment thereof may at any time petition the court which sentenced the defendant to waive
payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the
court that payment of the amount due will impose manifest hardship on the defendant or
the defendant’s immediate family, the court may waive payment of all or part of the amount
due or modify the method of payment.

(e) In imposing a fine the court may authorize the payment thereof in installments. In
releasing a defendant on probation, the court shall direct that the defendant be under the
supervision of a court services officer. If the court commits the defendant to the custody of
the secretary of corrections or to jail, the court may specify in its order the amount of
restitution to be paid and the person to whom it shall be paid if restitution is later ordered
as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a
sentence for a felony, or while the offender is on probation, assignment to a community
correctional services program, parole, conditional release, or postrelease supervision for a
felony, a new sentence shall be imposed pursuant to the consecutive sentencing require-
ments of K.S.A. 21-4608, and amendments thereto, and the court may sentence the offender
to imprisonment for the new conviction, even when the new crime of conviction otherwise
presumes a nonprison sentence. In this event, imposition of a prison sentence for the new
crime does not constitute a departure.

(2) When a new felony is committed while the offender is incarcerated in a juvenile
correctional facility pursuant to K.S.A. 38-1671 prior to its repeal or K.S.A. 2009 Supp. 38-
2373, and amendments thereto, for an offense, which if committed by an adult would con-
stitute the commission of a felony, upon conviction, the court shall sentence the offender
to imprisonment for the new conviction, even when the new crime of conviction otherwise
presumes a nonprison sentence. In this event, imposition of a prison sentence for the new
crime does not constitute a departure. The conviction shall operate as a full and complete
discharge from any obligations, except for an order of restitution, imposed on the offender
arising from the offense for which the offender was committed to a juvenile correctional
facility.

(3) When a new felony is committed while the offender is on release for a felony pursuant
to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, or similar
provisions of the laws of another jurisdiction, a new sentence may be imposed pursuant to
the consecutive sentencing requirements of K.S.A. 21-4608, and amendments thereto, and
the court may sentence the offender to imprisonment for the new conviction, even when
the new crime of conviction otherwise presumes a nonprison sentence. In this event, im-
position of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified
in the presumptive nonprison grid block of either sentencing guideline grid, prior to sen-
tencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-
G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-
H or 3-I of the sentencing guidelines grid for drug crimes, prior to sentencing a defendant
to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guideline grid for drug crimes and whose offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, the court shall consider placement of the defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendment thereto or a community intermediate sanction center. Pursuant to this paragraph the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or a community intermediate sanction center and the defendant meets all of the conservation camp's or a community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or a community intermediate sanction center.

(h) The court in committing a defendant to the custody of the secretary of corrections shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or a part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant’s immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office, or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate: (1) Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I, or 6-G of the sentencing guidelines grid for nondrug crimes or in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes, or for an offense which is classified in gridblocks 4-E or 4-F of the sentencing guidelines grid for drug crimes and such offense does not meet the requirements of K.S.A. 21-4729, and amendments thereto, and (2) otherwise meets admission criteria of the camp. If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of
follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 21-4611 and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) Except as provided by subsection (f) of K.S.A. 21-4705, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2009 Supp. 21-36a06, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 21-4729, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2009 Supp. 75-52,144, and amendments thereto, including but not limited to, an approved after-care plan. If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the offender’s refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to revocation of probation and the defendant shall serve the underlying prison sentence as established in K.S.A. 21-4705, and amendments thereto. For those offenders who are convicted on or after the effective date of this act, upon completion of the underlying prison sentence, the defendant shall not be subject to a period of post-release supervision. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2009 Supp. 21-36a06, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender’s driver’s license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the division of motor vehicles of the department of revenue, to be retained until the period of suspension expires. At that time, the licensee may apply to the division for return of the license. If the license has expired, the person may apply for a new license, which shall be issued promptly upon payment of the proper fee and satisfaction of other conditions established by law for obtaining a license unless another suspension or revocation of the person’s privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver’s license or privilege to operate a motor vehicle on the highways of this state of any person as provided in paragraph (1), the judge of the court in which such person was convicted may enter an order which places conditions on such person’s privilege of operating a motor vehicle on the highways of this state, a certified copy of which such person shall be required to carry any time such person is operating a motor vehicle on the highways of this state. Any such order shall prescribe the duration of the conditions imposed, which in no event shall be for a period of more than one year.

(B) Upon entering an order restricting a person’s license hereunder, the judge shall require such person to surrender such person’s driver’s license to the judge who shall cause it to be transmitted to the division of vehicles, together with a copy of the order. Upon receipt thereof, the division of vehicles shall issue without charge a driver’s license which shall indicate on its face that conditions have been imposed on such person’s privilege of operating a motor vehicle and that a certified copy of the order imposing such conditions is required to be carried by the person for whom the license was issued any time such person is operating a motor vehicle on the highways of this state. If the person convicted is a nonresident, the judge shall cause a copy of the order to be transmitted to the division and the division shall forward a copy of it to the motor vehicle administrator, of such person’s state of residence. Such judge shall furnish to any person whose driver’s license has had conditions imposed on it under this paragraph a copy of the order, which shall be recognized as a valid Kansas driver’s license until such time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed pursuant to this subsection, the licensee may apply to the division for the return of the license previously
surrendered by such licensee. In the event such license has expired, such person may apply to the division for a new license, which shall be issued immediately by the division upon payment of the proper fee and satisfaction of the other conditions established by law, unless such person’s privilege to operate a motor vehicle on the highways of this state has been suspended or revoked prior thereto. If any person shall violate any of the conditions imposed under this paragraph, such person’s driver’s license or privilege to operate a motor vehicle on the highways of this state shall be revoked for a period of not less than 60 days nor more than one year by the judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, “highway” and “street” have the meanings provided by K.S.A. 8-1424 and 8-1473, and amendments thereto.

(p) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court’s order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

Journal of the House

FIFTY-SIXTH DAY

The House met pursuant to recess with Speaker O'Neal in the chair.
The roll was called with 122 members present.
Reps. Colloton, Hawk and Long were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Steve L. Vaughn, Senior Pastor, Fairlawn Nazarene Church, Topeka:

Father, thank you for being our Shepherd. Thank you for leading us, loving us, even giving up your life so that we might be restored to an intimate everlasting fellowship with you our creator.

Because you are our shepherd — our protector, our defender, we desire to share our needs with you. Please give guidance to the financial condition of our country and state. Assist us as we ask for your direction and wisdom to make good decisions for the future of Kansas and its people.

Help us in the growth process of our spirituality. Increase our own appreciation of who you are, how you love all of humankind, not just us or even those like us. Impress us that like you, we can love those who are very different from ourselves, those whose skin is a different color, those whose culture and even values are different from ours, those whose religious convictions are different from ours, and those whose economic level is far below or far above ours.

Because you love all, we ask you to help the oppressed — the victims of hunger and racial discrimination and those whose individual freedoms are prohibited by political forces which initiate great injustice.

Make us more sensitive to you and to one another — more conscious. Bring us to both humility and boldness. Lead us in our personal spiritual journey.

Give us the courage to be merciful, the endurance to be faithful to those in our care, just as you are with each of us.

Father, be with Jene Vickrey and his family as they mourn the loss of his mother.

It is in the name of the one true and everlasting God, Father, Son and Holy Spirit that I pray. Amen.

The Pledge of Allegiance was led by Rep. O’Brien.

Prayer by Chaplain Brubaker:

Generous God, Our Father,
We read in Scripture that You provide
for the lilies of the field
and the birds of the air.
You own the cattle on a thousand hills,
and You enjoy giving good gifts to Your children.
You promise to take care of us,
even when our faith is small.
You own everything and You have loaned
it all to us to care for.
Bless us as we examine the use of your gifts
and as we seek to use them
fairly, honestly and prudently.
As we deliberate and assess the needs
and allocate the resources,
may we be reminded that
You demand of us to be good stewards
of what you have provided for us.
Give us more of Your love,
that we might crave fewer material possessions.
Grant us a sense of fullness, not emptiness
as we make and stick to a budget.
More than ever, we need Your
wisdom and guidance . . .
so this is what we ask for this morning.
Please continue to be with Rep. Hawk and his wife, Tammi.
Lord, be for them the strength and courage they need today.
In Christ’s Name, I pray, Amen.

The Pledge of Allegiance was led by Rep. Ballard.

PERSONAL PRIVILEGE

There being no objection, the remarks of Reps. Patton and Burgess are spread upon the journal:

Rep. Patton: We have a strong tradition in the House of honoring men and women of good character, so I’m pleased to honor Dana Noakes, upon her retirement.
Dana is here with her mom, Etta Conner, her brother and sister-in-law, Dean and Carol Conner, and sister-in-law Brenda Noakes; and friends and co-workers in the galley. Dana became a session employee as office secretary in the 1998 session and again in 1999. After that session, Legislative Services needed to hire a new Secretarial Pool Coordinator; and because of her past employment at Jostens Yearbook working with personnel, Dana was offered and accepted our session position as the secretarial pool coordinator.

Dana served as a liaison between the office assistants, their legislators, Legislative Services’ Office Manager and Director and the leadership offices of the Kansas House and Senate.

Upon her retirement, her co-workers prepared two books with comments. Allow me to share with you some of these comments from her co-workers.

“Dana, The woman of kindness and grace, but also a top professional; you WILL be missed! Your thoughtfulness and always pleasant demeanor have made many a new and returning session employee feel needed, wanted and useful. Thank you! We rather like you — can you tell?”

“Dana, You were the perfect pool coordinator. Always with the right balance of keeping the staff’s well being in mind but at the same time trying to get done what our Kansas Legislators requested. There is no way to “thank you” for your service to the Kansas Legislature. I firmly believe we’ll never have anyone else here in your position that will do it as well as you have.”

“Dana, Your upbeat personality, wise counsel, and willingness to help with whatever was needed will be among my best memories of you. They say every once in awhile someone passes through your life and you’re never quite the same. I can say this about you. Thank you for being a Friend.”

“Dana, you have such diplomacy in dealing with all of us and our problems.”

Dana, on behalf of the citizens of the State of Kansas, we present you with this House certificate. Thank you for your service.

Rep. Burgess: Dana has been the consummate professional and maintained a positive attitude no matter what we threw at her. No matter how many people were out sick, or how much turnover we had in both legislators and staff, she was always able to handle it with a smile.

I think the comments my colleague read earlier sum it up very well.

Dana, it is my honor to be part of this opportunity to recognize your service and present you with this Kansas flag, which was flown over the capitol on April 30, 2010.

INTRODUCTION OF ORIGINAL MOTIONS

The question reverted back to the motion of Rep. Kuether (see HJ, page 1407) which was offered on Friday, April 30, 2010, that having voted on the prevailing side, the House reconsider its action in not passing S. Sub. for HB 2115 notwithstanding the Governor’s veto.

Roll call was demanded

On roll call, the vote was: Yeas 85; Nays 38; Present but not voting: 0; Absent or not voting: 2.

Present but not voting: None.
Absent or not voting: Carlin, Hawk.

A two-thirds majority of the members elected to the House having voted in the affirmative, the motion to reconsider prevailed.

The question then reverted back to the motion of Rep. Kinzer that the House reconsider the Governor’s veto on S. Sub. for HB 2115 and that the bill pass notwithstanding the Governor’s veto.

On roll call, the vote was: Yeas 86; Nays 35; Present but not voting: 0; Absent or not voting: 4.

Present but not voting: None.
Absent or not voting: Carlin, Dillmore, Hawk, Lane.

A two-thirds majority of the members elected to the House having voted in favor of the bill over the governor’s veto, the motion did prevail, and the bill did pass.

EXPLANATION OF VOTE

Mr. Speaker: While pregnant with my third child, I was shocked when the nurse asked if I planned to terminate the pregnancy or carry to full term. Abortion was something I couldn’t accept personally.

As the mother of three daughters, I wouldn’t want them to abort a baby unless a risk to their life was involved. And then we’d want to rely on the doctor’s best judgment and not allow the government to dictate. In the case of the physical and mental health of a patient, I don’t believe the government should be involved.

I vote no on S. Sub. for HB 2115.—Lana Gordon

The state treasurer shall first credit such amount as the director shall order to the cigarette tax refund fund and shall credit the remaining balance to the state general fund. A refund fund designated the cigarette tax refund fund not to exceed $10,000 at any time shall be set apart and maintained by the director from taxes collected under this act and held by the state treasurer for prompt payment of all refunds authorized by this act. Such cigarette tax refund fund shall be in such amount as the director shall determine is necessary to meet current refunding requirements under this act.

The wholesale cigarette dealer shall affix to each package of cigarettes stamps or tax meter imprints required by this act prior to the sale of cigarettes to any person, by such dealer or such dealer’s agent or agents, within the state of Kansas. The director is empowered to authorize wholesale dealers to affix revenue tax meter imprints upon original packages of cigarettes and is charged with the duty of regulating the use of tax meters to secure payment of the proper taxes. No wholesale dealer shall affix revenue tax meter imprints to original packages of cigarettes without first having obtained permission from the director to employ this method of affixation. If the director approves the wholesale dealer’s application for permission to affix revenue tax meter imprints to original packages of cigarettes, the director shall require such dealer to file a suitable bond payable to the state of Kansas executed by a corporate surety authorized to do business in Kansas. The director may, to assure the proper collection of taxes imposed by the act, revoke or suspend the privilege of imprinting tax meter imprints upon original packages of cigarettes. All meters shall be under the direct control of the director, and all transfer assignments or anything pertaining thereto must first be authorized by the director. All inks used in the stamping of cigarettes must be of a special type devised for use in connection with the machine employed and approved by the director. All repairs to the meter are strictly prohibited except by a duly authorized representative of the director. Requests for service shall be directed to the director. Meter machine ink imprints on all packages shall be clear and legible. If a wholesale dealer continuously issues illegible cigarette tax meter imprints, it shall be considered sufficient cause for revocation of such dealer’s permit to use a cigarette tax meter. Cigarette stamps and meter imprints shall be affixed in a manner reasonably intended to preserve legibility of the serial numbers and other identifying characteristics of the stamp.

A licensed wholesale dealer may, for the purpose of sale in another state, transport cigarettes not bearing Kansas indicia of tax payment through the state of Kansas provided such cigarettes are contained in sealed and original cartons.

Sec. 5. K.S.A. 2009 Supp. 79-3312 is hereby amended to read as follows: 79-3312. The director shall redeem any unused stamps or meter imprints that any wholesale dealer presents for redemption within six months after the purchase thereof, at the face value less a discount rate to be determined by the secretary of revenue based on statutory changes in tax rates and the collection responsibility placed on wholesale dealers, timeliness of filing returns and remittance of tax by wholesale dealers, completeness and accuracy of returns by wholesale dealers, and compliance with Kansas department of revenue and attorney general reporting requirements by wholesale dealers, on and after July 1, 2002, and before January 1, 2003, and .80% thereafter thereof from the face value thereof, and shall be redeemed at the time of purchase or from the remittance therefor as hereinafter provided.

Sec. 6. K.S.A. 79-3371 is hereby amended to read as follows: 79-3371. A tax is hereby imposed upon the privilege of selling or dealing in tobacco products in this state by any person engaged in business as a distributor thereof, at the rate of ten percent (10%) of the wholesale sales price of such tobacco products. Such tax shall be imposed at the time the distributor: (a) Brings or causes to be brought into this state from without the state tobacco products for sale; (b) makes, manufactures, or fabricates tobacco products in this state for sale in this state; or (c) ships or transports tobacco products to retailers in this state to be sold by those retailers.

For distributors, a tax at a rate equal to 30% of the wholesale sales price of such tobacco products, and for a retail business selling tobacco products, a tax at a rate of 30% of the retail invoice price to the consumer, is hereby imposed upon such tobacco products and shall be due and payable on or before July 31, 2010. The tax upon such tobacco products shall be imposed only once under this act. The director shall remit all moneys collected pursuant to this section to the state treasurer who shall credit the entire amount thereof to the state general fund.

Sec. 8. K.S.A. 79-3378 is hereby amended to read as follows: 79-3378. Every licensed distributor outside this state shall in like manner file a return showing the quantity and wholesale sales price of each tobacco product shipped or transported to retailers in this state to be sold by those retailers, during the preceding calendar month. Returns shall be made upon forms furnished and prescribed by the director. Each return shall be accompanied by a remittance for the full tax liability shown therein, less four percent (4%) a percentage of such liability as compensation to reimburse the distributor for his or her expenses incurred in the administration of this act to be determined by the secretary of revenue based on statutory changes in tax rates and the collection responsibility placed on distributors, timeliness of filing returns and remittance of tax by distributors, completeness and accuracy of returns by wholesale dealer and compliance with Kansas department of revenue and attorney general reporting requirement by distributors. As soon as practicable after any return is filed, the director shall examine the return. If the director finds that, in his or her judgment, the return is incorrect and any amount of tax is due from the distributor and unpaid, he or she shall notify the distributor of the deficiency. If a deficiency disclosed by the director's examination cannot be allocated by him to a particular month or months, he or she may nevertheless notify the distributor that a deficiency exists and state the amount of tax due. Such notice shall be given to the distributor by registered or certified mail.

Sec. 3. K.S.A. 2009 Supp. 12-192, as amended by section 3 of 2010 House Substitute for Senate Bill No. 255, is hereby amended to read as follows: 12-192. (a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers’ sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year, and (2) ½ of all revenue received by the director of taxation from such countywide retailers’ sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned
to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of .75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first .5% rate of tax shall be apportioned in the manner prescribed by subsection (a) and (B) the revenue received from the rate of tax exceeding .5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year and (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers’ sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term “total tangible property tax levies” means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term “total tangible property tax levies” for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraphs (2), (3)(C), (3)(F), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25) and (27) and (28) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, all revenues received from a countywide retailers’ sales tax imposed pursuant to paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers’ sales tax imposed pursuant to paragraph (26) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted
to and shall be retained by the county and expended only for the purpose for which the
revenue received from the tax was pledged unless the question of imposing a countywide
retailers’ sales tax authorized by paragraph (26) of subsection (b) of K.S.A. 12-187, and
amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the re-
spective treasurers thereof and deposited in the general fund of the city. Whenever the
territory of any city is located in two or more counties and any one or more of such counties
do not levy a countywide retailers’ sales tax, or whenever such counties do not levy coun-
tywide retailers’ sales taxes at a uniform rate, the revenue received by such city from the
proceeds of the countywide retailers’ sales tax, as an alternative to depositing the same in
the general fund, may be used for the purpose of reducing the tax levies of such city upon
the taxable tangible property located within the county levying such countywide retailers’
sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county
treasurer of the revenue collected in such county from the state retailers’ sales tax for the
preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide
retailers’ sales tax shall provide such information deemed necessary by the secretary of
revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retail-
ers’ sales tax shall not apply to any revenues received pursuant to a county or countywide
retailers’ sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All
such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited
into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto,
for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

New Sec. 4. All amounts received from a county which imposed a countywide retailers’
sales tax imposed pursuant to paragraph (28) of subsection (b) of K.S.A. 12-187, and amend-
ments thereto, by a school or unified school district shall be deemed a donation pursuant
to the provisions of K.S.A. 72-8210, and amendments thereto.”;

Sec. 6. K.S.A. 2009 Supp. 79-32,218 is hereby amended to read as follows: 79-32,218. (a) For taxable years commencing after December 31, 2009, and before January 1, 2011, any taxpayer who is awarded a tax credit under this act by the secretary of commerce and complies with the conditions set forth in this act and the agreement entered into by the secretary and the taxpayer under this act shall be allowed a credit against the taxpayer’s tax liability under the Kansas income tax act as provided in subsection (b). Expenditures used to qualify for this credit shall not be used to qualify for any other type of Kansas income tax credit.

(b) The amount of the credit to which a taxpayer is entitled shall be equal to the sum of: (1) An amount equal to 10% of the taxpayer’s qualified investment for the first $250,000,000 invested and (2) an amount equal to 5% of the amount of the taxpayer’s qualified investment that exceeds $250,000,000. Such credit shall be taken in 10 equal, annual installments, beginning with the year in which the taxpayer places into service the new refinery, the
expansion of an existing refinery or the restoration of production of a refinery as provided in this section.

(c) If the amount of an annual installment of a tax credit allowed under this section exceeds the taxpayer’s income tax liability for the taxable year in which the annual installment is allowed, the amount thereof which exceeds such tax liability may be carried over for deduction from the taxpayer’s income tax liability in the next succeeding taxable year or years until the total amount of the annual installment of the tax credit has been deducted from tax liability, except that no such tax credit shall be carried over for deduction after the 14th taxable year succeeding the taxable year in which the first annual installment is allowed.

(d) (1) Before making a qualified investment, a taxpayer shall apply to the secretary of commerce to enter into an agreement for a tax credit under this act. The secretary shall prescribe the form of the application. After receipt of such application, the secretary may enter into an agreement with the applicant for a credit under this act if the secretary determines that the taxpayer’s proposed investment satisfies the requirements of this act. The secretary shall enter into an agreement with an applicant which is awarded a credit under this act. The agreement shall include: (A) A detailed description of the refinery project that is the subject of the agreement, (B) the first taxable year for which the credit may be claimed, (C) the maximum amount of tax credit that will be allowed for each taxable year and (D) a requirement that the taxpayer shall maintain operation of the new, expanded or restored refinery for at least 10 years during the term that the tax credit is available, and (E) documentation that the refinery has purchased crude oil produced in Kansas, if available, pursuant to section 4, and amendments thereto.

(2) A taxpayer must comply with the terms of the agreement described in subsection (d)(1) to receive an annual installment of the tax credit awarded under this act. The secretary of commerce, in accordance with rules and regulations of the secretary, shall annually determine whether the taxpayer is in compliance with the agreement. Such determination of compliance shall include, but not be limited to, operation of the new, expanded or restored refinery and the purchase of available crude oil produced in Kansas during the tax years when any installments of tax credits are claimed by the taxpayer. If the secretary determines that the taxpayer is in compliance, the secretary shall issue a certificate of compliance to the taxpayer. If the secretary determines that the taxpayer is not in compliance with the agreement, the secretary shall notify the taxpayer and the secretary of revenue of such determination of noncompliance, and any tax credits claimed pursuant to this section for any tax year shall be forfeited.

(3) The secretary of commerce may adopt rules and regulations to administer the provisions of this subsection.

Sec. 7. K.S.A. 2009 Supp. 79-32,221 is hereby amended to read as follows: 79-32,221. (a) In addition to the income tax credit allowable pursuant to K.S.A. 2009 Supp. 79-32,217 through 79-32,220, and amendments thereto, a taxpayer shall be entitled to a deduction from Kansas adjusted gross income with respect to the amortization of the amortizable costs of a new refinery, an expansion of an existing refinery or restoration of production of a refinery which has been out of production for five or more years based upon a period of 10 years if the refinery purchases crude oil produced in Kansas, if available, pursuant to section 4, and amendments thereto. Such amortization deduction shall be an amount equal to 55% of the amortizable costs of such new refinery, such expansion of an existing refinery or such restoration of production of a refinery for the first taxable year in which such refinery, such expansion of an existing refinery or such restoration of production of a refinery is in production and 5% of the amortizable costs of such new refinery, such expansion of an existing refinery or such restoration of production of a refinery for each of the next nine taxable years.

(b) The election of the taxpayer to claim the deduction allowed by subsection (a) shall be made by filing a statement of such election with the secretary of revenue in the manner and form and within the time prescribed by rules and regulations adopted by the secretary.

(c) The provisions of this section shall apply to all taxable years commencing after December 31, 2009.

(d) The secretary of revenue shall adopt such rules and regulations as deemed necessary to carry out the provisions of this section.

(b) There shall be allowed as a credit against the tax liability of a taxpayer imposed under the Kansas income tax act an amount equal to the taxpayer’s qualified expenditures. The tax credit allowed by this subsection shall be deducted from the taxpayer’s income tax liability for the taxable year in which the expenditures are made by the taxpayer. If the amount of such tax credit exceeds the taxpayer’s income tax liability for such taxable year, the taxpayer may carry over the amount thereof that exceeds such tax liability for deduction from the taxpayer’s income tax liability in the next succeeding taxable year or years until the total amount of the tax credit has been deducted from tax liability, except that no such tax credit shall be carried over for deduction after the fourth taxable year succeeding the year in which the costs are incurred.

(c) (1) To qualify the expenditures of the tax credit allowed by this section, a taxpayer shall apply to the secretary of health and environment for a certification that the costs were incurred to comply with environmental standards or requirements as specified in subsection (a). The secretary shall prescribe the form of the application, which shall include, but not be limited to, the following information: (A) A detailed description of the refinery project that is the subject of the expenditure; (B) a citation to the applicable federal or state statutes, regulations or rules and regulations which require the environmental compliance; (C) a detailed accounting of the costs incurred for the environmental compliance; (D) documentation that the refinery purchased crude oil produced in Kansas, if available, pursuant to section 4, and amendments thereto, during all tax years for which the tax credit is sought; and (E) a certification by a responsible official that, based on information and belief formed after reasonable inquiry, the statements and information in the application are true, accurate and complete.

(2) If the secretary of health and environment determines that the expenditures were incurred to comply with environmental standards or requirements as specified in subsection (a) and the refinery has purchased crude oil produced in Kansas, if available, the secretary shall issue a certificate of compliance to the director of taxation.

(3) The secretary of health and environment may adopt rules and regulations to administer the provisions of this subsection, including rules and regulations to fix, charge and collect an application fee to cover all or any part of the department of health and environment’s cost of certifying the taxpayer’s qualified expenditures under this subsection.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
In the Apostle Paul’s letter
to the Corinthians,
we read words of encouragement to
“finish what you have started . . .
and not let those good intentions grow stale . . .
You’ve got what it takes to finish it up, so go to it.
Once the commitment is clear,
you do what you can, not what you can’t.
The heart regulates the hands . . .
You are shoulder to shoulder . . . all the way,
Your surplus matching their deficit,
their surplus matching your deficit.
In the end you come out even.
As it is written,
‘Nothing left over to the one with the most,
Nothing lacking to the one with the least.’ “
(2Corinthians 8:11-15, The Message)
Although we recognize that
this session is almost over,
Help us to keep focused and to the task
of accomplishing what needs to be done.
In Christ’s name I pray, Amen.

The Pledge of Allegiance was led by Rep. Prescott.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Yesterday was a long day
and many are ready to be on their way.
However, we still have crucial
decisions to make
that will have long-lasting effects.
It is obvious that everyone
wants a piece of the pie.
It is up to these leaders to discern
whether the piece requested
is a “want” or a “need.”
Your Word tells us that You
will supply our every need.
We just require Your wisdom
to know the true legitimate needs.
In Christ’s name I pray, Amen.

The Pledge of Allegiance was led by Rep. Garcia.

INTRODUCTION OF GUESTS
Reps. Otto and Feuerborn introduced Chase Brown of Richland who is the Kansas Regional Spelling Bee Champion for 2010. Chase was accompanied to the House by his parents.

PERSONAL PRIVILEGE
There being no objection, the following remarks by Rep. Dillmore, on behalf of Rep. Lane, are spread upon the journal:

Thank you, Mr. Speaker, for this opportunity to set the record straight. On May 3, the day before yesterday, this body considered a motion to override the Governor’s veto of S. Sub. for HB 2115. When the roll was opened for that Final Action vote, Rep. Lane and I pressed the Nay button on the console and verified that our votes appeared on the voting board. However, when the vote was tallied and recorded in the journal, we were recorded as having not voted.

Mr. Speaker, our constituents do not always agree with us, but they should know where we stand on the issues before this institution. We have never ducked a tough vote in the past and we do not want anyone to think we ducked this vote.
Therefore, my point today is to state clearly and for the record that we vote NO on S. Sub. for HB 2115.
Again, I thank the Speaker for the opportunity to correct the record.

On motion of Rep. O’Neal, HR 6044, A resolution honoring John F. Hayes on his lifelong public and legal service to his community and state, was adopted.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY
On motion of Rep. Craft, HR 6045, A resolution designating October as “Agent Orange Recognition Month,” was adopted.

There being no objection, the following remarks of Reps. Craft and Meier are spread upon the journal:

Rep. Craft: HR 6045 designates October as “Agent Orange Recognition Month.” It was requested by a constituent of mine, Bruce Jasinski, who was exposed to the toxic herbicide, Agent Orange, when he served at the Air Force base in Udorn, Thailand, during the Vietnam War. Herbicides were used to spray along the base perimeter at Udorn. Bruce worked on RF-4-C and F-4-D fighters on the flight line that was located in the perimeter. He remembers seeing tractors towing 55 gallon drums through the area where he worked and spraying during the daytime. Bruce has been diagnosed with Type 2 diabetes and suffers from secondary issues in addition.

Bruce is here with us today, accompanied by his wife Chris, to represent the scores of military veterans who served in Southeast Asia during the Vietnam War era and were exposed to Agent Orange, and who are afflicted today with medical problems they developed many years later, more than likely due to their exposure during the war. There are no doubt others here today who also served in Southeast Asia during this time. I would ask that they stand, too, during the reading of the resolution and be recognized.

Rep. Meier: Agent Orange was one of the weed-killing chemicals, know as a “herbicide," used by the U.S. military in the Vietnam War. It was sprayed to remove leaves from trees that enemy troops hid behind. So much Agent Orange was applied by airplanes, helicopters, trucks and backpack sprayers during the Vietnam War, that all Vietnam Veterans are considered to have been exposed. Certain other veterans who served in other countries of Southeast Asia and the Demilitarized Zone in Korea were also exposed.

In the 1970’s some veterans became concerned that exposure to Agent Orange might cause delayed health effects. One of the chemicals in Agent Orange contained small amounts of dioxin, which had been found to cause a variety of illnesses in laboratory animals. More recent studies have suggested that dioxin may be related to several types of cancer and other disorders.

In 1996, President Clinton and VA Secretary Jesse Brown asked Congress to pass legislation providing health care, monthly disability compensation, and vocational rehabilitation to the children of Vietnam veterans suffering from the serious birth defect spina bifida, which has been linked to the veterans’ exposure to Agent Orange. Congress passed the legislation, marking the first time our nation had ever compensated the children of veterans for a birth defect associated with their parent’s exposure to toxic chemicals during their
military service. The VA is now providing benefits to over 800 children, including minors and adults.

Additionally, effective December 16, 2003, Congress authorized benefits to children with spina bifida of certain veterans who served at or near the demilitarized zone in Korea between September 1, 1967 and August 31, 1971, because Agent Orange is known to have been sprayed in that area.

I had hoped my good friend and Vietnam veteran, Retired Sergeant Major Rick McCall could have been here today. He lost a lung to Agent Orange and therefore is unable to drive the distance to Topeka. Despite his serious health concerns, SGM McCall still serves his country today, working at Fort Leavenworth as a Department of the Army Civilian who writes doctrine.

As we go about our busy lives, worrying about our own routines, it is easy to take our freedoms for granted. It is my hope that as Kansans slow down a bit to observe “Agent Orange Recognition Month” that they are reminded of the sacrifices of our Vietnam veterans, the price they paid for the lives we are able to lead, and be grateful for their service.

Rep. Craft: In sponsoring this resolution, it is the hope of Rep. Meier, Rep. Goyle, and myself that the designation of October as “Agent Orange Recognition Month” will create more awareness about the devastating effects of Agent Orange on Vietnam era veterans in an effort to further the support of these brave individuals. Please help me to show our appreciation to all those who served.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Bollier, HR 6046, A resolution honoring former Representative Al Lane, was adopted.

There being no objection, the following remarks of Rep. Bollier are spread upon the journal:

I come before you today asking you to join me in honoring former Representative Al Lane with HR 6046. Al passed away this past fall. Joining me today is Al’s wife, Peggy, and Senator Terrie Huntington, your former colleague here in the House.

I grew up just down the street from Al and his family, and spent time as a young girl playing in his yard with his children or waving to him as I drove by while he was out mowing his yard. As I grew up, Al began his commitment to public service. He served on the Mission Hills City Council from 1981 to 1985, became Mayor and served from 1985 to 1989. He was elected Representative of the 25th District in 1989. My mother, who served as his Precinct Committee Chairwoman, went door to door, working hard to get Al elected into the House. He retired in 2003.

This past year he became ill and passed away in the fall of 2009. It is a true privilege to be standing here today as a Representative honoring Al for his service.

I would now like to share some words from Senator Huntington as she remembers and honors Al.

“IT was an honor to have Al Lane as my mentor and friend. When Rep. Lane decided to retire, I talked to him about filing for his seat in the Kansas House. He not only endorsed me, but he and his wife Peggy offered to serve as my campaign chairmen. And he went the extra mile, literally, by walking door to door with me. It was a primary election, so I was only going to knock on the doors of registered Republicans, but Rep. Lane said no — knock on every door. Your neighbors will want to know who is going to represent them. That’s when I knew what a special man he was — a friend and representative to everyone, not just his fellow Republicans.

“IT enjoyed his retirement, finally catching up on the home projects he had postponed for many years, but remained engaged in politics — returning to the annual Shrimp Peel Dinner, and serving on the PAC board of a local organization.

“When he learned he had cancer, his spirits were not dampened. He remained positive and upbeat through his many medical treatments — maintaining the smile and positive attitude that had served him so well during his years of community and state service.
"The resolution said it well — he was a true gentleman. I will miss his wide smile, his words of encouragement and his friendship, and I’m sure those of you who served with him in the Kansas House of Representatives feel the same."

### Note
May 5, 2010

1465
(b) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. Sentences expressed in such grid represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid’s vertical axis is the crime severity scale which classifies current crimes of conviction. The grid’s horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recognition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender’s criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be subject to appeal.

(g) The sentence for the violation of K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant’s sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered a departure and shall not be subject to appeal.

(h) When a firearm is used to commit any person felony, the offender’s sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(i) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall be as provided by the specific mandatory
sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender’s criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the person who is convicted of the crime for which the offender is convicted if the person is serving the sentence for the conviction of the crime. The term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary’s determination regarding the availability of treatment resources and facility capacity shall not be subject to review.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment term shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, “persistent sex offender” means a person who: (A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto; and (ii) at the time of the conviction under paragraph (A) (i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto in this state or comparable felony under the laws of another state, the federal government or a foreign government; or (B) (i) has been convicted of rape, K.S.A. 21-3502, and amendments thereto; and (ii) at the time of the conviction under paragraph (B) (i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in paragraph (2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender’s sentence shall be presumed imprisonment. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal. As used in this subsection, “criminal street gang” means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more person felonies, felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, which has a common name or common identifying sign or symbol, whose members, individually or collectively engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies, felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a) of K.S.A. 21-3715 and amendments thereto when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715 or 21-3716 and amendments thereto shall be presumed imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or subsection (d) of K.S.A. 21-3812, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence upon making the following findings on the record:
(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism, such program is available and the offender can be admitted to such program within a reasonable period of time; or

(2) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence pursuant to this section shall not be considered a departure and shall not be subject to appeal.

(n) The sentence for a third or subsequent violation of subsection (b) of K.S.A. 21-3705, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of K.S.A. 21-3701 or 21-3715, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 21-4729, and amendments thereto, shall apply to a defendant sentenced under this subsection.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716 and amendments thereto, or the sentence for a violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu
of that originally adjudged within statutory limits. If the offender’s term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) The sentence for a violation of subsection (a)(2) of K.S.A. 21-3413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of K.S.A. 21-3520, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months’ imprisonment.

(2) The sentence imposed pursuant to paragraph (1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, “ballistic resistant material” means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

Sec. 6. On and after July 1, 2011, K.S.A. 2009 Supp. 21-4704, as amended by section 5, is hereby amended to read as follows: 21-4704.

(a) For purposes of sentencing, the following sentencing guidelines grid for nondrug crimes shall be applied in felony cases for crimes committed on or after July 1, 1993:

The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid’s vertical axis is the crime severity scale which classifies current crimes of conviction. The grid’s horizontal axis is the criminal history scale which classifies criminal histories.

The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recognition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender’s criminal history.

(1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be considered a departure and shall not be subject to appeal.

The sentence for the violation of K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant’s sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered a departure and shall not be subject to appeal. When a firearm is used to commit any person felony, the offender’s sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall be as provided by the specific mandatory
sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, “persistent sex offender” means a person who: (A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto; and (ii) at the time of the conviction under paragraph (A) (i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto in this state or comparable felony under the laws of another state, the federal government or a foreign government; or (B) (i) has been convicted of rape, K.S.A. 21-3502, and amendments thereto; and (ii) at the time of the conviction under paragraph (B) (i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in paragraph (2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal. As used in this subsection, “criminal street gang” means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more person felonies, felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, which has a common name or common identifying sign or symbol, whose members, individually or collectively engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies, felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a) of K.S.A. 21-3715, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 21-3301 or 21-3302, amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715 or 21-3716, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumed presumptive imprisonment.

(m) The sentence for a violation of K.S.A 22-4903 or subsection (d) of K.S.A. 21-3812, and amendments thereto, shall be presumptive imprisonment. If an offense under such
sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an
optional nonprison sentence upon making the following findings on the record:
(1) An appropriate treatment program exists which is likely to be more effective than the
presumptive prison term in reducing the risk of offender recidivism, such program is avail-
able and the offender can be admitted to such program within a reasonable period of time;
or
(2) the nonprison sanction will serve community safety interests by promoting offender
reformation.
Any decision made by the court regarding the imposition of an optional nonprison sen-
tence pursuant to this section shall not be considered a departure and shall not be subject
to appeal.
(n) The sentence for a third or subsequent violation of subsection (b) of K.S.A. 21-3705,
and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be
considered a departure and shall not be subject to appeal.
(o) The sentence for a felony violation of K.S.A. 21-3701 or 21-3715, and amendments

ments thereto, when such person being sentenced has one prior felony conviction for a
violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto, shall be the
sentence as provided by this section, except that the court may order an optional nonprison
sentence for a defendant to participate in a drug treatment program, including, but not
limited to, an approved after-care plan, if the court makes the following findings on the
record:
(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment in the community is likely to be more effective than a
prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program will serve community
safety interests.
A defendant sentenced to an optional nonprison sentence under this subsection shall be
supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A.
21-4729, and amendments thereto, shall apply to a defendant sentenced under this
subsection.
The sentence under this subsection shall not be considered a departure and shall not be
subject to appeal.
(p) The sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when

sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-
3701, 21-3715 and 21-3716, and amendments thereto, shall be presumed imprisonment and
the defendant shall be sentenced to prison as provided by this section, except that the court
may recommend that an offender be placed in the custody of the secretary of corrections,
in a facility designated by the secretary to participate in an intensive substance abuse treat-
ment program, upon making the following findings on the record:
(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment with a possibility of an early release from imprisonment is
likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program with the possibility
of an early release from imprisonment will serve community safety interests by promoting
offender reformation.
The intensive substance abuse treatment program shall be determined by the secretary of
corrections, but shall be for a period of at least four months. Upon the successful com-
pletion of such intensive treatment program, the offender shall be returned to the court and
the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender’s term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.

(2) The sentence imposed pursuant to paragraph (1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

No city, county or other political subdivision of this state shall regulate, restrict or prohibit the carrying of concealed weapons handguns by persons licensed under this act except as provided in subsections (a)(1) and (a)(2) of K.S.A. 2009 Supp. 75-7c11 subsection (b) of K.S.A. 2009 Supp. 75-7c10, and amendments thereto, and subsection (f) of K.S.A. 21-4218, and amendments thereto. Prayer by Chaplain Brubaker:

Dear Lord,
I am reminded of the words given to Esther that she was placed in her royal position for such a time as that.
This 2010 State Legislature is unique in that You have placed these people here at this particular time.
This legislature is different than any that has come before, and no future legislature will be just like this one.
People change — views change — the issues change.
I am convinced this legislature has been put into place for a specific purpose.
May they prove faithful and diligent to the task given to them.
May they recognize their decisions will have long-lasting effects.
So speak loudly and clearly Your words of wisdom for such a time as this.
In Christ’s name I pray, Amen.

The Pledge of Allegiance was led by Rep. Crow.

PERSONAL PRIVILEGE
There being no objection, the following remarks of Rep. Phelps are spread upon the journal:

Thank you Mr. Speaker and good morning to the members of the body. As the session has moved along we have had many points of personal privilege at which time we have honored national champions, state champions, individuals for their long-time service to the State of Kansas and our men and women in the military.
Today I would like to recognize and congratulate Mr. Dennis Hodgins who many members recognize as a member of the Legislative Research Department. He has staffed several House and Senate committees over the past 17 years.

Dennis was born in Winnipeg, Manitoba, Canada. On March 19, 2010, Dennis became an American citizen by taking the Oath of Citizenship. By my calculation I believe Dennis is approximately the 309,200,000th citizen in the country. I would ask the members of the House to join me in congratulating Dennis Hodgins, U.S. Citizen.

(a) For taxable years commencing after December 31, 1997, any taxpayer who shall invest in a qualified business facility, as defined in subsection (b) of K.S.A. 79-32,154, and amendments thereto, and effective for tax years commencing after December 31, 2010, located in an area other than a metropolitan county as defined in either K.S.A. 2009 Supp. 74-50,114 or 74-50,211, and amendments thereto, shall be allowed a credit for such investment, in an amount determined under subsection (b) against the tax imposed by the Kansas income tax act, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, the privilege tax as measured by net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated for the taxable year during which commencement of commercial operations, as defined in subsection (f) of K.S.A. 79-32,154, and amendments thereto, occurs at such qualified business facility, and for each of the nine succeeding taxable years. No credit shall be allowed under this section unless the number of qualified business facility employees, as determined under subsection (d) of K.S.A. 79-32,154, and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result of the investment by the taxpayer for the taxable year for which the credit is claimed equals or exceeds two. Where an employee performs services for the taxpayer outside the qualified business facility, the employee shall be considered engaged or maintained in employment at the qualified business facility if (1) the employee's service performed outside the qualified business facility is incidental to the employee's service inside the qualified business facility, or (2) the base of operations or, the place from which the service is directed or controlled, is at the qualified business facility.

(b) The credit allowed by subsection (a) for any taxpayer who invests in a qualified business facility shall be a portion of the tax, but not in excess of 50% of such tax, otherwise
imposed on or measured by the taxpayer's qualified business facility income, as defined in subsection (g) of K.S.A. 79-32,154, and amendments thereto, for the taxable year for which such credit is allowed. Such portion shall be an amount equal to the sum of the following:

(1) One hundred dollars for each qualified business facility employee determined under K.S.A. 79-32,154, and amendments thereto; plus

(2) one hundred dollars for each $100,000, or major fraction thereof (which shall be deemed to be 51% or more), in qualified business facility investment as determined under K.S.A. 79-32,154, and amendments thereto.

(c) For tax years commencing after December 31, 2005, any taxpayer claiming credits pursuant to this section, as a condition for claiming and qualifying for such credits, shall provide information pursuant to K.S.A. 2009 Supp. 79-32,243, and amendments thereto, as part of the tax return in which such credits are claimed. Such credits shall not be denied solely on the basis of the contents of the information provided by the taxpayer pursuant to K.S.A. 2009 Supp. 79-32,243, and amendments thereto.

(d) No credit shall be allowed under this section for investment in a public utility, as such term is defined in K.S.A. 66-104, and amendments thereto.

Sec. 10. K.S.A. 2009 Supp. 79-32,160a is hereby amended to read as follows: 79-32,160a.

(a) For taxable years commencing after December 31, 1999, any taxpayer who shall invest in a qualified business facility, as defined in subsection (b) of K.S.A. 79-32,154, and amendments thereto, and effective for tax years commencing after December 31, 2010, located in an area other than a metropolitan county as defined in either K.S.A. 2009 Supp. 74-50,114 or 74-50,211, and amendments thereto, and also meets the definition of a business in subsection (b) of K.S.A. 74-50,114, and amendments thereto, shall be allowed a credit for such investment, in an amount determined under subsection (b) or (c), as the case requires, against the tax imposed by the Kansas income tax act or where the qualified business facility is the principal place from which the trade or business of the taxpayer is directed or managed and the facility has facilitated the creation of at least 20 new full-time positions, against the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or as measured by the net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated, for the taxable year during which commencement of commercial operations, as defined in subsection (f) of K.S.A. 79-32,154, and amendments thereto, occurs at such qualified business facility. In the case of a taxpayer who meets the definition of a manufacturing business in subsection (d) of K.S.A. 74-50,114, and amendments thereto, no credit shall be allowed under this section unless the number of qualified business facility employees, as determined under subsection (d) of K.S.A. 79-32,154, and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result of the investment by the taxpayer for the taxable year for which the credit is claimed equals or exceeds two. In the case of a taxpayer who meets the definition of a nonmanufacturing business in subsection (f) of K.S.A. 74-50,114, and amendments thereto, no credit shall be allowed under this section unless the number of qualified business facility employees, as determined under subsection (d) of K.S.A. 79-32,154, and amendments thereto, engaged or maintained in employment at the qualified business facility as a direct result of the investment by the taxpayer for the taxable year for which the credit is claimed equals or exceeds five. Where an employee performs services for the taxpayer outside the qualified business facility, the employee shall be considered engaged or maintained in employment at the qualified business facility if (1) the employee’s service performed outside the qualified business facility is incidental to the employee’s service inside the qualified business facility, or (2) the base of operations or the place from which the service is directed or controlled, is at the qualified business facility.

(b) The credit allowed by subsection (a) for any taxpayer who invests in a qualified business facility which is located in a designated nonmetropolitan region established under K.S.A. 74-50,116, and amendments thereto, on or after the effective date of this act, shall be a portion of the income tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated, for the taxable year for which such credit is allowed, but in the case where the qualified
business facility investment was made prior to January 1, 1996, not in excess of 50% of such tax. Such portion shall be an amount equal to the sum of the following:

(1) Two thousand five hundred dollars for each qualified business facility employee determined under K.S.A. 79-32,154, and amendments thereto; plus

(2) one thousand dollars for each $100,000, or major fraction thereof, which shall be deemed to be 51% or more, in qualified business facility investment, as determined under K.S.A. 79-32,154, and amendments thereto.

(c) The credit allowed by subsection (a) for any taxpayer who invests in a qualified business facility, which is not located in a nonmetropolitan region established under K.S.A. 74-50,116, and amendments thereto, and effective for tax years commencing after December 31, 2010, located in an area other than a metropolitan county as defined in either K.S.A. 2009 Supp. 74-50,114 or 74-50,211, and amendments thereto, and which also meets the definition of business in subsection (b) of K.S.A. 74-50,114, and amendments thereto, on or after the effective date of this act, shall be a portion of the income tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated, for the taxable year for which such credit is allowed, but in the case where the qualified business facility investment was made prior to January 1, 1996, not in excess of 50% of such tax. Such portion shall be an amount equal to the sum of the following:

(1) One thousand five hundred dollars for each qualified business facility employee as determined under K.S.A. 79-32,154, and amendments thereto; and

(2) one thousand dollars for each $100,000, or major fraction thereof, which shall be deemed to be 51% or more, in qualified business facility investment as determined under K.S.A. 79-32,154, and amendments thereto.

(d) The credit allowed by subsection (a) for each qualified business facility employee and for qualified business facility investment shall be a one-time credit. If the amount of the credit allowed under subsection (a) exceeds the tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax and privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated, for the taxable year or in the case where the qualified business facility investment was made prior to January 1, 1996, 50% of such tax imposed upon the amount which exceeds such tax liability or such portion thereof may be carried over for credit in the same manner in the succeeding taxable years until the total amount of such credit is used. Except that, before the credit is allowed, a taxpayer, who meets the definition of a manufacturing business in subsection (d) of K.S.A. 74-50,114, and amendments thereto, shall recertify annually that the net increase of a minimum of two qualified business facility employees has continued to be maintained and a taxpayer, who meets the definition of a nonmanufacturing business in subsection (f) of K.S.A. 74-50,114, and amendments thereto, shall recertify annually that the net increase of a minimum of five qualified business employees has continued to be maintained.

(e) Notwithstanding the foregoing provisions of this section, any taxpayer qualified and certified under the provisions of K.S.A. 74-50,131, and amendments thereto; which, prior to making a commitment to invest in a qualified Kansas business, has filed a certificate of intent to invest in a qualified business facility in a form satisfactory to the secretary of commerce; and that has received written approval from the secretary of commerce for participation and has participated, during the tax year for which the exemption is claimed, in the Kansas industrial training, Kansas industrial retraining or the state of Kansas investments in lifelong learning program or is eligible for the tax credit established in K.S.A. 74-50,132, and amendments thereto, shall be entitled to a credit in an amount equal to 10% of that portion of the qualified business facility investment which exceeds $50,000 in lieu of the credit provided in subsection (b)(2) or (c)(2) without regard to the number of qualified business facility employees engaged or maintained in employment at the qualified business facility. The credit allowed by this subsection shall be a one-time credit. If the amount thereof exceeds the tax imposed by the Kansas income tax act on the taxpayer’s Kansas
taxable income or the premium tax or privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by net income of financial institutions imposed pursuant to chapter 79, article 11 of the Kansas Statutes Annotated for the taxable year, the amount thereof which exceeds such tax liability may be carried forward for credit in the succeeding taxable year or years until the total amount of the tax credit is used, except that no such tax credit shall be carried forward for deduction after the 10th taxable year succeeding the taxable year in which such credit initially was claimed and no carry forward shall be allowed for deduction in any succeeding taxable year unless the taxpayer continued to be qualified and was recertified for such succeeding taxable year pursuant to K.S.A. 74-50,131, and amendments thereto.

(f) For tax years commencing after December 31, 2005, any taxpayer claiming credits pursuant to this section, as a condition for claiming and qualifying for such credits, shall provide information pursuant to K.S.A. 2009 Supp. 79-32,243, and amendments thereto, as part of the tax return in which such credits are claimed. Such credits shall not be denied solely on the basis of the contents of the information provided by the taxpayer pursuant to K.S.A. 2009 Supp. 79-32,243, and amendments thereto.

(g) This section and K.S.A. 79-32,160b, and amendments thereto, shall be part of and supplemental to the job expansion and investment credit act of 1976 and acts amendatory thereof and supplemental thereto.

during the 2004 regular session of the legislature and each regular session of the legislature
thereafter, is hereby fixed so that there will be an ending balance in the state general fund
for the ensuing fiscal year that is equal to 7.5% or more of the total amount authorized to

(c) The provisions of subsection (b) are hereby suspended for the fiscal year ending June
30, 2010, and shall not prescribe a maximum amount of expenditures and demand

Sec. 147. On July 1, 2010, K.S.A. 2009 Supp. 76-775 is hereby amended to read as follows:
76-775. (a) Subject to the other provisions of this act, on the first day of the first state fiscal
year commencing after receiving a certification of receipt of a qualifying gift under K.S.A.
2009 Supp. 76-774 and amendments thereto, the director of accounts and reports shall
transfer from the state general fund the amount determined by the director of accounts and

matching fund of the eligible educational institution, in the case of a certification of a
qualifying gift to an eligible educational institution that is a state educational institution, or
(2) the faculty of distinction program fund of the state board of regents, in the case of a
certification of a qualifying gift to an eligible institution that is not a state educational insti-
tution. Subject to the other provisions of this act, on each July 1 thereafter, the director of
accounts and reports shall make such transfer from the state general fund of the earnings
equivalent award for such qualifying gift for the period of the preceding state fiscal year.
All transfers made in accordance with the provisions of this subsection shall be considered
demand transfers from the state general fund, except that all such transfers during the fiscal
years ending June 30, 2011, and June 30, 2012, shall be considered to be revenue
transfers from the state general fund.

(b) There is hereby established in the state treasury the faculty of distinction program
fund which shall be administered by the state board of regents. All moneys transferred
under this section to the faculty of distinction program fund of the state board of regents
shall be paid to eligible educational institutions that are not state educational institutions
for earnings equivalent awards for qualifying gifts to such eligible educational institutions.
The state board of regents shall pay from the faculty of distinction program fund the amount
of each such transfer to the eligible educational institution for the earnings equivalent award
for which such transfer was made under this section.

(c) The earnings equivalent award for an endowed professorship shall be determined by
the director of accounts and reports and shall be the amount of interest earnings that the
amount of the qualifying gift certified by the state board of regents would have earned at
the average net earnings rate of the pooled money investment board portfolio for the period
for which the determination is being made.

(d) The total amount of new qualifying gifts which may be certified to the director of
accounts and reports under this act during any state fiscal year for all eligible educational
institutions shall not exceed $30,000,000. The total amount of new qualifying gifts which
may be certified to the director of accounts and reports under this act during any state fiscal

No additional qualifying gifts shall be certified by the state board of regents under this act when the total of all transfers from the state general fund for earnings equivalent awards for qualifying gifts pursuant to this section and amendments thereto for a fiscal year is equal to or greater than $6,000,000 in fiscal year 2009, $7,000,000 in fiscal year 2010 and $8,000,000 in fiscal year 2011 and in each fiscal year thereafter.

Sec. 148. On July 1, 2010, K.S.A. 2009 Supp. 76-783, as amended by section 33 of 2010 House Bill No. 2557, is hereby amended to read as follows: 76-783. (a) (1) The Kansas development finance authority is hereby authorized to issue from time to time bonds on behalf of the board of regents in such principal amounts as the Kansas development finance authority and the board of regents determine to be necessary to provide sufficient funds to finance scientific research and development facilities, including, but not limited to, the payment of interest on such bonds, the establishment of reserves to secure such bonds, costs of issuance, refunding any outstanding bonds, and all other expenditures of the board of regents incident to and necessary or convenient to carry out the powers and functions authorized by this act. The Kansas development finance authority shall not issue any bond or bonds on behalf of the corporation formed by the board of regents under this act. The Kansas development finance authority shall not issue bonds under this act for more than $120,000,000, in the aggregate, plus all amounts required for costs of any bond issuance, costs of interest on any bond issued or obtained for such scientific research and development facilities and any required reserves for payment of principal and interest on any such bond.

(2) Except as may otherwise be expressly provided by the board of regents, every obligation of the board of regents with respect to such bonds shall be an obligation of the board of regents payable out of any revenues or moneys of the board of regents derived from annual appropriations of the legislature. Subject only to any agreements with holders of particular bonds pledging any particular revenues, the board of regents shall use moneys derived from scientific research and development facilities to provide funds sufficient to pay principal and interest on any bonds issued pursuant to this act commencing after the date a project is completed and has been accepted by the board of regents. Subject to the provisions of appropriation acts, payment of principal and interest on the bonds shall be made by the state board of regents from annual appropriations by the legislature from such revenues as are furnished by the board of regents, or from any other available funds, in amounts sufficient to pay principal and interest on the bonds until the bonds are finally paid.

(3) Upon acceptance by the board of regents of each project initiated and completed under this act and upon a determination by the board of regents that the period for repayment of debt for such project is to commence, the board of regents shall certify to the director of accounts and reports that principal and interest payments for such project are to commence and the dates and amounts of all principal and interest payments for such project. Pursuant to each such certification and commencing on or after July 1, 2004, the director of accounts and reports shall transfer, from the state general fund to the debt service fund or funds at a state educational institution as specified in the certification for such project, the amount certified on or before the respective payment date therefor. Transfers shall be made under this section pursuant to any such certification on or after July 1, 2004. All such transfers during the fiscal years ending June 30, 2011, and June 30, 2012, shall be considered to be revenue transfers from the state general fund. The aggregate of all such transfers from the state general fund during any fiscal year shall not exceed $10,000,000 and the aggregate of all such transfers from the state general fund under this section shall not exceed $50,000,000. The Kansas development finance authority and the board of regents shall enter into contracts with respect to the scientific research and development facilities financed under this act prescribing the obligation of the board of regents and the state educational institutions to provide for repayment of amounts of bond debt service in addition to those amounts provided for by transfers under this section from the state general fund.

(b) (1) The bonds shall be authorized by a resolution adopted by the board of directors of the Kansas development finance authority.
(2) Except as otherwise provided in this act, bonds issued by the Kansas development finance authority under authority of this act shall be subject to the provisions of K.S.A. 74-8901 et seq., and amendments thereto.

(c) Any resolution authorizing the board of regents to incur any obligation with respect to bonds issued by the Kansas development finance authority may contain such provisions as deemed appropriate by the board of regents for the purpose of carrying out the purposes of this act and securing such bonds, which shall be a part of the contract with the holders thereof, including, but not limited to, provisions:

(1) Pledging all or any part of the revenues of the board of regents derived from scientific research and development facilities to secure the payment of the bonds or of any issue thereof, subject to such agreements with bondholders as may then exist;

(2) the setting aside of reserves or sinking funds and the regulation and disposition thereof;

(3) limitations on the issuance of additional bonds or other obligations, the terms upon which additional bonds or obligations may be issued and secured, and the refunding of outstanding or other bonds;

(4) defining the acts or omissions to act which shall constitute a default in the obligations and duties of the board of regents to the Kansas development finance authority, the applicable bond trustee or the holders of the bonds, except that such rights and remedies shall not be inconsistent with the general laws of this state and the other provisions of this act;

and

(5) any other matters, of like or different character, which in any way affect the security or protection of the holders of the notes or bonds.

(d) Any of the provisions relating to any bonds described in this section may be set forth in a trust indenture, loan agreement, lease agreement or other financing document authorized by a resolution of the board of regents or the board of directors of the Kansas development finance authority.

(e) The bonds of each issue may, in the discretion of the board of directors of the Kansas development finance authority, be made redeemable before maturity at such prices and under such terms and conditions as may be determined by the board of directors of the Kansas development finance authority. Bonds issued on behalf of the board of regents shall mature at such time, not exceeding 30 years from their date of issue, as may be determined by the board of regents and the board of directors of the Kansas development finance authority. The bonds may be issued as serial bonds payable in annual installments or as term bonds or as a combination thereof. The bonds shall bear interest at such rate either fixed or variable, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in such medium of payment and at such place, and be subject to such terms of redemption as provided in the resolution of trust indenture. The bonds may be sold by the Kansas development finance authority, at public or private sale, at such price as the board of directors of the Kansas development finance authority shall determine.

(f) In case any officer of the Kansas development finance authority whose signature or a facsimile of whose signature appears on any bonds or coupons attached thereto ceases to be such officer before the delivery thereof, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

(g) Any bonds issued by the Kansas development finance authority pursuant to this section, and the income therefrom (including any profit from the sale thereof) shall at all times be free from taxation by the state or any agency, political subdivision or instrumentality of the state, including income and property taxes.

(h) Any holder of bonds issued under the provisions of this act, or any coupons appertaining thereto and the trustee under any trust agreement or resolution authorizing the issuance of such bonds, except the rights under this act may be restricted by such trust agreement or resolution, may, either at law or in equity by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the state or granted under this act or under such agreement or resolution, or under any other contract executed by the board of regents pursuant to this act, and may enforce and compel the performance
of all duties required by this act or by such trust agreement or resolution to be performed
by the board of regents or by an officer thereof.

(i) The bonds shall be special, limited obligations of the Kansas development finance
authority and the state shall not be liable for bonds issued by the Kansas development
finance authority on behalf of the board of regents, and such bonds shall not constitute a
debt of the state.

(j) Neither the board of regents, the board of the Kansas development finance authority
nor any authorized employee of the board of regents or the Kansas development finance
authority shall be personally liable for such bonds by reason of the issuance thereof.

(k) Nothing in this act shall be construed as a restriction or limitation upon any other
powers which the board of regents might otherwise have under any other law of this state,
and this act is cumulative to any such powers. This act does and shall be construed to provide
a complete, additional and alternative method for the doing of the things authorized thereby
and shall be regarded as supplemental and additional to powers conferred by other laws.
The issuance of bonds under the provisions of this act need not comply with the require-
ments of any other state law applicable to the issuance of bonds. No proceedings, notice or
approval shall be required for the issuance of any bonds or any instrument as security
therefor, except as is provided in this act.

(l) Any of the provisions relating to bonds described in this section may be included in
any contracts between the board of regents and the Kansas development finance authority
relating to obligations of the Kansas development finance authority issued on behalf of the
board of regents.

On March 2, 2009, subject to the provisions of subsection (d) and subsection (g), the state treasurer shall pay to the county treasurer of each county an amount equal to 70% of such difference for distribution as provided in subsection (e).
(3) On January 31, 2010, the secretary shall calculate for each county an amount equal to the difference in total ad valorem taxes levied by the county on commercial and industrial machinery and equipment for all taxing subdivisions within the county imposing ad valorem taxes on commercial and industrial machinery and equipment for tax year 2005, and the total of such ad valorem taxes levied for tax year 2009 not including any such ad valorem taxes on commercial and industrial machinery and equipment that were abated or exempted prior to July 1, 2006, and which such abatement or exemption expired after July 1, 2006. On or before February 15, 2010, subject to the provisions of subsection (d), the state treasurer shall pay to the county treasurer of each county an amount equal to 50% of such difference for distribution as provided in subsection (e).

(4) On January 31, 2011, the secretary shall calculate for each county an amount equal to the difference in total ad valorem taxes levied by the county on commercial and industrial machinery and equipment for all taxing subdivisions within the county imposing ad valorem taxes on commercial and industrial machinery and equipment for tax year 2005, and the total of such ad valorem taxes levied for tax year 2010 not including any such ad valorem taxes on commercial and industrial machinery and equipment that were abated or exempted prior to July 1, 2006, and which such abatement or exemption expired after July 1, 2006. (6) There shall be no payments made pursuant to this section after the payments made by the state treasurer on or before February 15, 2012, and the provisions of this section shall expire at such time.

(c) The calculations required by subsection (b) shall be based upon a certification made by the county clerk on or before November 15 of the tax year and submitted to the director of property valuation. Such certification shall be in a format devised and prescribed by the director of property valuation. Such certification shall report the total ad valorem taxes levied by the county on commercial and industrial machinery and equipment for all taxing subdivisions within the county imposing ad valorem taxes on commercial and industrial machinery and equipment. The county clerk shall provide a copy of such certification to the county treasurer for the purpose of determining the distribution of moneys pursuant to the provisions of subsection (e)(2) paid to the county pursuant to subsection (b) by the state treasurer.

(d) If the amount calculated for the difference in subsections (b)(1) through (b)(5) is negative, the amount calculated for such county for such year shall be deemed to be zero and no amount shall be paid to the county treasurer of such county as otherwise provided in subsection (b). Nothing in this section shall be construed to require the county to make any payments to the state in such event that the amount calculated for the difference is negative for the county for such year.

(e) (1) On January 31 of each year specified in this section, the secretary of revenue shall certify to the director of accounts and reports the aggregate of all amounts determined for counties pursuant to subsection (b). Upon receipt of such certification, the director of accounts and reports shall transfer the amount certified from the state general fund to the business machinery and equipment tax reduction assistance fund, except that (A) the aggregate amount of moneys transferred from the state general fund to the business machinery and equipment tax reduction assistance fund during the state fiscal year ending June 30, 2009, pursuant to this section shall not exceed the maximum amount determined pursuant
to subsection (g), (B) an amount equal to 50% of the maximum amount determined pursuant
to subsection (g) shall be transferred from the state general fund to the business machinery
and equipment tax reduction assistance fund on March 2, 2009, and (C) no moneys shall

reduction assistance fund during the state fiscal year ending June 30, 2010, pursuant to this
section, (D) no moneys shall be transferred from the state general fund to the business
machinery and equipment tax reduction assistance fund during the state fiscal year ending
June 30, 2011, pursuant to this section, and (E) no moneys shall be transferred from the
state general fund to the business machinery and equipment tax reduction assistance fund
during the state fiscal year ending June 30, 2012, pursuant to this section.
(2) The state treasurer shall apportion and distribute the moneys credited to the business
machinery and equipment tax reduction assistance fund to the county treasurers in accord-
ance with subsection (b). Upon receipt of each such amount, each county treasurer shall
apportion such amount among the ad valorem taxing subdivisions imposing ad valorem taxes
on commercial and industrial machinery and equipment in an amount equal to the differ-
ence between the total ad valorem taxes on commercial and industrial machinery and equip-
ment levied by each such ad valorem taxing subdivision for the tax year 2005 and the total
ad valorem taxes on commercial and industrial machinery and equipment levied by each
such ad valorem taxing subdivision for the tax year of the apportionment, subject to the
percentage reduction set forth in subsection (b) for the tax year of the apportionment of
such moneys to that county. The county treasurer shall pay such amounts to the taxing
subdivisions at the same time or times as their regular operating tax rate mill levy is paid to
them.
(f) Before January 31 of 2007 through 2013, the secretary of revenue shall make a detailed
report of amounts calculated as required pursuant to subsection (b) for each individual
county and in aggregate for all the counties for the current year along with any projections
for future years, amounts distributed to the counties pursuant to this section, the amount
of ad valorem taxes on commercial and industrial machinery and equipment not included
in the total ad valorem taxes for each tax year due to the fact that the tax liability of such
machinery and equipment was abated or exempted prior to July 1, 2006, and such abatement
or exemption expired after July 1, 2006, for each individual county and in aggregate for all
counties and all other relevant information related to the provisions of this section, and shall
present such report before such date to the house committee on taxation of the house of
representatives and the senate committee on assessment and taxation of the senate for
consideration by the legislature in making any appropriate adjustments to the provisions of
this section.
(g) (1) The maximum amount that may be transferred during the fiscal year ending June
30, 2009, from the state general fund to the business machinery and equipment tax re-
duction assistance fund pursuant to this section shall be equal to (A) the amount equal to 93.5% of
the aggregate amount determined under subsection (b)(2) plus the amount equal to 93.5% of
the aggregate amount determined under subsection (b)(2) of K.S.A. 2009 Supp. 79-2979,
and amendments thereto, multiplied by (B) the result obtained by dividing the amount
equal to 93.5% of the aggregate amount determined under subsection (b)(2) by the aggregate
of the amount equal to 93.5% of the aggregate amount determined under subsection
(b)(2) plus the amount equal to 93.5% of the aggregate amount determined under subsection
(b)(2) of K.S.A. 2009 Supp. 79-2979, and amendments thereto.
(2) If a maximum amount is imposed under this subsection and the aggregate amount
transferred from the state general fund to the business machinery and equipment tax re-
duction assistance fund during state fiscal year 2009 pursuant to this section is reduced,
then the amount allocated to each county by the state treasurer under subsection (b)(2)
shall be reduced proportionately with respect to aggregate reduction in the amount of such
transfer from the state general fund to the business machinery and equipment tax reduction
assistance fund during state fiscal year 2009.
Sec. 153. On July 1, 2010, K.S.A. 2009 Supp. 79-2979 is hereby amended to read as
follows: 79-2979. (a) There is hereby established in the state treasury the telecommunica-
tions and railroad machinery and equipment tax reduction assistance fund which shall be
administered by the state treasurer. All expenditures from the telecommunications and
railroad machinery and equipment tax reduction assistance fund shall be for the payments
to counties for distribution to taxing subdivisions levying ad valorem taxes within the county
in accordance with this section.

(b) The secretary of revenue shall adopt a policy using the most current information that
is available, and that is determined to be practicable by the secretary for this purpose and
shall calculate the following:

(1) On January 31, 2008, the secretary shall calculate for each county an amount equal
to the difference in total ad valorem taxes levied by the county on telecommunications
machinery and equipment and railroad machinery and equipment for all taxing subdivisions
within the county imposing ad valorem taxes on telecommunications machinery and equip-
ment and railroad machinery and equipment for tax year 2005, and the total of such ad
valorem taxes levied for tax year 2007 not including any such ad valorem taxes on telecom-
munications machinery and equipment and railroad machinery and equipment that were
abated or exempted prior to July 1, 2006, and which such abatement or exemption expired
after July 1, 2006. On or before February 15, 2008, subject to the provisions of subsection
(c), the state treasurer shall pay to the county treasurer of each county an amount equal to
90% of such difference for distribution as provided in subsection (d).

```
Section 1. K.S.A. 2009 Supp. 65-3225 is hereby amended to read as follows: 65-3225.
(a) Subject to K.S.A. 2009 Supp. 65-3227, and amendments thereto, a donor or other person authorized to make an anatomical gift under K.S.A. 2009 Supp. 65-3223, and amendments thereto, may amend or revoke an anatomical gift by:
(1) A record signed by:
(A) The donor;
(B) the other person; or
(C) subject to subsection (b), another individual acting at the direction of the donor or the other person if the donor or other person is physically unable to sign; or
(2) a later-executed document of gift that amends or revokes a previous anatomical gift or portion of an anatomical gift, either expressly or by inconsistency.
(b) A record signed pursuant to subsection (a)(1)(C) must:
(1) Be witnessed by at least two adults, at least one of whom is a disinterested witness, who have signed at the request of the donor or the other person; and
(2) state that it has been signed and witnessed as provided in paragraph (1).
(c) Subject to K.S.A. 2009 Supp. 65-3227, and amendments thereto, a donor or other person authorized to make an anatomical gift under K.S.A. 2009 Supp. 65-3223, and amendments thereto, may revoke an anatomical gift by the destruction or cancellation of the document of gift, or the portion of the document of gift used to make the gift, with the intent to revoke the gift.
(d) A donor may amend or revoke an anatomical gift that was not made in a will by any form of communication during a terminal illness or injury addressed to at least two adults, at least one of whom is a disinterested witness.
(e) A donor who makes an anatomical gift in a will may amend or revoke the gift in the manner provided for amendment or revocation of wills or as provided in subsection (a).
(f) A donor may revoke or amend an anatomical gift made by placing such individual's name on the first person consent organ and tissue donor registry by directly accessing the registry website or notifying the Kansas federally designated organ procurement organization to request the amendment or revocation. Withdrawal of such individual's consent to be listed in the registry does not constitute a refusal to make an anatomical gift of the individual's body or part.
```
Sec. 2. K.S.A. 2009 Supp. 65-3239 is hereby amended to read as follows: 65-3239. (a) Information obtained under K.S.A. 8-247 and 8-1325, and amendments thereto, from the division of vehicles by the Kansas federally designated organ procurement organization shall be used for the purpose of establishing a statewide organ and tissue donor registry accessible to in-state recognized cadaveric organ and cadaveric tissue agencies for the recovery or placement of organs and tissue and to procurement agencies in another state when a Kansas resident is a donor of an anatomical gift and is not located in Kansas at the time of death or immediately before the death of the donor. No organ or tissue donation organization may obtain information from the organ and tissue donor registry for the purposes of fund-raising. Organ and tissue donor registry information shall not be further disseminated unless authorized in this section or by federal law. Dissemination of organ and tissue donor registry information may be made by the Kansas federally designated organ procurement organization to a recognized in-state procurement agency for other tissue recovery, or an out-of-state federally designated organ procurement agency. An individual who agrees to have such individual's name in the first person consent organ and tissue donor registry has given full legal consent to the donation of any of such individual's organs or tissues upon such individual's death as recorded in the registry.

(b) The Kansas federally designated organ procurement organization may acquire donor information from sources other than the division of vehicles.

(c) All costs associated with the creation and maintenance of the organ and tissue donor registry shall be paid by the Kansas federally designated organ procurement organization. Such organization shall also pay the costs of providing and maintaining the written information and educational materials required to be distributed under subsection (g) of K.S.A. 8-247, and amendments thereto, and under subsection (b) of K.S.A. 8-1325, and amendments thereto.

(d) An individual does not need to participate in the organ and tissue donor registry to be a donor of organs or tissue. The registry is to facilitate organ and tissue donations and not inhibit Kansans from being donors upon death.

(e) This section shall be a part of and supplemental to the revised uniform anatomical gift act.

Sec. 3. K.S.A. 2009 Supp. 65-3225 and 65-3239 are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.

Sec. 169. On and after July 1, 2011, a supermajority of two-thirds (2/3) of the members then elected (or appointed) and qualified of each house, voting in the affirmative, shall be necessary to pass any bill enacting or amending any law creating any new state tax or increasing the rate of any existing state income tax, sales tax, compensating use tax or other excise tax or a tax in the nature of an excise tax, property tax, or tax in the nature of a property tax, or estate or inheritance tax, or a tax in the nature of an estate or inheritance tax, or any combination thereof.

Sec. 170. (a) Except as provided by this section, for any fiscal year that commences on or after July 1, 2011, fiscal year spending by the state shall not increase above the fiscal year spending for the preceding fiscal year by more than the maximum percentage increase determined pursuant to this section. The maximum percentage increase in fiscal year spending for a fiscal year shall be equal to the result obtained by adding the rate of inflation for the calendar year ending during the preceding fiscal year, plus the percentage change in state population during the calendar year ending during the preceding fiscal year if a positive number, adjusted for revenue changes resulting from acts enacted in accordance with section 3 of this act. The limitation imposed on fiscal year spending shall not apply to expenditures of moneys transferred to the state general fund from the state budget stabilization reserve fund pursuant to section 7 of this act. The limitation imposed on fiscal year spending for a fiscal year may be authorized to be exceeded by act of the legislature that is passed by a supermajority of two-thirds (2/3) of the members then elected (or appointed) and qualified of each house, voting in the affirmative, and that authorizes fiscal year spending for such fiscal year in excess of such limitation.

(b) For any fiscal year commencing on or after July 1, 2011, the total state revenue limitation shall be determined in accordance with this section. If the amount of the total state revenue for the preceding fiscal year exceeds the amount of total state revenue for the second preceding fiscal year, the total state revenue limitation for a fiscal year shall be the result obtained by adding (1) the lesser of (A) the amount of total state revenue for the preceding fiscal year or (B) the amount of the total state revenue limitation for the preceding fiscal year, and (2) the product of (A) the amount determined under clause (1) of this subsection, and (B) the sum of (i) the rate of inflation for the calendar year ending during the preceding fiscal year, plus (ii) the percentage change in state population during the calendar year ending during the preceding fiscal year if a positive number.

(c) If the amount of the total state revenue for the preceding fiscal year is less than the amount of total state revenue for the second preceding fiscal year, the amount of the total
state revenue limitation for a fiscal year shall be the lesser of (1) the amount of total state revenue for the second preceding fiscal year, or (2) the amount of the total state revenue limitation for the base revenue year.

(d) The legislature shall provide a mechanism to adjust the amount of a limitation under this section to reflect any subsequent transfer of all or any part of the cost of providing a governmental function. The mechanism shall adjust the amount of a limitation so that total costs are not increased as a result of the transfer. The adjustment mechanism provided for in this subsection shall be used in determining a limitation under this section beginning with the fiscal year immediately following the transfer.

(e) For the purposes of determining total revenue limitations under this section for the state, the total authorized fiscal year expenditures for the fiscal year ending on June 30, 2010, shall be construed to be the total state revenue and the total revenue limitation for that preceding fiscal year and the total authorized fiscal year expenditures for the fiscal year ending on June 30, 2011, shall be construed to be the total state revenue and the total revenue limitation for that preceding fiscal year.

Sec. 171. (a) For any fiscal year that commences on or after July 1, 2011, if total state revenue exceeds the total state revenue limitation for that fiscal year, as determined in accordance with section 4 of this act, then a portion of the excess amount of state revenue shall be reserved as prescribed by this section or refunded as prescribed by section 6 of this article. Any amount required to be maintained in the ending balance of the state general fund as provided by law shall be excluded from the amount available for transfer to the budget stabilization reserve fund by this section.

(b) An amount of any excess amount of total state revenue shall be transferred in the amount and in the manner prescribed by the legislature by law to the budget stabilization reserve fund, which fund is hereby created in the state treasury. The amount transferred to the budget stabilization reserve fund in accordance with this subsection shall be equal to the lesser of (1) the amount necessary to ensure that the balance in the budget stabilization reserve fund at the end of the fiscal year is an amount equal to 7% of the total state revenue limitation for the ensuing fiscal year. Income earned on the moneys credited to the budget stabilization reserve fund shall accrue to the budget stabilization reserve fund. In no case shall additional moneys be transferred into the budget stabilization reserve fund if the balance in the fund is equal to or more than 7% of the total state revenue limitation for the ensuing fiscal year. Each transfer to the budget stabilization reserve fund prescribed by this section shall be made before any transfer to the emergency reserve fund as provided in section 5 of this article or any refunds as required by section 6 of this article.

(c) For any fiscal year that commences on or after July 1, 2011, if the amount of the total state revenue is less than the amount of total state revenue for the prior fiscal year, the legislature may provide by law for the transfer of moneys from the budget stabilization reserve fund to the state general fund in an amount equal to not more than the difference between the amount of total state revenue for the prior fiscal year and the amount of total state revenue for the current fiscal year. Under no other circumstances shall moneys be transferred or expended from the budget stabilization reserve fund of the state.

Sec. 172. (a) For any fiscal year that commences on or after July 1, 2011, if total state revenue exceeds the total state revenue limitation for that fiscal year, as determined in accordance with section 4 of this act, then, after making any transfer to the budget stabilization reserve fund as required by section 5 of this act, a portion of any remaining total state revenue in excess of the total state revenue limitation shall be transferred in the amount and in the manner prescribed by the legislature by law to the emergency reserve fund, which fund is hereby created in the state treasury, to the extent necessary to ensure that a balance of the emergency reserve fund at the end of the fiscal year is an amount equal to not more than 3% of the total state revenue limitation for the ensuing fiscal year. Any amount required to be maintained in the ending balance of the state general fund as provided by law shall be excluded from the amount available for transfer to the emergency reserve fund by this section. Each transfer to the emergency reserve fund prescribed by this section shall be made after making any transfer to the budget stabilization reserve fund as provided in section 5 of this act. The state shall not be required to transfer any moneys other than any amount of total state revenue in excess of the total state revenue limitation to the emergency reserve fund.
fund. The moneys in the emergency reserve fund shall be in addition to, and shall not be used to meet, any other reserve requirement under this constitution or any law. In no case shall additional moneys be transferred to the emergency reserve fund if the balance in the emergency reserve fund is more than 3% of the total state revenue limitation for the ensuing fiscal year.

(b) Moneys in the emergency reserve fund may be expended only for an emergency declared by the governor to exist within the state. Two-thirds (2/3) of the members then elected (or appointed) and qualified of each house, voting in the affirmative, shall be necessary to pass any bill making an appropriation of money or transferring any moneys from the emergency reserve fund. Income earned on moneys credited to the emergency reserve fund shall accrue to the emergency reserve fund.

(c) As used in this section “emergency” means an extraordinary event or occurrence that could not have been reasonably foreseen or prevented and that requires immediate expenditures to preserve the health, safety and general welfare of the people within the state and “emergency” does not mean a revenue shortfall or budget shortfall.

Sec. 173. (a) Any excess amount of total state revenues for a fiscal year that remains after the transfers to the budget stabilization reserve fund and emergency reserve fund pursuant to section 5 or section 6 of this act, if any, shall be reserved in the current fiscal year and shall be refunded as provided by law during the next ensuing fiscal year to the taxpayers who paid the state ad valorem property taxes or state income taxes, or both, for the preceding fiscal year, in a manner that is proportional, on a pro rata basis, to the manner in which such taxes were collected from such taxpayers for such fiscal year. Any amount required to be maintained in the ending balance of the state general fund as provided by law shall be excluded from the amount available to be reserved and refunded by the state as prescribed by this section.

(b) In a case of any amount that is received pursuant to any tax and required to be reserved and refunded to taxpayers by the state pursuant to this section and that is determined by the state in the manner prescribed by law to be insufficient for refunds to be made during the ensuing fiscal year, such amount shall be reserved for refunds to be made thereafter when the amount reserved is sufficient therefor.

Sec. 174. On or after July 1, 2011, during any fiscal year, transfers which are temporary and are to be repaid, or any other temporary borrowing, through certificates of indebtedness or any other device or manner, of any moneys in the state treasury to be credited to the state general fund, are prohibited unless the moneys so transferred or otherwise borrowed are restored or repaid to the original funds or accounts of the state treasury from the state general fund within the same fiscal year. The provisions of this section do not apply to transfers from the budget stabilization reserve fund or the emergency reserve fund to the state general fund in accordance with this article.

Sec. 175. On or after July 1, 2011, any appropriation of moneys in the state treasury that either supplants any appropriation from the state general fund, or that, if not made, would require an appropriation from the state general fund is prohibited. For purposes of this section, any appropriation of moneys in the state treasury that is funded by user charges or fees imposed on goods or services that do not exceed the cost of the goods or services provided shall not be deemed to be an appropriation that supplants any appropriation from the state general fund.

Sec. 176. A local government may not be required to fulfill any mandate imposed by the state unless and until, and may be required to fulfill that mandate only to the extent that, funds are provided to the local government by the state for that purpose. The legislature is not required to appropriate funds for mandates if more than two years have passed since the effective date of the mandate and no claim for funding has been made by the local government during that period.

Sec. 177. (a) The provisions of this act shall be liberally construed for the purpose of effectuating the purposes thereof, except that nothing in this act shall be construed to authorize any new or increased tax of any kind other than as provided or authorized by law enacted by the legislature in accordance with and subject to the other provisions of this constitution.
(b) All laws in force at the time of the adoption of this amendment and consistent there-
with shall remain in full force and effect until amended or repealed by the legislature. The
legislature shall repeal or amend all laws inconsistent with the provisions of this act to
conform with the provisions of this act.”

“Sec. 167. On July 1, 2011, K.S.A. 2009 Supp. 39-709 is hereby amended to read as follows: 39-709. (a) General eligibility requirements for assistance for which federal moneys are expended. Subject to the additional requirements below, assistance in accordance with plans under which federal moneys are expended may be granted to any needy person who:

(1) Has insufficient income or resources to provide a reasonable subsistence compatible with decency and health. Where a husband and wife are living together, the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual’s spouse or such individual’s minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. For purposes of eligibility for aid for families with dependent children, for food stamp assistance and for any other assistance provided through the department of social and rehabilitation services under which federal moneys are expended, the secretary of social and rehabilitation services shall consider one motor vehicle owned by the applicant for assistance, regardless of the value of such vehicle, as exempt personal property and shall consider any equity in any additional motor vehicle owned by the applicant for assistance to be a nonexempt resource of the applicant for assistance.

(2) Is a citizen of the United States or is an alien lawfully admitted to the United States and who is residing in the state of Kansas. (b) Assistance to families with dependent children. Assistance may be granted under this act to any dependent child, or relative, subject to the general eligibility requirements as set out in subsection (a), who resides in the state of Kansas or whose parent or other relative with whom the child is living resides in the state of Kansas. Such assistance shall be known as aid to families with dependent children. Where husband and wife are living together both
shall register for work under the program requirements for aid to families with dependent children in accordance with criteria and guidelines prescribed by rules and regulations of the secretary.

(c) Aid to families with dependent children; assignment of support rights and limited power of attorney. By applying for or receiving aid to families with dependent children such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person’s own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child’s support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving aid to families with dependent children, or by surrendering physical custody of a child to a caretaker relative who is an applicant or recipient of such assistance on the child’s behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary’s designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(d) Eligibility requirements for general assistance, the cost of which is not shared by the federal government. (1) General assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d).

(A) To qualify for general assistance in any form a needy person must have insufficient income or resources to provide a reasonable subsistence compatible with decency and health and, except as provided for transitional assistance, be a member of a family in which a minor child or a pregnant woman resides or be unable to engage in employment. The secretary shall adopt rules and regulations prescribing criteria for establishing when a minor child may be considered to be living with a family and whether a person is able to engage in employment, including such factors as age or physical or mental condition. Eligibility for general assistance, other than transitional assistance, is limited to families in which a minor child or a pregnant woman resides or to an adult or family in which all legally responsible family members are unable to engage in employment. Where a husband and wife are living together the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary in determining need of any applicant for or recipient of general assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of general assistance unless such applicant or recipient is such individual’s spouse or such individual’s minor child or a minor stepchild if the stepchild is living with such individual. In determining the need of an individual, the secretary may provide for income and resource exemptions.

(B) To qualify for general assistance in any form a needy person must be a citizen of the United States or an alien lawfully admitted to the United States and must be residing in the state of Kansas.

(2) General assistance in the form of transitional assistance may be granted to eligible persons who do not qualify for financial assistance in a program in which the federal government participates and who satisfy the additional requirements prescribed by or under this subsection (d), but who do not meet the criteria prescribed by rules and regulations of
the secretary relating to inability to engage in employment or are not a member of a family in which a minor or a pregnant woman resides.

(3) In addition to the other requirements prescribed under this subsection (d), the secretary shall adopt rules and regulations which establish community work experience program requirements for eligibility for the receipt of general assistance in any form and which establish penalties to be imposed when a work assignment under a community work experience program requirement is not completed without good cause. The secretary may adopt rules and regulations establishing exemptions from any such community work experience program requirements. A first time failure to complete such a work assignment requirement shall result in ineligibility to receive general assistance for a period fixed by such rules and regulations of not more than three calendar months. A subsequent failure to complete such a work assignment requirement shall result in a period fixed by such rules and regulations of ineligibility of not more than six calendar months.

(4) If any person is found guilty of the crime of theft under the provisions of K.S.A. 39-720, and amendments thereto, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person’s first conviction under the provisions of K.S.A. 39-720, and amendments thereto, or the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the provisions of such statute shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction. If any person is found guilty by a court of competent jurisdiction of any state other than the state of Kansas of a crime involving welfare fraud, such person shall thereby become forever ineligible to receive any form of general assistance under the provisions of this subsection (d) unless the conviction is the person’s first conviction under the law of any other state concerning welfare fraud. First time offenders convicted of a misdemeanor under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 12 calendar months from the date of conviction. First time offenders convicted of a felony under the law of any other state concerning welfare fraud shall become ineligible to receive any form of general assistance for a period of 60 calendar months from the date of conviction.

(e) Requirements for medical assistance for which federal moneys or state moneys or both are expended. (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to subsection (c) of K.S.A. 16-303, and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretion language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such
discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, “public assistance” includes, but is not limited to, medicaid, medical assistance or title XIX of the social security act.

(4) (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

(B) When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(f) Eligibility for medical assistance of resident receiving medical care outside state. A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(g) Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients. (1) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 and amendments thereto of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or
recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary’s designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to subsection (d) of K.S.A. 39-756, and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is (A) a claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both, and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (e) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (e) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such medical assistance under this subsection (g). The secretary is authorized to enforce each claim provided for under this subsection (g). The secretary shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary from claims under this subsection (g) shall be deposited in the social welfare fund. The secretary may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection (g).

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, such individual or such individual’s agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, which forms the basis for a claim under subsection (g)(2), such claim is limited to the individual’s probatable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, which forms the basis for a claim under subsection (g)(2), such claim shall apply to the individual’s medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation assets conveyed to a survivor, heir or assign of the deceased
recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of social and rehabilitation services or the secretary’s designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record. The lien must be filed in the office of the register of deeds of the county where the real property is located and must contain the legal description of all real property in the county subject to the lien. This lien is for payments of medical assistance made by the department of social and rehabilitation services to the recipient who is an inpatient in a nursing home or other medical institution. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home, nursing homes or other medical institution shall constitute a determination by the department of social and rehabilitation services that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of social and rehabilitation services after the expiration of six months from the date the recipient became eligible for compensated inpatient care at a nursing home, nursing homes or other medical institution until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient.

(5) The lien filed by the secretary or the secretary’s designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;
(B) when there is no child of the recipient, natural or adopted, who is 20 years of age or less residing in the home;
(C) when there is no adult child of the recipient, natural or adopted, who is blind or disabled residing in the home; or
(D) when no brother or sister of the recipient is lawfully residing in the home, who has resided there for at least one year immediately before the date of the recipient’s admission to the nursing or medical facility, and has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance, sale, succession, inheritance or will unless one of the following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal representative or assigns of the recipient may discharge such lien at any time by paying the amount of the lien to the secretary or the secretary’s designee;
(B) the lien is terminated by foreclosure of prior lien of record or settlement action taken in lieu of foreclosure;
(C) the value of the real property is consumed by the lien, at which time the secretary or the secretary’s designee may force the sale for the real property to satisfy the lien; or
(D) after a lien is filed against the real property, it will be dissolved if the recipient leaves the nursing or medical facility and resides in the property to which the lien is attached for a period of more than 90 days without being readmitted as an inpatient to a nursing or medical facility, even though there may have been no reasonable expectation that this would occur. If the recipient is readmitted to a nursing or medical facility during this period, and does return home after being released, another 90 days must be completed before the lien can be dissolved.

(7) If the secretary of social and rehabilitation services or the secretary’s designee has not filed an action to foreclose the lien in the Kansas district court in the county where the real property is located within 10 years from the date of the filing of the lien, then the lien shall become dormant, and shall cease to operate as a lien on the real estate of the recipient.
Such dormant lien may be revived in the same manner as a dormant judgment lien is revived under K.S.A. 60-2403 et seq., and amendments thereto.

(h) Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney. In any case in which the secretary of social and rehabilitation services pays for the expenses of care and custody of a child pursuant to K.S.A. 2008 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary’s designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

The roll was called with 123 members present.

Rep. Fund was excused later in the day on verified illness.

Prayer by Brubaker:

Our Heavenly Father,
The week has been long,
the days even longer.
It is no secret that many are tired
and ready to get everything finished.
Many may even be frustrated
with the inconvenience of the schedule.
However, we are reminded that Your Son
came to this earth and
made choices and decisions
that would affect mankind forever.
There were times He was tired;
times He was frustrated with those
who didn’t understand His perspective;
and many times, inconvenienced.
However, He continued because
He was all about others, not Himself.
We are here not because of ourselves,
but because others — those whom we represent.
So, keep us focused on the task at hand.
Give us physical strength and mental alertness.
Most of all, give us positive attitudes
and a spirit of kindness towards one another.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Schroeder.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

Mr. Speaker: I vote yes for this budget because it is a balanced solution to a difficult situation. This budget preserves essential services and avoids poor policy choices. It prevents the adoption of “penny wise, pound foolish” decisions. It is conservative and realistic by booking fewer dollars from uncertain revenue sources.

The fiscal problems of Kansas will not end on June 30, 2011, and I recognize that a multi-year solution is needed if we are to avoid the loss of essential governmental services that the citizens of this state depend on. This budget is part of that solution. I vote yes on H. Sub. for SB 572.

Mr. Speaker: I did not support H. Sub. for SB 572. I am disappointed that we are not raising taxes merely to fill the budget gap, but rather to increase spending. Like our constituents, we must learn to live within our budget, and not spend money we do not have. We did not raise sales tax by a small percentage, we raised it nearly 19%. I vote NO.

Mr. Speaker: I vote aye on H. Sub. for SB 572 because it represents the most responsible budget that this body is likely to pass. This is a budget that funds pre-K - 12 education and higher education opportunities, programs providing services to persons with disabilities, public safety investments, and other investments in Kansans and Kansas. It represents a series of choices that balance funding vital and desired services with responsible taxing policies.

Mr. Speaker: I vote NO on H. Sub. for SB 572. We cannot afford this budget busting spending spree that will lead to one of the largest tax increases in the history of Kansas. It requires a $300 million tax increase on hard working Kansans. By choosing the state employee salary increase over the needs of the disabled, by sweeping fee funds to pay for expensive social association fees, and by ignoring the needs of the frail and elderly while bloating budgets in other areas of government, this legislature is choosing the wrong priorities on behalf of Kansans.

Mr. Speaker: I did not support H. Sub. for SB 572. I am disappointed that we are not raising taxes merely to fill the budget gap, but rather to increase spending. Like our constituents, we must learn to live within our budget, and not spend money we do not have. We did not raise sales tax by a small percentage, we raised it nearly 19%. I vote NO.
MR. SPEAKER: I vote yes on H. Sub. for SB 572. While I disagree with the level of funding appropriated to certain specific agencies, the appropriations made by this bill are crafted in such a way that the proposed funds to be expended are closely aligned with expected revenue. I support that attempt to only appropriate expected revenue. I also concur with this bill’s attempt to ensure that our most vulnerable citizens will be able to receive the services they need for their current and future well-being.—DEENA HORST

MR. SPEAKER: We cannot afford this spending spree that will lead to one of the largest tax increases in the history of Kansas. It requires over $300 million in additional taxes on hard working Kansans. It includes millions in legally questionable fee sweeps. It allows the use of taxpayer money for campaign commercials, compromises our agriculture safety programs, cuts services to the elderly, and does not adequately fund the physically and developmentally disabled waiver. It does not require accountability and adds to an already bloated government budget. For these reasons, I vote NO on H. Sub. for SB 572.—JOE SEIWERT

MR. SPEAKER: In stark contrast to the House Appropriations Committee Budget, H. Sub. for SB 572 encourages unchecked growth on 53% of our state budget by removing the independent audit process for schools. It allows the use of taxpayer money for campaign commercials, sweeps fee funds, compromises our agriculture safety programs, cuts services to the elderly, and increases prescription costs for Medicaid recipients while cutting hospice services - all while requiring one of the largest tax increases in state history. Under this plan, the state is still projected to face another budget shortfall by 2012. For this reason, I vote NO.—MARTIN HOLMES

MR. SPEAKER: H. Sub. for SB 572 unreasonably grows the size of our state government budget while Kansans experience the highest unemployment rate and the worst economic recession since the Great Depression. One of the highest tax increases in history will be necessary to cover this newly created irresponsible $300 million budget deficit. The new taxes will disproportionately put at risk Johnson County jobs and business growth as we will lose business to Missouri due to our proximity to the stateline. This budget neglects the elderly, the poor, and the disabled while we bloat government and give state employee raises. For these reasons, I vote no.—MARVIN KLEEB

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers’ sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers’ sales tax. Such copy shall be submitted to the director of taxation within 30 days after adoption of any such ordinance or resolution. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers’ sales tax fund which fund is hereby established in the state treasury, except that all moneys collected by the director of taxation pursuant to the authority granted in paragraph (22) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be credited to the Wilson county capital improvements fund.

Any refund due on any county or city retailers’ sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers’ sales tax revenue. Sec. 30. On July 1, 2010, K.S.A. 2009 Supp. 12-192, as amended by section 3 of 2010 House Substitute for Senate Bill No. 255, is hereby amended to read as follows: 12-192. (a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers’ sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year, and (2) ½ of all revenue received by the director of taxation from such countywide retailers’ sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers’ sales tax imposed within Johnson county at the rate of .75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first .5% rate of tax shall be apportioned in the manner prescribed by subsection (a) and (B) the revenue received from the rate of tax exceeding .5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year and (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all monies received by the director of taxation from a countywide retailers’ sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term “total tangible property tax levies” means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem tax levy of any county or city district entity or subdivision is applicable to all tangible property located within each such city or county.
(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term “total tangible property tax levies” for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers’ sales tax imposed pursuant to paragraphs (2), (3)(C), (3)(F), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25) and, (27) and (28) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, all revenues received from a countywide retailers’ sales tax imposed pursuant to paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers’ sales tax imposed pursuant to paragraph (26) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers’ sales tax authorized by paragraph (26) of subsection (b) of K.S.A. 12-187, and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers’ sales tax, or whenever such counties do not levy countywide retailers’ sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers’ sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers’ sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers’ sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers’ sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers’ sales tax shall not apply to any revenues received pursuant to a county or countywide retailers’ sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

Prayer by Chaplain Brubaker:

Dear Father God,
Today I pray a Psalm
to begin this week,
"From heaven the Lord looks down
and sees all mankind;
from his dwelling place he watches
all who live on earth—
he who forms the hearts of all,
who considers everything they do.
No king succeeds with a big army alone,
no warrior wins by brute strength.
Horsepower is not the answer;
no one gets by on muscle alone.
Watch this: God’s eye is on those who respect him,
the ones who are looking for his love.
He’s ready to come to their rescue in bad times;
in lean times he keeps body and soul together.
We’re depending on God;
he’s everything we need.
What’s more, our hearts overflow with joy
for we trust in his holy name.
Love us, God, with all you’ve got—
that’s what we’re depending on.”
(Psalms 33:13-22, NIV/The Message)
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Palmer.

The Senate adopts conference committee report on S. Sub. for HB 2219.
Announcing rejection of S. Sub. for HB 2180.
FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

H. Sub. for SB 74, An act concerning school districts; relating to the use of moneys by school finance; amending K.S.A. 72-3607, 72-4523, 72-4525, 72-6420, 72-6423, 72-6424, 72-8237, 72-8238 and 72-8804 and K.S.A. 2009 Supp. 72-965, 72-3715, 72-6407, 72-6414a, 72-6414b, 72-6421, 72-6426, 72-6433d, 72-8223, 72-8248, 72-8249, 72-8250, 72-9509, 72-9609 and 74-4939a and repealing the existing sections; also repealing K.S.A. 72-6422, was considered on final action.

On roll call, the vote was: Yeas 41; Nays 76; Present but not voting: 0; Absent or not voting: 8.

Absent or not voting: Craft, Goico, Hawk, Kelley, Peck, Seiwert, Suellentrop, Tafanelli.

The substitute bill did not pass.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote no on H. Sub. for SB 74. Standing alone H. Sub. for SB 74 contains some good policy, but it will not withstand constitutional scrutiny. H. Sub. for SB 74 does not stand alone; it is the gateway to a massive unnecessary tax increase. I cannot be party to a bill that will not survive a Court challenge and has been linked to damaging legislation as part of a backroom deal that will put thousands of Kansans out of work. H. Sub. for SB 74 must be equalized to withstand a Court challenge and detached from the effort to raise statewide taxes in order to be acceptable.—LANCE KINZER, ANTHONY R. BROWN, OWEN DONOHOE, ARLEN SIEGFREID, ROB OLSON, RAY MEBRICK, S. MIKE KIEGERL, J. DAVID CRUM, JOHN C. GRANGE, PEGGY MAST, S. MIKE KIEGERL.

Mr. Speaker: I vote “No” on H. Sub. for SB 74. The bill was crafted as a companion bill to the original House budget, which balanced without the need for a tax increase. It provided funds to help the schools compensate for the fact that federal stimulus funds end in FY 2011. H. Sub. for SB 74 helped fund the balance of the loss of federal funds to make schools whole without requiring a tax increase. With federal funds covered in the House budget, this bill is not only unnecessary but it is legally flawed because it’s not equalized.—MIKE O’NEAL.

Mr. Speaker: I vote no on H. Sub. for SB 74. Although I support the flexibility to transfer certain unencumbered monies from specific funds thus allowing school districts to expend those dollars for general education purposes, I cannot support allowing school districts to further raise the LOB without a vote of the people. To further increase my concern, the KPERS pass-through component which would be used to increase the LOB would not be equalized, resulting in higher property tax bills.—DEENA HORST

EXPLANATION OF VOTE

Mr. Speaker: I vote NO on S. Sub. for HB 2360. I will not support this massive Kansas tax increase. It is the apex of hypocrisy for the government to amass more wealth and means by commanding citizens to forfeit even more of their income and livelihood by making every item purchased more expensive. The tax increase is flawed at its very core because it perpetuates the myth that Topeka knows how to spend the people’s money better than the people know how to spend their own hard-earned money.—Aaron Jack, Kasha Kelley, Marc Rhoades, Anthony R. Brown, Pete DeGraaf, Rob Olson, Bill Wolf, Owen Donohoe, Brenda K. Landwehr, Peggy Mast, Connie O’Brien, Rocky Fund, Mario Goico, Sharon Schwartz, Joe McLeland, J. David Crum, Don Myers, Steve Huebert, Lance Kinzer, Larry Powell, Gary K. Hayzlett, Joe Seiwert, Gene Suellentrop, Arlen Siegfried, Richard Carlson, Phil Hermanson, Ray Merrick, Jene Vickrey, Steve Brunk

Mr. Speaker: As I studied my constituent surveys and communications, there were many suggestions. By far the greatest number were those who felt tobacco and alcohol taxes should be raised. Varying amounts of sales tax were also suggested. In addition, there were several who didn’t feel taxes should be increased. The alternative of selling some excess state property coupled with a smaller tax increase will provide necessary funds to avoid drastic cuts. The potential of having a smaller tax increase which will have less of a negative effect on the economy is preferable, thus Mr. Speaker, I vote no on S. Sub. for HB 2360.—Deena Horst

Mr. Speaker: I vote no on S. Sub. for HB 2360. I know that none of us relish the decisions we’ve had to make this year in regards to the budget and taxes. The best way to cut taxes is to never have to raise them. A rainy day fund would go a long way towards preventing a future legislature from having to relive the current budget nightmare.—Mike Burgess

Mr. Speaker: I see the names of some of those voting yes and know they are compromising themselves and not representing the citizens in their districts. I was elected to this prestigious body in 2004 because the incumbent legislator compromised himself and did not represent his district by voting in favor of a tax increase. I will not compromise myself and I will represent my district.

This massive tax increase will take over 1 billion dollars out of the pockets of hard working Kansans and put it in the pocket of a state government that has not controlled its spending. I vote no on S. Sub. for HB 2360.—Virgil Peck, Jr.

Mr. Speaker: S. Sub. for HB 2360 is one of the largest tax increases in Kansas’ history crafted to support an unnecessarily burgeoning state budget. While Kansans have experienced record high unemployment rates and family and business incomes have been devastated by the worst economic recession since the Great Depression, some of our legislators have passed a budget that actually grows 7% creating an irresponsible $300+ million budget deficit. Worse yet, this new tax increase will disproportionately put at risk Johnson County jobs and business viability as we will lose business and jobs to Missouri. For these reasons, I vote no.—Marvin Kleeb

Mr. Speaker: Kansas has never endured six rounds of budget cuts in an 18-month period. After reducing spending by over a billion dollars, deeper cuts would cost much more to fix later than they cost to maintain in the current fiscal year. We must think past the bottom line of 2011 and consider long-term consequences of our actions. This vote wasn’t easy or politically popular, but ultimately we knew that families are depending on the services this legislation saves. We had to rank the people we represent above the political positions we hold.

We vote to concur with S. Sub. for HB 2360.—Tony Brown
INTRODUCTION OF ORIGINAL MOTIONS

The question reverted back to the motion of Rep. Ward, which also did not prevail.

All expenditures from the maternity centers and child care licensing fee fund shall be made only for the purposes of article 5 of chapter 65 of the Kansas Statutes Annotated in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of health and environment or by a person or persons designated by the secretary. Notwithstanding any other law to the contrary, no moneys shall be transferred or otherwise revert from this fund to the state general fund by appropriation act or other act of the legislature. Moneys available under this section by the creation of the maternity centers and child care licensing fee fund shall not be substituted for or used to reduce or eliminate moneys available to the department of health and environment to administer the provisions of article 5 of chapter 65 of the Kansas Statutes Annotated. Nothing in this act shall be construed to authorize a reduction or elimination of moneys made available by the state to local units of government for the purposes of article 5 of chapter 65 of the Kansas Statutes Annotated.

Also on page 6, after line 24, by inserting the following:

"Sec. 8. K.S.A. 65-508 is hereby amended to read as follows: 65-508. The Senate adopts conference committee report on HB 2434.

CONFERENCE COMMITTEE REPORT
MR. PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to HB 2219, submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed as Senate Substitute for House Bill No. 2219, as follows:

On page 1, by striking all in lines 17 through 43;
By striking all on pages 2 through 7, and by inserting the following:

“Section 1. K.S.A. 2009 Supp. 74-4927 is hereby amended to read as follows: 74-4927.

(1) The board may establish a plan of death and long-term disability benefits to be paid to the members of the retirement system as provided by this section. The long-term disability benefit shall be payable in accordance with the terms of such plan as established by the board, except that for any member who is disabled prior to the effective date of this act, the annual disability benefit amount shall be an amount equal to 66\(\frac{2}{3}\)% of the member's annual rate of compensation on the date such disability commenced. Such plan shall provide that:

(A) For deaths occurring prior to January 1, 1987, the right to receive such death benefit shall cease upon the member’s attainment of age 70 or date of retirement whichever first occurs. The right to receive such long-term disability benefit shall cease (i) for a member who becomes eligible for such benefit before attaining age 60, upon the date that such member attains age 65 or the date of such member’s retirement, whichever first occurs, and (ii) for a member who becomes eligible for such benefit at or after attaining age 60, the date that such member has received such benefit for a period of five years, or upon the date of such member’s retirement, whichever first occurs.

(B) Long-term disability benefit payments shall be in lieu of any accidental total disability benefit that a member may be eligible to receive under subsection (3) of K.S.A. 74-4916 and amendments thereto. The member must make an initial application for social security disability benefits and, if denied such benefits, the member must pursue and exhaust all administrative remedies of the social security administration which include, but are not limited to, reconsideration and hearings. Such plan may provide that any amount which a member receives as a social security benefit or a disability benefit or compensation from any source by reason of any employment including, but not limited to, workers compensation benefits may be deducted from the amount of long-term disability benefit payments under such plan. However, in no event shall the amount of long-term disability benefit payments under such plan be reduced by any amounts a member receives as a supplemental disability benefit or compensation from any source by reason of the member’s employment, provided such supplemental disability benefit or compensation is based solely upon the portion of the member’s monthly compensation that exceeds the maximum monthly compensation taken into account under such plan. As used in this paragraph, “maximum monthly compensation” means the dollar amount that results from dividing the maximum monthly disability benefit payable under such plan by the percentage of compensation that is used to calculate disability benefit payments under such plan. During the period in which such member is pursuing such administrative remedies prior to a final decision of the social security administration, social security disability benefits may be estimated and may be deducted from the amount of long-term disability benefit payments under such plan. If the social security benefit, workers compensation benefit, other income or wages or other disability benefit by reason of employment other than a supplemental benefit based solely on compensation in excess of the maximum monthly compensation taken into account under such plan, or any part thereof, is paid in a lump-sum, the amount of the reduction shall be calculated on a monthly basis over the period of time for which the lump-sum is given. As used in this section, “workers compensation benefits” means the total award of disability
benefit payments under the workers compensation act notwithstanding any payment of attorney fees from such benefits as provided in the workers compensation act.

(C) The plan may include other provisions relating to qualifications for benefits; schedules and graduation of benefits; limitations of eligibility for benefits by reason of termination of employment or membership; conversion privileges; limitations of eligibility for benefits by reason of leaves of absence, military service or other interruptions in service; limitations on the condition of long-term disability benefit payment by reason of improved health; requirements for medical examinations or reports; or any other reasonable provisions as established by rule and regulation of uniform application adopted by the board.

(D) Any visually impaired person who is in training at and employed by a sheltered workshop for the blind operated by the secretary of social and rehabilitation services and who would otherwise be eligible for the long-term disability benefit as described in this section shall not be eligible to receive such benefit due to visual impairment as such impairment shall be determined to be a preexisting condition.

(2) (A) In the event that a member becomes eligible for a long-term disability benefit under the plan authorized by this section such member shall be given participating service credit for the entire period of such disability. Such member’s final average salary shall be computed in accordance with subsection (17) of K.S.A. 74-4902 and amendments thereto except that the years of participating service used in such computation shall be the years of salaried participating service.

(B) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding retirement, such member’s final average salary shall be adjusted upon retirement by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member’s final average salary shall be adjusted upon retirement by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member’s final average salary shall be adjusted upon retirement by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers as published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member’s last day on the payroll to the month that is two months prior to the month of retirement, for each year of disability after July 1, 1998.

(C) In the event that a member eligible for a long-term disability benefit under the plan authorized by this section shall be disabled for a period of five years or more immediately preceding death, such member’s current annual rate shall be adjusted by the actuarial salary assumption rates in existence during such period of disability. Effective July 1, 1993, such member’s current annual rate shall be adjusted upon death by 5% for each year of disability after July 1, 1993, but before July 1, 1998. Effective July 1, 1998, such member’s current annual rate shall be adjusted upon death by an amount equal to the lesser of: (i) The percentage increase in the consumer price index for all urban consumers published by the bureau of labor statistics of the United States department of labor minus 1%; or (ii) four percent per annum, measured from the member’s last day on the payroll to the month that is two months prior to the month of death, for each year of disability after July 1, 1998.

(3) (A) To carry out the legislative intent to provide, within the funds made available therefor, the broadest possible coverage for members who are in active employment or involuntarily absent from such active employment, the plan of death and long-term disability benefits shall be subject to adjustment from time to time by the board within the limitations of this section. The plan may include terms and provisions which are consistent with the terms and provisions of group life and long-term disability policies usually issued to those employers who employ a large number of employees. The board shall have the authority to establish and adjust from time to time the procedures for financing and administering the plan of death and long-term disability benefits authorized by this section. Either the insured death benefit or the insured disability benefit or both such benefits may be financed directly by the system or by one or more insurance companies authorized and licensed to transact group life and group accident and health insurance in Kansas, to
underwrite or to administer or to both underwrite and administer either the insured death benefit or the long-term disability benefit or both such benefits. Each such contract with an insurance company under this subsection shall be entered into on the basis of competitive bids solicited and administered by the board. Such competitive bids shall be based on specifications prepared by the board.

(i) In the event the board purchases one or more policies of group insurance from such company or companies to provide either the insured death benefit or the long-term disability benefit or both such benefits, the board shall have the authority to subsequently cancel one or more of such policies and, notwithstanding any other provision of law, to release each company which issued any such canceled policy from any liability for future benefits under any such policy and to have the reserves established by such company under any such canceled policy returned to the system for deposit in the group insurance reserve of the fund.

(ii) In addition, the board shall have the authority to cancel any policy or policies of group life and long-term disability insurance in existence on the effective date of this act and, notwithstanding any other provision of law, to release each company which issued any such canceled policy from any liability for future benefits under any such policy and to have the reserves established by such company under any such canceled policy returned to the system for deposit in the group insurance reserve of the fund. Notwithstanding any other provision of law, no premium tax shall be due or payable by any such company or companies on any such policy or policies purchased by the board nor shall any brokerage fees or commissions be paid thereon.

(4) (A) There is hereby created in the state treasury the group insurance reserve fund. Investment income of the fund shall be added or credited to the fund as provided by law. The cost of the plan of death and long-term disability benefits shall be paid from the group insurance reserve fund, which shall be administered by the board. Except as otherwise provided by this subsection, for the period commencing July 1, 2005, and ending June 30, 2006, each participating employer shall appropriate and pay to the system in such manner as the board shall prescribe in addition to the employee and employer retirement contributions an amount equal to .8% of the amount of compensation on which the members’ contributions to the Kansas public employees retirement system are based for deposit in the group insurance reserve fund. For the period commencing July 1, 2006, and all periods thereafter, each participating employer shall appropriate and pay to the system in such manner as the board shall prescribe in addition to the employee and employer retirement contributions an amount equal to 1.0% of the amount of compensation on which the members’ contributions to the Kansas public employees retirement system are based for deposit in the group insurance reserve fund. Notwithstanding the provisions of this subsection, no participating employer shall appropriate and pay to the system any amount provided for by this subsection for deposit in the group insurance reserve fund for the period commencing on March 1, 2009, and ending on November 30, 2009 April 1, 2010, and ending on June 30, 2010, and the period commencing on April 1, 2011, and ending on June 30, 2011.

(B) The director of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services a sum to pay the state’s contribution to the group insurance reserve fund as provided by this section and shall present the same to the legislature for allowances and appropriation.

(C) The provisions of subsection (4) of K.S.A. 74-4920 and amendments thereto shall apply for the purpose of providing the funds to make the contributions to be deposited to the group insurance reserve fund.

(D) Any dividend or retrospective rate credit allowed by an insurance company or companies shall be credited to the group insurance reserve fund and the board may take such amounts into consideration in determining the amounts of the benefits under the plan authorized by this section.

(5) The death benefit provided under the plan of death and long-term disability benefits authorized by this section shall be known and referred to as insured death benefit. The long-term disability benefit provided under the plan of death and long-term disability benefits authorized by this section shall be known and referred to as long-term disability benefit.
(6) The board is hereby authorized to establish an optional death benefit plan for employees and spouses and dependents of employees. Except as provided in subsection (7), such optional death benefit plan shall be made available to all employees who are covered or may hereafter become covered by the plan of death and long-term disability benefits authorized by this section. The cost of the optional death benefit plan shall be paid by the applicant either by means of a system of payroll deductions or direct payment to the board. The board shall have the authority and discretion to establish such terms, conditions, specifications and coverages as it may deem to be in the best interest of the state of Kansas and its employees which should include term death benefits for the person’s period of active state employment regardless of age, but in no case, shall the maximum allowable coverage be less than $200,000. The cost of the optional death benefit plan shall not be established on such a basis as to unreasonably discriminate against any particular age group. The board shall have full administrative responsibility, discretion and authority to establish and continue such optional death benefit plan and the director of accounts and reports of the department of administration shall when requested by the board and from funds appropriated or available for such purpose establish a system to make periodic deductions from state payrolls to cover the cost of the optional death benefit plan coverage under the provisions of this subsection (6) and shall remit all deductions together with appropriate accounting reports to the system. There is hereby created in the state treasury the optional death benefit plan reserve fund. Investment income of the fund shall be added or credited to the fund as provided by law. All funds received by the board, whether in the form of direct payments, payroll deductions or otherwise, shall be accounted for separately from all other funds of the retirement system and shall be paid into the optional death benefit plan reserve fund, from which the board is authorized to make the appropriate payments and to pay the ongoing costs of administration of such optional death benefit plan as may be incurred in carrying out the provisions of this subsection (6).

(7) Any employer other than the state of Kansas which is currently a participating employer of the Kansas public employees retirement system or is in the process of affiliating with the Kansas public employees retirement system may also elect to affiliate for the purposes of subsection (6). All such employers shall make application for affiliation with such system, to be effective on January 1 or July 1 next following application.

(8) For purposes of the death benefit provided under the plan of death and long-term disability benefits authorized by this section and the optional death benefit plan authorized by subsection (6), commencing on the effective date of this act, in the case of medical or financial hardship of the member as determined by the executive director, or otherwise commencing January 1, 2005, the member may name a beneficiary or beneficiaries other than the beneficiary or beneficiaries named by the member to receive other benefits as provided by the provisions of K.S.A. 74-4901 et seq., and amendments thereto.

CONFERENCE COMMITTEE REPORT

Mr. President and Mr. Speaker: Your committee on conference on Senate amendments to HB 2506, submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill, as printed as Senate Substitute for House Bill No. 2506, as follows:

On page 1, by striking all in lines 17 through 43;
By striking all on pages 2 through 10;

On page 11, by striking all in lines 1 through 18 and inserting the following:

```
Section 1. K.S.A. 2009 Supp. 38-2364 is hereby amended to read as follows: 38-2364.
(a) If an extended jurisdiction juvenile prosecution results in a guilty plea or finding of guilt,
the court shall:
(1) Impose one or more juvenile sentences under K.S.A. 2009 Supp. 38-2361, and amend-
tments thereto; and
(2) impose an adult criminal sentence, the execution of which shall be stayed on the
condition that the juvenile offender not violate the provisions of the juvenile sentence and
not commit a new offense.
(b) When it appears that a person sentenced as an extended jurisdiction juvenile has violated the one or more conditions of the juvenile sentence or is alleged to have committed a new offense, the court, without notice, may revoke the stay and probation juvenile sentence and direct that the juvenile offender be immediately taken into custody and delivered to the secretary of corrections pursuant to K.S.A. 21-4621, and amendments thereto. The court shall notify the juvenile offender and such juvenile offender’s attorney of record, in writing by personal service, as provided in K.S.A. 60-303, and amendments thereto, or certified mail, return receipt requested, of the reasons alleged to exist for revocation of the stay of execution of the adult sentence. If the juvenile offender challenges the reasons, the court shall hold a hearing on the issue at which the juvenile offender is entitled to be heard and represented by counsel. After the hearing, if the court finds by substantial a preponderance of the evidence that the juvenile committed a new offense or violated one or more conditions of the juvenile’s sentence have been violated, the court shall revoke the juvenile sentence and order the imposition of the adult sentence previously ordered pursuant to subsection (a)/(2) or, upon agreement of the county or district attorney and the juvenile offender’s attorney of record, the court may modify the adult sentence previously ordered pursuant to subsection (a)/(2). Upon such finding, the juvenile’s extended jurisdiction status is terminated, and juvenile court jurisdiction is terminated. The ongoing jurisdiction for any adult sanction, other than the commitment to the department of corrections, is with the adult court. The juvenile offender shall be credited for time served in a juvenile correctional or detention facility on the juvenile sentence as service on any authorized adult sanction.
(c) Upon becoming 18 years of age, any juvenile who has been sentenced pursuant to subsection (a) and is serving the juvenile sentence, may move for a court hearing to review
```
the sentence. If the sentence is continued, the court shall set a date of further review in no later than 36 months.

Sec. 2. K.S.A. 2009 Supp. 38-2365 is hereby amended to read as follows: 38-2365. (a) When a juvenile offender has been placed in the custody of the commissioner, the commissioner shall have a reasonable time to make a placement. If the juvenile offender has not been placed, any party who believes that the amount of time elapsed without placement has exceeded a reasonable time may file a motion for review with the court. In determining what is a reasonable amount of time, matters considered by the court shall include, but not be limited to, the nature of the underlying offense, efforts made for placement of the juvenile offender and the availability of a suitable placement. The commissioner shall notify the court and the juvenile offender, the juvenile’s attorney of record and the juvenile’s parent, in writing, of the initial placement and any subsequent change of placement as soon as the placement has been accomplished. The notice to the juvenile offender’s parent shall be sent to such parent’s last known address or addresses. The court shall have no power to direct a specific placement by the commissioner, but may make recommendations to the commissioner. The commissioner may place the juvenile offender in an institution operated by the commissioner, a youth residential facility or any other appropriate placement. If the court has recommended an out-of-home placement, the commissioner may not return the juvenile offender to the home from which removed without first notifying the court of the plan.

(b) If a juvenile is in the custody of the commissioner, the commissioner shall prepare and present a permanency plan at sentencing or within 30 days thereafter. If a permanency plan is already in place under a child in need of care proceeding, the court may adopt the plan under the present proceeding. The written permanency plan shall provide for reintegration of the juvenile into such juvenile’s family or, if reintegration is not a viable alternative, for other permanent placement of the juvenile. Reintegration may not be a viable alternative when: (1) The parent has been found by a court to have committed murder in the first degree, K.S.A. 21-3401, and amendments thereto, murder in the second degree, K.S.A. 21-3402, and amendments thereto, capital murder, K.S.A. 21-3439, and amendments thereto, voluntary manslaughter, K.S.A. 21-3403, and amendments thereto, of a child or violated a law of another state which prohibits such murder or manslaughter of a child;

(2) the parent aided or abetted, attempted, conspired or solicited to commit such murder or voluntary manslaughter of a child;

(3) the parent committed a felony battery that resulted in bodily injury to the juvenile who is the subject of this proceeding or another child;

(4) the parent has subjected the juvenile who is the subject of this proceeding or another child to aggravated circumstances as defined in K.S.A. 38-1502, and amendments thereto;

(5) the parental rights of the parent to another child have been terminated involuntarily; or

(6) the juvenile has been in extended out-of-home placement as defined in K.S.A. 2009 Supp. 38-2202, and amendments thereto.

(c) If the juvenile is placed in the custody of the commissioner, the plan shall be prepared and submitted by the commissioner. If the juvenile is placed in the custody of a facility or person other than the commissioner, the plan shall be prepared and submitted by a court services officer. If the permanency goal is reintegration into the family, the permanency plan shall include measurable objectives and time schedules for reintegration.

(d) During the time a juvenile remains in the custody of the commissioner, the commissioner shall submit to the court, at least every six months, a written report of the progress being made toward the goals of the permanency plan submitted pursuant to subsections (b) and (c) and the specific actions taken to achieve the goals of the permanency plan. If the juvenile is placed in foster care, the court may request the foster parent to submit to the court, at least every six months, a report in regard to the juvenile’s adjustment, progress and condition. Such report shall be made a part of the juvenile’s court social file. The court shall review the plan submitted by the commissioner and the report, if any, submitted by the foster parent and determine whether reasonable efforts and progress have been made to achieve the goals of the permanency plan. If the court determines that progress is inadequate or that the permanency plan is no longer viable, the court shall hold a hearing pursuant to subsection (e).
(e) When the commissioner has custody of the juvenile, a permanency hearing shall be held no more than 12 months after the juvenile is first placed outside such juvenile’s home and at least every 12 months thereafter. Juvenile offenders who have been in extended out-of-home placement shall be provided a permanency hearing within 30 days of a request from the commissioner. The court may appoint a guardian ad litem to represent the juvenile offender at the permanency hearing. At each hearing, the court shall make a written finding whether reasonable efforts have been made to accomplish the permanency goal and whether continued out-of-home placement is necessary for the juvenile’s safety.

(f) Whenever a hearing is required under subsection (e), the court shall notify all interested parties of the hearing date, the commissioner, foster parent and predadptive parent or relatives providing care for the juvenile and hold a hearing. Individuals receiving notice pursuant to this subsection shall not be made a party to the action solely on the basis of this notice and opportunity to be heard. After providing the persons receiving notice an opportunity to be heard, the court shall determine whether the juvenile’s needs are being adequately met; whether services set out in the permanency plan necessary for the safe return of the juvenile have been made available to the parent with whom reintegration is planned; and whether reasonable efforts and progress have been made to achieve the goals of the permanency plan.

(g) If the court finds reintegration continues to be a viable alternative, the court shall determine whether and, if applicable, when the juvenile will be returned to the parent. The court may rescind any of its prior dispositional orders and enter any dispositional order authorized by this code or may order that a new plan for the reintegration be prepared and submitted to the court. If reintegration cannot be accomplished as approved by the court, the court shall be informed and shall schedule a hearing pursuant to subsection (h). No such hearing is required when the parent voluntarily relinquishes parental rights or agrees to appointment of a permanent guardian.

(h) When the court finds any of the following conditions exist, the county or district attorney or the county or district attorney’s designee shall file a petition alleging the juvenile to be a child in need of care and requesting termination of parental rights pursuant to the Kansas code for care of children: (1) The court determines that reintegration is not a viable alternative and either adoption or permanent guardianship might be in the best interests of the juvenile; (2) the goal of the permanency plan is reintegration into the family and the court determines after 12 months from the time such plan is first submitted that progress is inadequate; or (3) the juvenile has been in out-of-home placement for a cumulative total of 15 of the last 22 months, excluding trial home visits and juvenile in runaway status.

Nothing in this subsection shall be interpreted to prohibit termination of parental rights prior to the expiration of 12 months.

(i) A petition to terminate parental rights is not required to be filed if one of the following exceptions is documented to exist: (1) The juvenile is in a stable placement with relatives; (2) services set out in the case plan necessary for the safe return of the juvenile have not been made available to the parent with whom reintegration is planned; or (3) there are one or more documented reasons why such filing would not be in the best interests of the juvenile. Documented reasons may include, but are not limited to: The juvenile has close emotional bonds with a parent which should not be broken; the juvenile is 14 years of age or older and, after advice and counsel, refuses to be adopted; insufficient grounds exist for termination of parental rights; the juvenile is an unaccompanied refugee minor; or there are international legal or compelling foreign policy reasons precluding termination of parental rights.

Sec. 3. K.S.A. 2009 Supp. 38-2373 is hereby amended to read as follows: 38-2373. (a) Actions by the court. (1) When a juvenile offender has been committed to a juvenile correctional facility, the clerk of the court shall forthwith notify the commissioner of the commitment and provide the commissioner with a certified copy of the complaint, the journal entry of the adjudication and sentencing. The court shall provide those items from the social file which could relate to a rehabilitative program. If the court wishes to recommend placement of the juvenile offender in a specific juvenile correctional facility, the recommendation
shall be included in the sentence. After the court has received notice of the juvenile correctional facility designated as provided in subsection (b), it shall be the duty of the court or the sheriff of the county to deliver the juvenile offender to the facility at the time designated by the commissioner.

(2) When a juvenile offender is residing in a juvenile correctional facility and is required to go back to court for any reason, the county demanding the juvenile’s presence shall be responsible for transportation, detention, custody and control of such offender. In these cases, the county sheriff shall be responsible for all transportation, detention, custody and control of such offender.

(b) Actions by the commissioner. (1) Within three days after receiving notice of commitment as provided in subsection (a), the commissioner shall notify the committing court of the facility to which the juvenile offender should be conveyed, and when to effect the immediate transfer of custody and control to the juvenile justice authority. The date of admission shall be no more than five days after the notice to the committing court. Until received at the designated facility, the continuing detention, custody, and control of and transport for a juvenile offender sentenced to a direct commitment to a juvenile correctional facility shall be the responsibility of the committing county.

(2) Except as provided by K.S.A. 2009 Supp. 38-2332, and amendments thereto, the commissioner may make any temporary out-of-home placement the commissioner deems appropriate pending placement of the juvenile offender in a juvenile correctional facility, and the commissioner shall notify the court, local law enforcement agency and school district in which the juvenile will be residing if the juvenile is still required to attend a secondary school of that placement.

(c) Transfers. During the time a juvenile offender remains committed to a juvenile correctional facility, the commissioner may transfer the juvenile offender from one juvenile correctional facility to another.

Sec. 4. K.S.A. 2009 Supp. 38-2364, 38-2365 and 38-2373 are hereby repealed.”;

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote YES on HB 2130. My mother would have lived, had she worn her seatbelt. She was a person who would not have disobeyed the law, but she was not particularly inclined to follow someone’s advisory comments. This is a good law, as constructed.—J. ROBERT BROOKENS

MR. SPEAKER: I vote no on HB 2130. While I wear a seatbelt whenever I get into a car, there are things that concern me about the Primary Seatbelt Law. I am concerned that law enforcement will be focused on a primary seatbelt violation and miss a driver who is truly endangering lives. I also am concerned about the number of times a person, who by Doctor’s orders is not to wear a seatbelt, will experience unnecessary stops. Instead, I would prefer that the state assess a higher fine for violations of the Secondary Seatbelt Law.—DEENA HORST

MOTIONS TO CONCUR AND NONCONCUR

On motion of Rep. Long to concur in Senate amendments to S. Sub. for S. Sub. for HB 2650, Rep. Hayzlett offered a motion to nonconcur and asked that a new conference committee be appointed. The substitute motion did not prevail. The question then reverted back to the original motion of Rep. Long and the House concurred in Senate amendments to S. Sub. for S. Sub. for HB 2650. An act relating to transportation; providing for a transportation works for Kansas program; relating to the financing thereof; amending K.S.A. 8-143b, 8-143c, 8-143g, 8-143h, 8-143i, 8-143k, 8-234h, 12-1775, 68-416, 68-20,120, 68-2316, 68-2320, 68-2321 and 68-2328 and K.S.A. 2009 Supp. 8-142, 8-143, 8-143j, 8-145, 12-6a35, 12-6a36, 12-1774, 12-1774a, 12-17,148, 12-17,149, 68-2315, 68-2331, 75-5035, 75-5049, 75-5061, 75-5063, 75-5064, 75-5160, 79-3492b, 79-34,141 and 79-34,142 and repealing the existing sections; also repealing K.S.A. 68-2314a.

PROTEST

MR. SPEAKER: Pursuant to Article 2, Section 1 of the Kansas Constitution, a legislator may protest in writing against any act or resolution and the statement shall be entered into the journal without delay or alteration. In accordance with this provision, I respectfully submit the following protest.

H. Sub. for SB 572 as passed on May 10, 2010 raises the taxes by $330 million in a time of deep recession when more than 100,000 Kansans are unemployed. This ill conceived act by the legislature will deepen and prolong the recession and lead to higher unemployment. It is particularly irresponsible when the House rejected a balanced budget without a tax increase.—S. MIKE KIEGERL.

Journal of the House

SIXTY-FIFTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, FRIDAY, MAY 28, 2010, 10:00 A.M.

The House met pursuant to SCR 1632 with Speaker O’Neal in the chair.

Prayer by Chaplain Brubaker:

Our Heavenly Father,

As we come to the close of another session,
we pause for a time of reflection.

Thank you for these dedicated leaders
who have traveled hundreds of miles
and invested long and arduous hours.

Thank you for their families who willingly
gave up time with their husbands/wives/fathers/mothers
in order for them to serve us.

There have been numerous hours of discussion;
and times we wondered if we would ever pass a bill.

There were moments of misunderstanding;
and times of good laughter.

There have been heart-wrenching decisions
difficult for many to make.

Then there were the resolutions,
that brought smiles and satisfaction to everyone.

Some will walk away feeling a sense of victory,
some feeling defeat.

But now that it is over and we move on,
may everyone be able to say as the Apostle Paul,
“I have fought the good fight,
I have finished the race, I have kept the faith.”

(2 Timothy 4:7)

As we leave this place,
we recognize that many will continue
to travel throughout the state,
campaigning and listening to the residents.

Watch over them and keep them safe.
And through everything they do and say,
may they remember Your Word to us,

“What God is looking for in men and women
is quite simple: do what is fair and just to your neighbor,
be compassionate and loyal in your love,
and don’t take yourself too seriously—
take God seriously.”

(Micah 6:8 — The Message)
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Crow.

The Senate adopts conference committee report on HB 2704.

PROTEST
Mr. Speaker: Pursuant to the provisions of Art. 2, Sec.10 of the Kansas Constitution and K.S.A. 2008 Supp. 46-233(c), I make formal written protest regarding the passage of those line items contained in 2010 SB 572 (2011 Appropriations Bill) which purport to cause the transfer of statutory fee funds to the State General Fund under the guise of reimbursing the SGF for “accounting, auditing, budgeting, legal, payroll, personnel and purchasing services and any other governmental services which are performed on behalf of the state agency by other state agencies which receive appropriations from the state general fund to provide such services.”

Attention is directed to the holding and rationale of Kansas Attorney General Opinion No. 2002-45, where it was noted that “[i]f an assessment so exceeds the cost of regulation that it is apparent the legislative is using it as a general revenue raising measure, the overage cannot stand on police power authority. If the assessment is in fact a revenue raising measure, it must be analyzed as such, which may include a determination as to whether it meets Commerce Clause and equal Protection requirements, as well as any state constitutional requirements applicable to the type of tax it is. If an assessment cannot stand on either police power or taxing authority, it would have to be reimbursed....”

It cannot be argued that the fee sweeps contained in SB 572 serve the legitimate purpose of reimbursing the SGF for the reasonable and necessary expenses of providing the purported services. Indeed, it is common knowledge that the fee sweeps were and are for the sole purpose of providing sufficient revenue within the SGF to balance the budget for FY
Sweeping statutory fee funds held in trust for the specific purposes outlined in their enabling legislation constitutes a taking for which affected parties are entitled to a remedy under the law. That remedy is reimbursement.

The effect of the fee sweeps will cause individuals and businesses required to pay the statutory fees to pay a second time for the same services/programs they paid for previously with funds that are now swept. This constitutes an unauthorized tax. This practice of fee sweeps has occurred in the past, prompting the above-referenced Attorney General Opinion. The time has come for the Executive Branch and Legislative Branch to cease and desist the practice of attempting to balance the State General Fund by a subterfuge that is neither legal nor ethical, and which amounts to an unauthorized tax increase on affected Kansas taxpayers.—MICHAEL R. (MIKE) O’NEAL

MESSAGE FROM THE SENATE

Message to the Senate of the State of Kansas:
Pursuant to Article 2, Section 14 of the Constitution of the State of Kansas, I hereby return House Substitute for Senate Bill No. 572 with my signature approving the bill, except for the items enumerated below.

Division of Post Audit—Financial Compliance Audit

That portion of Section 46(b) that reads as follows has been line-item vetoed:

"And provided further, That the division of post audit is hereby authorized to fix, charge and collect fees for the costs of financial-compliance audits under K.S.A. 46-1106, and amendments thereto: And provided further, That such fees shall be fixed to recover the expenses incurred for financial-compliance audits under K.S.A. 46-1106, and amendments thereto:"

This FY 2011 appropriation language for Legislative Post Audit was offered as an alternative to providing the Division with a State General Fund appropriation. Because the Legislature's budget was enhanced by $639,522 beyond what was intended, I hereby line-item veto this appropriation language as an unnecessary assessment on the other state agencies that cannot afford to finance the statewide audit. From within the Legislature's appropriation, funds could be transferred to Post Audit in order to finance this audit, once the actual costs are known.

Kansas Commission on Veterans Affairs—Transfer from Public Broadcasting to Veterans Affairs

Section 72(c) has been line-item vetoed in its entirety.

This section constitutes a 50 percent reduction in the operating grants for public broadcasting stations throughout Kansas. This type of drastic reduction would be particularly damaging to stations in rural Kansas, likely silencing an important voice for our rural communities. Despite this line-item veto, the budget for veteran services programs will increase 30 percent, including an additional $534,309 for veteran services programs.

Kansas Health Policy Authority—KHPA Study

Section 76(h) has been line-item vetoed in its entirety.

This provision would require the Kansas Health Policy Authority (KHPA) to conduct a study on the topic of requiring insurance companies to reimburse specified mental health professionals for certain proactive mental health care treatments. This study includes several parameters and requires analysis of a considerable amount of data. No funding was provided for the study, although the imposed deadline for the study’s completion is December 31, 2010. KHPA does not currently have adequate resources to complete this assigned task. 2010 House Bill 2546, which would have mandated insurance coverage for these services, was the subject of a hearing in the House Committee on Insurance on February 4, 2010. This bill never made it out of committee, and so has not been thoroughly vetted by the Kansas Legislature. Mandating the use of scarce state resources to study a topic absent thorough legislative scrutiny is not a good policy decision in this budgetary climate. Therefore, I must veto this section.

Department of Education—Uniform Chart of Accounts

Section 79(l) has been line-item vetoed in its entirety.

At a time when school boards are making difficult budget decisions, including increasing class sizes, closing buildings, eliminating course offerings and imposing instructional and professional staff layoffs, the policy to require additional financial reporting causes a costly and unnecessary administrative burden. The Department of Education already requires a uniform chart of accounts for school district budgets. In fact, the State Department of Education already provides on its website a copy of the uniform chart of accounts, the complete budget for each school district, as well as the “Budget at a Glance” and a budget profile for each district in Kansas. As a result, I find it necessary to veto this section of the budget bill.
University of Kansas—Water Data Repository Fund

That portion of Section 91(a) that reads as follows has been line-item vetoed:

```
"Standardized water data repository fund .................................... $300,000

Provided, That expenditures may be made from this account or any special revenue fund of the above named agency for the purposes of bathymetric mapping, sediment surveys and lake assessments and the development of a standardized water quality and quantity data repository relating to public water supply sources."
```

The Standardized Water Data Repository Fund at the University of Kansas was inadvertently appropriated as a State General Fund appropriation in the bill, when it should have been established as a special revenue fund. This veto eliminates the State General Fund appropriation, but does not eliminate the new fund, that is financed with a $300,000 transfer from the Clean Drinking Water Fee Fund.

Board of Regents—Postsecondary Operating Grant Adjustment

Section 94(j) has been line-item vetoed in its entirety.

Legislative intent for the Regents system was to lapse $2.3 million from the State General Fund; however, the amendment to alter the lapse incorrectly took $9.5 million. I veto this section in order to restore the funding, and instruct the Regents to submit a revised budget this fall with the $2.3 million reduction. This veto also ensures our state’s compliance with requirements in accepting federal American Reinvestment and Recovery Act funding.

Kansas State Fair—Workers Compensation Insurance

Section 107(c) has been line-item vetoed in its entirety.

Allowing the State Fair to acquire private workers compensation insurance would set a bad precedent and has the potential to increase rates for all other state agencies that will continue to participate in the State Self Insurance Fund (SSIF). The SSIF would be responsible for the expense of medical and disability payments from ongoing claims by State Fair employees prior to the new private insurance becoming effective and the SSIF would have to pass these expenses to all other state agencies. Furthermore, it was recently announced that workers comp rates for the SSIF, including the State Fair, will decrease over the next year, making this proviso all the more unwarranted.

State Officers’ Pay

Section 163 has been line-item vetoed in its entirety.

Eighty percent of this reduction would be absorbed by the Judicial Branch which has already reduced its spending to the point of furloughing staff. Already, Kansas’ Circuit Court salaries rank 40th in the nation for pay; this makes it difficult to attract and retain quality individuals to these critical posts. Therefore, I believe that additional cuts in this area would further harm Kansas’ justice system. Additionally, for those state officers who might retire at this time of administrative transition, a cut will adversely impact retirement benefits. I would also remind Legislators and any other state officer that they may accept a voluntary pay reduction of any amount on their own accord without this provision. Toward that end, I and Lieutenant Governor Findley will continue the reduction in our pay until the end of our term.

Out of State Travel

Section 165 has been line-item vetoed in its entirety.

This provision requires additional layers of approval for every state employee’s out-of-state travel and creates an unnecessary level of government bureaucracy. Agency budgets have been significantly reduced in the past two years. One of the major areas of reduction has been travel. In fact, from the beginning of FY 2008 to date, total travel expenditures within executive branch agencies have been reduced over 50 percent. Within their budgetary authority, agency heads should have the flexibility to prioritize expenditures to allow travel as necessary to carry out essential functions of state government. Accordingly, I have instructed agency heads to continue to limit travel to only that which is essential to carrying
out their mission. Creating additional layers of bureaucracy does not improve government. Therefore, I veto this section of the budget bill.

**Department of Health & Environment—Title X Family Planning Services**

Section 167 has been line-item vetoed in its entirety.

This proviso is nearly identical to the one I vetoed in 2009, S. Sub. for House Bill 2373. Therefore, I find it appropriate to repeat many of the same points I made last year regarding this issue:

Regardless of one’s views on whether abortion should be allowed in this country, hopefully we can all agree that we should make every effort to prevent unplanned pregnancies. Access to affordable family planning services and contraceptives is critical if we are to continue reducing the number of abortions that occur in this state. This section would prohibit distribution of Title X moneys to private family planning providers unless they are either a hospital or provide comprehensive primary and preventative care in addition to family planning services. This proviso would prevent funding for two facilities of other eligible family planning providers. These facilities do not perform abortions, and by law, Title X funding cannot be used for abortion services.

Both of these facilities provide affordable access to contraceptives and family planning services for women who are significantly below the poverty level. These women are most at risk for unplanned pregnancies. The family planning services provided by these facilities help lower the likelihood of unplanned pregnancy, and thus reduce abortions. Eliminating funding for programs intended to reduce the number of unplanned pregnancies does nothing to help reduce abortions in Kansas. I therefore find it necessary to line-item veto this proviso.

**Clean Air Act Rules and Regulations**

Section 168 has been line-item vetoed in its entirety.

Kansas has a proud history of being an energy producing state and an exciting future in the area of renewables.

As we look ahead to opportunities on the horizon, we must also uphold those bedrock industries, such as oil and gas, which provide prosperity to so many Kansans. Yet in doing so, we must ensure that we do not unintentionally harm the very sector of our economy we wish to protect.

This proviso has unintended consequences bringing forth regulatory uncertainty which would hinder Kansas’ ability to serve our citizens, homes, farms and businesses. By abandoning productive progress with state agencies, sources would be required to work directly with the federal government to implement these programs which is considerably less expeditious.

Most importantly, this proviso is simply poor economic policy for Kansas. It would restrict the state’s capacity to provide information and technical assistance to Kansas businesses and industries regarding federal standards, resulting in adverse impacts to local entities that need air quality permits to conduct business.

If there is a new federal law that will harm our state, it should be addressed and action should be taken through policy changes, not annual budget provisions. Decisions such as this are best made when they are developed through the proper legislative process, where expert testimony can be presented and debated in a transparent fashion. I therefore find it necessary to veto this section.

Members were given the opportunity to reconsider the line item vetoes. There being no motion to reconsider the line items vetoes on **H Sub for SB 572**, the President ruled the line item vetoes sustained.
