Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.
The legislature shall be organized concurrently with the terms of representatives except that the senate shall remain organized during the terms of senators. The president of the senate shall preside over the senate, and the speaker of the house of representatives shall preside over the house of representatives. A majority of the members than elected (or appointed) and qualified of the house of representatives or the senate shall constitute a quorum of that house. Each house shall provide for the expulsion or censure of members in appropriate cases. Each house shall be the judge of elections, returns and qualifications of its own members.

§ 9. Vacancies in legislature.—All vacancies occurring in either house shall be filled as provided by law.

§ 10. Journals.—Each house shall publish a journal of its proceedings. HOUSE OF REPRESENTATIVES
2009-2010

Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation. (a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day’s previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of $\frac{2}{3}$ of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent
resolution adopted by the affirmative vote of not less than a majority of
the members elected (or appointed) and qualified in each house of the
legislature or as may otherwise be prescribed by law. Any such resolution
shall fix the time and place of the joint session, and the subject matter to
be considered at the joint session. Joint sessions shall consider only such
matters as are prescribed by law or by the concurrent resolution calling
such joint session.

(b) Presiding officer at joint sessions; record of joint session; rules ap-
pplicable. The speaker of the house of representatives shall preside at all
joint sessions of the senate and house of representatives, and the clerk of
the house of representatives shall keep a record of the proceedings
thereof and shall enter the record of each such session in the journal of
the house of representatives. The rules of the house of representatives
and the joint rules of the two houses, insofar as the same may be appli-
cable shall be the rules for joint sessions of the two houses.

(c) Votes in joint session; taking; requirements. All votes in a joint ses-
sion shall be taken by yeas and nays, and in taking the same it shall be
the duty of the secretary of the senate first to call the names of the
members of the senate, and after which the clerk of the house of repres-
entatives shall in like manner call the names of the members of the
house. Each member of the senate and the house of representatives pres-
ent shall be required to vote on all matters considered in joint session,
unless excused by a vote of a majority of the members of both houses
present.

Joint rule 3. Conference committee procedure. (a) Action by
house of origin of bill or concurrent resolution amended by other house.
When a bill or concurrent resolution is returned to the house of origin
with amendments by the other house, the house of origin may: (1) Concur
in such amendments; (2) refuse to concur in such amendments; or (3)
refuse to concur in such amendments and request a conference on the
bill or concurrent resolution.

(b) Concurrence by house of origin; concurrence prior to taking action
on conference committee report by other house; final action; effect of fail-
ure of motion to concur. The house of origin of any bill or concurrent
resolution may concur in any amendments made by the other house, ex-
cept that if the bill or concurrent resolution has been referred to a
conference committee such action may only be taken prior to the taking
of final action upon the conference committee report upon such bill or
concurrent resolution by the other house. A vote in the house of origin
of any bill or concurrent resolution on a motion to concur in amendments
to such bill or concurrent resolution by the other house shall be consid-
ered action on the final passage of the bill or concurrent resolution and
the affirmative and negative votes thereon shall be entered in the journal.
If the motion to concur is upon amendments to a bill or concurrent res-
olution for which a conference committee has been appointed and action
has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby, but if the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of adoption of motion. A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference; procedure. When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the
Joint Rules of the Senate and House

call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; subject matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk’s or secretary’s desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of 2/3 of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) Signatures required on conference committee reports. All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is
adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) **Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report.** The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) **Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee.** If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) **Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year.** Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

**Joint rule 4. Deadlines for introduction and consideration of bills.** The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) **Bill request deadline for individual members.** Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the
hour of 5:00 p.m. on January 26, 2009, during the 2009 regular session and on January 25, 2010, during the 2010 regular session.

(b) Bill introduction deadline for individual members. Except as provided in (i) of this rule, no bill sponsored by a member or members shall be introduced in either house of the legislature after the hour of adjournment on February 4, 2009, during the 2009 regular session and on February 3, 2010, during the 2010 regular session. Such deadline for the introduction of bills by individual members may be changed to an earlier date in either house at any time by resolution duly adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in such house.

(c) Bill request deadline for certain committees. Except for bills to be introduced pursuant to (i) of this rule, no committee except the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall make a request to the office of the revisor of statutes for any bill to be drafted for sponsorship by such committee after the hour of 5:00 p.m. on January 30, 2009, during the 2009 regular session and on February 1, 2010, during the 2010 regular session.

(d) Bill introduction deadline for certain committees. Except as provided in (i) of this rule, no bill sponsored by any committee of either house of the legislature, except the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be introduced in either house after the hour of adjournment on February 6, 2009, during the 2009 regular session and on February 5, 2010, during the 2010 regular session.

(e) House of origin bill consideration deadline. No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered in the house in which such bill originated after the hour of adjournment on February 21, 2009, during the 2009 regular session and on February 20, 2010, during the 2010 regular session.

(f) Second house bill consideration deadline. No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by the house, not the house of origin of such bill, after the hour of adjournment on March 25, 2009, during the 2009 regular session and March 24, 2010, during the 2010 regular session.
(g) *Exceptions to limitation of (d), (e) and (f); procedure.* Specific exceptions to the limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) *Deadline which falls on day neither house in session; effect.* In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) *Bills introduced in odd-numbered years after deadlines; effect.* Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) *Modification of schedule of deadlines for introduction and consideration of bills; procedure.* In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified of each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) *Bill consideration deadline; exceptions.* No bills shall be considered by the Legislature after April 4, 2009, during the 2009 regular session and after April 6, 2010, during the 2010 regular session except bills vetoed by the Governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702 and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

**Joint rule 5. Closure of meetings to consider matters relating to security.** Any standing committee of the House of Representatives, any standing committee of the Senate, the Legislative Coordinating Council, any joint committee of both houses of the legislature, any special or select committee of the House of Representatives or the Senate, the House of Representatives in session, the Senate in session or a joint session of the House of Representatives and the Senate may meet in closed, executive session for the purpose of receiving information and considering matters relating to the security of state officers or employees, or both, or the security of buildings and property under the ownership or control of the State of Kansas.

printed bill or resolution, and shall be in writing on a form provided by
the House or a form substantially similar. Prior to making a motion to
amend, the written motion shall be delivered to the chief clerk. In the
case of amendment by substitute bill, motion shall be made to substitute
a written bill for the bill under consideration.

Rule 2103. Reading Amendments; General Rule. Motions to
amend bills and resolutions shall not require readings as for bills intro-
duced, except as otherwise provided in Rule 2107, but shall be subject to
Rule 2306.

Rule 2104. Motions to Amend Motions. A motion to amend a mo-
tion to amend a bill or resolution shall not be in order.

Rule 2105. Dividing Amendments. (a) When any motion to amend
a bill or resolution contains distinct propositions it shall be divided by the
chairperson at the request of any member. The division by the chairper-
son shall be made in accordance with the following:

(1) A motion to strike out and insert words of less than a sentence shall
be indivisible;

(2) the distinct propositions shall be only in the form submitted in the
motion to amend;

(3) each proposition must be so distinct that, one being removed, the
remainder may stand entirely on their own.
(b) Upon a request to divide a motion to amend a bill or resolution, the chairperson shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion. If no request for a ruling on germaneness of the motion to amend is made, the chairperson shall proceed to divide the motion to amend in accordance with this rule, and no subsequent request for a ruling on germaneness of any distinct proposition of the motion so divided shall be in order.

(c) The chairperson, or any member, may request that the member requesting the division make the request in writing specifying the manner in which the motion to amend should be divided.

(d) The chairperson may request that the member requesting the division and the chairperson or the vice-chairperson of the committee on rules and journal recommend an appropriate division, but the final ruling on how to divide the motion to amend shall be that of the chairperson who shall announce the division to the body.

(e) The division of the motion to amend shall be in accordance with the rules of the House and with items (1) to (3), inclusive, of subsection (a). The ruling of the chairperson on how to divide the motion to amend shall not be subject to appeal except that any member may appeal the ruling of the chairperson on the grounds that the division is not in accordance with a rule of the House including the provisions of items (1), (2) or (3) of subsection (a), or any combination thereof.

**Rule 2106. Substitute Motions.** No substitute motion to amend a bill or resolution shall be in order.

**Rule 2107. Subject Change by Senate.** (a) When the Senate adopts amendments to a House bill which materially changes its subject, upon return of such bill to the House, it shall be read as provided for the introduction of bills and be referred as provided in Rule 901.

(b) The Speaker may determine when a bill is subject to subsection (a).

**Rule 2108. Motions to Strike Out and Insert.** The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

**Rule 2109. Identical Motions.** Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

**ARTICLE 23. PROCEDURAL MOTIONS**

**Rule 2301. Order of Motions.** When a question is under consider-
ation, no motion shall be received except as specified under the Rules of the House, which motions shall have precedence in the following order:

Rule 2302. Motion to Adjourn. The motion to adjourn shall always be in order, except while a vote is being taken and until announced, or when a member has the floor, or when the previous question is pending; but a motion to recess is not equivalent to a motion to adjourn.

Rule 2303. Motion to Reconsider. A motion to reconsider shall take precedence of all other questions except the motion to adjourn. No motion for reconsideration of any vote shall be in order, unless made on the same day or the legislative day following that on which the decision to be reconsidered took place, nor unless a member voting with the prevailing side shall move such reconsideration. A motion for reconsideration, being put and lost, shall not be renewed, nor shall any subject or vote be a second time reconsidered without unanimous consent, but this provision shall not be construed as preventing the introduction of a bill on the same subject. The member moving for reconsideration shall be allowed not more than two minutes for stating the reasons in support of the motion. Such motion shall be subject to debate by any member, stating reasons in support or opposition to the motion. Each of such members shall be allowed not more than one minute for the purpose of such debate. Such motion shall require the affirmative vote of members equal in number to that required to take the action proposed to be reconsidered. A motion to reconsider any final action of the House shall be in order at any time prior to the time at which the message of the House thereon is read into the record of the Senate. A motion to reconsider any final action of the House may be made after the time at which the message of the House thereon is read into the report of the Senate but any action taken pursuant thereto will be contingent upon the return of the measure to the House by the Senate.

Rule 2304. Previous Question. The “previous question” shall be: “Shall the main question be now put?” and until it is decided shall preclude all amendments or debate. When voting on the previous question, the House decides that the main question shall not now be put, the main
question shall be considered as still remaining under debate. The main question shall be on the passage of the bill, resolution or other matter under consideration. When amendments are pending, a vote shall first be taken upon such amendments in their order without further debate or amendment. A majority vote of the members present shall order the previous question.

**Rule 2305. Motions Not Subject to Debate.** All questions relating to priority of business shall be decided without debate. The motion to adjourn, to change the order of consideration of a bill, for a call of the House, and to lay on the table shall be decided without amendment or debate. The several motions to postpone or commit shall preclude all debate on the main question.

**Rule 2306. Motion to Refer Bills or Resolutions to Committee When Not in Committee of the Whole.** When not in the committee of the whole, a motion to refer a bill or resolution from the calendar to a standing committee shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2307. Motion to Strike Bills and Resolutions from Calendar When Not in Committee of the Whole.** When not in the committee of the whole, a motion to strike a bill or resolution from the calendar shall be in order only when the body is meeting as the House of Representatives and shall be authorized only when offered by the Majority Leader, or in the absence of the Majority Leader, by the Assistant Majority Leader. Such motion shall require the affirmative vote of a majority of the members then elected (or appointed) and qualified to the House.

**Rule 2308. Stating Question.** Every motion shall be first stated by the presiding officer or read by the chief clerk, before debate, and again immediately before putting the question.

**Rule 2309. Dividing Motion.** If any motion, other than a motion under Rule 2105, contains distinct propositions it shall be divided by the chairperson at the request of any member. Motions under Rule 2105 shall be divided in accordance with that rule.

**Rule 2310. When Motions to be in Writing.** Every motion, except those specified in Rules 2301 and 2303, shall be in writing if the Speaker or any member desires it. All motions to amend a bill or resolution and all resolutions shall be in writing.

**Rule 2311. Suspension of Rules of the House.** (a) No rule of the House shall be suspended except by unanimous consent or by an affirmative vote of a majority of the members then elected (or appointed) and qualified to the House, subject to the following exceptions:
(1) A motion to suspend the rules, and to declare an emergency and to advance a bill to the order of business Final Action, as contemplated in article 2, section 15 of the Constitution shall require an affirmative vote of $\frac{2}{3}$ of the members present in the House.

(2) A motion to suspend the rules and to permit amendment and debate of a bill under the order of business Final Action shall require an affirmative vote of $\frac{2}{3}$ of the members present in the House.

(b) When under the rules of the House a motion, question or action requires a vote of a majority greater than a majority of the members present, the majority specified for such motion, question or action shall be required to suspend the rules for the purpose of such motion, question or action. When under the rules of the House notice of a motion reduces the required majority for adoption of the motion, the required majority shall not be reduced if the notice is disposed of by suspension of the rules.

(c) Suspension of the rules or unanimous consent shall not reduce the majority required under subpart (1) of subsection (a) of this rule.

**Rule 2312. Mason’s Manual; When Applicable.** (a) In any case where rules of the House or the joint rules of the Senate and House do not apply, Mason’s Manual of Legislative Procedure (2000 edition), with the exception of section 4, paragraph 2, shall govern.

(b) Rules of legislative procedure are derived from several sources and take precedence in the order listed below. For the Kansas House of Representatives, the principal sources are as follows: (a) Constitutional provisions; (b) statutory provisions; (c) adopted rules; (d) adopted parliamentary authority; (e) custom, usage and precedents.

The electronic voting system shall be used to record the vote whenever a roll call vote is taken on any question and may be used for ascertaining the vote upon any measure upon which a division of the assembly has been called. In the event that the system is not operating properly, roll call votes may be taken by calling the roll.

**Rule 2502. Procedure for Taking a Roll Call Vote.** When a roll call vote is taken, the presiding officer shall state the question and instruct the members to proceed to vote. When sufficient time has been allowed the members to vote, the presiding officer shall inquire: “Has every member had an opportunity to vote?” After a short pause the presiding officer shall direct the chief clerk to close the roll. After the roll has been closed, when Rule 2505 applies, the presiding officer shall inquire: “Does any member desire to explain their vote?” and any member so desiring may give such explanation when recognized by the presiding officer. The presiding officer shall inquire: “Does any member desire to change their
vote?" If any member does desire to change their vote, such member when recognized by the presiding officer, shall advise how they desire to change such vote and the presiding officer shall then instruct the chief clerk to make the appropriate change. A member who has not previously voted may vote at this time when permitted by the presiding officer. Such member shall advise how they wish to vote and the presiding officer shall then instruct the chief clerk to record such vote. **Rule 2503. Display of Recurring Totals.** Under Rule 2502, recurring totals shall be displayed only after the roll is closed. No recurring totals shall be displayed for a determination of the vote upon a division of the assembly.

**Rule 2504. Voting by Members.** (a) A member may vote only when at their desk or at any place within the chamber of the House when authorized by the presiding officer, who shall direct the chief clerk to so vote for such member.

(b) No member shall vote for another member. No person not a member shall cast a vote for a member, except as otherwise provided in the rules. In addition to such penalties as may be prescribed by law, any member who votes or attempts to vote for another member shall be subject to Article 49 of these rules. If a person not a member votes or attempts to vote for any member, such person shall be barred from the floor of the House for the remainder of the session, and, in addition to penalties prescribed by law, may be punished further as the House determines.

(c) The Speaker shall not be compelled to vote except in case of a tie.

**Rule 2505. Explaining Vote.** Any member may, when a roll call vote is being taken on the passage or adoption of any bill or resolution, explain their vote. Such member shall be allowed not more than one minute for such explanation. Such explanation, if furnished in writing and signed, with printed name and district number, by such member by 4:00 p.m. upon the day the vote is taken or if the vote is taken subsequent to 3:30 p.m., within one-half hour after the adjournment of the House on that day, shall be entered in the Journal, provided it does not contain more than 100 words.

**Rule 2506. Copies of Voting Records.** (a) Unless otherwise ordered, the chief clerk shall record each roll call vote and make copies available for the use of the news media. No record shall be made of the vote of any member voting upon any measure upon which a division of the assembly has been called.

(b) When a roll call vote is taken, it shall be recorded in the Journal by a statement of the names and total number voting in the affirmative, the
names and total number voting in the negative, names and total number indicating presence but not voting and the names and total number absent or not voting, except that the provisions of this section shall not permit a member to fail to vote in violation of Rule 2508.

**Rule 2507. When Roll Call Vote to be Taken.** (a) A roll call vote shall be taken for the passage of any bill.

(b) A roll call vote shall be taken for the adoption of any concurrent resolution to amend the Constitution of the state of Kansas, to call a Kansas constitutional convention, to extend a session of the Legislature in even-numbered years, to ratify any amendment of the Constitution of the United States, to make any application for Congress to call a convention for proposing amendments to the Constitution of the United States and when required by the joint rules of the House and Senate. A roll call vote is not required for adoption of concurrent resolutions pertaining to commendations or acknowledgments, unless required under subsection (e) of Rule 2507.

(e) A roll call vote shall be taken on any question on demand of 15 members, unless a roll call vote is already pending.

**Rule 2508. Call of the House.** (a) A call of the House shall be ordered on the demand of any 10 members at any stage of the voting previous to the announcing of the vote or, if the voting system is used, prior to recording the vote. Also, this Rule 2508 shall apply to the taking of a vote on a motion to strike the enacting clause of a bill and the resolving clause of a resolution and on a motion to strike all after the enacting clause or resolving clause, except when the House is in the committee of the whole. When the call of the House is once invoked, then all members present during the call, shall be required to vote before the call is raised. The call of the House shall not be raised (so long as 10 members continue the demand) until a reasonable effort has been exerted to secure absentees.

(b) Any member, who is directly interested in a question, may be excused from voting, when there is a call of the House. The member, who is requesting to be excused from voting, shall state the reasons therefor, occupying not more than five minutes. The question on excusing such member from voting shall be taken without debate and a ⅔ majority of members present shall be necessary to excuse such member. If a member refuses to vote, when not excused, such refusal shall constitute grounds
for reprimand, censure or expulsion under Article 49 of the Rules of the House.

**Rule 2509. Voice Vote; Division of the Assembly.** Except when a roll call vote is required a voice vote shall be taken on all questions. Any member may call for a division of the assembly to determine the vote by the voting system.

This being the day fixed by the Constitution of the State of Kansas for the assembling of the 2010 session of the legislature, the House of Representatives was called to order at 2:00 p.m. by Speaker Michael R. “Mike” O’Neal.

Speaker O’Neal announced that the Rev. Eunice Brubaker, executive associate pastor, Fairlawn Church of the Nazarene, will serve as Chaplain of the House for the 2010 session.

Prayer by guest chaplain, the Rev. Steven L. Vaughn, senior pastor, Fairlawn Church of the Nazarene, Topeka:

Dear Heavenly Father,

May we as the men and women of this legislature bow to acknowledge our dependence upon the power of God, and to confess with assured hope that God will lead us to the truth, announced in Holy Scripture, and proven by all history, that those nations that are blessed are those whose God is the Lord.

We have been the recipients of the choicest prosperity of Heaven; we have grown in numbers, wealth and power as no other nation has ever grown. But we have forgotten God. We have forgotten the gracious hand which has preserved us in peace and multiplied and enriched and strengthened us as a nation.

Intoxicated with success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us. It would be fitting for us, then, to humble ourselves before offended power, to confess our dependency upon him and to pray for his clarity and direction in these days of difficult decisions and agendas.

Lord, this day may you grant a supreme wisdom to those who shadow these halls and offices. May you restore dignity, honor, trustworthiness, and righteousness to the office they hold by their actions to honor you. Grant them this day a gracious gift of grace and guidance as they make motions and laws to once again restore this state to a place of prominence within this time we live for your sake.

The Pledge of Allegiance was led by Rep. Tafanelli.

**Governor Mark Parkinson’s Complete Text of the State of the State**

“Mr. Speaker, Mr. President, Minority Leaders Hensley and Davis, Mister Chief Justice, legislators, justices, cabinet officers, elected officials, honored guests and my fellow Kansans:

“For almost 150 years, 45 governors have had the honor to report to this body on the state of the state of Kansas. Throughout those 150 years, we have been through many crises. We have gone through booms and busts, two World Wars and faced countless natural disasters. Despite those challenges, every governor for almost 150 years declared that the state of our state was strong.

“They understood that we do not measure the state of our state by the crisis of the day. The true measure of a state is the quality and character of the people living in it. Are they willing to pull together, stare down challenges and provide a helping hand to those in need?

“Mr. Speaker and Mr. President, the economy has once again tested the quality and character of the citizens of Kansas, and I am happy to report we have passed every test. On every measurement that matters, the state of the state of Kansas has never been stronger.

“Unfortunately, this does not mean that we have overcome every challenge. The greatest economic crisis since the Great Depression continues to fight against us. I am here to tell you tonight that this crisis will not defeat us. To succeed, we must pull together and make sacrifices. To give up in the waning moments of this economic challenge would precipitate decades of intolerable consequences.

“One hundred fifty years ago, our ancestors had a vision for Kansas. They turned that vision into a reality and built the greatest state in the nation. I am calling on you to help protect what we have built over these last 150 years. You have all heard me brag on many occasions about our founding fathers, the struggles they endured and the challenges they overcame. Our founders shared a vision of great public schools, outstanding universities, safe communities and an economic climate that would allow us all to prosper.

“In the early years, our leaders understood the importance of a great higher education system. They established Kansas State University in 1863, just two years after Kansas became a state. Since then we have formed six other major universities, 19 community colleges and seven technical schools and colleges. Their vision was elegant and concise - if you want to keep the best and brightest in a state, you must create a great higher education system to retain them. If you want to attract the best and brightest from other states, you must have great higher education. If you want to provide a workforce for the future, you build great universities, technical schools and community colleges.
“This was not a one-time commitment. It is a commitment our leaders have kept for 150 years, and it worked. Hundreds of thousands of Kansans have graduated from these schools and have made our state what it is today. In addition, our schools have become an economic engine. Ask yourself why the animal health corridor exists in Kansas. It exists because this Legislature had the vision many years ago to fund Kansas State University so it could develop a world class veterinary school. At the same time, Missouri was establishing a veterinary school in Columbia, and a corridor sprung up between the two schools. The result was hundreds of companies and tens of thousands of new jobs. The animal health corridor would have never happened if years ago this legislature had been tight fisted and refused to fund our higher education system. Our 150-year commitment made it possible.

“Ask yourself why Kansas University has the chance to achieve designation as a National Cancer Institute. This opportunity exists because this legislature had the vision to fund higher education so KU could establish a world class medical school. National Cancer Institute designation would have been impossible if years ago this legislature had refused to fund higher education. Our 150-year commitment made it possible.

“Consider the aircraft industry. History’s greatest entrepreneurs formed this industry in Wichita. They deserve the credit, but its growth depends on educational opportunities. It is Wichita State and schools that have produced the workforce that took those entrepreneurs dreams from just a vision to reality. Make no mistake, our commitment to higher education is not just the right thing to do, it is great economic development.

“The same can be said of our investment in our public schools. While other states were shy to adopt public education, we embraced it. Our leaders made the conscious decision clear back in the 1860s to spend money on public education. Their vision was to create a literate population that would become workers, then consumers and lead our state to prosperity. This commitment to public schools was not one time or intermittent; it was long-lasting. It is at the very essence of what makes Kansas, Kansas.

“Throughout our history this has worked. We developed a world class public school system. It is a system that outside entities consistently rate as one of the best in the country. It is a system that has higher graduation rates and test scores than the national average. It is a system that has provided every child a chance and has created the outstanding labor force that we dreamed of building. It happened because those that came before us had vision and the courage to make investments in our future.

“Those that came before us accomplished even more. They built a transportation system that now serves as a model for the rest of the country. They built a public safety system that keeps our communities safe, and they built a safety net because they realized that the true measure of a society is not how it treats the richest of the rich, but rather how it treats those most in need.

“Along the way there have certainly been naysayers, those who have argued that you cannot build great schools, great universities, great roads and have a safety net for those in need without taxing the state out of business. We know the naysayers are wrong. We know that they are wrong because we have achieved excellence with taxes that are below the national average.

“The Tax Foundation rates each state every year for its combined state and local tax burden. It’s an objective way of finding out where we stand. Its findings for 2009 are the same as its findings for most prior years. Kansas is below the national average for taxes that we pay. Below. It is a remarkable achievement. Our founders were cunning and frugal enough to build a great state without taxing us out of business.

“Unfortunately, what we have built is now at risk. Our accomplishments are at risk because the recession has devastated state revenues. We have cut $1 billion out of the state budget. Like any organization, public or private, there was waste in state government. That is inevitable. That made the first round of cuts relatively easy, but as the deficit grew, the budget cuts have been brutal. We are way beyond the point of cutting waste.
As a result of my last cuts, schools have closed and universities have laid off professors. Post-release supervision of prisoners has declined, our road maintenance has stopped and payments to our Medicaid providers have decreased. We have cut beyond the point of waste and into the foundation of these critical services.

Now we face another challenge. Before I describe it, I want to thank each of the 165 of you. Last year, I called on us to pull together in a post-partisan manner to face our challenges and we did. We avoided the partisan bickering and childishness that we see in Washington, D.C. Tonight, the need to pull together has never been more important.

That is because we face another budget hole of almost $400 million. We are not $400 million short of what we need to get these programs back to where they need to be. We are $400 million short of what we need to keep most of these budgets at their already drastically cut levels.

I have spent scores of hours studying these programs in search of that $400 million more that we can cut. I’m here to tell you that it simply is not there. If you can find it, I am open to your input. However, as a person who is fiscally responsible and as a person who has cut more out of our state budget than any Kansan in history, let me repeat - there isn’t $400 million left that we can responsibly cut. Now is the time to protect what we have. Now is the time to stop cutting education, public safety and aid to the elderly and disabled.

Here is my plan to come up with the $400 million - we need to raise two taxes. We must take the cigarette and tobacco tax from 79 cents a pack and raise it to the national average of $1.34. Not only will this allow us to raise revenue, it has the added benefit of reducing teen smoking. Study after study demonstrates that if you raise this tax, teen smoking will decline.

We must also raise our sales tax by one cent for a temporary period of 36 months. A temporary increase of just one cent allows us to fund our programs at the minimum acceptable levels while we work our way out of this recession. I am then proposing that after the third year the tax retreat, leaving just two tenths of a cent in place that would be available to craft a moderate but necessary highway program.

This is by no means a big spending budget. We would still force agencies to live under the enormous constraints that our $1 billion in cuts have placed on them. There are some areas funded above 2010 levels. This budget allows us to reinstate some funding of schools and universities as we begin their road to recovery. This budget allows us to reinstate some of the post-release supervisory programs in the Department of Corrections, which is a matter of public safety. This budget allows us to restore Medicaid funding so that those most in need will have access to hospitals, doctors and nursing homes.

The alternative to coming up with this $400 million is not acceptable. It would require a round of cuts that would do years of damage to what we have built. We would hurt every school district in this state. More schools would close and class sizes would reach intolerable levels.

Universities, technical schools and community colleges would suffer. Our National Cancer Institute designation would be at risk. Our roads would deteriorate, and we would either have to eliminate supervision of prisoners on parole, or start letting prisoners out of jail early. On top of all that, the budgets for 2012 and beyond would be even more difficult.

Now, I know there are discussions about other ways to raise $400 million. There has been talk of eliminating some sales tax exemptions and there is some possibility of additional federal money in some areas. I am open to all ideas and encourage you to examine them. What I am not open to are crippling cuts. Our ancestors worked too hard to build what we have. Now it is our turn. It is a fight worth waging. Our schools are worth fighting for, our universities are worth fighting for, our public safety system is worth fighting for and our safety net for the elderly and disabled is worth fighting for.

We can do more though than just protect what we have. In addition to fixing the budget, we can prepare for the future. First, let’s ramp up our fight against cancer by enacting a
public smoking ban. It is time. Twenty-four states including North Carolina have done it. If North Carolina, the largest tobacco producing state in the country can enact a public smoking ban, surely Kansas can.

“Let me be very clear. I’m not proposing that we pass a watered down smoking ban. I do not want legislation that the tobacco industry writes, full of loopholes and not a real ban. Seventy-five percent of Kansans want a real public smoking ban and I am asking you to give that to them.

“The second initiative that I want to propose is that we continue to move forward with energy policy in Kansas; 2008 was about building wind farms in Kansas, 2009 was about bringing wind manufacturing jobs and transmission to Kansas. Let’s make 2010 about making Kansas a national leader. We should lead the country in renewable energy.

“Accordingly, I have asked Lieutenant Governor Findley to lead a Cabinet team who will make sure that we take advantage of every opportunity to continue to bring transmission, wind farms and green jobs to Kansas. It is our destiny to provide clean energy to the rest of the country and Lieutenant Governor Findley will lead the way to make that happen.

“Finally, it is time that we take steps to make sure that the state never again finds itself facing this kind of fiscal challenge. There are many reasons for the budget problems that we have. One is that we came into last year without an emergency fund. This is unacceptable.

“Downturns are inevitable. Every business and family knows this, and those that are able develop reserve funds to prepare for those downturns. It is time for the state to do the same. I am asking you to pass the Vratil-Kelly Constitutional Amendment that would require us to set a portion of state revenue aside to create an emergency fund. In years of declining revenue we would tap into the fund and avoid the situation we are currently in. It is time that we put our fiscal house in order and lay the foundation for a solid financial future for this state.

“Now, I want to tell you why I am so optimistic about the future of our state. During a recession, people give up; and once they give up, a recession can become a depression. My message to Kansans tonight is this: don’t give up. There are too many reasons for genuine optimism.

“We are all worried about jobs. Our unemployment rate is not acceptable. The good news is that our Department of Commerce has won battle after battle to bring jobs to the state. Unfortunately, these successes have not kept pace with job losses from current employers. I want Kansans to know that we will continue to fight until every Kansas has a job.

“That will not be long. Kansas is an exporter. We export airplanes, food and energy. As emerging markets continue to grow in countries like China, India, and Brazil, even during this recession, the demand for our products will continue to grow. Seven-hundred million people in emerging countries will join the middle class in the next 20 years, and no state will benefit more from this than Kansas. Demand for our airplanes, our wheat and our energy will explode. But, we cannot give up. We must protect what we have, fight for what we have and prepare for the future.

“Last year, I told you about my vision for Kansas in 2030. That vision is fully intact. I told you that by 2030 our agricultural, energy, and aviation sectors will be booming and our animal health corridor will flourish. Kansas University will have achieved designation as a National Cancer Institute and become a leading research institute in life science. Our higher education system will be world class.

“A renewable energy corridor will exist between Wichita and Salina and provide thousands of jobs to Kansas and clean energy to the world. Wind farms will exist all throughout western Kansas and we will have built the transmission to bring that energy to eastern Kansas and beyond. Our public school system will be strong, our transportation system will be world class and opportunity will abound.
“We will be more diverse. Our Hispanic and Asian populations will grow, and rather than reject our new citizens, as some states have done, we will embrace them as Kansans. More than ever, they will be an important part of the Kansas story.

“I am more confident of this vision than ever. Already this year, we have made progress toward many of these predictions. We have achieved the first approvals for needed energy transmission in western Kansas. We beat our goal of 10 percent renewable energy by 2010 and we are still building additional wind farms. Two major companies have already located in our renewable energy corridor, employing hundreds of Kansans.

“This year we will begin the construction of the National Bio and Agro-Defense Facility in Manhattan. I want Governor Perry of Texas to know that he has my personal invitation to participate in the ground breaking. However, for all of my predictions to come true, we must protect what we have and build for the future.

“Let me close on a personal note; 28 years ago, I started law school at KU. On the second day of class, I met the woman who would become the love of my life, Stacy. Stacy had grown up in west Wichita. She attended Goddard public schools, then KU for her undergraduate degree and law school. She was the first person in her family to graduate from college. I was born and grew up in Wichita, attended Wichita public schools, then Wichita State and ultimately KU law school.

“We fell in love, and even though people will tell you that you should not do this, we got married in our second year of law school. Not smart, but we were in love and had big dreams. We lived in a mobile home and had no money, but we didn’t care. We had each other and a future that we hoped for. After law school we formed our own law firm, ultimately our own business and have been financially rewarded beyond any level that we could have hoped. We have three great kids, and we love them desperately. We have traveled the world and lived a life beyond what we could possibly have dreamed from that mobile home in Lawrence. Stacy and I have lived the American dream and we have lived it without ever leaving Kansas.

“I tell you this not to boast of our good fortune; I tell you this because I want to make sure that future generations of Kansans have the same opportunities as Stacy and me. We are able to live this life because legislators and governors decades ago decided that building great public schools and universities was the right thing to do. We are able to live this life because in Kansas, you didn’t have to be rich to go to a good school or go to college.

“Now I’m asking you to make the same decisions for future generations to come. I’m asking you to give our children and our children’s children the same opportunity that Stacy and I and all of you have had - the opportunity to live the American dream without ever leaving the state.

“Generations from now, historians will look at how Kansas handled the greatest economic crisis since the Great Depression. We have the opportunity to astonish them. The decisions that you can make will mean that not only did we fight back, not only did we protect what our ancestors built, but while everyone else was in a panic, we moved forward. Let’s seize that opportunity, astonish the historians and write history that will make all future generations proud.

“Thank you. God Bless you, God Bless Kansas and God Bless America.”

On motion of Rep. Merrick, the House adjourned until 11:00 a.m., Tuesday, January 12, 2010.
The House met pursuant to recess with Speaker O'Neal in the chair. The roll was called with 121 members present. Rep. Donohoe was excused on verified illness. Reps. Kelley, Peterson and Schroeder were excused on excused absence by the Speaker.

Prayer by guest chaplain, the Rev. Steven L. Vaughn, senior pastor, Fairlawn Nazarene Church, Topeka:

Dear Heavenly Father,

May you grace us with your presence and patience. During these days of decisions and dilemma may you give direction to those who seek it, vision to those who dream it and wisdom to those who ask for it.

Give this session perception and the ability to discern and exercise good judgment. Grant them intelligence that comes from God as pure, peaceful, gentle, easy to be entrusted, merciful, full of good resolutions that are impartial, and without hypocrisy.

Today as this group meets may it be one voice and one cause that unites them. May the decisions they make for the future not be based on whether they are democrat or republican, personal or politically motivated but about the solutions and of working together for the greater cause of this great state.

May you once again allow your blessings to shower the Great Plains of Kansas and the people that inhabit its boundaries and permit us to praise you for your help and advice in all things. In Christ's Name I ask. Amen.

The Pledge of Allegiance was led by Rep. Burroughs.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS
The following resolution was introduced and read by title:
HOUSE RESOLUTION No. 6005—
By Committee on Energy and Utilities
A RESOLUTION establishing targets for energy development, consumption and costs.
WHEREAS, Federal energy policy discussions have focused public attention on climate issues and alternative energy futures; and
WHEREAS, Federal energy policy discussions and ultimate actions will impact each state differently; and
WHEREAS, Energy sources to meet state needs will continue to reflect their existing and potential generation resources; and
WHEREAS, The cost of energy to consumers, businesses and industries will determine quality of life and economic opportunities in each state; and
WHEREAS, Direct and indirect energy costs and their impacts on individual consumers and consumer sectors have not been widely discussed at the federal level, but are of great concern to state policy-makers; and
WHEREAS, The Kansas Energy Council has been disbanded and other official energy forums have not provided a blueprint for state energy objectives that the public and their elected policy-makers can discuss, amend and implement: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we believe that Kansas’ public, elected policy-makers and executive agency personnel should have specific targets for energy development, consumption and costs; and

Be it further resolved: That compared to January 1, 2009, by December 31, 2020 the following policy objectives should be achieved and all state agencies, including the Board of Regents, Kansas Bio-Science Authority, Kansas Corporation Commission, Kansas Department of Health & Environment, and the Kansas Development Finance Authority, are charged with the responsibility of achieving them:

RENEWABLE ENERGY: At peak generation and consumption periods, 20% of all electricity produced by Kansas generators and 20% of all electricity used by Kansas residential, commercial and industrial customers shall have been generated from renewable resources; and
All Title IV landfills in Kansas shall capture at least 90% of otherwise escaping methane gas from decomposing refuse and shall be converting new and existing municipal waste into synthetic gas for use in generating electricity and fueling motor vehicles; and
At least 10% of motor fuels sold in Kansas shall contain ethanol from cellulosic processing or bio-fuel synthetic gas; and
At least 60% of wind generated energy shall be “firmed” for reliability and to permit it to be dispatched. Such wind energy, in combination with the necessary energy storage, shall have at least an 80% capacity factor for five hours; and

ENERGY CONSERVATION AND EFFICIENCY: Assuming that the U.S. and Kansas economies will continue to recover strength after the recession of 2008 and 2009 and that electricity demand shall return to its normal 1% to 1 1/2% annual growth, thereby resulting in approximately 15% greater demand by January 1, 2021, than existed as of December 31, 2009, in cooperation with the Kansas Corporation Commission all Kansas electric utilities shall develop measurable programs to reduce the anticipated rate of growth to 7.5% without consumers experiencing a quality of life degradation; and

TRANSMISSION: To develop Kansas’ renewable energy generation potential, increase energy exports beyond state borders, provide a more robust transmission system resulting in increased energy reliability and lower cost electricity to high cost service areas, 1,000 miles of new and upgraded transmission lines will be approved and constructed; and

RESEARCH AND RETRO-FIT: Energy research in Kansas by private and public persons and institutions shall cumulatively generate $500 million in grants, sponsored research and sales of products and technologies that increase energy production, the efficient use of energy and the development of new low-carbon footprint energy sources; with a target of at least $150 million per year beginning January 1, 2011; and

Smart Grid is the enhanced, real-time communications between elements of the integrated electric system that permit greater efficiencies in the production, distribution and consumption of electricity. At least 70% of transmission and distribution lines and appurtenances and at least 25% of all electric meters for each public utility shall be “smart grid compliant”; and

Existing coal-fired generation units, including both electric public utilities and non-public utilities, shall reduce the rate of their carbon dioxide releases per BTU to equal or less than natural gas generation plants constructed in 2009; and
The Kansas Development Finance Authority and Kansas Bio-Science Authority shall develop enhanced grant, loan and loan assurance programs that better enable energy researchers to secure federal and private sector funding to research, develop, commercialize and market energy-related products and services. Such load assurance programs not to increase state debt obligations, but to provide investors that the State of Kansas believes investing in such companies and research is a prudent investment in our nation’s future; and

IMPACTS ON KANSANS: The Kansas Department of Commerce, as lead agency, shall enhance its workforce development, recruitment and training programs that lead to an employment growth rate in energy production, conservation/efficiency, research and related sectors of 15% per year; and

As a result of Kansas’ energy policies, consumers should not see increases in total energy costs exceeding 20% during the July 1, 2010 through December 31, 2020 period, with many Kansans experiencing reduced or stable energy costs as a result of these Kansas Energy Policies; and

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Once again I stand before this great body of leaders and recognize the privilege, honor and responsibility to lift these great leaders of our state to You in prayer. Hold me accountable and diligent in praying for them daily, corporately and individually. I ask early in this session, that we will daily seek first Your kingdom and Your righteousness and know that all other things will be added unto us. Collectively as a body of leaders making decisions for hundreds of thousands of Kansans, we seek Your wisdom and leadership. As individuals, these leaders have many responsibilities and concerns in their personal and professional lives. Again, may they seek You first and know that You will work in and through all situations. For Representative Palmer’s husband, I ask for quick healing for him and strength and courage for her. Thank you for your faithfulness specifically to Representatives Rardin, Hawk, Siegfried and Donohoe over the past few months. Lord, for all these specific needs, we thank You for Your touch, strength and loving care. Continue to lead us today in all ways and we will give you thanks and honor. Let us pause for a moment of silence for the people of Haiti.

In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Horst.

Prayer by Chaplain Brubaker:

Father God,

In Proverbs You tell us that...
When a country is in chaos, everybody has a plan to fix it—
but a man of understanding and knowledge maintains order.
(Proverbs 28:2)

Although in comparison to other areas
we may not consider our state in chaos,
we do recognize and understand that many issues and concerns
will be presented to this body of leadership.

Give us Your understanding, knowledge and especially Your wisdom.
Make us wise as ants — though frail as they are,
they store up their food in the summer;
make us wise as marmots — though they are creatures of little power,
they arrange for rock-solid homes;
make us wise as locusts — who have no king, yet they advance together in ranks.
For us to have this wisdom, we need to start with God...
for the fear of the Lord is the beginning of knowledge...
The first step in learning is bowing down to God.
I ask for this today, O Lord,
in the name of Jesus Christ Your Son, Amen.

The Pledge of Allegiance was led by Rep. McCray-Miller.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
In keeping with the spirit of celebrating
Martin Luther King Day,
We recognize that each leader here
represents the dreams of the people of Kansas,
whether it be the dreams of the young girl
in the inner city of Wichita,
or the dreams of the man
tending the cattle and wheat fields of Colby.
As we work together to see these dreams realized,
help us to maintain mutual respect,
cooperation and collaboration,
and a spirit of humility.
And speaking of humility,
knowing that Your Word says
“pride goes before a fall,”
keep us from falling in our pride
that one of our Kansas teams took down
No. 1 in college basketball last night!

PERSONAL PRIVILEGE

Remarks by Rep. Ballard:

In the same spirit as we celebrated Dr. Martin Luther King’s holiday this weekend in our districts, I thank you for this opportunity to say a few words about Dr. King.
I will also read a poem by Michael Josephson entitled “What will Matter.”

What will Matter
Ready or not, some day it will all come to an end.
There will be no more sunrises, no minutes, hours or days.
All the things you collected, whether treasured or forgotten, will pass to someone else.
Your wealth, fame and temporal power will shrivel to irrelevance.
It will not matter what you owned or what you were owed.
Your grudges, resentments, frustrations and jealousies will finally disappear.
So too, your hopes, ambitions, plans and to-do lists will expire. The wins and losses that once seemed so important will fade away. It won’t matter where you came from or what side of the tracks you lived on at the end. It won’t matter whether you were beautiful or brilliant. Even your gender and skin color will be irrelevant.

So what will matter? How will the value of your days be measured?

What will matter is not what you bought, but what you built; not what you got, but what you gave.

What will matter is not your success, but your significance.

What will matter is not what you learned, but what you taught.

What will matter is every act of integrity, compassion, courage or sacrifice that enriched, empowered or encouraged others to emulate your example.

What will matter is not your competence, but your character.

What will matter is not how many people you knew, but how many will feel a lasting loss when you’re gone.

What will matter is not your memories, but the memories that live in those who loved you.

What will matter is how long you will be remembered, by whom and for what.

Living a life that matters doesn’t happen by accident.

It’s not a matter of circumstance but of choice.

Choose to live a life that matters.

I challenge each of us to think about our legacy, dream and live a life that matters.

Prayer by Chaplain Brubaker:

Lord,
Have you noticed the yellow envelopes the last few days.
They are everywhere!
To look at them, they seem insignificant . . .
yellow — blank — large —
probably purchased cheap with the Easy button.
Yet what is inside makes all the difference.
Bills and resolutions representing the
heartbeat and passion of our people.
The issues stated inside these envelopes
will call for much discussion and debate.
God help us to realize that no matter
how we might look on the outside,
it is what is inside us that counts
and is revealed in our words and actions.
Search our hearts, O God,
and give us hearts of compassion and respect.
I pray for Rep. Trimmer and the injuries
he sustained from a fall. Please
bring a speedy and complete recovery to him.
In Christ’s Name I pray, Amen.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY
On motion of Rep. Bethell, HR 6006, A resolution declaring January as Kansas Mentoring Month, was adopted.

There being no objection, the following remarks by Reps. Hawk and Bethell are spread upon the journal:

Representative Hawk: It is an honor for me and Rep. Bethell to recognize the work of Coach Bill Snyder, of my K-State Wildcats, and Ella Todd, the Executive Director of the Kansas Mentoring Program, for mentoring month. I would like to share the following impacts, statistics and stories of our success in Kansas.

Impact of Mentoring
National research indicates mentored youth are more likely to . . .
- Stay in school & improve their grades
- Graduate from high school & enroll in college
• Be active in their communities
• Be hopeful about their futures

And mentored youth are less likely to . . .
• Begin using illegal drugs & alcohol
• Skip school
• Engage in violent & criminal behaviors

Kansas specific statistics:
And we are seeing those positive results in Kansas. In SFY 2009, Kansas Mentors’ grant recipients reported:
• 72% of mentored youth, on average, increased academic achievement as a result of the mentoring relationship
• 82% of mentored youth, on average, improved self-confidence as a result of the mentoring relationship

In addition, several programs reported individual accomplishments, including:
• 76% of mentored youth improved their attitude towards school
• 80% of mentored youth improved their relationships with peers
• 66% of mentored youth improved their ability to avoid substance abuse & delinquency

The Economic Impact
Ensuring the success of our youth is more than just a social issue; their preparedness for work and life truly affect our state’s economic future.

• During the 2007-2008 school year, 3,641 Kansas students dropped out of high school.
• For just that one group of students, it is estimated that they cost the nation approximately $946 million in lost earnings, taxes and productivity over the course of their lifetimes.
• And mentoring can help — it is an evidence-based strategy that is proven to keep kids from engaging in risky behaviors, help them graduate from high school, and open their horizons to new career opportunities.

Statewide Distribution
Through the Kansas Mentors effort, over 175 mentoring programs have been identified statewide. Collectively, these programs serve 86 of Kansas’ 105 counties; partnering with our schools, community organizations and places of worship to provide these much-needed services for our young people.

Today, we have with us mentoring matches and staff from several Kansas mentoring programs, including:
• Youth Horizons, a faith-based mentoring program from Wichita
• Kansas Big Brothers Big Sisters, a statewide school, community and faith-based mentoring program

Mentoring is Successful — Stories from Kansas’ Efforts
Stories about the success of mentoring can be heard throughout Kansas; here are a selected few:

In Wichita, a mentee is now grown-up and an accomplished Captain in the City’s Police Department. He credits his success to the mentor he had throughout his developmental years, who also happened to be a police officer.

Another success story comes from a community-based program in Garden City. The pair is beginning their third year together and as a result of their match the young teen has seen improvements in both his grades and behavior. In addition, their relationship has opened up new career options for the youth. The mentor, a John Deere technician, has taught the
Representative Bethell: Today we are here to bring attention to a program that is designed to make this world and our society better on a long term basis. This cannot be said about everything that is done in our life. As those of us in this body realize we are but a microcosm of society and we must admit that many times we deal with the temporal issues of life; a good meal, a sporting event, a night at the theater, a social event and the list goes on. The program that we bring before you today is one that can make the difference in the future of the world.

Someone once said that in 100 years this world will not be concerned about the house we lived in, the car we drove, the result of the super bowl, but the world may be changed because of our involvement in the life of a young person.

Mentoring is something that should be a part of each of our lives. While I am pleased to have Coach Snyder and these young people here today and bring attention to the results of this program, I would encourage all who are in this chamber today and those who will hear and read these comments to evaluate our involvement in the lives of the young who surround us. Are we the example we want of the mentors, or is that something we want them to do because it is easier when we don’t have to be involved?

Coach Snyder, thank you for taking the lead to show the way that we should walk. May we all learn from your example what will make a difference.

I won’t take the time to present all of the benefits that this program brings to our society but I will ask Mr. Speaker that these remarks be spread across the Journal so we and those who come behind us will have the opportunity to review the benefits of being good mentors.

A framed copy of the resolution was presented to Coach Bill Snyder and the rest of the group.

Grant that we would be bold and not indecisive in our representative role, and that we would be guided by your divine wisdom. Help the men and women duly appointed to this task of governing in this great state to be people of integrity. Let them be honest in all their dealings and forthright in all their discussions. May the discussions and the subsequent decisions rendered today here in this chamber be in accordance with your will. Deliver each one from the temptation to be divided by party lines and the whims of personal agendas but that there will be a coming together for the purpose of governing in the truth.

Forgive us for our shortcomings, arrogance and rebellion. Give us a true compassion for the poor and each other so that this great state may continue to be a beacon in a dark world. Help us to avoid the pitfall of calling evil good and good evil, make us ever more mindful of the fact that ideas and words have lasting consequences.

Prayer by guest chaplain, the Rev. David C. Fulton, pastor, St. Paul’s Lutheran Church, Wichita, and guest of Rep. Dillmore:

Holy God — you know Kansas. You know our greatness and you know our challenges. Let your presence move us toward the stars through difficulties. We Kansans share a robust heritage, including the passion of John Brown and Carry Nation, the brilliance of Karl Menninger and the leadership of Dwight Eisenhower; they inspire us to embrace the challenges of our day, the challenges of decreased revenues and increased calls for service, the challenges of violence and intolerance and the challenge of indifference to the public good.

Come O God, accompany us on our pioneer journey to the stars, come with us as we seek excellence in every aspect of our life together in our home on the range. There are those who would make it difficult for us to live in peace, in our communities and in our world. We thank thee for those in uniform who stand fast for safety and freedom. We thank you for law enforcement officers, in our cities and countries, we thank thee for our neighbors who wear the uniform of the United States military, for our national guard and for the active duty military members, from Ft. Riley, Leavenworth and McConnell, who live in Kansas and deploy worldwide for the values of America.

Through the stars through difficulties, it is our motto O God, our passion, our life together as Kansans — bless those who serve all of the state offices in this city and across Kansas, let it be well with them as they serve. O God we thank you for the blessings of America, the blessing of Kansas and the blessings of vital faith traditions serving in our state, it is from our traditions that we pray this day — in your most sacred name all God’s people say — Amen — Let’s Roll to the stars — AMEN!!

The Pledge of Allegiance was led by Rep. Lane.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Dillmore are spread upon the journal:

Today my friend Colonel David Fulton was our guest Chaplain. As you heard, Colonel Fulton is pastor of the Saint Paul’s Lutheran Church in Wichita. However, what I would
like to point out today is that while Pastor Dave will be back as a guest pastor in the future, he will not be wearing the uniform he so proudly wore today.

After 23 years of distinguished service in the Air Reserve, he will be retiring at the end of March. During his tour, he has traveled 11,000 miles while in the central Command Area of Operations and served in Iraq, Afghanistan, Germany, France, Turkey and Korea.

He was deployed in support of Operation Iraqi Freedom serving as the group chaplain of the 458th Expeditionary Group. In 2006, he deployed with the Expeditionary Red Horse Squadron for six months in Iraq and Afghanistan. He spent eight years with the Kansas Air National Guard serving the 190th Air Refueling Wing at Forbes Field. Currently he is assigned to the command Chaplain’s Office of the Air Force Reserve Command.

We could be here quite some time if I listed all of the volunteer positions he has served in making our state a better place to live, work, and worship. Suffice it to say he does not stay stationery very long.

Colonel Fulton, thank you for coming here today; and thank you for your honorable service to our country, our state, and the men and women of our armed forces.

Almighty God,
As we have gathered this day to represent the many that have placed us in this position, we remember our veterans both at home and abroad. We seek your strength and your guidance as we prepare to do the will of the people.
Help us as we discuss the needs of the people for this great state of Kansas, and cause our decisions to be for the good of all people.
Draw us closer not only as individuals, but as a state, a nation and the world.
Keep us in your care and cause us to be all that we profess to be.
Help us to remember the foundations that have been in place since the beginning of this great nation . . . knowing that those who have gone before us knew the value of considering each other and every situation, allowing you to always be our guide.
In a world with so much uncertainty, cause us to look always to you with our every need. Cause us to return to a strength in God that this nation has always possessed.
Help us to always remember when we make decisions without considering God first, there will always be a chance of failure. Help us to always understand the value of God and country.
And as the song says:
God bless America, land that I love.
Stand beside her, and guide her
through the night, with a light from above.
From the mountains, to the prairies,
to the oceans, white with foam
God bless America, my home sweet home.
God bless America, my home sweet home.

The Pledge of Allegiance was led by Rep. Rhoades.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. 6012—

By Representative Long

A RESOLUTION supporting federal legislation to regulate the loud volume of television commercials.

WHEREAS, Sudden spikes in volume as a television program goes to a commercial break are startling and annoying to viewers. Many viewers find the disparity between the volume of the commercial and the volume of the programming disruptive and intrusive; and

WHEREAS, One of the top consumer grievances filed with the Federal Communications Commission regarding radio and television broadcasting is abrupt changes in volume during transition from regular programming to commercials; and

WHEREAS, The Federal Communications Commission currently does not regulate the volume of commercial advertisements; and

WHEREAS, Other countries including Australia, Brazil, France, Israel, Russia, and the United Kingdom have passed legislation or instituted regulations concerning the volume of commercials; and

WHEREAS, Broadcasters are required to have equipment that limits the peak power they can use to send out audio and video signals, which means the loudest commercial will not be louder than the loudest part of a television program. However, many commercials are engineered to provide a sustained level of loud audio, in contrast to programs which have a mix of audio level; and

WHEREAS, Broadcasters in the United States are aware of the problem, and an industry standards-setting body, the Advanced Television Systems Committee (ATSC), has developed technical standards necessary to control variations in commercial loudness; and

WHEREAS, The U.S. House of Representatives passed the Commercial Advertisement Loudness Mitigation (CALM) Act in December 2009, which requires the Federal Communications Commission to prescribe a regulation that incorporates by reference the ATSC-recommended techniques on establishing and maintaining audio loudness for digital television; and
WHEREAS, the CALM Act would allow no more than two years to implement the standard and would allow the Federal Communications Commission to grant compliance waivers upon a showing of financial hardship; and

WHEREAS, The CALM Act is currently assigned to the U.S. Senate Committee on Commerce, Science, and Transportation: Now, therefore,

Be is resolved by the House of Representatives of the State of Kansas: That we express our support for efforts to control the nuisance of unnecessarily loud commercials and strongly support the passage of such regulatory legislation.

Be is further resolved: That the Chief Clerk of the House of Representatives be directed to provide an enrolled copy of this resolution to Representative Margaret Long, U.S. Representative from California Anna G. Eshoo, and each member of the Kansas delegation in the United States Senate and House of Representatives.

Prayer by Chaplain Brubaker:

One hundred forty-nine years ago
in the year of eighteen sixty-one,
the south west winds did blow
and a new state was begun.

Throughout the years much has been accomplished
and the land and our people have flourished.
You have blessed our homes, businesses and shops,
and our vast land with many crops.

But today as we celebrate the past
and anticipate what lies ahead in the future,
our dreams and visions we cast
as we work to make our state better.

One promise that we can claim,
is the one that You have exclaimed,
“For I know the plans I have for you . . .
plans to prosper you and not to harm you,
plans to give you hope and a future.”

(Jeremiah 29:11)

For Melanie Barnes whose stepmother passed away,
we ask for Your strength and comfort today.
I pray this promise with no shame,
In Christ Your Son’s Holy name.
Amen.

Prayer by Chaplain Brubaker:

Dear Lord,

We read Your words in Proverbs:
"Well-spoken words bring satisfaction;
well-done work has its own reward.
Fools are headstrong and do what they like;
wise people take advice.
Fools have short fuses and explode all too quickly;
the prudent quietly shrug off insults.
Truthful witness by a good person clears the air,
but liars lay down a smoke screen of deceit.
Rash language cuts and maims,
but there is healing in the words of the wise."
(Proverbs 12:14-18, The Message)

As we begin this week of meetings,
much discussion and debate will take place.
Help us to be careful with our words
showing respect and consideration to one another.
I lift to you in prayer Rep. Dan Johnson,
who is dealing with some health issues.
Please bring healing and a speedy
recovery to his body and spirit.
I pray this in your Name, Amen.

The Pledge of Allegiance was led by Rep. Spalding.

Heavenly Father,
Today I give thanks for our representatives.

Many times they have to make tough decisions
not always understood by the citizens.
Pour out Your Spirit upon them

Help them to be men and women of
integrity and obedience to Your way.
Put Your wisdom and knowledge in their hearts,
and may they practice discretion and understanding.

A PROPOSITION to amend section 1 of article 10 of the constitution of the state of Kansas, relating to the reapportionment of senatorial and representative districts.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of article 10 of the constitution of the state of Kansas is hereby amended to read as follows:

“§ 1. Reapportionment of senatorial and representative districts. (a) At its regular session in 1989, the legislature shall by law reapportion the state representative districts, the state senatorial districts or both the state representative and senatorial districts upon the basis of the latest census of the inhabitants of the state taken by authority of chapter 61 of the 1987 Session Laws of Kansas. At its regular session in 1992 and at its regular session every tenth year thereafter, the legislature shall, by law, shall reapportion the state senatorial districts and representative districts on the basis of the population of the state as established by the most recent census of population taken and published by the United States bureau of the census. Senatorial and representative districts shall be reapportioned upon the basis of the population of the state adjusted: (1) To exclude nonresident military personnel stationed within the state and nonresident students attending colleges and universities within the state; and (2) to include military personnel stationed within the state who...
are residents of the state and students attending colleges and universities within the state who are residents of the state in the district of their permanent residence. Bills reapportioning legislative districts shall be published in the Kansas register immediately upon final passage and shall be effective for the next following election of legislators and thereafter until again reapportioned.

(b) Within 15 days after the publication of an act reapportioning the legislative districts within the time specified in (a), the attorney general shall petition the supreme court of the state to determine the validity thereof. The supreme court, within 30 days from the filing of the petition, shall enter its judgment. Should the supreme court determine that the reapportionment statute is invalid, the legislature shall enact a statute of reapportionment conforming to the judgment of the supreme court within 15 days.

(c) Upon enactment of a reapportionment to conform with a judgment under (b), the attorney general shall apply to the supreme court of the state to determine the validity thereof. The supreme court, within 10 days from the filing of such application, shall enter its judgment. Should the supreme court determine that the reapportionment statute is invalid, the legislature shall again enact a statute reapportioning the legislative districts in compliance with the direction of and conforming to the mandate of the supreme court within 15 days after entry thereof.

(d) Whenever a petition or application is filed under this section, the supreme court, in accordance with its rules, shall permit interested persons to present their views.

(e) A judgment of the supreme court of the state determining a reapportionment to be valid shall be final until the legislative districts are again reapportioned in accordance herewith.’’

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

‘’Explanatory statement. The purpose of this amendment is to eliminate the adjustment of the census taken by the United States bureau of the census regarding the exclusion of nonresident military personnel when reapportioning the Kansas senate and house of representatives.

A vote for this amendment would eliminate the adjustment of the census taken by the United States bureau of the census regarding the exclusion of nonresident military personnel when reapportioning the Kansas senate and house of representatives.

A vote against this amendment would continue in effect the requirement for the adjustment of the census taken by the United States bureau of the census regarding the exclusion of nonresident military personnel when reapportioning the Kansas senate and house of representatives.’’

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2010 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

We were told that there were “studies” done that demonstrated the bad effects of JWH-018 and JWH-073, but we were not given the name of a specific study, or a place where that information could be found. We were told that school
counselors appeared before the committee telling of the problems with students using these substances, yet the supplemental note does not list school counselors among those testifying in support of the bill. With so much uncertainty, I must vote no on **HB 2411**.—**MARTI CROW, DELIA GARCIA, GAIL FINNEY, GERALDINE FLAHARTY, VALDENIA WINN, BRODERICK HENDERSON**

**MR. SPEAKER:** Though this bill bans some dangerous drugs, it goes too far when banning the substances JWH-018 and JWH-073. There is convincing evidence that these help reduce pain and nausea in people with diseases like MS, Parkinson’s, and ALS. We were told that these relief substances would still be available with a prescription, but I don’t find that waiver in this bill, nor in current statutes.

Why are we banning substances with no empirical evidence of harm, and no scientific research as to damage to anyone, but with a clear record of benefiting some very sick people? I vote “no” on **HB 2411**.—**PAUL DAVIS, LOUIS E. RUIZ, BARBARA BALLARD**

EXPLANATIONS OF VOTE

Mr. Speaker: This type of sign is already on location at all tank batteries and disposal wells. The KCC has the information on file prior to issuing a drilling permit and drilling operations begin.
The current cost of this type of sign is $50.00 plus installation labor and material, with close to 75,000 such wells in Kansas the increased cost to producers will be over $3,800,000.
This is an unnecessary bureaucratic mandate that is bad for business, good for sign makers.
I vote no on SB 298.—John C. Grange, Bob Grant, Mike Kiegerl.

Mr. Speaker: I believe that accurate information identifying well sites is absolutely necessary. So necessary that almost all existing wells in Kansas already have such signs. Fifty dollars in the $150,000 to $250,000 spent on each well is not egregious. That's about one penny in $40, and the industry is already spending it. I vote yes on SB 298.—Forrest Knox

HOUSE CONCURRENT RESOLUTION No. 5030—

By Representatives Kinzer and Merrick

A CONCURRENT RESOLUTION supporting a statewide statistical survey of high school football players’ families conducted by an independent third-party for the purposes of gauging interest in utilizing the University of Kansas Memorial Football Stadium, Bill Snyder Family Stadium at Kansas State University or Cessna Stadium at Wichita State University as host venues for high school football championship games.

WHEREAS, A survey was conducted in December 2009 by citizen volunteers and certified as a fair survey by two independent market research firms, and after answering the survey questions regarding increased ticket prices, stadium atmosphere and varied potential game days and times, resulted with 70.4% (6% margin of error) of parents from 32 high schools from across Kansas, still choosing the University of Kansas Memorial Football Stadium or Bill Snyder Family Stadium at Kansas State University as their preference for the 11-man high school football championship games over the existing host venues should their high school ever participate in an 11-man high school football championship game; and

WHEREAS, Citizens presented their comprehensive proposal to use the University of Kansas Memorial Football Stadium or Bill Snyder Family Stadium at Kansas State University occasionally at the January 2009 Kansas State High School Activities Association Executive Board meeting and the March 2009 statewide high school athletic directors meeting, and were rejected; and

WHEREAS, Of the state high school activity associations of other states, who have major college, large private or professional stadiums in their state, 87% (39 out of 45) of them use such stadiums for at least some, if not all, of their 11-man high school football championship games almost every year as a special reward for students, as well as other benefits such as being able to televise via a live feed all of the 11-man high school football championship games to citizens statewide, and in particular to citizens from those communities whose high schools are participating in the 11-man high school football championship games but who could not attend the games in person; and

WHEREAS, All independent market research firm costs are to be paid for by volunteer citizens: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That we support a statewide statistical survey of 11-man high school football players’ families conducted by an independent third-party for the purposes of gathering information as a gauge of interest in utilizing the University of Kansas Memorial Football Stadium, Bill Snyder Family Stadium at Kansas State University or Cessna Stadium at Wichita State University as host venues for all five of the 11-man high school football championship games over a two-day period in two out of every four years, and the continued use of existing host venues for the 11-man high school football championship games the remaining two years; and
Be it further resolved: That the Secretary of State be directed to send an enrolled copy of this resolution to the President of the Kansas State Association of School Boards and the President of the Kansas State High School Activities Association.

Our Father, We thank you for another day of life that you have given us
to serve one another and You. I ask that this not be just another ordinary day,
full of the tyranny of the urgent and the common distractions that take us off
our goal of sincere service. I pray that you give each individual in this room
the extraordinary strength to endure temptations that feed us and give them
an uncommon day filled with wisdom and a passionate pursuit of those things
that please your heart the most. May we be found at the end of the day restful

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY
On motion of Rep. Mah, HR 6004, A resolution congratulating and commending Shawnee Heights math teacher Bradley Nicks for being honored as a Milken Family Foundation National Educator, was adopted.

There being no objection, the following remarks of Rep. Mah are spread upon the journal:
The Milken Family Foundation National Educator Award, first awarded in 1987, is now the nation’s largest teacher recognition program, having honored more than 2,400 educators from coast to coast. The Awards were established to provide public recognition and individual financial rewards to elementary and secondary teachers, principals and specialists who are furthering excellence in education.
The Awards are given to early to mid-career educators for what they have achieved and for the promise of what they will accomplish. The 209 Award recipients will convene at the Milken Educator Forum this spring. This event will be an inspirational, national gathering of award- winning educators who will explore their roles and responsibilities in increasing teacher effectiveness and in sharing innovative strategies that make a powerful impact on students. The program will include plenary sessions addressing broad issues facing educators today to small group discussions, and culminate with the presentation of the $25,000 Milken Educator Awards to honorees.
This year the single Kansas Award recipient is Mr. Bradley Nicks, a mathematics teacher at Shawnee Heights High School in Tecumseh. Brad has a Bachelor’s Degree from Emporia
State University and a Master’s Degree from Baker University. He has been teaching math and coaching at Shawnee Heights High School for nine years. He has served as a mentor for new teachers and as a cooperating teacher for student teachers.

Brad works with students who have not traditionally performed highly in math. He has been able to increase the skills and confidence level of students so that they are out-performing the student body as a whole. One student stated, “Mr. Nicks has made math simpler and easier for me to understand. Math has always been a class I have struggled with and he made it easy.” Mr. Nicks does this by actively engaging his students, creating a culture of learning, and demonstrating a passion for math and for his students and by keeping the focus on learning.

As a coach, Mr. Nicks has demonstrated those same skills that make him a good teacher. As a result, he has guided track teams to state championships in 2007 and 2009 and was selected 2007 track and field coach of the year for the state of Kansas.

Today we have Brad Nicks with us along with Shawnee Heights Superintendent Dr. Marty Stessman. Please help me welcome the 2009 Kansas Milken Family Foundation National Educator, Mr. Bradley Nicks.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Kuether, HR 6014, A resolution encouraging participation in the American Heart Association’s Go Red for Women campaign, was adopted.

There being no objection, the following remarks by Rep. Kuether are spread upon the journal:

You see, many of us think that heart disease is a “man’s” disease. Trouble is: it isn’t. Women are as just as likely to develop cardiovascular disease as men. We just don’t realize it.

That’s why we have this resolution each year . . . American Heart Association’s Go Red For Women movement. Go Red For Women gives us the tools to come together to wipe out heart disease in women.

Think of the loved ones you remembered earlier. The daughters, girlfriends, moms, grandmothers, sisters and aunts. If we are women, we are at risk. Heart disease kills one woman every minute, but we can change this statistic by making the right choices for our hearts.

It is time to Speak Up! Too many women die each year because they are unaware that heart disease is their no. 1 killer. One in three women suffers in silence, and almost one woman dies every minute of this largely preventable disease.

Together, we can bring a voice to this silent killer to help save lives. We can listen to what our hearts are telling us, talk to our doctors, and spread the word to our friends and community about making the right choices and taking action.

SPEAK UP for yourself . . . SPEAK UP for others. We must shatter the silence by choosing to Speak Up about heart disease. By speaking up and spreading the word, we can help save lives.

EXPLANATION OF VOTE

MR. SPEAKER: While I understand the issue of attending a concert and feeling “ripped off,” we should consider not trying to fix every bad thing that might happen to every concert-goer. How hard is it to figure out that most of the members of a 50’s group are probably not touring? Further, I have more important things for the Attorney General to do than chase down tribute groups who fail to self-identify. This is one place where we might agree we do not need to grow government. I vote no on HB 2082.—ANN MAH

HOUSE CONCURRENT RESOLUTION No. 5031—

By Committee on Appropriations

A CONCURRENT RESOLUTION concerning the expenditure of public moneys to finance certain litigation against the Legislature or the State of Kansas.

WHEREAS, The people have all governmental power and exercise it through the legislative branch of the government, the legislature is free to act except as it is restricted by the state constitution; and

WHEREAS, The constitution of the state of Kansas limits rather than confers power, hence, we look to it to see what it prohibits instead of what it authorizes; and

WHEREAS, Any power and authority not limited by the constitution remains with the people and their legislators; and

WHEREAS, The people have given the judiciary the obligation to interpret legislative action within the framework of the constitution; and

WHEREAS, If a legislative enactment is constitutional, it is not for the court to set policy or to substitute its opinion for that of the legislature; and

WHEREAS, In determining whether a statute is constitutional, courts must guard against substituting their views on economic or social policy for those of the legislature. Courts are concerned only with the legislative power to enact statutes and appropriate money, not with the wisdom behind those enactments or appropriations; and

WHEREAS, The determination of the amounts, sources and objectives of expenditures of public moneys, especially at the state level, presents issues of enormous practical and political complexity, and resolution appropriately is largely left to the interplay of the interests and forces directly involved and indirectly affected in the arenas of legislative and executive activity. This is of the very essence of our governmental and political polity. It
normally would be inappropriate, therefore, for the courts to intrude upon such decision-making; and

WHEREAS, The court in State ex rel. Stephan v. House of Representatatives 236 Kan. 45 (1984) provided a detailed discussion of the doctrine of separation of powers. The court recognized the doctrine and that through it "a dangerous concentration of power is avoided through the checks and balances each branch of government has against the other," and that, generally speaking, "the legislative power is the power to make, amend, or repeal laws; the executive power is the power to enforce the laws; and the judicial power is the power to interpret and apply the laws in actual controversies."; and

WHEREAS, Under article 2, section 24 of the constitution of the state of Kansas, the power of appropriation is vested exclusively in the legislative branch; and

WHEREAS, The judiciary is not free to exercise all state power; it may exercise only the judicial power. The confinement of appropriations to the legislative branches, both in our federal and state governments, was not random. It reflects our national ideal that the power of appropriation must be under the control of those whose money is being spent: Now, therefore,

Be it Resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That given the delegation of the appropriation powers under the constitution of the state of Kansas, any order of the court directing the legislature to appropriate a specific level of funding is viewed as advisory in nature; and

Be it further resolved: That with respect to the determination of specific amounts of appropriations, the legislature of the state of Kansas should act based solely upon its own deliberative judgment as to the proper public policy determination and the amount of funding to be provided; and

Be it further resolved: That the legislature hereby declares its view that courts lack the constitutional authority to order the legislature to make specific amounts of appropriations; and

Be it further resolved: That the legislature hereby declares that no public moneys or moneys derived from the imposition of any tax shall be expended to finance or support litigation challenging the constitutionality of the amount of any legislative appropriation.

Prayer by Chaplain Brubaker:

Dear Lord,
This morning we exclaim T.G.I.M.
Thank goodness it’s Monday!

With the new beginning of the week,
we have an opportunity for a fresh new start.

We can say we haven’t made a mistake yet this week.

We can set new goals to accomplish this week.
We can set into action the plans we have made for the week.

As we celebrate this Monday, we ask you to remind us,
That although “In our hearts we plan our course,
It is the Lord who determines our steps.

Walk with us this week, O Lord,
Father we have several representatives who especially
need your love and compassion today.

Be with Representatives Carlin and Grant
as they grieve the loss of loved ones.

Bring comfort and consolation to them today.
I pray for Representative Palmer whose husband is in
Mayo Clinic and awaiting results tomorrow,

and for Representative Johnson who is at home recovering.

Please bring healing to them. And to all
going through some rough storms, may they know you
as their anchor holding them strong.

In Your Son’s Name I pray, Amen.

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: The constitution of the state of Kansas is amended by adding a new article 16 thereto to read as follows:

“Article 16. — HEALTH CARE

§ 1. Health care. (a) To preserve the freedom of Kansans to provide for their health care:

“(1) A law or rule shall not compel, directly or indirectly, any person, employer or health care provider to participate in any health care system or purchase health insurance.

“(2) A person or employer may pay directly for lawful health care services and shall not be required to pay penalties or fines for paying directly for lawful health care services. A health care provider may accept direct payment for lawful health care services and shall not be required to pay penalties or fines for accepting direct payment from a person or employer for lawful health care services.

“(b) Subject to reasonable and necessary rules that do not substantially limit a person’s options, the purchase or sale of health insurance in private health care systems shall not be prohibited by law or rule.

“(c) This section does not:

“(1) Affect which health care services a health care provider or hospital is required to perform or provide.

“(2) Affect which health care services are permitted by law.

“(3) Prohibit care provided pursuant to the provisions relating to workers compensation.

“(d) For the purposes of this section:

“(1) “Compel” includes penalties or fines.

“(2) “Direct payment or pay directly” means payment for lawful health care services without a public or private third party, not including an employer, paying for any portion of the service.

The Boy Scouts of America is one of the nation’s largest and most prominent values-based youth development organizations. The Boy Scouts of America provides a program for young people that builds character, trains them in the responsibilities of participating citizenship and develops personal fitness.

For a century, the BSA has helped build the future leaders of this country by combining educational activities and lifelong values with fun. The Boy Scouts of America believes, and through a century of experience know, that helping youth is a key to building a more conscientious, responsible and productive society.

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

The Boy Scouts were incorporated February 8, 1910, one hundred years ago today. They grew quickly adding the Cub Scouts in 1930, Webelos in 1941, Explorers in 1949, Tiger
Cubs in 1982 and Venture Scouts in 1998. Adults stay involved as Scout mentors, where men and women volunteer thousands of hours annually.

For the past century, Scouting has been steadfast. Our 100th Anniversary provides a unique opportunity to celebrate this heritage and lay the foundation for the next 100 years.

Almighty God, Maker of heaven and earth,
We draw near the throne of grace today recognizing that You are the author and sustainer of life. Every good gift we enjoy today including the very breath we breathe is because of You. We say thank you.
As we reflect today on the many needs around us, we ask for your help. In Haiti and around the world, may you provide the resources through us to meet the needs of the impoverished and less fortunate. In our own country, may you provide a spirit of unity and cooperation to solve the great problems that challenge us. Continue to protect and provide for our military and their families as they work to provide peace in Iraq and Afghanistan. We do our part to preserve peace recognizing the lessons of history that evil will advance in our world if we stand by and do nothing. And yet, Lord, only You can provide a lasting peace. Bring your kingdom in its fullness so that we may rejoice when the lion lays down with the lamb.
Finally, Lord, I ask that you give these great representatives of this state of Kansas wisdom to govern and lead; strength for the demands of the job; a strong moral compass and perseverance to say the course of what is right even when it might be contrary to popular opinion. At the end of day, Lord, when we lay our heads on our pillows, give us Your peace, knowing we have all done our part.
In Your name we pray, Amen.

The Pledge of Allegiance was led by Rep. Neighbor.

It shall be the duty of the law enforcement officer to furnish to the county or district attorney, without unnecessary delay, all the information in the possession of the officer pertaining to the child, the child’s parents or other persons interested in or likely to be interested in the child and all other facts and circumstances which caused the child to be taken into custody.
(b) When any law enforcement officer takes into custody any child as provided in subsection (b)(2) of K.S.A. 2009 Supp. 38-2231, and amendments thereto, proceedings shall be initiated in accordance with the provisions of the interstate compact on juveniles, K.S.A. 38-1001 et seq., and amendments thereto, or K.S.A. 2009 Supp. 38-1008, and amendments thereto, when effective. Any child taken into custody pursuant to the interstate compact on juveniles may be detained in a juvenile detention facility or other secure facility.

(d) A copy of the application shall be furnished by the facility or person receiving the child to the county or district attorney without unnecessary delay.

(e) The shelter facility or other person designated by the court who has custody of the child pursuant to this section shall discharge the child not later than 72 hours following admission, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, unless a court has entered an order pertaining to temporary custody or release.

The order shall remain in effect until the temporary custody hearing provided for in K.S.A. 2009 Supp. 38-2243, and amendments thereto, unless earlier rescinded by the court.

(2) No child shall be held in protective custody for more than 72 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, unless within the 72-hour period a determination is made as to the necessity for temporary custody in a temporary custody hearing. The time spent in custody pursuant to K.S.A. 2009 Supp. 38-2232, and amendments thereto, shall be included in calculating the 72-hour period. Nothing in this subsection shall be construed to mean that the child must remain in protective custody for 72 hours. If a child is in the protective custody of the secretary, the secretary shall allow at least one supervised visit between the child and the parent or parents within such time period as the child is in protective custody. The court
may prohibit such supervised visit if the court determines it is not in the best interest of the child.

The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the protective custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is presently alleged, but not yet adjudicated, to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2009 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility pursuant to an order of protective custody for a period of not to exceed 24 hours, excluding Saturdays, Sundays and legal holidays, and days on which the office of the clerk of the court is not accessible.

(d) The order of protective custody shall be served pursuant to subsection (a) of K.S.A. 2009 Supp. 38-2237, and amendments thereto, on the child’s parents and any other person having legal custody of the child. The order shall prohibit the removal of the child from the court’s jurisdiction without the court’s permission.

(e) If the court issues an order of protective custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child’s home; visiting, contacting, harassing or intimidating the child, other family member or witness; or attempting to visit, contact, harass or intimidate the child, other family member or witness. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2009 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(f) (1) The court shall not enter an order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A)(i) the child is likely to sustain harm if not immediately removed from the home; (ii) allowing the child to remain in home is contrary to the welfare of the child; or (iii) immediate placement of the child is in the best interest of the child; and 

(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child’s home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, the court shall provide the secretary with a written copy of any orders entered upon making the order.

(d) Notice of the temporary custody hearing shall be given at least 24 hours prior to the hearing. The court may continue the hearing to afford the 24 hours prior notice or, with the consent of the party or interested party, proceed with the hearing at the designated time. If an order of temporary custody is entered and the parent or other person having custody of the child has not been notified of the hearing, did not appear or waive appearance and requests a rehearing, the court shall rehear the matter without unnecessary delay.

(e) Oral notice may be used for giving notice of a temporary custody hearing where there is insufficient time to give written notice. Oral notice is completed upon filing a certificate of oral notice.

(f) The court may enter an order of temporary custody after determining there is probable cause to believe that the: (1) Child is dangerous to self or to others; (2) child is not likely to be available within the jurisdiction of the court for future proceedings; or (3) health or welfare of the child may be endangered without further care.

(g) (1) Whenever the court determines the necessity for an order of temporary custody the court may place the child in the temporary custody of:

(A) A parent or other person having custody of the child and may enter a restraining order pursuant to subsection (h);

(B) a person, other than the parent or other person having custody, who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto;

(C) a youth residential facility;

(D) a shelter facility; or

(E) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

(2) If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is presently alleged, but not yet adjudicated to be a child in need of care solely pursuant to subsection (d)(9) or (d)(10) of K.S.A. 2009 Supp. 38-2202, and amendments thereto, the child may be placed in a juvenile detention facility or other secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 2009 Supp. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding Saturdays, Sundays and legal holidays, and days on which the office of the clerk of the court is not accessible. The order of temporary custody shall remain in effect until modified or rescinded by the court or an adjudication order is entered but not exceeding 60 days, unless good cause is shown and stated on the record.

(h) If the court issues an order of temporary custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child’s home; visiting, contacting, harassing or intimidating the child; or attempting to visit, contact, harass or intimidate the child, other family members or witnesses. Such restraining order shall be served by personal service pursuant to subsection (a) of K.S.A. 2009 Supp. 38-2237, and amendments thereto, on any alleged perpetrator to whom the order is directed.

(i) (1) The court shall not enter an order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that: (A)(i) the child is likely to sustain harm if not immediately removed from the home;

(ii) allowing the child to remain in home is contrary to the welfare of the child; or

(iii) immediate placement of the child is in the best interest of the child; and
(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child’s home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, upon making the order the court shall provide the secretary with a written copy.

(j) If the court enters an order of temporary custody that provides for placement of the child with a person other than the parent, the court shall make a child support determination pursuant to K.S.A. 2009 Supp. 38-2277, and amendments thereto."

Prayer by Chaplain Brubaker:

Dear Lord:
We are in the midst of committee meetings,
and many are coming to the hearings.
No doubt, our heads we are beating,
as people proclaim their feelings.
Some voices are giving lashings,
while others are voicing blessings.
All of us want our likings,
and so we express our yearnings.

Lord, please help us in our dealings,
listen to your warnings;
that which is in our hearts and minds thinking,
will come out in our speaking.
So Your will and Your way keep showing,
as we continue in our going.
Your will we are finding,
and we promise — no whining!

In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Swanson.

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

The Boy Scouts were incorporated February 8, 1910, one hundred years ago today. They grew quickly adding the Cub Scouts in 1930, Webelos in 1941, Explorers in 1949, Tiger Cubs in 1982 and Venture Scouts in 1998. Adults stay involved as Scout mentors, where men and women volunteer thousands of hours annually.

For the past century, Scouting has been steadfast. Our 100th Anniversary provides a unique opportunity to celebrate this heritage and lay the foundation for the next 100 years.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

S. Sub. HB 2222. An act making and concerning appropriations for the fiscal years ending June 30, 2010, and June 30, 2011, for state agencies; authorizing certain transfers, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements and acts incidental to the foregoing, was considered on final action.

On roll call, the vote was: Yeas 113; Nays 7; Present but not voting: 0; Absent or not voting: 5.

Present but not voting: None.

Absent or not voting: Donohoe, Garcia, Grant, Johnson, Slatery.

The substitute bill passed, as amended.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote No on S. Sub. for HB 2222. First it does not balance the budget and relies on Santa or someone to bring in more money. Second it throws our most vulnerable citizens under the bus, and third it continues our practice of making someone else make the tough choices.—BILL OTTO

MR. SPEAKER: I cannot vote to have my constituents suffer the unintended consequence of legislative action. The 10 percent cut to Medicaid has resulted in severe underfunding of social services and payment cuts to Medicaid providers such as doctors, nursing homes, hospitals, home and community based services, community mental health centers and substance abuse clinics. A funding shift within the SRS budget to draw down federal funds and
help some programs for those with developmental disabilities is not enough. We have a responsibility to provide services to the disabled, the frail elderly and to nursing home patients. I vote no on S. Sub. for HB 2222.— MARIO GOICO, S. MIKE KIEGERL.

HB 2454. An act concerning crimes, punishment and criminal procedure; relating to unlawful use of ballistic resistant material; amending K.S.A. 2009 Supp. 21-4704 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 120; Nays 0; Present but not voting: 0; Absent or not voting: 5.

Nays: None.

Present but not voting: None.

Absent or not voting: Donohoe, Garcia, Grant, Johnson, Slattery.

The bill passed.

HB 2469. An act concerning crimes and punishment; relating to sentencing; amending K.S.A. 21-4710 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 120; Nays 0; Present but not voting: 0; Absent or not voting: 5.

Nays: None.

Present but not voting: None.

Absent or not voting: Donohoe, Garcia, Grant, Johnson, Slattery.

Prayer by guest chaplain, the Rev. Robert E. Giffin, Fairlawn Church of the Nazarene, Topeka:

Heavenly Father, thank you for today. Thank you for giving us the breath of life for another day. Thank you for allowing us to put our feet on the floor one more day. In as much as you created the days, and you know all the days marked out for us, you’re certainly aware that this is Friday. For many here this morning, it has been a long week. Many of your servants here this morning are flat out tired. Some haven’t had a good night’s rest in a long while. Most have been isolated from their loved ones and away from home for far too long. So father, I pray that you will, today, renew their strength. Encourage their hearts. Take each one of them and hold them up by your strong right hand. King David, a man after your own heart, when he was tired and weary, said: “I lift up my eyes to the hills—where does my help come from? My help comes for the LORD, the Maker of heaven and earth.” (Psalm 121:1-2) Be our helper today, Father. Give our leaders all they need to accomplish what you’ve called them here to do today. And, when the day is done, give them some much needed rest. I pray this in the name of Jesus. Amen.
The Pledge of Allegiance was led by Rep. Feuerborn.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Today as we celebrate
the birthdays of past leaders,
let us reflect on their wise words
and learn from them:

“It is impossible to rightly govern
a nation without God and the Bible.”

“Lenience will operate with greater force,
in some instances than rigor.
It is therefore my first wish
to have all of my conduct distinguished by it.”

(George Washington)

“A house divided against itself
cannot stand.”

“Better to remain silent and be thought a fool
than to speak out and remove all doubt.”

“Character is like a tree and
reputation like a shadow.
The shadow is what we think of it;
the tree is the real thing.”

One more from President Lincoln to ponder
“What kills a skunk is the publicity it gives itself.”

(ABRAHAM LINCOLN)

In Christ’s Name, I pray, Amen.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on HB 2482. While our ability to control spending remains the only true determinant in solving the state’s fiscal crisis, the savings we garner with this bill are so insignificant in comparison to the potential risk we expose all motorists to by eliminating the “testing” element in the current process that I cannot in good conscience vote yes. While for most this test is a routine exercise, it seems clear to me that if a citizen is unable to successfully navigate this simple process they are most certainly not prepared to successfully navigate Kansas roads. — ARLEN SIEGFREID

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. 6017—

By Committee on Appropriations

A RESOLUTION recognizing the prevalence of excess weight and obesity within the African American, Hispanic/Latino American and Native American communities, its impact on diabetes and cardiovascular disease, urging advocacy for access to innovative and improved treatment options and improved provider reimbursement rates to address the issue.

WHEREAS, The prevalence of excess body weight and obesity poses a significant public health challenge and is a major contributor to preventable death in the United States. Sixty-three percent of adults in the United States are overweight or obese, with 26.7% considered obese. Obesity produces medical costs in the United States of an estimated 147 billion dollars annually, representing nearly 9.1% of annual medical spending and
WHEREAS, The Body Mass Index (BMI), a standard method of measuring body weight, measures height and weight in kilograms per meter squared, with excess or overweight defined as a BMI of 25 to 29, and obese defined as a BMI greater than 30; and
WHEREAS, A significant health threat, obesity should be treated as a chronic condition. Overweight and obese individuals are at increased risk for many diseases and health conditions, including type 2 diabetes, hypertension, stroke, cardiovascular disease, high blood cholesterol, osteoarthritis, sleep apnea and other breathing problems, gallbladder disease and some forms of cancer. By treating individuals with excess weight and obesity, the long-term interests of the community as well as employers are served by reducing a major contributor to diseases, such as diabetes, which disproportionately impact the African American, Hispanic/Latino American and Native American communities; and
WHEREAS, Obesity is a major medical risk factor for diabetes in African Americans, Hispanic/Latino Americans and Native Americans. Studies have shown substantially higher rates of obesity in adult African, Hispanic/Latino and Native Americans who had diabetes, compared to those who did not have diabetes; and
WHEREAS, Promoting regular physical activity and healthy eating and creating environments that support these behaviors are essential to addressing the problem of excess weight across the population. Studies show that if a person is overweight or obese, reducing body weight by just 5 to 10% can improve one’s health. African Americans, Hispanic/Latino Americans and Native Americans are more likely to be concentrated in areas with poor socio-environmental conditions that provide few physical activity and healthy eating options; and
WHEREAS, There is a need to improve physician and patient knowledge, attitudes and practices in the treatment of excess weight and obesity in the African American, Hispanic/ Latino American and Native American communities, including working holistically to generate effective obesity interventions in these communities: Now, therefore,
Be it resolved by the House of Representatives of the State of Kansas: That we do hereby recognize the importance of addressing excess weight and obesity as a means of supporting overall health within our community; and

Be it further resolved: That we urge our members to advocate for both public and private health insurers to provide access to innovative and improved treatment options, as well as improved health care provider reimbursement rates to address this critical issue within the African American, Hispanic/Latino American and Native American populations.

Prayer by Chaplain Brubaker:

Father, God,
You advise us with these words:
"If people can't see what God is doing,
they stumble all over themselves;
but when they attend to what God reveals,
they are most blessed."
(Proverbs 29: 18, The Message)

My prayer is simple today . . .
rather than stumbling around
in our decision-making,
we desire to be blessed.
So, help us to listen to You.
In Christ's Name I pray, Amen.

“Section 1. K.S.A. 2009 Supp. 72-8814 is hereby amended to read as follows: 72-8814. (a) There is hereby established in the state treasury the school district capital outlay state aid fund. Such fund shall consist of all amounts transferred thereto under the provisions of subsection (c).
(b) In each school year, each school district which levies a tax pursuant to K.S.A. 72-8801 et seq., and amendments thereto, shall be entitled to receive payment from the school district capital outlay state aid fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

(1) Determine the amount of the assessed valuation per pupil (AVPP) of each school district in the state and round such amount to the nearest $1,000. The rounded amount is the AVPP of a school district for the purposes of this section;

(2) determine the median AVPP of all school districts;

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(4) (A) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2009 Supp. 72-8814b, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district, except that the state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 25%.

(B) (i) For levies imposed by a school district pursuant to a resolution adopted and published under this section prior to July 1, 2010, and such resolution either was not protested or that it was protested and an election has been held prior to July 1, 2010, the state aid computation percentage is 25%.

(ii) For levies imposed by a school district pursuant to a resolution adopted and published under this section prior to July 1, 2010, and the protest period had not expired prior to July 1, 2010, or such resolution was protested and the election was not held prior to July 1, 2010, the state aid computation percentage is 15%.

(iii) For levies imposed by a school district pursuant to a resolution adopted on or after July 1, 2010, the state aid computation percentage is 15%;

(5) determine the amount levied by each school district pursuant to K.S.A. 72-8801 et seq., and amendments thereto;

(6) multiply the amount computed under (5), but not to exceed 8 mills, by the applicable state aid percentage factor. The product is the amount of payment the school district is entitled to receive from the school district capital outlay state aid fund in the school year.

(c) The state board shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the school district capital outlay state aid fund for distribution to school districts. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund.

(d) Payments from the school district capital outlay state aid fund shall be distributed to school districts at times determined by the state board of education. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the capital outlay fund of the school district to be used for the purposes of such fund.

(e) Amounts transferred to the capital outlay fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when
determining the amount of state aid to which a district is entitled to receive under this section.

Sec. 2. K.S.A. 2009 Supp. 75-2319 is hereby amended to read as follows: 75-2319. (a) There is hereby established in the state treasury the school district capital improvements fund. The fund shall consist of all amounts transferred thereto under the provisions of subsection (c).

(b) Subject to the provisions of subsection (f), in each school year, each school district which is obligated to make payments from its capital improvements fund shall be entitled to receive payment from the school district capital improvements fund in an amount determined by the state board of education as provided in this subsection. The state board of education shall:

(2) determine the median AVPP of all school districts;

(3) prepare a schedule of dollar amounts using the amount of the median AVPP of all school districts as the point of beginning. The schedule of dollar amounts shall range upward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the highest AVPP of all school districts and shall range downward in equal $1,000 intervals from the point of beginning to and including an amount that is equal to the amount of the AVPP of the school district with the lowest AVPP of all school districts;

(4) (A) determine a state aid percentage factor for each school district by assigning a state aid computation percentage to the amount of the median AVPP shown on the schedule, decreasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval above the amount of the median AVPP, and increasing the state aid computation percentage assigned to the amount of the median AVPP by one percentage point for each $1,000 interval below the amount of the median AVPP. Except as provided by K.S.A. 2009 Supp. 75-2319c, and amendments thereto, the state aid percentage factor of a school district is the percentage assigned to the schedule amount that is equal to the amount of the AVPP of the school district. The state aid percentage factor of a school district shall not exceed 100%. The state aid computation percentage is 5% for contractual bond obligations incurred by a school district prior to the effective date of this act, and 25% for contractual bond obligations incurred by a school district on or after the effective date of this act;

(B) (i) For contractual bond obligations incurred by a school district prior to July 1, 1992, the state aid computation percentage is 5%.

(ii) For contractual bond obligations incurred by a school district on or after July 1, 1992, if the issuance of such bonds has been approved by the electors of the school district at an election held prior to July 1, 2010, the state aid computation percentage is 25%.

(iii) For contractual bond obligations incurred by a school district the issuance of which was approved by the electors of the district at an election held on or after July 1, 2010, the state aid computation percentage is 15%;

(5) determine the amount of payments in the aggregate that a school district is obligated to make from its bond and interest fund and, of such amount, compute the amount attributable to contractual bond obligations incurred by the school district prior to the effective date of this act and the amount attributable to contractual bond obligations incurred by the school district on or after the effective date of this act under paragraphs (4)(B)(i), (4)(B)(ii) and (4)(B)(iii) of this subsection (b);

(6) multiply each of the amounts computed under (5) by the applicable state aid percentage factor; and

(7) add the products obtained under (6). The amount of the sum is the amount of payment the school district is entitled to receive from the school district capital improvements fund in the school year.

(c) The state board of education shall certify to the director of accounts and reports the entitlements of school districts determined under the provisions of subsection (b), and an amount equal thereto shall be transferred by the director from the state general fund to the
school district capital improvements fund for distribution to school districts. All transfers made in accordance with the provisions of this subsection shall be considered to be demand transfers from the state general fund except that all such transfers during the fiscal year ending June 30, 2007, shall be considered to be revenue transfers from the state general fund.

(d) Payments from the school district capital improvements fund shall be distributed to school districts at times determined by the state board of education to be necessary to assist school districts in making scheduled payments pursuant to contractual bond obligations. The state board of education shall certify to the director of accounts and reports the amount due each school district entitled to payment from the fund, and the director of accounts and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the bond and interest fund of the school district to be used for the purposes of such fund.

(e) The provisions of this section apply only to contractual obligations incurred by school districts pursuant to general obligation bonds issued upon approval of a majority of the qualified electors of the school district voting at an election upon the question of the issuance of such bonds.

(f) Amounts transferred to the capital improvements fund of a school district as authorized by K.S.A. 72-6433, and amendments thereto, shall not be included in the computation when determining the amount of state aid to which a district is entitled to receive under this section.

Journal of the House

TWENTY-SEVENTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, February 17, 2010, 11:00 a.m.

The House met pursuant to recess with Speaker O’Neal in the chair.
The roll was called with 122 members present.
Reps. Donohoe and Johnson were excused on verified illness.
Rep. Huebert was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Dear Holy God,
On this Ash Wednesday as we reflect
upon You and the love You have for us,
we understand that you desire truth
from the inside out.
You want to teach us wisdom
and conceive in us a new life.
So today we give You permission to
make a fresh new start in us,
and renew a steadfast spirit within us.
We understand that You are not concerned
about our works, words and motions.
Instead, all You ask and desire of us
is a broken and contrite heart.
Search our hearts, oh God,
and lead us in the way everlasting.
In Jesus’ Name I pray, amen.

The Pledge of Allegiance was led by Rep. Trimmer.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Furtado are spread upon the journal:

I am here to honor the 90th Anniversary of the League of Women Voters.

Will members of the House who are members of the League of Women Voters please
join us here in the well? I also want to welcome members of the League from throughout
the state who have joined us and are present in the House gallery.

This week the League of Women Voters-US is celebrating its 90th anniversary. Women
from Kansas were among those who participated in that first meeting. These women had
worked together in the movement that preceded the ratification of the 19th Amendment to
the U.S. Constitution — granting women the right to vote. In St. Louis in February, 1920,
they agreed on a goal: to create a national, non-partisan, political organization dedicated to
improving our system of government through citizen education and advocacy. They believed
that hands-on work to safeguard democracy would result in civic improvement. These found-
ing values have persisted for 90 years.

In Kansas there are eight local Leagues: Salina, Manhattan, Topeka, Lawrence, Johnson
County, Emporia, Wichita and Great Bend plus the State League with an office in Topeka.
The League of Women Voters of Kansas expects members throughout the state to promote representative government and individual liberties as established in the U.S. Constitution.

The League of Women voters of Kansas encourages local leagues to serve their communities through education of the public on local, state and national issues. Civic participation is what makes Democracy work.

For 90 years the League has held public trust by respectfully bringing elected leaders and the public together. Many in this Chamber have participated in Candidate Forums — non-partisan, thoughtful interactions that help voters learn about candidates for office. The state of Kansas has benefitted tremendously from countless hours donated by League members to enhance our democracy. Informed voters make informed choices.

Today at 1:30, Governor Parkinson will sign a Proclamation honoring the League of Women Voters on its 90th Anniversary. He will declare today as “League of Women Voters Making Democracy Work Day.”

And now, it is my honor to present this certificate of congratulations from the Kansas House of Representatives to Ernestine Krehbiel, President of the League of Women Voters of Kansas and a resident of Wichita.

It is also my honor to present a certificate of congratulations from the Kansas House of Representatives to Janis McMillen, a member of the Board of Directors of the League of Women Voters of the United States and a resident of Overland Park.

Thank you both for the work you are doing to Make Democracy Work locally and nationally.

TWENTY-EIGHTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,

The House met pursuant to recess with Speaker O’Neal in the chair. The roll was called with 122 members present. Reps. Donohoe and Johnson were excused on verified illness. Rep. Bethell was excused on legislative business.

Prayer by guest chaplain, Chaplain John Potter, Joint Support Chaplain with the Kansas Army National Guard, Topeka:

As we enter a season of sacrifice, help us to understand sacrifice as You intended.

Let us see past these forty days of eating different foods. Let us see farther than our finances at home. Let us see beyond the service of the soldier, the airman, the sailor, and the marine.

Instead, let us see sacrifice as living an obedient life. One where we fall on our faces, repent of our wrongs, and commit our lives anew.

Enable us to be people of true sacrifice O God. Sacrifice understood by the work and atoning death of Jesus Christ, our Lord and Savior.

And now may the Lord bless you and keep you, may the Lord make His face to shine upon you, and be gracious to you; may the Lord lift up His countenance upon you, and give you peace. Amen.

The Pledge of Allegiance was led by Rep. Gordon.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Craft are spread upon the journal:
Ft. Riley is the home of the 1st Infantry Division, The Big Red One. By 2013, Ft. Riley expects over 18,000 soldiers to be assigned here, which is quite an increase over the 10,000 soldiers on base in 2005.
Currently over 8,000 soldiers are deployed in support of the War on Terrorism. In March and April an additional 3,150 soldiers will deploy.
Along with Ft. Riley other military establishments in Kansas are Ft. Leavenworth, McConnell Air Force Base and Forbes. Total economic impact of the military in Kansas is $7.7 billion, representing almost 170,000 jobs.
The following members of the military are here with us today: Col. John Dvoracek, Deputy Garrison Commander for Transformation; Col. David Imhoff, Deputy Chief of Staff for Strategic Effects, who just returned in October with the 2nd Brigade from Iraq; Capt. Josh Mantz, Gen. Petersen’s aide de camp, a recent returnee from Iraq; and Col. Michael Foster, Commander of the 154th Intelligence Wing, Kansas Air National Guard, Wichita.
Please join me in recognizing the thousands of military representatives who live and work in Kansas. Please join me in honoring them for their service.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Fund are spread upon the journal:
The Governor signed a Proclamation that today, February 18, is Kansas Phi Theta Kappa All-State Academic Team Day. And today I am proud to introduce to you the Phi Theta Kappa All State Academic Team.
Phi Theta Kappa is an International Honor Society for two year colleges that symbolizes excellence in higher education and a commitment to students. Students with a GPA of 3.5 or higher are invited to join Phi Theta Kappa whose mission is two-fold: to recognize and encourage the academic achievement of two-year college students, and to provide opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming.
Forty nine students have been named to the All Kansas Academic Team and they represent all Nineteen Kansas community colleges from across Kansas and were named to this team based upon their academic achievement, leadership and community service. Nineteen
representatives of this group of scholars are on the floor with me today and the remaining scholars are in the gallery today.

Because of their academic achievement, service and leadership they have been awarded scholarship and stipends to complete their education and I wanted to be sure you were aware of this impressive group of young scholars from the Kansas Community Colleges.

Prayer by Chaplain Brubaker:

Our Heavenly Father,  
We read in the Gospels how you multiplied  
the five loaves of bread and two fish  
to feed the five thousand men,  
plus the women and children.  
It was a miracle indeed.  
Today as our representatives work  
to meet the needs of what must seem to be  
5,000+ agencies and departments—  
each with legitimate needs—  
it seems as though they are trying  
to fulfill the needs with  
five loaves and two fish.  
We either need a miracle . . .  
or Your wisdom to guide us.  
As we enter into a long weekend,  
we ask that You give us clear minds  
and a clear direction of how to resolve  
these needs and issues . . .  
or nicer weather so we can go fishing!  
In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Maloney.

EXPLANATIONS OF VOTE

Mr. Speaker: In all good conscience, I can’t vote for a bill that is a mandate on schools when we continue to cut funding, aid to schools is continually mailed out late, and we have a $350 to $400 million dollar budget shortfall. Amendments were continually being drawn at the well to get votes without knowing what the financial impact will be to either the districts or the budget. I vote NO on HB 2239.—CINDY NEIGHBOR

Mr. Speaker: On HB 2239, no one can tell us how many questions are to be asked, how many categories of questions they have or even what categories are to be included. What we have is not a law but merely a concept. Concept as law equals chaos. I vote no.—SHERYL SPALDING, PAT COLLOTON
Mr. Speaker: I was against this but we took the penalties out, and it will not burden schools to make them account for money so that everyone can understand where they spend it. Mr. Speaker, I vote yes on HB 2239.—Bill Otto

Mr. Speaker: I vote yes on HB 2239. Kansas taxpayers, businesses and families are continuing to make tremendous sacrifices in order to fund our schools, which constitute the dominant portion of our state budget. This is a basic step to ensure this investment is being spent efficiently. It’s constructed in a fashion that provides a minimal impact to our schools, and represents a measured remedy to the stunning reality that we currently have no consistent accounting of a three billion dollar investment.—Arlen Siegfried, Virgil Peck, Jr., Tom J. Moxley

Mr. Speaker: HB 2239 establishes uniform reporting and accounting standards for the largest portion of our State budget. Using a uniform chart of accounts, K-12 expenditure data becomes comparable across the state. By consistently identifying where the districts are directing money, and which districts are doing so efficiently, we will enable them to focus on the best way to impact our students. By voting in favor of this bill we are demanding government accountability and transparency on behalf of our constituents. For this reason, I vote YES on HB 2239.—Peggy Mast, Phil Hermanson, Marvin G. Kleeb, Aaron Jack, Connie O’Brien, Dan Kerschen, William R. Prescott, Mitch Holmes, Joe Seiwert, Gene Suellentrop, Steve Huebert

HB 2280. An act concerning school districts; relating to state aid for capital improvements and capital outlay; amending K.S.A. 72-8804 and K.S.A. 2009 Supp. 72-8814 and 75-2319 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 65; Nays 57; Present but not voting: 0; Absent or not voting: 3.

Present but not voting: None.

Absent or not voting: Bethell, Donohoe, Johnson.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Speaker: A particularly onerous portion of this bill would force districts of less than 400 students and 200 square miles to seek and receive permission to receive any assistance for stand aid toward building projects. This treats these rural school boards differently than all other districts in the state.

Having always strongly believed in local control, this is absolutely taking that away from many of our smallest districts. Local taxpayers have trusted their decisions to locally elected officials who will now have to go hat-in-hand to state authorities.

Based on principles of fairness and local control, I vote no on HB 2280.—Steve Lukert

PROTEST

Mr. Speaker: Pursuant to Article 2, Section 10, of the constitution of the State of Kansas, we protest the passage of HB 2280.

The Legislature has begun to make cumulative changes to the school financing formula which the Legislature had enacted when the Montoy case was dismissed, moving further
and further away from making suitable provision for finance of public schools. **HB 2280** is another step away from constitutionality. As the Kansas Supreme Court has stated, The ultimate State purpose in offering a system of public schools is to provide an environment where quality education can be afforded to all. **Provance v. Shawnee Mission U.S. D. No. 512, 231 Kan. 636, 643 (1982)**. When the provision of school facilities is more costly for the taxpayers of one district than for those of another, there is inequity in funding. **HB 2280** recreates just that disparity. The general theory of our educational system is that every child in the state, without regard to race, creed, or wealth shall have the facilities for a free education. (Emphasis added.) **State v. Smith, 155 Kan. 588, 595 (1942)**. Constitutionality is lacking when there are concentrations of resources in property-rich school districts that are taxing low while property-poor districts that are taxing high cannot generate sufficient revenues to meet even minimum standards. This bill moves back toward the time when school districts were required to raise capital outlay expenses locally allowing wealthier districts ever greater access to capital outlay expenditures than poorer districts and thus increasing funding. — **MARTI CROW, DELIA GARCIA, VALDENIA WINN, DON SVATY, JERRY WILLIAMS, ANNIE KUETHER, TOM HAWK, JUDITH LOGANBILL, JULIE MENCCHINI, ANN MAH, ANNIE TIETZ, DOLORES FURTADO, LOUIS E. EXPLANATION OF VOTE

Mr. Speaker: I vote yes on HB 2515. I am in favor of local governments being able to require fire protection sprinkler systems in public buildings such as schools and even apartment buildings, but when there’s the potential of such a requirement being extended to family residences, I must question that local control should trump individual control. Opponents and proponents couldn’t agree on the cost of such a system, another reason why the decision should be made by individual homeowners rather than a governmental entity. Education regarding the importance of sprinklers seems to be a better approach for firefighters and governmental officials to take instead of code requirements.—DEEHA HORST

EXPLANATIONS OF VOTE

Mr. Speaker: I can’t support HB 2221 due to the casino exemption because:

1. I don’t know how we can ask our private businesses to ban smoking in their establishments while exempting our state owned and operated casinos.

2. If we feel that second hand smoke is harmful to those who work for private business will it not also be harmful to those who work in our casinos.

If we truly feel that the smoking ban in public places is the right thing to do for the citizens of our state we should not exempt casinos.

I would support this bill if we remove the casino exemption.—J. DAVID CRUM

Mr. Speaker: Although I completely support clean air and a smoking ban in public buildings, I cannot support HB 2221 for this reason. It is allowed in state owned casinos and not in private businesses and private owned bars. What message does this send out? I believe in the constitutional right of our personal freedoms in this country, and this bill takes away one more of our person freedoms.

If this is such a serious issue, we should ban the sale of tobacco products in the state of Kansas and not use it as an OK tax revenue generator. This is a double standard.—JOE SEIWERT

Mr. Speaker: We are telling private business they must ban smoking yet we are exempting the state casinos because it will cost us revenue. This double standard cannot be permitted. HB 2221 will preempt the bans already in place by the local governments, in many cases weakening them. This bill has never been debated on the House floor and I cannot support flawed legislation that will not give Kansans the policy they expect. I vote NO on HB 2221.—PEGGY MAST, PHIL HERManson, MARC RHoadES, STEVE HUEBERT, CONNIE O’BRIEN, BILL OTTO, STEVEN R. BRUNK, GENE SUEllENTROP, LANA GORDON, JOE MCLELAND, MARIO GOICO, VIRGIL PECK JR., ROCKY FUND, DAN KEISCHEN, DON MYERS, RICHARD CARLSON, LANCE KINZER, GARY HAYZLETT, AARON JACK, FORREST J. KNOX, ROB OLSON, PETE DEGRAAF

Mr. Speaker: I vote no on HB 2221. This proposal stripping carefully crafted local compromises from the books only to replace them with a one size fits all mandate represents a disappointing failure to protect not only our unique local interests, but also the discretion of our local leaders. There are many difficult decisions we’re forced to make in this body.
This is not one of them. We’ve made a unilateral choice to inhibit private business while providing liberty to state owned casinos. Until we are prepared to ban this product we so violently detest, I refuse to endorse such a hypocritical and improper use of power.—Arlen Siegfried

Mr. Speaker: I vote no on HB 2221. Voting to concur should signal agreement with the contents of the bill. I am a non-smoker and support the concept of a true Clean Air Act. Unfortunately, this bill allows smoking in state-owned casinos which are really a large bar with a choice of lottery games and denial of smoking in local bars which also offer some lottery games. We are giving up on finding a compromise between two houses and abdicating to the imperfect work of one house. The people of Kansas deserve cleaner air than this bill offers.—Deena Horst

Mr. Speaker: While I support the clean-air act as do most of the constituents I have heard from on this issue, it is important to note that casinos, homes for the elderly and others are exempt. Those exemptions did cause concerns. Also, we must at all times be cautious about treading on the rights of others and lessening the concept of local control. I vote yes on HB 2221.—Marvin Kleeb

Mr. Speaker: I have had many phone calls asking me to support HB 2221 and support a state-wide ban on smoking. I have always supported a State wide smoking ban if brought to the vote of the people. This should be a choice of the people, not a state mandate. This is NOT a provision of HB 2221. I vote no on HB 2221.—Sharon Schwartz

Mr. Speaker: Regardless of how one feels about a smoking ban, I have trouble with the double standard presented in this bill. If and when a trailer bill comes forth that cleans up the glaring problems in this bill, I will gladly support such a trailer bill. Until then, I must oppose this bill as seriously flawed. I vote NO on concurring with HB 2221 without the ability to amend.—Mitch Holmes

Prayer by guest chaplain, the Rev. Don Bird, pastor, Overland Park Antioch Church of the Nazarene:

Father in heaven, it is with grateful hearts that we pause, if only for a few, short moments, to humbly bow our hearts before you. You have blessed us once again with a new day to live and honor you in our work. Lord, You are good! And You are the source of all good things.

In our weakness, You lend us your strength. In our pain, You surround us with your comfort. In our sadness, You bring us joy. In our distress, You give us peace. In our despair, You bring us hope.

You show mercy and compassion when we don’t deserve it. You extend forgiveness when we need it. Just as rain refreshes the earth, You shower us with your steadfast love. You bless us with the gift of life itself.

On this day, may You give to these men and women, our public servants, strength of body to meet the challenges of the day, wisdom of mind to make thoughtful decisions, and generosity of heart to share with others what they have freely been given.

For it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life. (From the prayer of St. Francis of Assisi)

Yours, Oh Lord, is the kingdom, and the power, and the glory, forever.

Amen

A CONCURRENT RESOLUTION remembering Bryce Miller.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Reps. McCray-Miller and Winn are spread upon the journal:

Rep. McCray-Miller: The Kansas African American Caucus would like to recognize Black History Month by sharing just a little history with the body. We would like to have the body sing with us the Negro National Anthem, “Lift Every Voice and Sing;” recognizing that “our” history is just that, “our” history. Representative, Dr./Prof. Winn will now share some additional history regarding the song.
Rep. Winn: As we acknowledge Black History month our contribution is also to share with you the lyrics and the history of the song "Lift Every Voice and Sing."

"Lift Every Voice and Sing" was publicly performed first as a poem as part of a celebration of President Lincoln’s birthday on February 12, 1900 by 500 school children at the segregated Stanton School in Jacksonville, Florida. Its principal, James Weldon Johnson, wrote the words to introduce the honored guest Booker T. Washington.

The poem was later set to music by Mr. Johnson’s brother, John, in 1905. Singing this song quickly became a way for African Americans to demonstrate their patriotism and hope for the future. In calling for earth and heaven to “ring with the harmonies of Liberty,” they could speak out subtly against racism and Jim Crow laws—and especially the huge number of lynchings accompanying the rise of the Ku Klux Klan at the turn of the century. In 1919, the NAACP adopted the song as “The Negro National Anthem.” By the 1920s, copies of “Lift Every Voice and Sing” could be found in black churches across the country, often pasted into the hymnals.

During and after the American Civil Rights Movement, the song experienced a rebirth, and by the 1970s was often sung immediately after “The Star Spangled Banner” at public events and performances across the United States where the event had a significant African-American population.

In 1990 singer Melba Moore released a modern rendition of the song. Partly because of the success of this recording, “Lift Every Voice and Sing” was entered into the Congressional Record by Delegate Walter Fauntroy (D-DC) as the official African American National Hymn.

Needless to say, when the Johnson brothers, James Weldon and Rosamond, wrote the song, “Lift Every Voice and Sing” in 1900 to honor President Lincoln’s birthday, they certainly had no idea how important their creation would be to future generations of African Americans and to all Americans as well.

Rep. Ballard led the House in the singing of the first verse of “Lift Every Voice and Sing,” which follows:

Lift every voice and sing, till earth and Heaven ring,
   Ring with the harmonies of liberty;
   Let our rejoicing rise, high as the listening skies,
   Let it resound loud as the rolling sea.

Sing a song full of the faith that the dark past has taught us,
Sing a song full of the hope that the present has brought us;
Facing the rising sun of our new day begun,
   Let us march on till victory is won.

Prayer by guest chaplain, the Rev. Dr. Ira DeSpain, University Minister, Baker University, Baldwin City, and guest of Rep. T. Brown:

Almighty and Gracious God,

From St. Francis to Galena, from White Cloud to Elkhart, elected officials in this room are called to a ministry of Stewardship to the citizens of the land we call Kansas, the land that you call Yours.

With great humility, they assume legislative responsibility for a land and a people of great diversity, great skills, and great needs.

Help these, our legislators, today. Give them a sense of common purpose, common interest, common good will. Help them be good stewards of your people and your land today.

When this day has ended, may they reflect on jobs well done, decisions well made, problems well solved, divisions well healed, and time well spent.

On that day when they transfer the care of your land to others, may they hear those words, “well done, good and faithful servants.”

We have that hope, that hope for this day that gave us the energy to get out of bed and come here. May that hope sustain us in all our deliberations.

In your Worthy and Mighty name we pray, Amen.

The Pledge of Allegiance was led by Rep. Williams.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Hineman are spread upon the journal:

This morning I would like you to meet the doctor of the day, Dr. Libby Hineman from Scott City. Libby is my daughter-in-law and obviously I am very proud of her. But family pride is not the reason I have brought her before you today. From the time Libby was a young teenager growing up in Iola, her dream was to become a family practice physician. That dream became a reality through the Kansas Medical Student loan program. This program provides partial forgiveness of student loans for medical students willing to practice in underserved areas of the state. In addition, Libby spent two years of her medical training at the Wichita Graduate Medical Education facility, also known as WGME. These two programs were critically important in turning dreams into reality for Libby and many other young physicians like her. Libby thanks you, her family thanks you, and the community of Scott City thanks you.

With Libby today are her husband (my son) Andy and their children, Kalo and Maggie. Kalo is named after his great grandfather, who served in this body from 1974 to 1981.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

Sub. HB 2538. An act concerning the promoting employment across Kansas act; relating to qualifications for benefits under the act; amending K.S.A. 2009 Supp. 74-50,210, 74-50,211, 74-50,212 and 74-50,213 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 84; Nays 34; Present but not voting: 0; Absent or not voting: 7.

Present but not voting: None.

Absent or not voting: Ballard, Goico, Hawk, Jack, Johnson, Pottorff, Schwab.

The substitute bill passed, as amended.

EXPLANATIONS OF VOTE

Mr. Speaker: Sub. HB 2538 is fiscally irresponsible. The state is $400 million dollars in debt; we can’t afford to spend another $95 million dollars in tax breaks.

Sub. HB 2538 spends money on a poverty economy of part-time and low wage jobs, no benefits, no accountability and no assurance Kansans will be hired.

Sub. HB 2538 promotes the wrong values. We have closed four prisons, laid off hundreds of teachers, denied health care to sick children and left thousands of disabled Kansans waiting for basic services, yet we find $95 million dollars for more tax breaks. Not me, I vote no on Sub. HB 2538.—Jim Ward, Eber Phelps

Mr. Speaker: I vote no on Sub. HB 2538. Like the federal stimulus package, this bill could allow large business owners and CEO’s to pay themselves a large salary and 95% of the taxes we should be collecting will go back in this business. Also, this could be a tool for corporate raiders to buy out Kansas companies and get a tax benefit for doing so. I vote no.—Dale Swenson

Mr. Speaker: Current economic incentive plans have attracted thousands of new, good paying jobs to Kansas in the past year. Sub. HB 2538 lowers wages and benefits for Kansas workers. The bill does not even guarantee that Kansas tax dollars will benefit Kansas workers. The bill does not provide the “win-win” package we need so that both employers and employees prosper in our state. I vote no.—Ann Mah, Valdenia Winn
MR. SPEAKER: When the legislative session began, I knew we would be faced with tough choices. Should we cut more in education or services to the frail and elderly? Will we be able to maintain funding for the disabled and health care for poor children? Where will we get the $400 million we are in the hole?

Nowhere in the equation did it occur to me that we would cut 10% to Medicaid, cut bedbug inspections and then give businesses a $95 million tax cut!

Mr. Speaker, I vote no to fiscal irresponsibility and a "let them eat cake" value system. I vote no on Sub. HB 2538.—NILE DILLMORE, SYNDY CARLIN

MR. SPEAKER: I vote no on Sub. HB 2538. An employees' income tax withholding belongs to them and the government should have no right to give it to their employer and call it economic development.—MARTI CROW

MR. SPEAKER: Friday I voted to pass Sub. HB 2538 to final action. Over the weekend I thought long and hard about that vote.

I came to the conclusion that yes, this does help businesses in hard economic times but it does it on the backs of good Kansas workers.

It is our job to pass legislation that is fair and equitable to Kansas businesses and Kansas workers. This bill does not do that. Therefore, I must vote No on Sub. HB 2538.—BOB GRANT

MR. SPEAKER: I vote no on Sub. HB 2538. With our growing revenue shortfall, $70 million more than previously expected, it is irresponsible to pass this legislation at this time.

In addition, we have already discovered the first unintended consequence of this legislation before we even completed final action. Every insurance industry job domiciled in Kansas receives a 15% credit on that job's salary in perpetuity. If we are fortunate enough to get the 2700 more jobs in the insurance industry that we expect this year, they will also, on top of the 15%, get 95% of the employees withholding tax.—JULIE MENGHINI

MR. SPEAKER: I vote yes on Sub. HB 2538 because unemployed Kansas families are hurting. With 100,000 of our citizens unemployed, PEAK will help cultivate a wide range of jobs in every corner of the state. We create new jobs that would not have located in Kansas, and help retain jobs that would have left. Any assertion of income tax loss is more than compensated for by increased state and local sales, gasoline and property taxes through the economic impact of these new jobs—in fact, $35 million more. This is common sense legislation at a time we need it most.—MARVIN KLEEB

MR. SPEAKER: I vote yes on Sub. HB 2538. PEAK represents a unique opportunity to cultivate new jobs—and sustain those we have with virtually no waste. We rarely craft self-funding legislation, but this bill ultimately does that. Because no money is spent unless jobs are created or saved, we benefit not only from jobs that would otherwise not have chosen Kansas; but also their families who relocate with them. In an increasingly complex budget year, we must continue to foster the growth of our only organic revenue generators—businesses. This bill accomplishes that, and represents our single best tool for economic development in Kansas.—ARLEN SIEGFREID, VIRGIL PECK

Upon unanimous consent, the House referred back to the regular order of business, Introduction of Bills and Concurrent Resolutions.

Prayer by Chaplain Brubaker:

Dear God,
...a great and powerful wind
tore the mountains apart
and shattered the rocks before the Lord,
but the Lord was not in the wind.
After the wind there was an earthquake,
but the Lord was not in the earthquake.
After the earthquake came a fire,
but the Lord was not in the fire.
And after the fire came a gentle whisper.”

(1 Kings 19:11-12)
Today we recognize our weakness and limitations,
so we seek You and Your help.
In all the noise that surrounds us,
we now pause...
To be still...and silent...
to hear that gentle whisper of Your voice.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Peck.

Prayer by Chaplain Brubaker:

Father, God
Today as we discuss and debate bills and resolutions before us, help us to play well . . . but fair.
Help us to avoid foul play . . .
and always be ready to assist.
Although we desire to drive a point home, may we never charge into another’s view.
Help us to be responsible handlers . . .
in carrying the task set before us.
May we not be selfish . . .
and be willing to pass off when someone else has a better idea.
Help us to be open and honest . . .
with no veiled screens set up.
Allow us to see that the other side can make us strong, but not hostile.
Help us not to be selfish . . . but to work as a team.
If the decision goes our way, help us be happy but not boastful.
If the decision goes against our preference, keep us from being vengeful.
Remind us often that the decisions we make are temporal, but our actions and words could be eternal.
And as for the big game tonight . . .
as Kansans across the state gather and watch . . .
I pray this same prayer for those playing and coaching . . .
and for everyone of the fans!
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Rardin.

Among those are the people that we recognize today. The social workers of our state and society, while, a small group in comparison to the whole of society, take to themselves a massive task.

Prayer by guest chaplain, the Rev. Kent L. Otott, Executive Director, North Central
Kansas Teens For Christ, Concordia, and guest of Rep. Bowers:

Heavenly Father,
Today, I lift up the men and women assembled here to conduct business
on behalf of the people of the State of Kansas. Give them wisdom and insight
to do the difficult job that must be done.
Your Word tells us that we will face difficulties and those difficulties can
be met with faith in You as James wrote:
"Consider it all joy, my brethren, when you encounter various trials, knowing
that the testing of your faith produces endurance. And let endurance have
its perfect result, that you may be perfect and complete, lacking in nothing.
But if any of you lacks wisdom, let him ask of God, who gives to all men
generously and without reproach, and it will be given to him." (James 1:2-5
NASB)
The difficulties faced by this body of officials are many. Give them the
wisdom only You can provide as You did for Solomon. Give them the sureness
in their decisions they will need to weather the storms they will face in the
gales of public opinion. Give them the strength they will need to stand up
against the whims of special interest groups.
Give them the compassion needed to protect the Kansans who cannot
defend themselves whether they are waiting to draw their first breath or are
near the end of their final breath. Give them the determination to "bear the
sword" of Romans 13 when called upon to protect the innocent and punish
the guilty.
As this day of business begins, let them debate and let them reason in such
a way that brings honor upon our republic. Let them lay aside the trials they
face as individuals and let their focus be on their duties. Be with those who
are facing problems known by all and be with those who have not let their
needs be publicly known.
I ask for your blessing upon this body. I ask for your blessing upon the
people they represent. I ask for your blessing upon the great State of Kansas.
All of these things I ask in the name of Your Risen Son, Jesus Christ! Amen!!

The Pledge of Allegiance was led by Rep. Kiegerl.

Our Heavenly Father,  
I am just going to be honest

I cannot figure out how anyone  
can make wise and intelligent decisions  
at this early hour.  
But, here we are . . . early on our way . . .  
of tackling the hard  
choices and decisions of the day.  
We are, however,  
encouraged by Your Words,  
" . . . this we call to mind,  
and therefore we have hope:  
because of the Lord’s great love  
we are not consumed.  
For his compassions never fail,  
they are new every morning:  
Great is your faithfulness.”

MARCH 9, 2010

There being no objection, the following remarks of Rep. Jack are spread upon the journal:

It is my distinct honor to introduce several genuine American heroes, some from Kansas and some drove all the way from Ft. Carson, Colorado.

Representatives, this is a resolution expressing our appreciation to brave soldiers who were injured in service to our country. The State of Kansas has a long and proud history of military service in time of peace and in time of war, having proudly given its sons and daughters into the service of the nation and is currently sending numerous guardsmen, reservists and active duty military personnel to support American operations overseas. The activities of individuals and units based in the State of Kansas have brought national and international recognition to Kansas.

The Kansas Legislature is extremely appreciative and eternally grateful to the brave men and women in uniform who have sacrificed so much for our freedoms, and we are grateful for the brave service and extreme sacrifice that the following soldiers have made: Staff Sergeant Oliver Thomason, Sergeant Christopher Mazander, Private First Class Marie Griffin, Specialist Aaron Rayner, Sergeant First Class Joseph Vigil, Sergeant Brandon Daggs, Staff Sergeant Nathan Baker, First Sergeant T.J. MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Hayzlett, HR 6022, A resolution congratulating and commending Heartland Heroes Hunt, was adopted.

There being no objection, the following remarks of Rep. Hayzlett are spread upon the journal:

Thank you for allowing me a few minutes to bring before you a Resolution and recognize a very special group of Kansans.

There are two groups of Heroes here to be honored this morning but my Resolution deals with the local citizens.

MacKinzie Nix started the Heartland Heroes Hunt as a senior project at Garden City High School. With the help and support of MacKinzie’s parents, Tim and Donna Telinde, the Brian Beavers family and the Communities of Garden City and Pierceville, Heartland Heroes Hunt has become a weekend of celebration and healing.

I was honored to be invited to help with the first hunt in 2008. I was what I thought a waterboy. I got to drive the four-wheeler around to shuttle passengers, deliver water and pick up harvested game — and it was one of the better days of my life.

More than 100 businesses donated to the Heartland Heroes Hunt and the event will grow in size in the future. The goal is to provide tuition scholarships for the wounded servicemen’s children.

Participant’s lodging was donated by the Comfort Inn. Meals were donated by multiple groups and individuals. Enough funds were donated to give each soldier a new shotgun to take home and keep as a token of appreciation. The families were also treated to a craft workshop by Home Depot, cookie decorating by the American Legion and spouses were treated to free massages, manicures and shopping with donated gift cards.

Please join me in welcoming all those we honor today.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Hill, HR 6023, A resolution recognizing the Kansas Small Business Development Center’s 2009 Businesses of the year, was adopted.

There being no objection, the following remarks of Rep. Hill are spread upon the journal:

Today we have the opportunity to recognize Kansas Small Business Development Center’s emerging and existing 2009 businesses of the year. These fifteen businesses represent economic vitality and human vibrancy in the communities they serve. These businesses have
achieved major accomplishments: established growing businesses, demonstrated vision, problem solving and exemplary corporate citizenship. Entrepreneurship is one of the most powerful drivers of growth and prosperity in our Kansas economy. It is the primary source of job creation and economic competitiveness. Challenging economic times have proven to be good times to launch a new business. In 2009 there were 2,400 businesses in Kansas that received KSBDC services including our honorees today. It is the priority of KSBDC to reach as many potential entrepreneurs as possible and provide tools and services for Kansans in all parts of the state. The entrepreneurial spirit and energy represented by those we recognize today and provide a source of encouragement and optimism as we face these difficult and uncertain economic times.

**HOUSE CONCURRENT RESOLUTION No. 5035**—

By Committee on Federal and State Affairs

A CONCURRENT RESOLUTION urging the United States Congress to adopt the Parental Rights Amendment, a joint resolution proposing an amendment to the Constitution of the United States relative to parental rights.

WHEREAS, The right of parents to direct the upbringing and education of their children is a fundamental right protected by the Constitutions of the United States and the State of Kansas; and

WHEREAS, Our nation has historically relied first and foremost on parents to meet the real and constant needs of children; and

WHEREAS, The interests of children are best served when parents are free to make child rearing decisions about education, religion and other areas of a child’s life without state interference; and

WHEREAS, The United States Supreme Court in *Wisconsin v. Yoder*, 406 U.S. 205 (1972), has held that “This primary role of the parents in the upbringing of their children is now established beyond debate as an enduring American tradition”; and

WHEREAS, The United States Supreme Court in *Troxel v. Granville*, 530 U.S. 57 (2000), however, produced six different opinions on the nature and enforceability of parental rights under the Constitution of the United States; and

WHEREAS, This decision has created confusion and ambiguity about the fundamental nature of parental rights in the laws and society of the several States; and

WHEREAS, Senator James DeMint of the State of South Carolina and Representative Peter Hoekstra of the State of Michigan have introduced Senate Joint Resolution 16 and House Joint Resolution 42 in the United States Congress, proposing an amendment to the Constitution of the United States to prevent erosion of the enduring American tradition of treating parental rights as fundamental rights, which reads as follows:

“Section 1. The liberty of parents to direct the upbringing and education of their children is a fundamental right.

Section 2. Neither the United States nor any State shall infringe upon this right without demonstrating that its governmental interest as applied to the child involved is of the highest order and not otherwise served.

Section 3. No treaty may be adopted nor shall any source of international law be employed to supersede, modify, interpret, or apply to the rights guaranteed by this article.”; and

WHEREAS, This amendment will add explicit text to the Constitution of the United States to protect in perpetuity the rights of parents as they are now enjoyed, without substantive change to current state or federal laws respecting these rights; and

WHEREAS, Such enumeration of these rights in the text of the Constitution of the United States will preserve them from being infringed upon by the shifting ideologies and interpretations of the United States Supreme Court: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the Congress of the United States is urged to adopt and submit to the states for ratification the Parental Rights Amendment to the Constitution of the United States proposed by Senator James DeMint and Representative Peter Hoekstra in Senate Joint Resolution 16 and House Joint Resolution 42; and
Be it further resolved: That a copy of this resolution be distributed to the President and members of the United States Senate, the Speaker and members of the United States House of Representatives, and the Speaker of the House and the President of the Senate of each state’s legislature of the United States of America.

Prayer by Chaplain Brubaker:
Our Heavenly Father,
Today as hundreds gather to watch
and cheer the twelve teams in the
Big 12 Tournament,
we have the privilege of
dissecting and discussing
the Big 12 items such as:
transportation, taxation & education;
agriculture, health care & insurance;
budgets, finance, & commerce;
local government, general government & judiciary.
It doesn’t seem quite as exciting and fun as basketball . . .
in fact, it is enough to make us want to bawl.
Guide us in solutions so we won’t stonewall,
so we can go watch our teams enthralled.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Goico.

INTRODUCTION OF GUESTS
There being no objection, the following remarks of Rep. Craft are spread upon the journal:
Boys & Girls Clubs of America’s Youth of the Year program, sponsored by the Reader’s Digest Foundation since 1947, recognizes teens for outstanding contributions to a member’s family, school, community and Boys & Girls Club, as well as personal challenges and obstacles overcome.
Participants are chosen on local, state and regional levels, with the five regional winners meeting each September in Washington, D.C., to compete for the National Youth of the Year title.
Youth of the Year candidates are evaluated through a rigorous set of criteria and compete through submission of a detailed application, a personal interview and a prepared speech.
The Youth of the Year program develops club members who are articulate, well-groomed and knowledgeable spokespersons for their club and community. The qualities of character, service and leadership that make a Youth of the Year are promoted in our clubs everyday. Whether a club member actually becomes Youth of the Year, the time and effort invested by staff helps these young people become all they are capable of being. Thus, the program is an effective year-round development tool for all members. I would like to introduce Tyler
Lisbon, who is accompanied by his parents and is a sophomore at Junction City High School. Tyler represents the Fort Riley Boys & Girls Club and now will head to San Antonio for the regional competition.

(g) Any confidential records or information relating to security measures provided or received under the provisions of subsection (a)(45) shall not be subject to subpoena, discovery or other demand in any administrative, criminal or civil action.

Sec. 2. On and after July 1, 2010, K.S.A. 2009 Supp. 45-229 is hereby amended to read as follows: 45-229. (a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

(1) The public record is of a sensitive or personal nature concerning individuals;
(2) the public record is necessary for the effective and efficient administration of a governmental program; or
(3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsection (h), all exceptions to disclosure in existence on July 1, 2000. shall expire on July 1, 2005, and any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception which will expire in the following year which meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year’s certification after that determination.

(f) “Exception” means any provision of law which creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.
A provision of law which creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

(1) Is required by federal law;
(2) applies solely to the legislature or to the state court system.

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:
(A) What specific records are affected by the exception;
(B) whom does the exception uniquely affect, as opposed to the general public;
(C) what is the identifiable public purpose or goal of the exception;
(D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) An exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:
(A) Allows the effective and efficient administration of a governmental program, which administration would be significantly impaired without the exception;
(B) protects information of a sensitive personal nature concerning individuals, the release of which information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph or
(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of information which is used to protect or further a business advantage over those who do not know or use it, the disclosure of which information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. In deciding whether the records shall be made public, the legislature shall consider whether the damage or loss to persons or entities uniquely affected by the exception of the type specified in paragraph (2)(B) or (2)(C) of this subsection (h) would occur if the records were made public.

(j) Exceptions contained in the following statutes as certified by the revisor of statutes to the president of the senate and the speaker of the house of representatives pursuant to subsection (e) of this section on June 1, 2005, are hereby continued in existence until July 1, 2011, at which time such exceptions shall expire: 1-501, 9-1303, 12-4516a, 38-1692, 39-970, 40-4913, 65-525, 65-5117, 65-6016, 65-6017 and 74-7508.

(k) Exceptions contained in the following statutes as certified by the revisor of statutes to the president of the senate and the speaker of the house of representatives pursuant to subsection (e) during 2006, 2007 and 2008 are hereby continued in existence until July 1, 2014, at which time such exceptions shall expire: 8-240, 8-247, 8-255c, 8-1324, 8-1325, 12-17,150, 12-2001, 12-5332, 17-12a1067, 38-1008, 38-2209, 40-5006, 40-5108, 41-2905, 41-2906, 44-706, 44-1518, subsections (a)(44), (45), (46) and (47) of 45-221, 56-1a610, 56a-1204, 65-1,243, 65-3239, 66-1233, 74-50,184, 74-8134, 74-99b06 and 82a-2210.

The official file shall be kept separate from other records of the court.

(b) The official file shall be open for public inspection, unless the judge determines that opening the official file for public inspection is not in the best interests of a juvenile who is less than 14 years of age. Information identifying victims and alleged victims of sex offenses, as defined in article 35 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, shall not be disclosed or open to public inspection under any circumstances. Nothing in this section shall prohibit the victim or alleged victim of any sex offense from voluntarily disclosing such victim’s identity. (a) Except as provided in K.S.A. 60-3352 and 60-3353, and amendments thereto, an insurance compliance self-evaluative audit document is privileged information and is not discoverable, or admissible as evidence in any legal action in any civil, criminal or administrative proceeding. The privilege created herein is a matter of substantive law of this state and is not merely a procedural matter governing civil or criminal procedures in the courts of this state.

(b) If any insurance company, person, or entity performs or directs the performance of an insurance compliance audit, an officer, employee or agent involved with the insurance compliance audit, or any consultant who is hired for the purpose of performing the insurance compliance audit, may not be examined in any civil, criminal or administrative proceeding as to the insurance compliance audit or any insurance compliance self-evaluative audit document, as defined in this section. This subsection (b) shall not apply if the privilege set forth in subsection (a) of this section is determined under K.S.A. 60-3352 and 60-3353, and amendments thereto, not to apply.

(c) Any insurance company may voluntarily submit, in connection with any examination conducted under chapter 40 of the Kansas Statutes Annotated, and amendments thereto, an insurance compliance self-evaluative audit document to the commissioner as a confidential document in the same manner as provided in chapter 40 of the Kansas Statutes Annotated, and amendments thereto, for documents required to be provided to the commissioner in the course of an examination by the commissioner without waiving the privilege set forth in this section to which the insurance company would otherwise be entitled. Any provision in chapter 40 of the Kansas Statutes Annotated, and amendments thereto, permitting the commissioner to make confidential documents public or to grant the national association of insurance commissioners access to confidential documents shall not apply to the insurance compliance self-evaluative audit document voluntarily submitted by an insurance company.

To the extent that the commissioner has the authority to compel the disclosure of an insurance compliance self-evaluative audit document under other provisions of applicable law, any such report furnished to the commissioner shall not be provided to any other persons or entities and shall be accorded the same confidentiality and other protections as provided above for voluntarily submitted documents. Any use of an insurance compliance self-evaluative audit document furnished as a result of a request of the commissioner under a claim of authority to compel disclosure shall be limited to determining whether or not any disclosed defects in an insurers' policies and procedures or inappropriate treatment of customers has been remedied or that an appropriate plan for their remedy is in place.

(1) Any insurance company's insurance compliance self-evaluative audit document submitted to the commissioner shall remain subject to all applicable statutory or common law privileges including, but not limited to, the work product doctrine, attorney-client privilege, or the subsequent remedial measures exclusion.

(2) Any compliance self-evaluative audit document so submitted and in the possession of the commissioner shall remain the property of the insurance company and shall not be subject to any disclosure or production under the Kansas open records act. The provision
of this paragraph shall expire on July 1, 2010 2015, unless the legislature reenacts such provision. The provision of this paragraph shall be reviewed by the legislature prior to July 1, 2010 2015.

(d) Disclosure of an insurance compliance self-evaluative audit document to a governmental agency, whether voluntary or pursuant to compulsion of law, shall not constitute a waiver of the privilege set forth in subsection (a) with respect to any other persons or any other governmental agencies. Nothing in this act shall prohibit the division of post audit from having access to all insurance compliance self-evaluative audit documents in the custody of the commissioner.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
As the intensity of the session heightens,
help us to live as you have instructed.
“...what happens when we live God’s way?
He brings gifts into our lives,
much the same way that fruit appears in an orchard—
things like affection for others,
exuberance about life, serenity.
We develop a willingness to stick with things,
a sense of compassion in the heart,
and a conviction that a basic holiness
permeates things and people.
We find ourselves involved in loyal commitments,
not needing to force our way in life,
able to marshal and direct
our energies wisely.”
(Galatians 5:22-23 The Message)
This I pray in Jesus’ Name,
Amen.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following concurrent resolution was thereupon introduced and read by title:

HOUSE CONCURRENT RESOLUTION No. 5036—

By Committee on Judiciary

A PROPOSITION to amend article 2 of the constitution of the state of Kansas by adding a new section thereto, affirming the legislature’s authority to limit the amount of recovery for noneconomic damages in any claim for personal injury.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 2 of the constitution of the state of Kansas is amended by adding a new section thereto to read as follows:

“§ 31. Limitation on noneconomic damages. (a) The legislature may enact laws limiting the amount of noneconomic damages awarded for any claim for personal injury. No provision of this constitution shall limit the powers of the legislature herein conferred, including the power of the legislature to specify circumstances in which such limitations would not apply.

(b) Noneconomic damages, including damages for pain and suffering, are losses for which there is no unit value, mathematical formula or rule of calculation and include, but shall not be limited to, mental anguish, disability, disfigurement, inconvenience, humiliation, loss of capacity to enjoy life, bereavement, loss of society, loss of companionship, loss of reputation and all other losses which are intangible in nature.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. This amendment would allow the legislature to limit awards for pain and suffering, or noneconomic damages, that a person could recover in a personal injury action. The amendment also allows the legislature to specify circumstances in which the limitations would not apply, for example when the conduct of the party causing the injury was due to criminal acts, or negligence due to substance abuse or impairment. Nothing in this amendment would affect awards or recovery of actual economic losses, such as lost wages, past or future medical bills, rehabilitation and long term care costs, nor would this amendment affect awards for punitive damages in any way.
“Noneconomic damages” are commonly referred to as pain and suffering, but also can include mental anguish, disability, disfigurement, inconvenience, humiliation, loss of capacity to enjoy life, bereavement, loss of society, loss of companionship, loss of reputation, loss of consortium, and other losses for which there is no unit value, mathematical formula or known rule for calculation. A “personal injury” includes all actionable injuries to an individual as distinguished from injuries to the individual’s property, and includes bodily and emotional injuries as well as injuries to reputation and character.

“A vote for this amendment would affirm the authority of the legislature to limit the amount of noneconomic damages a person could recover in any claim for personal injury.

“A vote against this amendment would leave the legislature without the express authority to adopt limits on awards for noneconomic damages in personal injury claims.”

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2010 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Reveal Your will to us for each hour of the day.
Honor our transactions with those who surround us.
Teach us to treat all that comes to us throughout the day with peace,
and with the firm conviction that Your will governs all.
In all our deeds and words, guide our thoughts and feelings.
In unforeseen events, let us not forget that all are sent by You.
Teach us to act firmly yet gently, wisely yet humbly,

Journal of the House

FORTY-FOURTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, MONDAY, MARCH 15, 2010, 11:00 A.M.

The House met pursuant to recess with Speaker O'Neal in the chair.
The roll was called with 120 members present.
Rep. Johnson was excused on verified illness.
Reps. Aurand, Horst and Winn were excused on legislative business.
Rep. Hawk was excused on excused absence by the Speaker.

Prayer by Deacon Everett Schultz, First Mennonite Church, Pretty Prairie, guest of Rep. Seiwert:

Our Father,
I thank You for this great state of Kansas that You have allowed us to call home. I thank You for all the people who have sacrificed to give us this state. And now I come before You seeking Your face and Your guidance for this session. The issues before this body are staggering, and solutions are not easily discerned. I ask for Your presence to be with these people this day and during these next few weeks and months as they ponder the difficult dilemmas facing our state.

Father, there people face a very difficult task ahead in 2010. To provide for our state with reduced revenues and the pressure to continue to spend at the current level will be difficult to achieve. Give these people understanding and wisdom to know how to meet the issues which face them. Help them to stand, for the rights things, for the right reasons, and for the right issues and not because of party affiliation or special interest groups. Bless their work here Father, and encourage them.

Quoting from our first president, George Washington, in which he said, “It is impossible to rightly govern a nation without God and the Bible,” help these people to use the faith that the founders of our nation relied upon, that of prayer and a knowledge and reliance upon God. Only by the faith and continued reliance upon God, did our founding fathers endure the pressures and dangers of establishing our new land. I pray that these people might understand the wisdom and power that these great founding men possessed at the beginning of our nation.

And now, I pray that if there is anyone within the sound of my voice that does not know Your love and care for them, I pray that You will touch them and cause them to consider Your Gift that has been extended to them. For those who desire to know You, I pray that You will work in their heart. May they come to know You.

I ask these things in thy name O Lord, Amen.

The Pledge of Allegiance was led by Rep. Seiwert.

INTRODUCTION OF GUESTS
There being no objection, the following remarks of Rep. Crum are spread upon the journal:
It's a great pleasure to introduce Garrett Buthe this morning. In February, Garrett was named the state Ambassador for the Muscular Dystrophy Association. As the goodwill ambassador, Garrett will represent MDA at various functions and public events.

Garrett has been profiled on the annual Jerry Lewis MDA Telethon by KAKE TV of Wichita. MDA is a non-profit health agency dedicated to curing muscular dystrophy, ALS and related diseases by funding world wide research. MDA also provides comprehensive health care and support services, advocacy and education.

The MDA clinic serving Wichita and 69 Kansas counties is on the campus of Via Christi St. Frances Medical Center in Wichita. The community of Augusta is proud of Garrett and the very positive impact that he is having on the lives of his peers.

Garrett has always lived life to the fullest and I know that he is really excited about the upcoming NCAA basketball tournament because he is a HUGE Jayhawks fan.

Garrett is accompanied today by his mother, Lana, and his grandmother, Gloria.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hermanson are spread upon the journal:

As an organization founded by volunteers in 1885, the Greater Wichita YMCA has grown from 37 charter members to serving more than 235,000 people through more than 100 program sites. In addition, the YMCA serves nearly two out of three kids in Sedgwick and Butler Counties.

In fact, the YMCA serves more than 20,000 people each day through urban outreach programs, youth sports, child care, swim lessons, camp and wellness activities. Thanks to the generosity and support of thousands of people, the Y has remained a relevant and vital charitable organization in the communities it serves.

The Greater Wichita YMCA was founded by volunteers 125 years ago when Wichita was little more than a cow town. In 2010, it is anticipated that 4,500 volunteers will donate more than 73,000 hours of time. These volunteers help the YMCA make its programs and services available to everyone in the community, regardless of ability to pay. Because of their volunteer efforts and the generosity of thousands of donors, more than 65,000 youth and adults will receive free and assisted YMCA services in 2010.

Being a member myself, I'd like to commend some of those volunteers for their outstanding service to the Greater Wichita YMCA and the communities it serves: Larry Way, Brandon Knowles, Joel Foltz, Rich Hutfles, Rick Laurino, John Weber, Don Baxter and Daniel De Longe. The Wichita YMCA Men’s Clubs were founded in 1955, and its volunteer members continue to help raise dollars for the YMCA’s Strong Kids Fundraising Campaign.

Rep. Hermanson presented the volunteers with a framed House certificate.

APPOINTMENT OF SELECT COMMITTEE

Rep. Siegfreid, pursuant to Article 49 of the House Rules and in accordance with K.S.A. Chapter 46, Article 10, appointed the following members to serve on a Select Investigative Committee in response to the complaint filed with House Clerk Susan Kannarr on March 12, 2010:
March 12, 2010
Ms. Susan Kannarr
Chief Clerk
Kansas House of Representatives
300 SW 10th Avenue
Topeka, KS 66612
Dear Ms. Kannarr:
House Speaker Michael R. O’Neal is engaged in a private lawsuit against the state on behalf of special interest groups who have ongoing business before the public body that he both serves in and leads. Pursuant to Article 49, Rule 4901, his behavior and actions are grounds for a formal complaint of misconduct. This letter serves as said complaint and as a formal request for further investigation. Troubling actions leading to this point are detailed on the following pages and verified by attached documents.
This is the only public forum available to facilitate a genuine discussion and investigation into the Speaker’s behavior and actions. The Speaker of the House commands unyielding power in all matters before the Kansas House of Representatives. He is the last word on administrative issues. He determines standing committees and has the authority to both appoint and replace members and chairs. He has enormous influence over committee agendas. Bills passed out of committee are only debated and voted on by the full House if the Speaker allows it. An attempt to question his conduct through a process that he controls would be unfair and futile.
Special interest groups spend thousands of dollars every session to advocate for public policy that helps their cause and to fight policies that hurt them. Every legislator interacts with lobbyists, but there are certain, necessary boundaries on those relationships, both in and out of the Capitol. All legislators- especially the Speaker of the House- have an inherent responsibility to avoid the appearance of undue influence and impropriety. This is clearly
ignored when the leader of the House collects a private paycheck from special interest groups to reverse a legislative appropriation. Ignoring this conduct condones it, and this is not the way we should be doing business in Kansas government.

Article 49 provides that a member may be reprimanded, censured or expelled for any “misconduct.” Misconduct is not defined in House Rules, but the American Heritage Dictionary defines it as “behavior not conforming to prevailing standards or laws; impropriety; immorality. Dishonest or bad management, especially by persons entrusted or engaged to act on another’s behalf. Malfeasance, especially by public officials.” We strongly believe that Speaker O’Neal’s behavior and actions fit this definition. We all have professional obligations in addition to our part-time legislative duties, but we give up some opportunities in our professions when we take an oath of public office. We must sometimes abstain from business opportunities due to their impact on our roles as public servants. If we don’t, we risk poisoning the legislative process with cronyism, corruption, and backroom deals.

One incident in recent history sets an applicable precedent for this public discussion. In 2006, then Rep. O’Neal chaired the investigation of Senate President Stephen Morris after he engaged in a private conversation with a Supreme Court justice amid the school finance lawsuit. Although Senator Morris violated no statute, Rep. O’Neal asserted that the investigation was necessary “to determine whether the integrity of the legislative process was compromised in any way.” Rep. O’Neal went on to argue that “those who have to vote on school finance have to get a comfort level about the integrity of the system beforehand.” He stated that the investigation did not target a specific person but that it was to determine how that person’s actions shaped events.

Members of Speaker O’Neal’s chamber deserve the same assurance. The integrity of the budget process must be guaranteed before the House is forced to vote on a budget during the worst financial crisis since the Great Depression. The basis of this complaint is not the ability of special interests to sue the State of Kansas. The concern is the propriety of the Speaker’s involvement in that case, how that involvement affects his public duties, and if this standard of conduct is acceptable.

This is a request for an honest, open discussion about appropriate behavior and misconduct in the Kansas House of Representatives, and whether further action needs to be taken against Speaker O’Neal to protect the integrity of the body. We believe that further action is justified. If Speaker O’Neal continues on his current course, he sets a dangerous precedent for all future House Speakers and all future members of the Kansas Legislature.

Sincerely,

Paul Davis  Jim Ward  Eber Phelps  Democratic Leader  Assistant Leader  Democratic Whip

REPORT ON ENGROSSED BILLS

HB 2578 reported correctly engrossed March 12, 2010.

On motion of Rep. Merrick, the House adjourned until 10:30 a.m., Tuesday, March 16, 2010.
The House met pursuant to recess with Speaker O'Neal in the chair.
The roll was called with 121 members present.
Rep. Johnson was excused on verified illness.
Rep. Winn was excused on legislative business.
Reps. Hawk and Peterson were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
The madness of March has hit—
the weather is turbulent and unpredictable—
cold an rainy one day,
warm and breezy the next.
The 64 teams have been named and it appears
there will be a Kansan invasion of Oklahoma
within the next few days.
And here in the State House,
the pressure is mounting—
time is running short—
money as always is an issue—
and our patience and longsuffering
with one another might be diminishing.
Remind us once again why we are here,
and for whom we are here.
Help us avoid becoming
personal in our passion,
wicked with our words,
accusative in our attitudes,
or mean in our methods.
We really need You to give us
clarity of thought — direction — and solutions,
as well as grace, kindness and respect.
I ask this in Christ’s Name, Amen.

The Pledge of Allegiance was led by Rep. Finney.

REFERENCE OF BILLS AND CONCURRENT RESOLUTIONS
The following bills were referred to committees as indicated:
Federal and State Affairs: HB 2741.
Taxation: HB 2740.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS
On emergency motion of Rep. Craft, HR 6025, by Rep. Craft, as follows, was introduced and adopted:
HOUSE RESOLUTION No. 6025—
A RESOLUTION recognizing Geary County and Junction City in their observance of Vietnam Veterans Day and the 40th anniversary of the 1st Infantry Division’s return to Kansas.

WHEREAS, On March 29th, 1973, the final 2,500 American troops were withdrawn from South Vietnam, ending military involvement in what is now the longest war in our country’s history; and

WHEREAS, Due to the era’s turbulent cultural climate and the general unpopularity of the war, many returning veterans were not shown the respect and appreciation they deserved for their service to this country; and

WHEREAS, Since its unveiling, the Vietnam Memorial Wall in Washington, D.C., has paid eternal tribute to the 58,195 Americans who made the ultimate sacrifice for their country; and

WHEREAS, Of the names listed on the Vietnam Memorial Wall, 627 were from the State of Kansas; and

WHEREAS, In 1965, the 1st Infantry Division (Big Red One), stationed in Fort Riley, Kansas, was the first division called to fight in Vietnam; and

WHEREAS, After nearly five years of combat, the Big Red One returned home to Kansas in 1970. During its service in Vietnam, the division sustained 6,146 casualties; and

WHEREAS, Geary County and Junction City will honor the courage and sacrifice of Vietnam era veterans by marking March 29th as “Vietnam Veterans Day,” and also by commemorating the 40th anniversary of the Big Red One’s return to Kansas: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize Geary County and Junction City in their observance of Vietnam Veterans Day and in the commemoration of the 40th anniversary of the Big Red One’s return to Kansas, and join them in extending our sincere gratitude and appreciation to all Vietnam veterans for their service to this country; and

Be it further resolved: That the Chief Clerk of the House of Representatives provide enrolled copies of this concurrent resolution to Representative Barbara Craft; Senator Roger Reitz; the Dorothy Bramlage Public Library, 230 W. 7th St., Junction City, Kansas, 66441 and the Geary County Veterans Alliance, P.O. Box 1641, Junction City, Kansas, 66441 and Chuck Ford, Vietnam Veterans of America, Chapter 344, P.O. Box 1492, Junction City, Kansas, 66441.

There being no objection, the following remarks of Rep. Craft are spread upon the journal:

HR 6025 was requested by the Dorothy Bramlage Public Library in Junction City for their month-long celebration of the Vietnam War era beginning on Saturday, March 27, 2010. The celebration will be held in connection with the “Big Read” program, with a focus on the service and sacrifice of the men and women who served in the military in support of the Vietnam War. For that reason, I think it is very fitting for the Kansas House of Representatives to adopt this resolution in order to show their respect and appreciation to the Vietnam Era veterans.

“Sec. 6. K.S.A. 2009 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117.
(a) The Kansas adjusted gross income of an individual means such individual’s federal adjusted gross income for the taxable year, with the modifications specified in this section.
(b) There shall be added to federal adjusted gross income:
(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.
(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.
(iii) The federal net operating loss deduction.
(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.
(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer’s federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.
(vi) Any amount of designated employee contributions picked up by an employer pursuant to K.S.A. 12-5005, 20-2603, 74-4919 and 74-4965, and amendments to such sections.
(vii) The amount of any charitable contribution made to the extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 79-32,196, and amendments thereto.
(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 2009 Supp. 79-32,204 and amendments thereto.
(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to
the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203 and amendments thereto.

“New Section 1. Sections 1 through 14, and amendments thereto, shall be known and may be cited as the council on efficient government act.

New Sec. 2. (a) It is the public policy of this state to provide the highest quality services at the lowest possible cost to taxpayers. Efficiency can only be achieved, however, if decisions about how government services are provided are governed by the following fundamental principles:

(1) The state government should not compete with private businesses that provide the same goods and services;
(2) the state government should not replicate, duplicate or compete with not-for-profit organizations that provide the same goods and services;
(3) the state government should not replicate, duplicate or compete with the federal government or local units of government that provide the same goods and services;
(4) there are certain functions and operations of state government that are inherently governmental and cannot be outsourced, and these activities are intimately related to the public interest; and
(5) when activities are clearly not governmental functions and operations, the state government should conduct a rigorous comparison of private business or not-for-profit organizational costs with the costs of the state government providing those functions and operations.

(b) The purpose of the council on efficient government is:

(1) To ensure that each state agency focuses on its core mission, and delivers goods and services effectively and efficiently by leveraging resources and contracting with private business suppliers or not-for-profit organizations if those entities can more effectively and efficiently provide such goods and services thereby reducing the cost of government while expanding those services to the greatest number of citizens;
(2) to develop a comprehensive and detailed process to analyze opportunities to improve the efficiency, cost-effectiveness and quality of state governmental services, operations, functions and activities; and
(3) to evaluate for feasibility, cost-effectiveness and efficiency, business cases that potentially could be outsourced and make recommendations to state agencies prior to the outsourcing of goods or services.

New Sec. 3. As used in sections 1 through 14, and amendments thereto:
(a) “Activity” means the provision of goods or services or the performance of any function or operation by a state agency.
(b) “Affiliated” means a person who directly or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with, a specified entity.
(c) “Business case” means any proposal to outsource a state agency activity or eliminate replication or duplication of a state agency activity and operations carried out by a private business, not-for-profit organization or other government agency.
(d) “Contractor” means any private business or not-for-profit organization that contracts with a state agency to perform an activity previously performed by such state agency.
(e) “State agency” means any department, authority, office or other governmental agency of this state. The term shall not include any political subdivision of the state, municipality or other unit of local government.

New Sec. 4. (a) There is hereby created a body politic and corporate to be known as the council on efficient government. The council on efficient government is hereby constituted a public instrumentality and the exercise of the authority and powers conferred by this act shall be deemed and held to be the performance of an essential governmental function.
(b) The council shall consist of 11 members as follows:
(1) One member, who shall be either the lieutenant governor or the chief executive of a state agency, who shall be appointed by the governor;
(2) two members, who shall be engaged in private business and are not members of the legislature, appointed by the governor;
(3) three members, who shall be engaged in private business and only one of whom may be a member of the legislature, appointed by the president of the senate;
(4) three members, who shall be engaged in private business and only one of whom may be a member of the legislature, appointed by the speaker of the house of representatives;
(5) one member, who shall be engaged in private business and who shall not be a member of the legislature, appointed by the minority leader of the senate; and
(6) one member, who shall be engaged in private business and who shall not be a member of the legislature, appointed by the minority leader of the house of representatives.
(c) Members shall be subject to confirmation by the senate as provided in K.S.A. 75-4315b, and amendments thereto. Except as provided by K.S.A. 46-2601, and amendments thereto, no person appointed to the council shall exercise any power, duty or function as a member of the council until confirmed by the senate.
(d) Members shall serve for a term of two years. Terms of members appointed pursuant to this section shall expire on March 15. In the case of the member who is a state official, such member shall serve for a term of two years, or until such member ceases to hold public office, whichever occurs first. Members shall serve until a successor is appointed and confirmed.
(e) After the expiration of a member’s term, or whenever a vacancy occurs a member shall be appointed as described in subsection (a). In the event of a vacancy the appointment shall be for the remainder of the unexpired portion of the term. Any member is eligible for reappointment for successive two-year terms.
(f) No member shall appoint a designee to serve in such member’s place on the council.
(g) The council shall annually elect a member as chairperson. The member appointed pursuant to paragraph (a)(1) and any member who is a member of the legislature is not eligible to serve as chairperson.
(h) The council shall meet at least four times a year at the call of the chairperson. A quorum shall consist of a majority of the members of the council.
(i) Members attending council meetings shall be entitled to compensation and expenses as provided in K.S.A. 75-3223, and amendments thereto.

New Sec. 5. (a) In order to achieve its purpose as provided in this act, the council on efficient government shall:

(3) review and evaluate instances where a state agency is providing goods or services in competition with one or more private businesses to determine ways to eliminate such competition;

(4) review and evaluate instances where a state agency is providing goods or services that replicate, duplicate or compete with one or more not-for-profit organizations or federal or local units of government;

(5) make any requests it deems necessary to state agencies for an inventory of such agency’s activities that may be outsourced, or that compete with, replicate or duplicate activities provided by private entities or federal or local units of government;

(6) develop and implement a standard process for reviewing business cases pursuant to this act;

The state agency shall have 30 days from receipt of the business case to submit a response to the council. The response shall include those items set forth in subsection (c).

(f) In conducting its review and evaluation of a business case the council shall consider the state agency’s response submitted pursuant to subsection (d), if applicable, and determine whether the activity in question is an inherent governmental function that cannot be outsourced, or a commercial activity which may be performed by an entity other than the state agency. (g) a contingency plan for transferring such activity back to the state agency in the event the contractor does not meet the required performance standards.
New Sec. 9. (a) When any contract for the purchase of goods or services by any state agency, as that term is defined in K.S.A. 75-3701, and amendments thereto, is not awarded to a vendor after such vendor has submitted the lowest bid for such contract, the director of purchases of the department of administration shall prepare a written explanation detailing the reasons why such vendor was not awarded the contract and why the deficiencies in such vendor’s bid could not be remedied to the satisfaction of the director. REPORT ON ENGROSSED BILLS

Sub. HB 2521; HB 2621 reported correctly engrossed March 17, 2010.

On motion of Rep. Merrick, the House adjourned until 11:00 a.m., Thursday, March 18, 2010.
The House met pursuant to recess with Speaker O’Neal in the chair.
The roll was called with 124 members present.
Rep. Johnson was excused on verified illness.

Prayer by guest chaplain, the Rev. Jess Allen, pastor, Lamont Wesleyan Church, Lamont, and guest of Rep. Mast:

Heavenly Father
Thank You that You hear all who call on Your name. Today I ask for Your presence here at the Capitol. You have told us to pray for those who are in leadership in particular for those who serve as political leaders because You have appointed them.

You have said through Your prophet Joel “I will pour out my Spirit upon all people. Your sons and daughters will prophesy. Your old men will dream dreams, and Your young men will see visions. In those days I will pour out my Spirit even on servants — men and women alike.”

In these days of economic turmoil we need a sense of hope that can only come through Your presence. As these men and women struggle with leading our state I ask for Your wisdom to be poured out upon them. Give them the strength of character to lead out of this wisdom.

Our political system is set up to allow unity to flow out of conflict. To allow different ideas to clash in order to find consensus, and while it is not perfect I pray that You work through this process to bring out legislation that will make our state stronger and set out as an example on how to deal with adversity and overcome.

So today Father I call on Your name to accomplish Your will here on earth through these men and women as You would have it in heaven.

In Jesus’ Name I pray. Amen.

The Pledge of Allegiance was led by Rep. Wetta.

INTRODUCTION OF GUESTS
There being no objection, the following remarks of Rep. Burgess, on behalf of Reps. Fund and S. Gatewood, are spread upon the journal:

I would like to congratulate the Seaman High School Baseball program on their 25th Anniversary season.

Over the years the Seaman baseball program has been recognized as one of the top high school baseball programs in Kansas. During the past ten seasons, the Seaman program has appeared in seven state championship games; winning five state titles, claiming two runner-up finishes and third place while compiling an overall record of 206-52.

During the 2006 and 2007 seasons the Vikings had a remarkable 41 game winning streak and finished the 2007 season ranked 31st nationally in Baseball America’s final Top 50 poll.

The Seaman baseball team is the two time defending Class 5A State Champions and look forward to upcoming 2010 season!
The returning varsity players in 2010 are: seniors, Chris Bervert, Eric Brown, Dalton Piecukonis, Ethan Schnieders; juniors, Sheldon Banks, Kenny Benoit, Eric Cheray, Jason Maler, and Tyler Munger. The coaches are Steve Bushnell, Mark Simoneau, Lance Dougan and Trent Oliva; and the athletic trainer is Mike Longhofer.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hineman are spread upon the journal:

Members of the body, I bring before you today Mr. Sonny Weinhardt of Grinnell, from my home district in Western Kansas. Accompanying him are his wife Joan, their son Charles of Lenexa with his wife Ann and son Henry, and Sonny’s second son Mark, of Grinnell.

Sonny has had a long and illustrious career in his hometown of Grinnell, including serving on the City Council and as Mayor. He has been a member of the volunteer fire department and served as Fire Chief. He has been maintenance engineer and coach for Grinnell Public Schools. He has coached Little League Basketball, been a member of the Grinnell After-Harvest Committee, and was a founding member of the Cow Paddy Golf Course in Grinnell. Sonny served on the board of the Grinnell Credit Union and was an original member of the Grinnell Pride Committee.

These accomplishments alone are worthy of recognition, but they are not why we are honoring Sonny today. I have brought Sonny before you because of his long and illustrious career as an official for Kansas State High School athletics. Sonny began his career as a registered athletics official in 1952-53 at the age of seventeen. He recently retired after serving for 56 years.

During that time he officiated basketball 56 years, football 26 years, and volleyball seven years. He was assigned to postseason basketball tournament play for 26 years, football seven years, and volleyball three years. He officiated twenty basketball state championship tournaments, including the Grand State Tournament in 1975-76, the only year that event was conducted for boys basketball.

During Sonny’s many years of service he was teamed with Senator Ralph Ostmeyer for 33 of those years. Ralph and Sonny were truly a team, and when they officiated an event the participants could be assured that they would do so accurately and fairly. It has been determined that Sonny is the longest serving athletics official in Kansas state history, and it is believed he may also hold that distinction on the national level.

Rep. Lukert also expressed a few remarks in honor of Mr Weinhardt and congratulated him on his retirement.

Rep. Hineman presented Mr. Weinhardt with a framed House certificate.

“It is a pleasure to stand before you today to remember and honor a person that is well known to many of us in this body.

Today I have with me the family of Bryce Miller, his wife Frances Miller, daughters Cheryl Roberts and Anita Fry and husband Steve, and granddaughter Meredith Fry.

We are here to honor the lifelong work of Bryce Miller who tirelessly labored for the improvement of the quality of life of persons in our society that suffer from mental illness. Mr. Miller served as a board member of Valeo Behavioral Health Care in Topeka for many years. He labored to have those who were forgotten, buried in unmarked graves on State property, remembered. He was instrumental in arranging the first ever “Mental Health and Seniors” presentation at the National Alliance on Mental illness.

Bryce demonstrated strength in living with his own mental illness, and its manifestations, in the public eye he helped give normalcy to the condition, and challenged Kansans to understand that those struggling with mental health issues need the same access to treatment, medication, support and recovery as those dealing with physical illness.

It is my pleasure to honor Bryce Miller.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

Present but not voting: None.
Absent or not voting: Johnson.
The bill passed, as amended.

EXPLANATIONS OF VOTE

MR. SPEAKER: If HB 2729 is put into law, it will open the door for government’s direct involvement in our personal affairs; putting government in the business of loaning money for home improvements. Government will then be looking closely at our personal finances, appraised value of our homes, our personal income level, our personal debt level, etc. What is now handled by private business will be done by government. This intrusion is unnecessary. I vote NO!—FORREST J. KNOX

MR. SPEAKER: I vote no on HB 2729. While well intentioned and minor in scope, this bill ultimately represents the chronic erosion of free enterprise we facilitate by involving government in the free market. As supporters note, it places cities in a position of competitive financing. This provides them with an advantage over private lenders when dealing with home owners hoping to improve their property. If we wish to encourage this type of investment, we should be doing so with thoughtful public policy that incentivizes homeowners without growing the scope of government.—ARLEN SIEGFREID, RICHARD CARLSON, GARY HAYZLETT, MARIO GOICO, MARC RHOADES, LANCE KINZER, S. MIKE KIEGERL, JOE SEIWERT, PHIL HERMANSON, J. DAVID CRUM

HR 6025 reported correctly enrolled and properly signed on March 18, 2010.

Rep. Ballard was excused on legislative business.

Prayer by guest chaplain, the Rev. Andy Inskeep, youth minister, Fairlawn Church of the Nazarene, Topeka:

Dear God,
We are thankful today for the victories that K-State and Kansas had last night. God we ask that you continue to help them perform to the best of their abilities throughout the rest of the tournament.

In Proverbs of the Bible, it is written, "We justify our actions by appearances;
God examines our motives.
Mixed motives twist life into tangles;
pure motives take you straight down the road.”
God today we ask that you give us pure motives.

In Proverbs it is also written, "Good friend, take to heart what I’m telling you;
collect my counsels and guard them with your life.
Tune your ears to the world of Wisdom;
set your heart on a life of Understanding.
That’s right — if you make Insight your priority,
and won’t take no for an answer,
Searching for it like a prospector panning for gold,
like an adventurer on a treasure hunt.”

God help us to seek wisdom, understanding, and the right course of action.
We ask that you give us wisdom and guidance in the decisions we make today.

Amen.

The Pledge of Allegiance was led by Rep. Bollier.

(D) (i) The sentencing judge shall impose the postrelease supervision period provided in subparagraph (d)(1)(A), (d)(1)(B) or (d)(1)(C), unless the judge finds substantial and compelling reasons to impose a departure based upon a finding that the current crime of conviction was sexually motivated. In that event, departure may be imposed to extend the postrelease supervision to a period of up to 60 months.

(ii) If the sentencing judge departs from the presumptive postrelease supervision period, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure. Departures in this section are subject to appeal pursuant to K.S.A. 21-4721, and amendments thereto.

The reduction in the supervision period shall be on an earned basis pursuant to rules and regulations adopted by the secretary of corrections.

(F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

   (F) indecent solicitation of a child, K.S.A. 21-3510, and amendments thereto;

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (e), except that the Kansas parole board may postpone the inmate’s parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate’s parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, and amendments thereto, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence.

If the offender was past the offender’s conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the Kansas parole board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628 prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for
which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the Kansas parole board.

(g) Subject to the provisions of this section, the Kansas parole board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, for deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The Kansas parole board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least the month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate’s crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim’s family if the family’s address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate’s crime or the victim’s family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim’s family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee’s employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the Kansas parole board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim’s family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate’s incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the parole board will review the inmates proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate’s release date. Every inmate while on post-
release supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) Before ordering the parole of any inmate, the Kansas parole board shall have the inmate appear before either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate’s physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the Kansas parole board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the specific programs the inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary’s certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate’s not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the parole board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the parole board may defer subsequent parole hearings for up to 10 years but any such deferral shall require the board to state the basis for its findings.

(2) Inmates whose parole board hearings were deferred for more than five years prior to July 1, 2010, shall have their cases reviewed by the parole board on or before July 1, 2012. Such review shall begin with the inmates with the oldest deferral date and progress to the most recent.

(k) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(l) The Kansas parole board shall adopt rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents’ defense services and other conditions to be imposed upon parolees or releases. Whenever an order for parole or postrelease supervision is issued it shall recite the conditions thereof.

(m) Whenever the Kansas parole board orders the parole of an inmate or establishes conditions for an inmate placed on postrelease supervision, the board:

(1) Unless it finds compelling circumstances which would render a plan of payment unworkable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision pay any transportation expenses resulting from returning the parolee or the person on postrelease supervision to this state to answer criminal charges or a warrant for a violation of a condition of probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision;
(2) to the extent practicable, shall order as a condition of parole or postrelease supervision that the parolee or the person on postrelease supervision make progress towards or successfully complete the equivalent of a secondary education if the inmate has not previously completed such educational equivalent and is capable of doing so;

(3) may order that the parolee or person on postrelease supervision perform community or public service work for local governmental agencies, private corporations organized not-for-profit or charitable or social service organizations performing services for the community;

(4) may order the parolee or person on postrelease supervision to pay the administrative fee imposed pursuant to K.S.A. 22-4529, and amendments thereto, unless the board finds compelling circumstances which would render payment unworkable; and

(5) unless it finds compelling circumstances which would render a plan of payment unworkable, shall order that the parolee or person on postrelease supervision reimburse the state for all or part of the expenditures by the state board of indigents’ defense services to provide counsel and other defense services to the person. In determining the amount and method of payment of such sum, the parole board shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose. Such amount shall not exceed the amount claimed by appointed counsel on the payment voucher for indigents’ defense services or the amount prescribed by the board of indigents’ defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less, minus any previous payments for such services.

(n) If the court which sentenced an inmate specified at the time of sentencing the amount and the recipient of any restitution ordered as a condition of parole or postrelease supervision, the Kansas parole board shall order as a condition of parole or postrelease supervision that the inmate pay restitution in the amount and manner provided in the journal entry unless the board finds compelling circumstances which would render a plan of restitution unworkable.

(o) Whenever the Kansas parole board grants the parole of an inmate, the board, within 10 days of the date of the decision to grant parole, shall give written notice of the decision to the county or district attorney of the county where the inmate was sentenced.

(p) When an inmate is to be released on postrelease supervision, the secretary, within 30 days prior to release, shall provide the county or district attorney of the county where the inmate was sentenced written notice of the release date.

(q) Inmates shall be released on postrelease supervision upon the termination of the prison portion of their sentence. Time served while on postrelease supervision will vest.

(r) An inmate who is allocated regular good time credits as provided in K.S.A. 22-3725, and amendments thereto, may receive meritorious good time credits in increments of not more than 90 days per meritorious act. These credits may be awarded by the secretary of corrections when an inmate has acted in a heroic or outstanding manner in coming to the assistance of another person in a life threatening situation, preventing injury or death to a person, preventing the destruction of property or taking actions which result in a financial savings to the state.

(s) The provisions of subsections (d)(1)(A), (d)(1)(B), (d)(1)(C) and (d)(1)(E) shall be applied retroactively as provided in subsection (t).

(t) For offenders sentenced prior to the effective date of this act who are eligible for modification of their postrelease supervision obligation, the department of corrections shall modify the period of postrelease supervision as provided for by this section for offenders convicted of severity level 9 and 10 crimes on the sentencing guidelines grid for nondrug crimes and severity level 4 crimes on the sentencing guidelines grid for drug crimes on or before September 1, 2000; for offenders convicted of severity level 7 and 8 crimes on the sentencing guidelines grid for nondrug crimes on or before November 1, 2000; and for offenders convicted of severity level 5 and 6 crimes on the sentencing guidelines grid for nondrug crimes and severity level 3 crimes on the sentencing guidelines grid for drug crimes on or before January 1, 2001.

(u) An inmate sentenced to imprisonment pursuant to K.S.A. 21-4643, and amendments thereto, for crimes committed on or after July 1, 2006, shall be placed on parole for life and shall not be discharged from supervision by the Kansas parole board.
the parole of an inmate pursuant to this subsection, the board shall order as a condition of parole that the inmate be electronically monitored for the duration of the inmate's natural life.

(v) Whenever the Kansas parole board or the court orders a person to be electronically monitored, the board or court shall order the person to reimburse the state for all or part of the cost of such monitoring. In determining the amount and method of payment of such sum, the board or court shall take account of the financial resources of the person and the nature of the burden that the payment of such sum will impose.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
Today is the beginning of what is certain
to be a long, busy week.
We know . . .
The hours will be long,
the work will be tedious,
the discussions never-ending,
the mood tense and testy.
So here early in the morning —
early in the week,
I pray a prayer of the Psalmist,
“Satisfy us in the morning with Your unfailing love . . .
and let the loneliness of our Lord, our God, rest on us,
confirming the work that we do.”
(Ps. 90:14, 17)
Please be with Rep. Rocky Fund
today as he is in the hospital.
Bring a speedy recovery to his body.
And for my hurting KU friends, bring comfort to them.
And let them know they are most welcomed
on the KSU bandwagon.
In Christ’s name, I pray, Amen.

The Pledge of Allegiance was led by Rep. Menghini.

WHEREAS, The Boeing NewGen Tanker will be designed to meet all Air Force requirements, incorporate innovative 21st century refueling systems, and will combine a modern digital flight deck with state-of-the-art 787 features; and

WHEREAS, The Boeing-built tankers are safe and survivable in combat, where it counts most; and

WHEREAS, During the previous tanker competition, the Air Force concluded the Boeing tanker was significantly more survivable than the Airbus tanker, and that Boeing’s pilot-oriented flight controls provide full combat maneuverability in all situations; and

WHEREAS, Manufacturing and maintaining our indispensable U.S. air refueling tanker fleet with American hands on American soil is much preferable and more sensible from a national security standpoint than abdicating this vital project to a foreign supplier: Now, therefore,

The practice or policy of discrimination against individuals in employment relations, in relation to free and public accommodations, in housing by reason of race, religion, color, sex, disability, national origin or ancestry or on the basis of disability, or in housing by reason of familial status is a matter of concern to the state, since such discrimination threatens not only the rights and privileges of the inhabitants of the state of Kansas but menaces the institutions and foundations of a free democratic state. (b) The clerk of any court to which an appeal has been taken under this section, within 10 days after the final disposition of such appeal, shall forward a notification of the final disposition to the division.

Sec. 4. K.S.A. 2009 Supp. 8-1001 is hereby amended to read as follows: 8-1001. (a) Any person who operates or attempts to operate a vehicle within this state is deemed to have given consent, subject to the provisions of this act, to submit to one or more tests of the person’s blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing deemed consented to herein shall include all quantitative and qualitative tests for alcohol and drugs. A person who is dead or unconscious shall be deemed not to have withdrawn the person’s consent to such test or tests, which shall be administered in the manner provided by this section.

(b) A law enforcement officer shall request a person to submit to a test or tests deemed consented to under subsection (a): (1) If the officer has reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person was driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person’s system, or was under the age of 21 years while having alcohol or other drugs in such person’s system; and one of the following conditions exists: (A) The person has been arrested or otherwise taken into custody for any offense involving operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both, or for a violation of K.S.A. 8-1567a, and amendments thereto, or involving driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person’s system, in violation of a state statute or a city ordinance; or (B) the person has been involved in a vehicle accident or collision resulting in property damage or personal injury other than serious injury; or (2) if the person was operating or attempting to operate a vehicle and such vehicle has been involved in an accident or collision resulting in serious injury or death of any person and the operator could be cited for any traffic offense, as defined in K.S.A. 8-2117, and amendments thereto. The traffic offense violation shall constitute probable cause for purposes of paragraph (2). The test or tests under paragraph (2) shall not be required if a law enforcement officer has reasonable grounds to believe the actions of the operator did not contribute to the accident or collision. The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the accident investigation or arrest.

(c) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by: (1) A person licensed to practice medicine and surgery, licensed as a physician’s assistant,
or a person acting under the direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; (3) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate or mobile intensive care technician, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol or (4) a phlebotomist.

(d) A law enforcement officer may direct a medical professional described in this section to draw a sample of blood from a person:

(1) If the person has given consent and meets the requirements of subsection (b);

(2) if medically unable to consent, if the person meets the requirements of paragraph (2) of subsection (b); or

(3) if the person refuses to submit to and complete a test, if the person meets the requirements of paragraph (2) of subsection (b).

(e) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person’s life, cause serious injury to the person or seriously impede the person’s medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent.

(f) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(g) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person’s safety or that of the medical professional or attending medical or health care staff during the drawing of the sample and without interfering with medical treatment.

(h) A law enforcement officer may request a urine sample upon meeting the requirements of paragraph (1) of subsection (b) and shall request a urine sample upon meeting the requirements of paragraph (2) of subsection (b).

(i) If a law enforcement officer requests a person to submit to a test of urine under this section, the collection of the urine sample shall be supervised by persons of the same sex as the person being tested and shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. When possible, the supervising person shall be a law enforcement officer. The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (d) and (e) shall apply to the collection of a urine sample.

(j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

(k) Before a test or tests are administered under this section, the person shall be given oral and written notice that: (1) Kansas law requires the person to submit to and complete one or more tests of breath, blood or urine to determine if the person is under the influence of alcohol or drugs, or both;

(2) the opportunity to consent to or refuse a test is not a constitutional right;

(3) there is no constitutional right to consult with an attorney regarding whether to submit to testing.
(4) if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer or if the person submits to and completes the test or tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for 30 days for the first occurrence, two years for the second occurrence, three years for the third occurrence, four years for the fourth occurrence and permanently revoked for a fifth or subsequent occurrence;

(5) if the person submits to and completes the test or tests and the test results show for the first occurrence:
—(A) An alcohol concentration of .08 or greater, the person's driving privileges will be suspended for 30 days for the first occurrence; or
—(B) an alcohol concentration of .15 or greater, the person's driving privileges will be suspended for one year;

(6) if the person submits to and completes the test or tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year for the second, third or fourth occurrence and permanently revoked for a fifth or subsequent occurrence;

(7) if the person is less than 21 years of age at the time of the test request and submits to and completes the tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year except the person's driving privileges will be permanently revoked for a fifth or subsequent occurrence;

(8) refusal to submit to testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both;

(9) the results of the testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both; and

(10) after the completion of the testing, the person has the right to consult with an attorney and may secure additional testing, which, if desired, should be done as soon as possible and is customarily available from medical care facilities willing to conduct such testing.

(l) If a law enforcement officer has reasonable grounds to believe that the person has been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, the person shall also be provided the oral and written notice pursuant to K.S.A. 8-2,145 and amendments thereto. Any failure to give the notices required by K.S.A. 8-2,145 and amendments thereto shall not invalidate any action taken as a result of the requirements of this section. If a law enforcement officer has reasonable grounds to believe the person has been driving or attempting to drive a vehicle while having alcohol or other drugs in such person's system and such person was under 21 years of age, the person also shall be given the notices required by K.S.A. 8-1567a, and amendments thereto. Any failure to give the notices required by K.S.A. 8-1567a, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section.

(m) After giving the foregoing information, a law enforcement officer shall request the person to submit to testing. The selection of the test or tests shall be made by the officer. If the test results show a blood or breath alcohol concentration of .08 or greater, the person's driving privileges shall be subject to suspension, or suspension and restriction, as provided in K.S.A. 8-1002 and 8-1014, and amendments thereto.

(n) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both.

(o) If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .04 or greater, the person shall be disqualified from driving a commercial motor vehicle, pursuant to K.S.A. 8-2,142, and amendments thereto. If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-
2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .08 or greater, or the person refuses a test, the person’s driving privileges shall be subject to suspension, or suspension and restriction, pursuant to this section, in addition to being disqualified from driving a commercial motor vehicle pursuant to K.S.A. 8-2,142, and amendments thereto.

(p) An officer shall have probable cause to believe that the person operated a vehicle while under the influence of alcohol or drugs, or both, if the vehicle was operated by such person in such a manner as to have caused the death of or serious injury to a person. In such event, such test or tests may be made pursuant to a search warrant issued under the authority of K.S.A. 22-2502, and amendments thereto, or without a search warrant under the authority of K.S.A. 22-2501, and amendments thereto.

(q) Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

(r) It shall not be a defense that the person did not understand the written or oral notice required by this section.

(s) No test results shall be suppressed because of technical irregularities in the consent or notice required pursuant to this act.

(t) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant.

(u) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person.

(v) This act is remedial law and shall be liberally construed to promote public health, safety and welfare.

(w) As used in this section, “serious injury” means a physical injury to a person, as determined by law enforcement, which has the effect of, prior to the request for testing:

Dear Lord,
Day in and day out we walk
into this chamber to do the work before us.
In order for this to be accomplished,
there are many who do their jobs diligently
prior to our arrival.
Today I pray for our Sergeant of Arms
and the doormen who greet us each day
and help monitor the chamber.
Thank you for all the file clerks who
come in daily to be sure all the material is
in the notebooks — ready for review and action.
Thank you for all the other clerks and

In Christ’s Name I pray, Amen.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Finney, HR 6034, by Rep. Finney, as follows, was
introduced and adopted:

HOUSE RESOLUTION No. 6034—

A RESOLUTION designating May as Lupus Awareness Month.

WHEREAS, Every year, the Lupus Foundation of America designates May as National Lupus Awareness Month to show support for the estimated 1.5 million Americans who have lupus; and

WHEREAS, Lupus is an acute and chronic autoimmune disease in which the immune system is unbalanced, causing inflammation and tissue damage to virtually every organ system in the body; and
WHEREAS, Lupus can affect any part of the body, including the skin, lungs, heart, kidneys, and brain; causing seizures, strokes, heart attacks, miscarriages, and organ failure; and
WHEREAS, Despite striking mostly women of childbearing age, no one is safe from lupus. African-Americans, Hispanics, Asians and Native Americans are two to three times more likely to develop lupus - a disparity that remains unexplained; and
WHEREAS, Lupus can be particularly difficult to diagnose because its symptoms are similar to those of many other illnesses, and major gaps exist in understanding the causes and consequences of lupus. More than half of all people with lupus take four or more years and visit three or more doctors before obtaining a correct diagnosis; and
WHEREAS, There have been no new pharmaceuticals approved by the U.S. Food and Drug Administration specifically for lupus in 50 years, and current treatments for the disease can have damaging side effects; and
WHEREAS, Over 1.5 million Americans are affected by lupus: Now, therefore,

Be it resolved by the House of Representative of the State of Kansas

That we designate the month of May as Lupus Awareness Month in the State of Kansas and that we urge all Kansans to observe this month by educating themselves on the symptoms and impact of lupus, and to join with the Lupus Foundation of America in supporting programs of research, education, and community service; and

Be it further resolved: That the Clerk of the House of Representatives be directed to provide an enrolled copy of this resolution to Representative Gail Finney.

There being no objection, the following remarks of Rep. Finney are spread upon the journal:

Please join me, the Lupus Foundation of America (LFA), and several LFA chapter members as we celebrate introduction of the 2010 Lupus Awareness Resolution.

Our goal today is to inform policymakers, state agency officials, health care professionals, and the general public about the disease and the need for research program support to develop better diagnostic tests and safer, more effective treatments, and ultimately, discover the cure.

This issue is very close to me because I was diagnosed with lupus in 2004. Lupus is a chronic and life threatening autoimmune disease in which the immune system is unbalanced, causing inflammation and tissue damage to virtually every organ system in the body including the lungs, heart, kidneys, blood, skin and joints, and brain. It affects an estimated 1.5 million Americans. Its health effects include seizures, strokes, heart attacks, miscarriages, and kidney failure. Ninety percent of the people with lupus are women; however, women of all ages as well as men and children develop the disease. African American, Hispanic/Latinas, Asians, and Native Americans are two to three times more likely to develop lupus — a disparity that remains unexplained.

For your information, we have provided you a Kansas Lupus Awareness Packet including a Lupus butterfly cookie and a purple “Someone You Know Has Lupus” silicone bracelet. If you have any questions please give me a call.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Hawk, HR 6029, A resolution congratulating the A.Q. Miller School of Journalism and Mass Communications at Kansas State University for celebrating its centennial anniversary, was adopted.

There being no objection, the following remarks of Reps. Hawk and Carlin are spread upon the journal:

Rep. Hawk:
It is our privilege to recognize here in the Kansas House the 100th Anniversary of the A.Q. Miller School of Journalism and Mass Communications at Kansas State University.

For all of us serving here in the Kansas Legislature, the words of Thomas Jefferson over 200 years ago is a reminder of the importance of a free press to our system of government. President Jefferson said: “Were it left to me to decide whether we should have a government without newspapers or newspapers without a government, I should not hesitate for a moment to prefer the latter.”

Jefferson also had this sage observation: “Our liberty depends on the freedom of the press, and that cannot be limited without being lost.”

Rep. Carlin:
Joining us today to commemorate this resolution and the 100th Anniversary are Professors Gloria Freeland and Steven Smethers.

Professor Gloria Freeland, a native Kansan, is the director of the Huck Boyd National Center for Community Media and the coordinator of the 2010 centennial celebration for the School. She received both her B.A. in journalism (1975) and her M.B.A. (1983) from K-State. Her journalism experience has been extensive: working on several Kansas newspapers, a Peace Corps volunteer in Ecuador, co-manager of The San Jose News in
Costa Rica. She has also served as the communications coordinator for the International Trade Institute at K-State and worked as associate director of K-State’s Student Publications for 15 years. In addition to her K-State duties, she writes a weekly online column, “Kansas Snapshots.”

Rep. Hawk:

Dr. Steven Smethers is a Professor of Journalism and Digital Media and is the Associate Director for Graduate Studies in the A.Q. Miller School of Journalism and Mass Communications. Also a KSU Bachelor and Masters graduate, Dr. Smethers teaches undergraduate and graduate courses in journalism, and he conducts research in issues relating to community journalism. A former Kansas broadcaster, he currently serves on the Board of Directors of the Kansas Association of Broadcasters and is the faculty adviser to radio station KSDB-FM, the student radio voice of K-State.

Rep. Hawk:

One of the highlights in making this resolution today is the recognition of some of the Schools graduates . . . two of whom are serving in this body with us today: Representative Mike Burgess of Topeka, and Representative Sydney Carlin of Manhattan.

Rep. Carlin:

The school has also had some other “famous faculty and graduates over the years:” Helen Pansy Hostetter was hired in 1926, became the first woman in the United States named a full professor of journalism. Roberta Applegate was the first woman press secretary for a governor. Gordon Jump was Arthur Carlson of “WKRP” fame and also the Lonely Maytag Repairman, graduating from K-State in 1957.

The School has had two alumni in the White House: Marlin Fitzwater — Presidential press secretary for Ronald Reagan and George H.W. bush; and Pete Souza — official White House photographer for Ronald Reagan and Barack Obama.

Rep. Hawk:

From my generation attending Kansas State in the 1960’s, we have two graduates I would like to mention as examples of the excellence we have in our higher education system here in Kansas and those who have served their journalism profession admirably. First, Laura Scott was in Student Senate with me and became a State House reporter after graduation for the Kansas City Star. My appreciation goes to all of the State House Reporters who work diligently every day to carry our important work out to the public through various forms of media.

Second, Bill Busenberg, the current executive director of the Center for Public Integrity in Washington, D.C., Mr. Busenberg was the speaker for the eighth annual Huck Boyd Lecture in Community Media Sept. 20, 2007, at Kansas State University. Buzenberg, working for several newspapers from the Manhattan Mercury, The Topeka Daily Capital, and the Colorado Springs Sun, joined NPR in 1978. There he was vice president of news and information at National Public Radio from 1990 to 1997. He was responsible for launching Talk of the Nation, as well as the expansion of All Things Considered and the extension of NPR’s newscasts services to 24 hours a day. During his tenure, the NPR News Division was honored with nine DuPont-Columbia Batons and 10 Peabody Awards.

Rep. Carlin:

Some of your may wonder about the background of the name for the Miller School of Journalism and Mass Communication: A.Q. Miller was active in Kansas newspapers for 60 years. Born in 1874, he got his start as a printer’s devil on the Clifton News. He is most remembered as publisher of the Belleville Telescope. His commitment to excellence in journalism led to the presidency of the Kansas Editorial Association. He fought for national highways and good roads and he was an early leader in the fight for flood control.
Rep. Hawk:

Starting in 1911 with 18 young men, the K-State Journalism School now has over 600 majors and pre-majors, three sequences: advertising, journalism and digital media and public relations.

Professors Gloria Freeland and Steven Smthers, we would like to present you with this framed certificate to commemorate the 100th Anniversary of the K-State School of Journalism and Mass Communication. Thank you for your leadership in the school and for the tradition of excellence for the past 100 years. We wish you and the School well for the next 100 years as you provide the graduates to continue the tradition, as Jefferson articulated, of a free and active press so essential to our democracy.

HCR 5032. A PROPOSITION to amend the constitution of the state of Kansas by adding a new article 16 thereto, concerning health care.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: The constitution of the state of Kansas is amended by adding a new article 16 thereto to read as follows:

“Article 16. HEALTH CARE

§ 1. Health care. (a) To preserve the freedom of Kansans to provide for their health care:

“(1) A law or rule shall not compel, directly or indirectly, any person, employer or health care provider to participate in any health care system or purchase health insurance.

“(2) A person or employer may pay directly for lawful health care services and shall not be required to pay penalties or fines for paying directly for lawful health care services. A health care provider may accept direct payment for lawful health care services and shall not be required to pay penalties or fines for accepting direct payment from a person or employer for lawful health care services.

“(b) Subject to reasonable and necessary rules that do not substantially limit a person’s options, the purchase or sale of health insurance in private health care systems shall not be prohibited by law or rule.

“(c) This section does not:

“(1) Affect which health care services a health care provider or hospital is required to perform or provide.

“(2) Affect which health care services are permitted by law.
“(3) Prohibit care provided pursuant to the provisions relating to workers compensation.

“(4) Prohibit care provided pursuant to the provisions relating to state employee benefit programs.

“(5) Affect laws or rules in effect as of August 1, 2009.

“(6) Affect the terms or conditions of any health care system to the extent that those terms and conditions do not have the effect of punishing or penalizing a person or employer for paying directly for lawful health care services or a health care provider or hospital for accepting direct payment from a person or employer for lawful health care services.

“(d) For the purposes of this section:

“(1) “Compel” includes penalties or fines.

“(2) “Direct payment or pay directly” means payment for lawful health care services without a public or private third party, not including an employer, paying for any portion of the service.

“(3) “Health care system” means any public or private entity whose function or purpose is the management of, processing of, enrollment of individuals for or payment for, in full or in part, health care services or health care data or health care information for its participants.

“(4) “Lawful health care services” means any health-related service or treatment to the extent that the service or treatment is permitted or not prohibited by law or regulation that may be provided by persons or businesses otherwise permitted to offer such services.

“(5) “Penalties or fines” means any civil or criminal penalty or fine, tax, salary or wage withholding or surcharge or any named fee with a similar effect established by law or rule by a government established, created or controlled agency that is used to punish or discourage the exercise of rights protected under this section.”

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

“Explanatory statement. The purpose of this health care freedom amendment is to preserve constitutionally the right and freedom of Kansans to provide for their health care. This proposition would not affect which health care services a health care provider or hospital is required to perform or provide; would not affect which health care services are permitted by law; would not prohibit care provided pursuant to the general provisions relating to workers compensation; would not prohibit care pursuant to the provisions relating to state employee benefit programs; would not affect laws or rules in effect as of August 1, 2009; or would not affect the terms or conditions of any health care system to the extent that those terms and conditions do not have the effect of punishing a person or employer for paying directly for lawful health care services. Nothing in this amendment is meant to discourage anyone from purchasing health insurance.

“A vote for this proposition would preserve constitutionally the right of a person, employer or health care provider to be free from laws or rules compelling participation in any health care system; preserve constitutionally the right of a person or employer to purchase lawful health care services directly from a health care provider; preserve constitutionally the right of a health care provider to accept direct payment from a person or employer for lawful health care services; and preserve constitutionally the right to have the ability to purchase or sell health insurance in private health care systems.

“A vote against this proposition would provide for no constitutional right of a person, employer or health care provider to be free from laws or rules compelling participation in any health care system; would provide for no constitutional right of a person or employer to purchase lawful health care services directly from a health care provider; would provide for no constitutional right of a health care provider to accept direct payment from a person or employer for lawful health care services; and would provide for no constitutional right to have the ability to purchase or sell health insurance in private health care systems.”
Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2010 unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election, was considered on final action.

On roll call, the vote was: Yeas 75; Nays 47; Present but not voting: 0; Absent or not voting: 3.

Present but not voting: None.

Absent or not voting: Fund, Johnson, Neufeld.

A two-thirds majority of the members elected to the House not having voted in the affirmative, the resolution was not adopted (see further action HJ, 1275).

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on HCR 5032. I support true Health Care reform that lowers cost, improves access and portability of health insurance. Shifting the high cost of health care today from an individual to the taxpayers is not the solution.

If the medical profession loses it humaneness and instead patients become lost in a sea of bureaucracy and quotas, patients will be hurt and numerous bright and talented people will shy away from becoming doctors. Instead, we must encourage competition. I believe almost all Kansans want the right to choose the health care plan, hospital, doctor, and prescription drug plan that is best for them.—BRENDA K. LANDWEHR, AARON JAcK, PEGGY MAST, PHIL HERMANSON, MARC RHOADES, BILL WOLF, DAN KERSCHEN, J. DAVID CRUM, WILLIE Prescott, MITCH HOLMES, MARVIN KLEEB, LANA GORDON, JOE MCLELAND

MR. SPEAKER: I believe my constituents are dismayed that in the past 16 months, we as taxpayers are all now partial owners of General Motors, numerous large banks and other financial institutions, and we are co-signors on upwards of a trillion dollars worth of mortgages and student loans.

I do not believe that the federal government should own these companies or partially nationalize these industries. Likewise, I don’t believe that the Federal Government should nationalize 1/6th of our economy with this federal takeover of Health Care. Together, we should give Kansans the choice by allowing our citizens to vote on this amendment. I vote yes on HCR 5032.—CONNIE O’BRIEN, ROB OLSON, ANTHONY R. BROWN, KASHA KELLEY, S. MIKE KIEGERL

MR. SPEAKER: My great granddad rode for the Union, he along with a host of others fought to preserve that Union against those who believed in States’ Rights and as such fought to bring that Union asunder. Kansas was born by blood into that Union. Let history note that when dust becomes my quarter, Don Svaty voted for preservation of a strong Republic, and may we always remain, not 50, but one Nation under God. May this great Republic not again be torn by the doctrine of States’ Rights. I vote no on HCR 5032.—DON SVATY
Mr. Speaker, I vote yes on HCR 5032. It is my belief that the Kansas Constitution belongs to the people of this state. The people of this state deserve the opportunity to determine if they believe the Kansas Constitution should guarantee their fellow Kansans the freedom to determine if they wish to access the health insurance offered by the Federal Government. This constitutional amendment does not deny access to health care as promised by the new Federal law. Instead, the proposed amendment seeks to protect individuals from being financially penalized when they choose to not purchase health insurance as prescribed by the Federal Government.—Deena Horst

PROTEST

Mr. Speaker: Pursuant to Article 2, Section 10, of the constitution of the State of Kansas, we protest the non-adoption of HCR 5032.

The Federal Health Care legislation is a violation of the United States Constitution. The legislation is not within the powers granted to Congress through the Commerce Clause in Article I, Section 8. The legislation is unprecedented and unconstitutional because never before has Congress attempted to compel Americans to purchase any good or service simply as a requirement of lawful citizenship. Health Care has historically been a primarily a state responsibility.

Additionally, we protest the passing of Federal Health Care legislation, in part, for the following reasons:

You are young and don't want health insurance? You are starting up a small business and need to minimize expenses, and one way to do that is to forego health insurance? Tough. You have to pay $750 annually for the “privilege.” (Section 1501)

You are young and healthy and want to pay for insurance that reflects that status? You'll have to pay for premiums that cover not only you, but also the guy who smokes three packs a day, drinks a gallon of whiskey, eats chicken fat as often as possible and skydives. That’s because insurance companies will no longer be able to underwrite on the basis of a person’s health status. (Section 2701).

You would like to pay less in premiums by buying insurance with lifetime or annual limits on coverage? Health insurers will no longer be able to offer such policies, even if that is what customers prefer. (Section 2711).

Think you’d like a policy that is cheaper because it doesn’t cover preventive care or requires cost-sharing for such care? Health insurers will no longer be able to offer policies that do not cover preventive services or offer them with cost-sharing, even if that’s what the customer wants. (Section 2712).

You are an employer and you would like to offer coverage that doesn’t allow your employers' children to stay on the policy until age 26? (Section 2714).

You must buy a policy that covers ambulatory patient services, emergency services, hospitalization, maternity and newborn care, mental health and substance use disorder services, including behavioral health treatment; prescription drugs; rehabilitative and habilitative services and devices; laboratory services; preventive and wellness services; chronic disease management; and pediatric services, including oral and vision care.

You’re a single guy without children? Your policy must cover pediatric services. You’re a woman who can’t have children? Your policy must cover maternity services. You’ve never had an ounce of alcohol or drugs? Your policy must cover substance abuse treatment. (Section 1302).

Do you want a plan with lots of cost-sharing and low premiums? Well, the best you can do is a “Bronze plan,” which has benefits that provide benefits that are actuarially equivalent to 60% of the full actuarial value of the benefits provided under the plan. Anything lower than that will not be an option. (Section 1302 (d) (1) (A)).

You are an employer in the small-group insurance market and you’d like to offer policies with deductibles higher than $2,000 for individuals and $4,000 for families? (Section 1302 (c) (2) (A)).

If you are a large employer (defined as at least 101 employees) and you do not want to provide health insurance to your employee, then you will pay a $750 fine per employee (It
could be $2,000 to $3,000 under the reconciliation changes). Think you know how to better spend that money? (Section 1513).

You are an employer who offers health flexible spending arrangements and your employees want to deduct more than $2,500 from their salaries for it? Sorry, can’t do that. (Section 9005 (i)).

If you are a physician and you don’t want the government looking over your shoulder? Tough. The Secretary of Health and Human Services is authorized to use your claims data to issue you reports that measure the resources you use, provide information on the quality of care you provide, and compare the resources you use to those used by other physicians. Of course, this will all be just for informational purposes. It’s not like the government will ever use it to intervene in your practice and patients’ care. (Section 3003 (I)).

If you are a physician and you want to own your own hospital, you must be an owner and have a “Medicare provider agreement” by Feb. 1, 2010. (Dec. 31, 2010 in the reconciliation changes.) If you didn’t have those by then, you are out of luck. (Section 6001 (i) (1) (A)).

If you are a physician owner and you want to expand your hospital? Well, you can’t (Section 6001 (i) (1) (B). Unless, it is located in a county where, over the last five years, population growth has been 150% of what it has been in the state (Section 6601 (i) (3) (E)). And then you cannot increase your capacity by more than 200% (Section 6001 (i) (3) (C)).

You are a health insurer and you want to raise premiums to meet costs? Well, if that increase is deemed “unreasonable” by the Secretary of Health and Human Services it will be subject to review and can be denied. (Section 1003).

The government will extract a fee of $2.3 billion annually from the pharmaceutical industry. If you are a pharmaceutical company what you will pay depends on the ratio of the number of brand-name drugs you sell to the total number of brand-name drugs sold in the U.S. So, if you sell 10% of the brand-name drugs in the U.S., what you pay will be 10% multiplied by $2.3 billion, or $230,000,000. (Under reconciliation, it starts at $2.55 billion, jumps to $2.55 billion in 2012, then to $3.5 billion in 2017 and $4.2 billion in 2018, before settling at $2.8 billion in 2019 (Section 1404)). Think you, as a pharmaceutical executive, know how to better use that money, say for research and development? (Section 9008 (b)).

The government will extract a fee of $2 billion annually from medical device makers. If you are a medical device maker what you will pay depends on your share of medical device sales in the U.S. So, if you sell 10% of the medical devices in the U.S., what you pay will be 10% multiplied by $2 billion, or $200,000,000. Think you, as a medical device maker, know how to better use that money, say for research and development? (Section 9009 (b)).

The reconciliation package turns that into a 2.9% excise tax for medical device makers. Think you, as a medical device maker, know how to better use that money, say for research and development? (Section 1405).

The government will extract a fee of $6.7 billion annually from insurance companies. If you are an insurer, what you will pay depends on your share of net premiums plus 200% of your administrative costs. So, if your net premiums and administrative costs are equal to 10% of the total, you will pay 10% of $6.7 billion, or $670,000,000. In the reconciliation bill, the fee will start at $5 billion in 2014, $11.3 billion in 2015, $19 billion in 2017, and $14.3 billion in 2018 (Section 1406). Think you, as an insurance executive, know how to better spend that money? (Section 9010 (b) (1) (A and B)).

You will have to pay an additional 0.5% payroll tax on any dollar you make over $250,000 if you file a joint return and $200,000 if you file an individual return. Do you think you know how to spend the money you earned better than the government? (Section 9015).

That amount will rise to a 3.8% tax if reconciliation passes. It will also apply to investment income, estates, and trusts. You think you know how to spend the money you earned better than the government? (Section 1402).

Instead, Kansas should support true Health Care reform that lowers cost, improves access and portability of health insurance. Shifting the high cost of health care today from an individual to the taxpayers is not the solution.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on SB 382. This bill was passed in 2008 with a defined and narrow spectrum, catering to a specific need. I supported the measure because the advantages were directed for a specific purpose created by unique circumstances beyond our control. However, extending the benefits of a disaster relief program which will now compete with private lenders is not what I intended when we passed this measure. This is the appropriate juncture to eliminate this program, and limit the growth of government.—ARLEN SIEGFREID, S. MIKE KIEGERL, LANA GORDON

Prayer by Chaplain Brubaker:
We come to you today, O Lord, right before a break — needing some words of encouragement from You and Your Word.
I pray these words from Your Proverbs . . .
“Don’t jump to conclusions—there may be a perfectly good explanation for what you just saw.
In the heat of an argument, don’t betray confidences; word is sure to get around, and no one will trust you.
The right word at the right time is like a custom-made piece of jewelry . . . patient persistence pierces through indifference; gentle speech breaks down rigid defenses.”

(Proverbs 25:8-11; 15)
Remind us of these words throughout this day.
Congratulations to our Emporia State Girls’ Basketball Team for making the Final Four.
Watch over them — keep them healthy — and help them to play well.

In Your Son’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Grant.

(J) The trustee shall retain all liability and fiduciary responsibility for managing and
administering the permanent maintenance fund.
Sec. 21. From and after January 1, 2011, K.S.A. 17-1312a is hereby amended to read as follows: 17-1312a. (a) Each cemetery corporation formed under the laws of the state of Kansas and each foreign corporation granted a certificate of authority to own or operate a cemetery within the state of Kansas shall register with the secretary of state before commencing business in Kansas. Each cemetery corporation shall prepare and forward to the secretary of state at the time it is required to make an annual report under the Kansas general corporation code, or if no such report is required then on January 1 in each year, a statement verified by the treasurer of said corporation describing the corpus and any accumulated income on the preceding December 31, or on the last day of its fiscal year if it does not use the calendar year in its accounts, in each permanent maintenance fund established by said corporation, the cost and the market value on said date of each security then held in each such fund, and the income of and disbursements from each such fund during the calendar or fiscal year then ended. This statement shall otherwise be in such form as the secretary of state shall prescribe provisions of this act.

(c) Within 30 days following the end of each quarter, the trustee shall provide the secretary of state a report of all deposits to and distributions from the permanent maintenance fund. The report shall be in a form and manner approved by the secretary of state and shall include the total amount of the deposits, distributions and the name and contact information of the trust officer in charge of the account.

(d) Monthly, the trustee of the permanent maintenance fund shall determine and disperse to the cemetery corporation, the income for the permanent maintenance fund, less reasonable costs, taxes and fees. The trustee shall report to the secretary of state the calculation of the dispersed income within 30 days from month’s end, in a form and manner approved by the secretary of state.

(e) Whenever the secretary of state shall determine that any cemetery corporation required by this act to be registered has failed or refused to do so, the secretary of state may notify the county attorney or district attorney of the county in which such cemetery corporation is located, and such county attorney or district attorney shall commence prosecution against such cemetery corporation. Any cemetery corporation which fails to register with the secretary of state shall be liable for a civil penalty of not to exceed $1,000.

(f) Whenever and as often as deemed necessary, the secretary of state, or an employee designated by the secretary of state, may audit or otherwise examine any cemetery corporation books and accounts. Whenever such an audit or examination is so made, the cemetery corporation shall pay such expenses as shall be assessed by the secretary of state pursuant to K.S.A. 75-442, and amendments thereto.

Sec. 22. From and after January 1, 2011, K.S.A. 17-1312d is hereby amended to read as follows: 17-1312d. Any cemetery corporation which shall refuse or neglect to establish or maintain a permanent maintenance fund in accordance with the requirements of this act for each cemetery owned by it for a period of ninety (90) 60 days after demand to do so is made upon it by the secretary of state shall be deemed to have forfeited its franchise. The attorney general, upon the request of the secretary of state, shall then begin action for the appointment of a receiver for such cemetery corporation and to dissolve the same.

Sec. 23. From and after January 1, 2011, K.S.A. 17-1312e is hereby amended to read as follows: 17-1312e. (a) Except as provided by this section, all information which the secretary of state shall gather or record in making an investigation and examination of any cemetery corporation, or the reporting by the cemetery corporation or trustee, shall be deemed to be confidential information, and shall not be disclosed by the secretary of state, any assistant, examiner or employee thereof, except to: (1) Officers and the members of the board of directors of the cemetery corporation being audited; and (2) the attorney general, when in the opinion of the secretary of state the same should be disclosed; and (3) the appropriate...
official for the municipality in which the cemetery is located when in the opinion of the secretary of state the same should be disclosed.

(b) Upon request, the secretary of state may disclose to any person whether a cemetery corporation maintains a cemetery merchandise trust fund under K.S.A. 16-322, and amendments thereto, or a permanent maintenance fund under K.S.A. 17-1311, and amendments thereto, and whether such funds are maintained in compliance with the provisions of such laws.

(c) The provisions of subsection (a) shall expire on July 1, 2015, unless the legislature acts to reauthorize such provisions. The provisions of subsection (a) shall be reviewed by the legislature prior to July 1, 2015.

Sec. 24. From and after January 1, 2011, K.S.A. 17-1312g is hereby amended to read as follows: 17-1312g. (a) Cemetery corporations subject to an audit by the secretary of state pursuant to K.S.A 17-1312a, and amendments thereto, shall file, in the office of the secretary of state, a copy of the agreement or document which establishes the trust between the cemetery corporation and the trustee.

(b) The trust agreement shall acknowledge all contractual agreements subject to and governed by K.S.A. 17-1308 et seq., and amendments thereto.

(c) The secretary of state shall promulgate rules and regulations for the purpose of providing oversight and auditing of the permanent maintenance fund.

Sec. 25. From and after January 1, 2011, K.S.A. 17-1366 is hereby amended to read as follows: 17-1366. As used in this act: (a) “Abandoned cemetery” means any cemetery owned by a corporation, as defined in K.S.A. 17-1312f, and amendments thereto, in which: (1) For a period of at least one year, there has been a failure to cut grass or weeds or care for graves, grave markers, walls, fences, driveways and buildings; or for (2) for a period of 60 days which proper records have not been maintained and quarterly reports have not been made to the secretary of state, pursuant to the provisions of K.S.A. 17-1312a et seq., and amendments thereto; and

(b) “municipality” means the cemetery district in which all or any portion of an abandoned cemetery is located. If no portion of such cemetery is located within a cemetery district, the term shall mean the city in which all or any portion of an abandoned cemetery is located unless such cemetery is not within the corporate limits of a city, in which case such term shall mean the county in which such cemetery is located.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

HB 2685. An act concerning the personal and family protection act; amending K.S.A. 2009 Supp. 21-4218, 75-7c10 and 75-7c11 and repealing the existing sections, was considered on final action.

Call of the House was demanded.

On roll call, the vote was: Yeas 65; Nays 57; Present but not voting: 0; Absent or not voting: 3.

Present but not voting: None.
Absent or not voting: Fund, Johnson, Neufeld.
The bill passed, as amended.

EXPLANATIONS OF VOTE

Mr. Speaker: I am in opposition to HB 2685, legislation that would prohibit the state’s seven public universities, 19 community colleges, and six technical colleges from exercising meaningful efforts to make their campuses weapons-free.

HB 2685 seeks to amend the Personal and Family Protection Act to preclude state agencies and municipalities, including state universities, community colleges, and technical colleges, from prohibiting the carrying of a concealed weapon anywhere on campus where there is not a metal detector or other electronic equipment and personnel to detect the presence of weapons. The Board of Regents has substantial concerns about the implications of this legislation.—SYDNEY CARLIN

Mr. Speaker: I support citizen’s rights to concealed carry but am concerned about the fiscal impact, which will cost the state over $2.8 million. Mr. Speaker, this money places an additional burden on the schools, students and taxpayers of Kansas. I vote no on HB 2685.—PAT MALONEY, STEVE LUKERT

Mr. Speaker: A nation in which the government provides entirely for the personal security of its citizens is called a “police state.” While law enforcement is necessary to an orderly society, citizens must be allowed to provide their own personal security to maintain liberty. The concealed carry statutes have enabled greater ability to provide for our own personal security. I vote yes for HB 2685 to maintain greater security in unsecured public buildings.—JOE SEIWERT

Mr. Speaker: HB 2685 highlights the central philosophical divide in government; “shall government take care of individuals” or “shall government stay out of the way and let individuals care for themselves?” Posting a sign prohibiting the concealed carry of a weapon reveals the futility of government caring for us. Does government by posting a sign, and thereby denying my right to care for my own security, cause me and others to be more secure or less secure? The sign does not provide security, it takes away security. I vote yes on HB 2685.—FORREST KNOX
MR. SPEAKER: By denying law abiding, licensed citizens the right to carry a concealed firearm in a public building government is taking on the burden of providing security. By then not providing adequate security measures they are opening up for themselves liability risks. I vote yes for HB 2685.—PHIL HERMANSON, MARC RHODES, ANTHONY R. BROWN

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on SB 359. Census based funding for special education is a drastic change to the way the state allocates special education funding. The Special Education ask Force said that they need more information, after a year of study, before making this change. I have no idea how this will affect the school districts I represent. Therefore, I vote no.—MARTI CROW, ED TRIMMER, ANNIE KUETHER, SHIRLEY PALMER, GERALDINE FLAHARTY, EBER PHELPS

**EXPLANATIONS OF VOTE**

**MR. SPEAKER**: I vote no on **H. Sub. for SB 427**. Proponents of this bill were in such a hurry to pass it, that they didn’t pay attention to the testimony or the flaws in the bill. Knowingly passing flawed legislation is bad policy.

The fiscal note states that it’s possible to collect up to $7 million, but the administrative costs are estimated at $625,000 in FY2011. KDOR cannot absorb this cost, having cut their budget 26.6%.
It undermines our current collection efforts by allowing pay plans. Amnesty is supposed to encourage full payment, by eliminating penalty and interest. We could actually lose money on this.—JULIE MENGHINI, TOM HAWK

MR. SPEAKER: I vote no on H. Sub. for SB 427. The Amnesty lasts too long. The amnesty that Kansas did in 2003 lasted two months, and most of the money came the last 15 days. Dragging it out takes valuable staff resources from collections, and won’t produce more revenue. This period is a full three months and will definitely impact current collections.

This amnesty encourages bad habits. If you are currently have tax debt and are on a pay play, which most are, then this encourages people to break their current pay plan, wait until September, and get relieved of the interest that you would otherwise have had to pay.—STAN FROWNFELTER

MR. SPEAKER: I vote no on H. Sub. for SB 427. It encourages people to delay paying their 2010 taxes. Since the bill applies to the 2009 tax year liability, you could just blow off the filing deadline (April 15, 2010), not even file until September 1, then apply for amnesty in September (you would have to file your return then and set up a pay plan), but YOU WOULD HAVE UNTIL JUNE 30, 2011 TO PAY—WITH NO PENALTY AND INTEREST! Better than a payday loan!—MELODY MCCRAY-MILLER

MR. SPEAKER: I vote no on H. Sub. for SB 427. This amnesty is a money loser in 2011. While this bill might bring in a few extra dollars this year, (the discussion in committee was about $9 million after expenses) we will see collections drop in the next year of an equal amount. Accelerating these collections is disruptive to our normal collections process and data from the previous amnesty and the experience of other states will show that over time, you don’t gain as much as a well focused collection effort, which we currently have in Kansas.—CINDY NEIGHBOR

MR. SPEAKER: I vote yes on H. Sub. for SB 427. For those of us who have been in the Legislature for some time, the benefits of tax amnesty programs have proven to be reliable. In most years, this would be viewed as a nominal amount of money to be generated, but in such desperate times it is simply foolish to ignore this opportunity while our most vulnerable suffer. It’s one of the most harmless mechanisms available to us in raising critical revenue, and a common sense way to balance this budget without raising taxes.—ARLEN SIEGFREID

SB 452, An act concerning alcoholic beverages; relating to licenses and eligibility; alcoholic beverages; amending K.S.A. 2009 Supp. 41-102, 41-311 and 41-727 and repealing the existing sections, was considered on final action.

Present but not voting: None.

Absent or not voting: Fund, Johnson, Neufeld.

A two-thirds majority of the members elected to the House having voted in the affirmative, the resolution was adopted as amended.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on SCR 1614. Kansas certainly needs an emergency fund. However, we need one that provides real benefits for Kansas by providing a significant amount of money to help the Legislature deal with economic downturns. If SCR 1614 had been in place since 1990, the fund would only have $260 million at the start of FY 2010. And that amount would only be there if no money was removed during the 2002 recession. SCR 1614 is a constitutional amendment, therefore we only have one shot at getting it right. In its current form SCR 1614 is not right.—Virgil Peck, Jr., Arlen Siegfried

The tax imposed upon such cigarettes, tax stamps and meter imprints shall be imposed only once under this act. The director shall remit all moneys collected pursuant to this section to the state treasurer who shall credit the entire amount thereof to the state general fund.

(2) On or before January 30, 2003, each wholesale dealer, retail dealer and vending machine operator shall file a report with the director in such form as the director may prescribe showing cigarettes, cigarette stamps and meter imprints on hand at 12:01 a.m. on January 1, 2003. A tax of $.09 on each 20 cigarettes or fractional part thereof or $.115 on each 25 cigarettes, as the case requires and $.09 or $.115, as the case requires upon all tax stamps and all meter imprints purchased from the director and not affixed to cigarettes prior to January 1, 2003, is hereby imposed and shall be due and payable in equal installments on or before January 30, 2003, on or before March 30, 2003, and on or before June 30, 2003. The tax imposed upon such cigarettes, tax stamps and meter imprints shall be imposed only once under this act. The director shall remit all moneys collected pursuant to this section to the state treasurer who shall credit the entire amount thereof to the state general fund.

Sec. 11. K.S.A. 2009 Supp. 79-3311 is hereby amended to read as follows: 79-3311. The director shall design and designate indicia of tax payment to be affixed to each package of cigarettes as provided by this act. The director shall sell water applied stamps only to licensed wholesale dealers in the amounts of 1,000 or multiples thereof. Stamps applied by the heat process shall be sold only in amounts of 30,000 or multiples thereof, except that such stamps which are suitable for packages containing 25 cigarettes each shall be sold in amounts prescribed by the director. Meter imprints shall be sold only in amounts of 10,000 or multiples thereof. Water applied stamps in amounts of 10,000 or multiples thereof and stamps
applied by the heat process and meter imprints shall be supplied to wholesale dealers at a
discount of .90% on and after July 1, 2002, and before January 1, 2003, and .80%
thereafter from the face value thereof, and shall be deducted at the time of purchase or
from the remittance therefor as hereinafter provided. Any wholesale cigarette dealer who
shall file with the director a bond, of acceptable form, payable to the state of Kansas with
a corporate surety authorized to do business in Kansas, shall be permitted to purchase
stamps, and remit therefor to the director within 30 days after each such purchase, up to a
maximum outstanding at any one time of 85% of the amount of the bond. Failure on the
part of any wholesale dealer to remit as herein specified shall cause for forfeiture of such
dealer’s bond. All revenue received from the sale of such stamps or meter imprints shall be
remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and
amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit
the entire amount in the state treasury. The state treasurer shall first credit such amount as
the director shall order to the cigarette tax refund fund and shall credit the remaining
balance to the state general fund. A refund fund designated the cigarette tax refund fund
not to exceed $10,000 at any time shall be set apart and maintained by the director from
taxes collected under this act and held by the state treasurer for prompt payment of all
refunds authorized by this act. Such cigarette tax refund fund shall be in such amount as
the director shall determine is necessary to meet current refunding requirements under this
act.

The wholesale cigarette dealer shall affix to each package of cigarettes stamps or tax meter
imprints required by this act prior to the sale of cigarettes to any person, by such dealer or
such dealer’s agent or agents, within the state of Kansas. The director is empowered to
authorize wholesale dealers to affix revenue tax meter imprints upon original packages of
cigarettes and is charged with the duty of regulating the use of tax meters to secure payment
of the proper taxes. No wholesale dealer shall affix revenue tax meter imprints to original
packages of cigarettes without first having obtained permission from the director to employ
this method of affixation. If the director approves the wholesale dealer’s application for
permission to affix revenue tax meter imprints to original packages of cigarettes, the director
shall require such dealer to file a suitable bond payable to the state of Kansas executed by
a corporate surety authorized to do business in Kansas. The director may, to assure the
proper collection of taxes imposed by the act, revoke or suspend the privilege of imprinting
tax meter imprints upon original packages of cigarettes. All meters shall be under the direct
control of the director, and all transfer assignments or anything pertaining thereto must first
be authorized by the director. All inks used in the stamping of cigarettes must be of a special
type devised for use in connection with the machine employed and approved by the director.
All repairs to the meter are strictly prohibited except by a duly authorized representative of
the director. Requests for service shall be directed to the director. Meter machine ink
imprints on all packages shall be clear and legible. If a wholesale dealer continuously issues
illegible cigarette tax meter imprints, it shall be considered sufficient cause for revocation
of such dealer’s permit to use a cigarette tax meter.

A licensed wholesale dealer may, for the purpose of sale in another state, transport cig-
arettes not bearing Kansas indicia of tax payment through the state of Kansas provided such
cigarettes are contained in sealed and original cartons.

Sec. 12. K.S.A. 2009 Supp. 79-3312 is hereby amended to read as follows: 79-3312. The
director shall redeem any unused stamps or meter imprints that any wholesale dealer pres-
ents for redemption within six months after the purchase thereof, at the face value less .90%
.66% on and after July 1, 2002, and before January 1, 2003, and .80% thereafter thereof
if such stamps or meter imprints have been purchased from the director. The director shall
prepare a voucher showing the net amount of such refund due, and the director of accounts
and reports shall draw a warrant on the state treasurer for the same. Wholesale dealers shall
be entitled to a refund of the tax paid on cigarettes which have become unfit for sale upon
proof thereof less .90% .66% on and after July 1, 2002, and before January 1, 2003, and
.80% thereafter 2010, of such tax.

Prayer by Chaplain Brubaker:

On this Monday of Holy Week,
we are reminded that on this day
You cursed the fig tree.
The lesson you taught behind this action was
to have faith in God.
You taught us that,
“whatever we ask for in prayer,
believe that we have received,
and it will be ours.”
(Mark 11:24)
You continue that thought with,
“. . . when we stand praying,
if we hold anything against anyone,
forgive him, so that our Father in heaven
may forgive us our sins.”
(Mark 11:25)
Today, Lord, we have much to pray for
to seek Your assistance.
But first, help us to put aside all of our differences,
and determine to work together in unity.
In Your Son’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Jack.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE RESOLUTION No. 6036—

A RESOLUTION requiring the Attorney General of the State of Kansas to bring an action challenging the constitutionality of the Federal health care reform package.

WHEREAS, The United States Constitution establishes a limited federal government, as expressed in the Bill of Rights, that protects the freedom of individuals and the rights of states; and

WHEREAS, The United States Congress is urged to enact legislation that respects and recognizes the rights of individuals, families, groups and communities to make decisions about their health care insurance and treatment options; and

WHEREAS, The “individual mandate” provision included in the health care reform package requires all individuals to purchase health insurance products and services; and

WHEREAS, Such individual mandates are contrary to the rights of a free and prosperous people and deny individuals the right to make one of the most basic health care decisions for themselves and their loved ones; and

WHEREAS, The United States Supreme Court has recognized each individual’s freedom to refuse health care treatment; and

WHEREAS, On January 19, 2010, Florida Attorney General Bill McCollum sent to Congressional leaders an analysis in which he outlined the unconstitutionality of the individual health care mandates; and

WHEREAS, According to Attorney General McCollum’s analysis, the United States Congress does not possess the constitutional authority to compel individuals under threat of government fines or taxes to purchase an unwanted product or service simply as a condition of living in this country; and

WHEREAS, With the legislation now passed, Attorney General McCollum has stated that he will be compelled to file suit to challenge the constitutionality of that provision; and

WHEREAS, Currently, numerous other states including South Carolina, Nebraska, Texas, Utah, Pennsylvania, Washington, North Dakota, South Dakota, Alabama, Michigan, Virginia, Idaho and Colorado have agreed to join in the suit; and

WHEREAS, The Patient Protection and Affordable Care Act, H.R. 3590 is also before Congress; and

WHEREAS, The Senate version of H.R. 3590 provides that the federal government would bear the cost of newly eligible Nebraska medicaid enrollees, but all other states would be required to appropriate funds to pay for H.R. 3590’s new medicaid mandates; and

WHEREAS, The fundamental unfairness of H.R. 3590 may give rise to claims under the due process, equal protection, privileges and immunities clauses and other provisions of the Constitution; Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That in accordance with K.S.A. 75-702, the Attorney General of the State of Kansas is hereby required to bring an action in the United States District Court challenging the Federal health care package in order to protect the rights and freedoms that have been guaranteed Kansans under the Constitution of the United States of America.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
On Tuesday of Holy Week,
Jesus taught in the Temple.
His taught about subjects that we deal with today:
issues of authority, land owners, laborers,
marrige and taxes.
He even came down hard on those leaders
who placed burdens upon the people
that were next to impossible to bear.
But the most important thing He taught was
how all the commandments of God are
summarized into these two:
‘Love the Lord your God with all your heart
and with all your soul and with all your mind.
And the second is like it: ‘Love your neighbor as yourself.’
(Matthew 22:37-38)
May it be said of us today that our words and actions
reflect this teaching in our lives.
In Christ’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Frownfelter.

INTRODUCTION OF GUESTS
There being no objection, the following remarks of Reps. Mah, Worley and Meier are
spread upon the journal:

Rep. Mah: March 30 marks the anniversary of the date of the completion in 1973 of the
withdrawal of US combat units from the former South Vietnam. In many cases, our veterans
were not welcomed back with gratitude and were too often blamed for the failings of a war
waged under four administrations.

This is why the Vietnam Veterans of America endorses the establishment of March 30 as
“Welcome Home Vietnam Veterans Day”. We have with us today the following members
of the Danny J. Petersen VVA Chapter 604: Ronald Zink, Roy Dunn, Kenny Bowen, Laro
Hill, Verlin Jones, Herbert Kessler, Ralph Knehans, Donald Munn, Denise Myers, Ken
Smith, Robert Romero, Blas Ortiz, Linda Ortiz, Ronald Ruppert, Gilbert Ramirez, Bill
Pleifer and Roger Beach.
We also have in our own chamber Vietnam Veteran Rep. Worley and Iraq veteran Rep. Meier who will tell us more about the Welcome Home effort. And we would like to invite down to the well any other Vietnam veterans or spouses of Vietnam Veterans in the House at this time.

Rep. Worley: To express our support and thanks to Vietnam Veterans here and across Kansas, I would like to read a portion of Senate Resolution No. 451 passed by the US Senate by unanimous consent on March 19, 2010. Expressing support for designation of a ‘Welcome Home Vietnam Veterans Day.’

Whereas members of the United States Armed Forces began serving in an advisory role to the Government of the Republic of South Vietnam in 1961;
Whereas, in 1965, United States Armed Forces ground combat units arrived in Vietnam;
Whereas, by the end of 1965, there were 50,000 United States troops in Vietnam, and by 1969, a peak of approximately 543,000 troops was reached;
Whereas, on January 27, 1973, the Treaty of Paris was signed, which required the release of all United States prisoners-of-war held in North Vietnam and the withdrawal of all United States Armed Forces from South Vietnam;
Whereas, on March 30, 1973, the United States Armed Forces completed the withdrawal of combat units and combat support units from South Vietnam;
Whereas more than 58,000 members of the United States Armed Forces lost their lives in Vietnam and more than 300,000 members of the Armed Forces were wounded;
Whereas the Vietnam War was an extremely divisive issue among the people of the United States and a conflict that caused a generation of veterans to wait too long for the United States public to acknowledge and honor the efforts and services of such veterans;
Whereas members of the United States Armed Forces who served bravely and faithfully for the United States during the Vietnam War were often wrongly criticized for the policy decisions made by 4 presidential administrations in the United States;
Whereas the establishment of a ‘Welcome Home Vietnam Veterans Day’ would be an appropriate way to honor those members of the United States Armed Forces who served in South Vietnam and throughout Southeast Asia during the Vietnam War;
And Whereas March 30, 2010, would be an appropriate day to establish as ‘Welcome Home Vietnam Veterans Day’:

Rep. Meier:
Now, therefore, be it Resolved, That the Senate—
(1) honors and recognizes the contributions of veterans who served in the United States Armed Forces in Vietnam during war and during peace;
(2) encourages States and local governments to also establish ‘Welcome Home Vietnam Veterans Day’; and
(3) encourages the people of the United States to observe ‘Welcome Home Vietnam Veterans Day’ with appropriate ceremonies and activities that—
provide the appreciation Vietnam War veterans deserve, but did not receive upon returning home from the war;
and promote opportunities for such veterans to assist younger veterans returning from the wars in Iraq and Afghanistan in rehabilitation from wounds, both seen and unseen, and to support the reintegration of younger veterans into civilian life.
We encourage cities and counties throughout Kansas to recognize March 30, 2010, as Welcome Home Vietnam Veteran’s Day and provide appropriate recognition and promote opportunities to assist younger veterans returning from the wars in Iraq and Afghanistan in their rehabilitation and to support the reintegration of younger veterans into civilian life. Please join us in Welcoming Home our Vietnam Veterans.
We would also like the veterans of Desert Storm, Desert Shield, Just Cause, or any other recent deployments the United States has engaged in to stand and be recognized.

### LEGEND
- Presumptive Probation
- Border Box
- Presumptive Imprisonment
(b) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. Sentences expressed in such grid represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid’s vertical axis is the crime severity scale which classifies current crimes of conviction. The grid’s horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to judicial discretion to deviate for substantial and compelling reasons and impose a different sentence in recognition of aggravating and mitigating factors as provided in this act. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender’s criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. The sentencing judge shall select the center of the range in the usual case and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the prison sentence, the maximum potential reduction to such sentence as a result of good time and the period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the prison sentence as well as the duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and

(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or

(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence if the offense is classified in grid blocks 5-H, 5-I or 6-G shall not be subject to appeal.

(g) The sentence for the violation of K.S.A. 21-3415, and amendments thereto, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or K.S.A. 21-3411, and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant’s sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence, if the offense is classified in grid block 6-H or 6-I, shall not be considered a departure and shall not be subject to appeal.

(h) When a firearm is used to commit any person felony, the offender’s sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence upon making a finding on the record that the nonprison sanction will serve community safety interests by promoting offender reformation. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(i) The sentence for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall be as provided by the specific mandatory
sentencing requirements of that section and shall not be subject to the provisions of this section or K.S.A. 21-4707 and amendments thereto. If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 21-4707, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 21-3710, and amendments thereto. Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 8-1567, subsection (b)(3) of K.S.A. 21-3412a, subsections (b)(3) and (b)(4) of K.S.A. 21-3710, K.S.A. 21-4310 and K.S.A. 21-4318, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, “persistent sex offender” means a person who: (A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto; and (ii) at the time of the conviction under paragraph (A) (i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717 and amendments thereto in this state or comparable felony under the laws of another state, the federal government or a foreign government; or (B) (i) has been convicted of rape, K.S.A. 21-3502, and amendments thereto; and (ii) at the time of the conviction under paragraph (B) (i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in paragraph (2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender’s sentence shall be presumed imprisonment. Any decision made by the court regarding the imposition of the optional nonprison sentence shall not be considered a departure and shall not be subject to appeal. As used in this subsection, “criminal street gang” means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities the commission of one or more person felonies or felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, which has a common name or common identifying sign or symbol, whose members, individually or collectively engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of K.S.A. 2009 Supp. 21-36a01 through 21-36a17, and amendments thereto, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a) of K.S.A. 21-3715 and amendments thereto when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715 or 21-3716 and amendments thereto shall be presumed imprisonment.

(m) The sentence for a violation of K.S.A 22-4903 or subsection (d) of K.S.A. 21-3812, and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence upon making the following findings on the record:

1. An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism, such program is avail-
able and the offender can be admitted to such program within a reasonable period of time; or

(2) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence pursuant to this section shall not be considered a departure and shall not be subject to appeal.

(n) The sentence for a third or subsequent violation of subsection (b) of K.S.A. 21-3705, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of K.S.A. 21-3701 or 21-3715, and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto; or the sentence for a felony violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 21-4729, and amendments thereto, shall apply to a defendant sentenced under this subsection.

The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of K.S.A. 21-3701, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716 and amendments thereto, or the sentence for a violation of K.S.A. 21-3715, and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender’s term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision.
The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) The sentence for a violation of subsection (a)(2) of K.S.A. 21-3413, and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(r) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months’ imprisonment.

(2) The sentence imposed pursuant to paragraph (1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, “ballistic resistant material” means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.”;

Mr. President and Mr. Speaker: Your committee on conference on House amendments to SB 62, submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill, as printed with House Committee amendments, as follows:

On page 1, following line 18, by inserting the following:
New Section 1. (a) A physician or other health care professional who is otherwise authorized by law to provide medical treatment to a pregnant woman shall take or cause to be taken, during the first trimester of pregnancy, a routine opt-out screening for HIV infection. When the physician or other health care professional determines certain pregnant women to be at high risk for acquiring HIV infection, such women shall be administered a repeat screening during the third trimester or at the time of labor and delivery. When a pregnant woman’s HIV status is unknown for any reason at the time of labor and delivery, such woman shall be screened for HIV infection as soon as possible within medical standards. When an HIV rapid test kit is used for screening, a confirmatory sample shall be submitted for serological testing which meets the standards recognized by the United States public health service for the detection of HIV to a laboratory approved by the secretary of health and environment for such serological tests. A pregnant woman shall have the right to refuse screening under this subsection at any time. Before any screening is performed under this subsection, the pregnant woman shall be informed in writing of the provisions of this subsection and the purposes and benefits of the screening, and the pregnant woman shall sign a form provided by the department of health and environment to authorize or opt-out of the screening. The form shall contain the following wording: “I test all of my pregnant patients for HIV as part of the panel of routine tests to alert me to any conditions that can have a very serious effect on your pregnancy and your baby. You will be tested for HIV unless you tell me not to.”

(b) When the mother’s HIV status is unknown because of refusal to take such screening during the pregnancy or any other reasons, such mother’s newborn child shall be screened with an HIV test as soon as possible within medical standards to determine if prophylaxis is needed. A mother’s or a guardian’s consent is not required to screen such newborn child, except that this subsection shall not apply to any newborn child whose parents object to the test as being in conflict with their religious tenets and practices. Documentation of a mother’s HIV status shall be recorded in both the mother’s and newborn’s medical records. The mother of the child shall be informed in writing of the provisions of this subsection and of the purposes and benefits of the screening and shall sign a form stating that the mother has received the information.

(c) The secretary of health and environment is hereby authorized to adopt rules and regulations, within six months from the effective date of this section, establishing guidelines for routine HIV infection screening for pregnant women and each newborn child where the HIV status of the mother is unknown at the time of birth. These rules and regulations shall be based on the recommendations and best practices established by the United States centers for disease control and prevention and public health service task force recommendations for use of antiretroviral drugs in pregnant HIV infected women for maternal health and interventions to reduce perinatal HIV transmission in the United States.

(d) As used in this section, physician, HIV and HIV infection have the meanings defined in K.S.A. 65-6001, and amendment thereto.

(e) This section shall be effective on and after July 1, 2010.

(c) Persons licensed under this act to engage in the practice of speech-language pathology or audiology shall not be deemed to be engaged in the practice of the healing arts when practicing under and in accordance with this act.

In each case in which a license or certificate is renewed for a period of time of less than one year, the board may prorate the amount of the fee established under K.S.A. 65-2911 and amendments thereto. The request for renewal shall be on a form provided by the board and shall be accompanied by the renewal fee established under K.S.A. 65-2911 and amendments thereto which shall be paid not later than the expiration date of the license or certificate.

(b) The board shall require every licensed physical therapist or certified physical therapist assistant as a condition of renewal to submit with the application for a renewal evidence of satisfactory completion of a program of continuing education required by the board. The board shall establish the requirements for each such program of continuing education by rules and regulations. In establishing such requirements the board shall consider any existing programs of continuing education currently being offered to licensed physical therapists or certified physical therapist assistants.

(c) At least 30 days before the expiration of the license of a physical therapist or the certificate of a physical therapist assistant, the board shall notify the licensee or certificate holder of the expiration by mail addressed to the licensee’s last mailing address as noted upon the office records. If the licensee or certificate holder fails to pay the renewal fee by the date of expiration, the licensee or certificate holder shall be given a second notice that the license or certificate has expired and the license or certificate may be renewed only if the renewal fee and the late renewal fee are received by the board within the thirty-day period following the date of expiration and that, if both fees are not received within the thirty-day period, the license or certificate shall be canceled for failure to renew and shall be reissued only after the physical therapist or physical therapist assistant has been reinstated under subsection (d).
(d) Any licensee or certificate holder who allows the license or certificate to be canceled by failing to renew may be reinstated upon recommendation of the board, upon payment of the reinstatement fee and upon submitting evidence of satisfactory completion of any applicable reeducation and continuing education requirements established by the board. The board shall adopt rules and regulations establishing appropriate reeducation and continuing education requirements for reinstatement of persons whose licenses or certificates have been canceled for failure to renew.

The board is authorized to issue an inactive license to any physical therapist who makes written application for a license as a physical therapist on a form provided by the board and remits the fee established pursuant to K.S.A. 65-2911, and amendments thereto. The board may issue an inactive license only to a person who meets all the requirements for a license to practice as a physical therapist and who does not actively practice as a physical therapist in this state. An inactive license shall not entitle the holder to render professional services as a physical therapist. The provisions of subsections (c) and (d) relating to expiration, renewal and reinstatement of a license shall be applicable to an inactive license issued under this subsection. Each inactive licensee may apply to engage in active practice by providing to the board proof that a policy of professional liability insurance will be maintained in compliance with K.S.A. 2009 Supp. 65-2920, and amendments thereto, and rules and regulations adopted by the board.

(2) For the licensee whose license has been inactive for less than two years, the board shall adopt rules and regulations establishing appropriate continuing education requirements for exempt licensees to become licensed to regularly practice physical therapy within Kansas. (f) (1) There is hereby created a designation of exempt license. The board is authorized to issue an exempt license to any licensee who makes written application for such license on a form provided by the board and remits the fee for an exempt license established pursuant to K.S.A. 65-2911, and amendments thereto. The board may issue an exempt license to a person who is not regularly engaged in the practice of physical therapy in Kansas and who does not hold oneself out to the public as being professionally engaged in such practice. An exempt license shall entitle the holder to all privileges attendant to the practice of physical therapy for which such license is issued. Each exempt license may be renewed subject to the provisions of this section. Each exempt licensee shall be subject to all provisions of the physical therapy act, except as otherwise provided in this subsection. The holder of an exempt license shall be required to submit evidence of satisfactory completion of a program of continuing education required by this section. Each exempt licensee may apply for a license to regularly engage in the practice of physical therapy upon filing a written application with the board. The board may issue a federally active license only to a person who meets all the requirements for a license to practice physical therapy in Kansas and who practices that branch of physical therapy solely in the course of employment or active duty in the United States government or any of its departments, bureaus or agencies. A person issued a federally active license may engage in limited practice outside of the course of federal employment consistent with the scope of practice of exempt licenses under subsection (f), except that the scope of practice of a federally active licensee shall be limited to providing direct patient care services gratuitously or providing supervision, direction or consultation for no compensation except that nothing in this subsection (g)(1) shall prohibit a person licensed to practice physical therapy issued a federally active license from receiving payment for subsistence allowances or actual and necessary expenses incurred in providing such services; and rendering professional services as a charitable health care provider as defined in K.S.A. 75-6102, and amendments thereto.

Such return shall contain such information and be made upon forms prescribed and provided by the director of taxation and provided by the county clerk. On or before June 30 of each year, the director of taxation shall certify to the county clerk of each county the amount of taxable earnings received by each taxpayer during the taxable year of the taxpayer ending in the preceding calendar year. The county clerk shall compute the tax due and payable on such taxable earnings of each taxpayer and shall certify such amount to the county treasurer. The director of taxation shall include forms prescribe to the county clerk the form for the making of such return and a current listing of each taxing subdivision imposing a tax on gross earnings derived from money, notes and other evidence of debt for which the listing has been received pursuant to subsection (d) of K.S.A. 12-1,101 by July 15 of the year preceding the year of imposition of the tax with each state income tax return distributed by the state department of revenue.

(b) A return listing the gross earnings of every resident conservatee which are taxable pursuant to this act shall be filed by the conservator of such conservatee. The return of every resident minor shall be filed by the minor’s father, if living and of sound mind, but if such father is not living or is an incapacitated person, by the minor’s mother or if neither the father or mother is living, by the person having possession or control of the minor’s property.

A return listing the gross earnings of a resident trustee or cotrustee of a revocable trust created by a resident settlor which are taxable pursuant to this act shall be filed by the resident settlor. A return listing the gross earnings of a resident trustee or cotrustee of an irrevocable or testamentary trust created by a resident settlor or a resident decedent which are taxable pursuant to this act shall be filed by any beneficiary residing in this state who receives earnings from such trust, to the extent of such earnings, otherwise a return listing such gross earnings shall be filed by the resident trustee to the extent that such earnings are not distributed. A nonresident beneficiary shall not be obligated to file a return listing earnings taxable pursuant to this act nor shall the trustee be obligated to file a return listing the same to the extent they were distributed to a nonresident beneficiary. Where a resident trustee or cotrustee is acting under a revocable, irrevocable or testamentary trust of a nonresident settlor or nonresident decedent, the trustee shall not be required to file a return listing earnings taxable pursuant to this act, but any beneficiary of such trust, residing in this state, who receives or is entitled to receive such earnings from such trust shall be required to file a return. Any resident of this state including the settlor of a revocable trust who receives or is entitled to receive earnings taxable pursuant to this act from a trust, not having a situs in this state, shall file a return listing such resident’s share of such earnings.
For the purposes of this act, a settlor of a revocable trust shall be deemed to be entitled to the gross earnings on money, notes and other evidence of debt of such trust whether or not such settlor actually receives the same and a beneficiary shall be deemed to be entitled to a share of such earnings if all or a specific part or percentage of the net income of the trust must be distributed to such beneficiary or if the beneficiary may withdraw all or a specific part of the net income. If such beneficiary may receive earnings only on the exercise of discretion by the trustee or on the occurrence of an event outside of the beneficiary's sole control such beneficiary shall not be deemed to have received the earnings and shall file a return listing only earnings actually received. If earnings of a trust which are taxable pursuant to this act are accumulated and subsequently distributed in a different calendar year than the year in which received by the trust and if the same are reported as income under the revenue laws of Kansas and regulations promulgated thereunder, and if a return listing such earnings has not been filed by the trustees in the year in which earned, then a return listing such earnings shall be filed by such beneficiary in the year in which the same are reported under the revenue laws of Kansas, but otherwise a return listing the same shall not be filed. Where the beneficiary of any trust is required to file a return listing earnings which are taxable pursuant to this act and which are held in trust, such beneficiary for purposes of this act shall be deemed to have received or to be entitled to receive such beneficiary's pro rata share of the earnings without specific allocation, unless the trust provides otherwise, and based upon the proportion which the beneficiary's share of the earnings bears to the total earnings of the trust. A return listing gross earnings taxable under this act which belong to the estate of a resident decedent shall be filed by the executor or administrator. If the decedent is a nonresident, such executor or administrator shall not be required to file a return listing such gross earnings.

A return listing the gross earnings of persons, companies or corporations which are taxable pursuant to this act, whose assets are in the hands of receivers shall be filed by such receivers and a return listing the gross earnings belonging to a corporation, and subject to this act, shall be filed by some person designated for that purpose by such corporation.

Unless subject to tax by reason of K.S.A. 12-1,103, and amendments thereto, no return listing the gross earnings from money, notes and other evidence of debt collected or received by any agent or representative of any person, company, or corporation, which is to be transmitted immediately to such person, company or corporation, shall be filed by such agent or representative, but such agent or representative shall, upon request, state under oath the amount of such money or credits and to whom the same has been transmitted.

Taxes levied pursuant to this act shall be paid by the person or fiduciary required to file such return.

Sec. 7. K.S.A. 2009 Supp. 79-2971 is hereby amended to read as follows: 79-2971. (a) Any individual who is responsible for collection or payment of excise taxes imposed under the provisions of K.S.A. 12-1692 et seq., 12-1696 et seq., 41-501 et seq., 79-3301 et seq., 79-3370 et seq., 79-3401 et seq., 79-3490 et seq., 79-34,108 et seq., 79-3817 et seq., 79-4101 et seq., or 79-41a01, and amendments thereto, or for control, receipt, custody or disposal of funds due and owing under such acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the taxpayer held by such individual; (2) form under which the taxpayer conducts business, whether a sole proprietorship, partnership or corporation; or (3) dissolution of the business. As used in this section, “willfully” has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment to a respon-
sible individual must be issued within three years after the proceeding against the business became final.

(c) Within 60 days after the mailing of a notice of assessment to a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a), and for a determination of the tax liability of the business.

(d) If a notice of assessment and a warrant are issued to a responsible individual pursuant to a jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

Sec. 8. K.S.A. 2009 Supp. 79-3298 is hereby amended to read as follows: 79-3298. (a) Every employer, payer, person or organization deducting and withholding tax shall remit the taxes and file returns in accordance with the following provisions:

(1) Whenever the total amount withheld exceeds $100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in accordance with the following schedule: Each calendar month shall be divided into four remittance periods that end on the 7th, 15th, 21st and the last day of such month. If at the end of any one or all of such remittance periods the total undeposited taxes equal or exceed $667, the taxes shall be remitted within three banking days. Saturdays, Sundays and legal holidays shall not be treated as banking days.

(2) Whenever the total amount withheld exceeds $8,000 but does not exceed $100,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the first 15 days of any month on or before the 25th day of the month. The employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld for wages paid during the remainder of that month on or before the 10th day of the following month.

(3) Whenever the total amount withheld exceeds $1,200 but does not exceed $8,000 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during any month on or before the 15th day of the following month.

(4) Whenever the total amount withheld exceeds $200 but does not exceed $1,200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld in any calendar quarter on or before the 25th day of the first month following the end of that calendar quarter.

(5) Whenever the total amount withheld does not exceed $200 in any calendar year, the employer, payer, person or organization deducting and withholding tax shall remit the taxes withheld during that year on or before January 25 of the following year.

(b) Each remittance required under the provisions of subsection (a) shall be accompanied by a Kansas withholding tax remittance form and shall be filed in the manner prescribed and furnished by the director, including electronic filing.

(c) Every employer, payer, person or organization deducting and withholding tax and making remittances pursuant to subsection (a) shall file a return on a form or in the format prescribed and furnished by the director, including electronic filing, for each calendar year on or before the last day of February of the following year.

(d) The excess of any remittance over the actual taxes withheld in any withholding period shall be credited against the liability for following withholding periods until exhausted. A refund shall be allowed in accordance with K.S.A. 79-32,105, and amendments thereto, where an overpayment cannot be adjusted by an offset against the liability for a subsequent withholding period.

(e) For purposes of determining filing requirements, determinations of amounts withheld during a calendar year by employers, payers, persons or organizations deducting and withholding tax shall be made by the director upon the basis of amounts withheld by those employers, payers, persons or organizations during the preceding calendar year or by estimates in cases of employers, payers, persons or organizations having no previous withholding
histories. The director is hereby authorized to modify the filing schedule for any employer, payer, person or organization deducting and withholding tax when it is apparent that the original determination was inaccurate.

(f) Whenever the director has cause to believe that money withheld by an employer, payer, person or organization deducting and withholding tax pursuant to this act may be converted, diverted, lost, or otherwise not timely paid in accordance with this section, the director shall have the power to require returns and payment from any such employer, payer, person or organization at any time at more frequent intervals than prescribed by this section in order to secure full payment to the state of all amounts withheld by such employer, payer, person or organization in accordance with this act.

Sec. 9. K.S.A. 2009 Supp. 79-32,100c is hereby amended to read as follows: 79-32,100c. (a) If an employer, payer, person or organization deducting and withholding tax fails to deduct and withhold the tax as required under this act, and thereafter, the income tax against which the tax may be credited is paid, the tax required to be deducted and withheld shall not be collected from the employer, payer, person or organization. The payment of such tax does not, however, operate to relieve the employer, payer, person or organization from liability for penalties, interest or additions to the tax applicable with respect to such failure to deduct and withhold. The employer, payer, person or organization shall not be relieved under this provision from liability for payment of the tax required to be withheld unless it can be shown that the income tax against which the tax required to be withheld under this act may be credited has been paid.

(b) Every agent or other person having control, receipt, custody or disposal of, or paying the wages of an employee or group of employees employed by one or more employers, is for the purpose of this act designated to be an employer. In the case of the corporation, the officers and board of directors are likewise considered employers. Employers of classes named in this section shall be subject to all the provisions of law including penalties as is their principal. Any employer who willfully fails to collect the tax imposed by the Kansas withholding tax act or truthfully account for any pay over such tax, or willfully attempts in any manner to evade or defeat any tax or the payment thereof, shall be subject to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over in addition to other penalties provided by law. As used in this section, “willfully” has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.

Sec. 10. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-3228, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by subsection (b) of K.S.A. 79-2968, and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due until the same is paid or until the 15th day of the fourth month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed $1. For purposes of this subsection, the amount of underpayment of estimated tax shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 90% of the tax shown on the return for the taxable year or, if no return was filed, 90% of the tax for such year, over the amount, if any, of the installment paid on or before the last date prescribed for payment. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, “underpayment of tax” means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).

(b) No penalty or interest shall be imposed upon any individual with respect to any underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds
the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year;

(2) zero if no return was required to be filed or if the tax liability on the individual’s return was less than $200 for the preceding taxable year;

(3) an amount equal to 66 2/3%, in the case of individuals referred to in subsection (b) of K.S.A. 79-32,102, and amendments thereto, and 90%, in the case of all other individuals, of the tax for the taxable year computed by placing on an annualized basis, pursuant to rules and regulations adopted by the secretary of revenue, the taxable income for the months in the taxable year ending before the month in which the installment is required to be made.

(c) No penalty or interest shall be imposed upon any corporation with respect to any underpayment of any installment of estimated tax if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year, or zero if no return was required to be filed, or if the tax liability on the corporation's return was less than $500 for the preceding taxable year; or

(2) (A) an amount equal to 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income: (i) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month; (ii) for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month; (iii) for the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month; and (iv) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(B) For purposes of this subsection (2), the taxable income shall be placed on an annualized basis by (i) multiplying by 12 the taxable income referred to in subsection (2)(A), and (ii) dividing the resulting amount by the number of months in the taxable year (three, five, six, eight, nine, or 11, as the case may be) referred to in subsection (2)(A).

(d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer. This subsection shall in no case relieve the employer from liability for any penalties or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.

(e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. As used in this section, “willfully” has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.

(f) In case of failure by any employer required by subsection (b) of K.S.A. 79-3298, and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of 15% of the amount of the underpayment. For purposes of this subsection, the term “underpayment” means the excess of the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by subsection (d) of K.S.A. 79-3298, and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) of this section on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.
Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e), or (f) of this section was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of said penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

Sec. 11. K.S.A. 2009 Supp. 79-3607 is hereby amended to read as follows: 79-3607. (a) Retailers shall make returns to the director at the times prescribed by this section in the manner prescribed by the director, including electronic filing, upon forms or format prescribed and furnished by the director stating: (1) The name and address of the retailer; (2) the total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made; (3) the total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made; (4) deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales; (5) receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made; (6) receipts during the period for which the return is made from sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made; (7) gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed. The return shall include such other pertinent information as the director may require. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by the retailer during the period for which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of this section in case the retailer has theretofore included the receipts from such sale in a return made by such retailer and paid taxes therein imposed by this act. The retailer shall, at the time of making such return, pay to the director the amount of tax herein imposed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this act for any period not to exceed 60 days under such rules and regulations as the secretary of revenue may prescribe. When the total tax for which any retailer is liable under this act, does not exceed the sum of $80 in any calendar year, the retailer shall file an annual return on or before January 25 of the following year. When the total tax liability does not exceed $3,200 in any calendar year, the retailer shall file returns quarterly on or before the 25th day of the month following the end of each calendar quarter. When the total tax liability exceeds $3,200 in any calendar year, the retailer shall file a return for each month on or before the 25th day of the following month. When the total tax liability exceeds $32,000 in any calendar year, the retailer shall be required to pay the sales tax liability for the first 15 days of each month to the director on or before the 25th day of that month. Any such payment shall accompany the return filed for the preceding month. A retailer will be considered to have complied with the requirements to pay the first 15 days' liability for any month if, on or before the 25th day of that month, the retailer paid 90% of the liability for that fifteen-day period, or 50% of such retailer's liability in the immediate preceding calendar year for the same month as the month in which the fifteen-day period occurs computed at the rate applicable in the month in which the fifteen-day period occurs, and, in either case, paid any underpayment with the payment required on or before the 25th day of the following month. Such retailers shall pay their sales tax liabilities for the remainder of each such month at the time of filing the return for such month. Determinations of amounts of liability in a calendar year for purposes of determining filing requirements shall be made by the director upon the basis of amounts of liability by those retailers during the preceding calendar year or by estimates in cases of retailers having no previous
sales tax histories. The director is hereby authorized to modify the filing schedule for any retailer when it is apparent that the original determination was inaccurate.

(b) All model 1, model 2 and model 3 sellers are required to file returns electronically. Any model 1, model 2 or model 3 seller may submit its sales and use tax returns in a simplified format approved by the director. Any seller that is registered under the agreement, which does not have a legal requirement to register in this state, and is not a model 1, model 2 or model 3 seller, may submit its sales and use tax returns as follows: (1) Upon registration, the director shall provide to the seller the returns required;

(2) seller shall file a return anytime within one year of the month of initial registration, and future returns are required on an annual basis in succeeding years; and

(3) in addition to the returns required in subsection (b)(2), sellers are required to submit returns in the month following any month in which they have accumulated state and local sales tax funds for this state in the amount of $1,600 or more.

Sec. 12. K.S.A. 2009 Supp. 79-3609 is hereby amended to read as follows: 79-3609. (a) Every person engaged in the business of selling tangible personal property at retail or furnishing services taxable in this state, shall keep records and books of all such sales, together with invoices, bills of lading, sales records, copies of bills of sale and other pertinent papers and documents. Such books and records and other papers and documents shall, at all times during business hours of the day, be available for and subject to inspection by the director, or the director's duly authorized agents and employees, for a period of three years from the last day of the calendar year or of the fiscal year of the retailer, whichever comes later, to which the records pertain. Such records shall be preserved during the entire period during which they are subject to inspection by the director, unless the director in writing previously authorizes their disposal. Any person selling tangible personal property or furnishing taxable services shall be prohibited from asserting that any sales are exempt from taxation unless the retailer has in the retailer's possession a properly executed exemption certificate provided by the consumer claiming the exemption, except as follows: (1) A retailer is relieved of liability for tax otherwise applicable if the retailer obtains a fully completed exemption certificate or captures the relevant data elements required by the director within 90 days subsequent to the date of the sale; or (2) if the retailer has not obtained an exemption certificate or all relevant data elements, the retailer, within 120 days subsequent to a request for substantiation by the director, either may prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith which meets the requirements specified in this subsection, or obtain other information establishing that the transaction was not subject to tax. Otherwise, the sales shall be deemed to be taxable sales under this act. The seller shall obtain an exemption certificate that claims an exemption that was authorized pursuant to Kansas law on the date of the transaction in the jurisdiction where the transaction is sourced pursuant to law, could be applicable to the item being purchased and is reasonable for the purchaser's type of business. If the seller obtains an exemption certificate or other information as described in this subsection, the seller is relieved of any liability for the tax on the transaction unless it is discovered through the audit process that the seller had knowledge or had reason to know at the time such information was provided that the information relating to the exemption claimed was materially false or the seller otherwise knowingly participated in activity intended to purposefully evade the tax that is properly due on the transaction, and it must be established that the seller had knowledge or had reason to know at the time the information was provided that the information was materially false.

(b) The amount of tax imposed by this act is to be assessed within three years after the return is filed, and no proceedings in court for the collection of such taxes shall be begun after the expiration of such period. In the case of a false or fraudulent return with intent to evade tax, the tax may be assessed or a proceeding in court for collection of such tax may be begun at any time, within two years from the discovery of such fraud. No assessment shall be made for any period preceding the date of registration of the retailer by more than three years except in cases of fraud. For any refund or credit claim filed after June 15, 2009, no refund or credit shall be allowed by the director after one year from the due date of the return for the reporting period as provided by K.S.A. 79-3607, and amendments thereto, unless before the expiration of such period a claim therefor is filed by the taxpayer, and,
except as otherwise provided in K.S.A. 2009 Supp. 79-3694, and amendments thereto, no suit or action to recover on any claim for refund shall be commenced until after the expiration of six months from the date of filing such claim satisfying the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, therewith and with the director. A refund claim shall not be deemed filed unless such claim is complete as required by K.S.A. 2009 Supp. 79-3693, and amendments thereto. For all mailed returns, including refund claims, each return or refund claim shall be presumed to have been filed with the department on the postmark date of such return or refund claim or if such date is illegible, the date three days prior to the date such return or refund claim is received.

(c) Before the expiration of time prescribed in this section for the assessment of additional tax or the filing of a claim for refund, the director is hereby authorized to enter into an agreement in writing with the taxpayer consenting to the extension of the periods of limitations for the assessment of tax or for the filing of a claim for refund, at any time prior to the expiration of the period of limitations. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. In consideration of such agreement or agreements, interest due in excess of 48 months on any additional tax shall be waived.

(d) Interest at the rate prescribed by K.S.A. 79-2968, and amendments thereto, shall be allowed on any overpayment of tax computed from the filing date of the return claiming the refund, except that no interest shall be allowed on any such refund if the same is paid within 120 days after the filing date of the return claiming the refund or the date of payment, whichever is later, provided that such return or refund claim satisfies the requirements specified by K.S.A. 2009 Supp. 79-3693, and amendments thereto, at the time the return or refund claim is received.

(e) Notwithstanding any other provision of this section or the provisions of the Kansas compensating tax act:

(1) (A) Any claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act which is without dispute shall be allowed, but, with respect to any claim exceeding $10,000, the refund associated therewith shall not be paid until after 510 days from the date such claim was filed and shall not include interest from such date. As used in this subparagraph, a claim for refund without dispute shall not include any claim the basis for which is a judicial or quasi-judicial interpretation of such subsection occurring after the effective date of this act.

(B) Any refund of tax resulting from a final determination or adjudication with regard to any claim submitted or to be submitted for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the provisions of subsection (kk) of K.S.A. 79-3606 in existence prior to its amendment by this act not described by subparagraph (A) shall, with respect to any refund exceeding $50,000, be paid in equal annual installments over 10 years commencing with the year of such final determination or adjudication. Interest shall not accrue during the time period of such payment.

(2) No claim for refund of tax imposed by the Kansas retailers' sales tax act or the Kansas compensating tax act based upon the application of the provisions of subsection (n) of K.S.A. 79-3606 pursuant to its interpretation by the court of appeals of the state of Kansas in its opinion filed on August 13, 1999, in the case entitled In re appeal of Water District No. 1 of Johnson County shall be allowed for tax paid prior to the effective date of this act. The provisions of this subsection shall not be applicable to Water District No. 1 of Johnson County.

Sec. 13. K.S.A. 2009 Supp. 79-3643 is hereby amended to read as follows: 79-3643. (a) Any individual who is responsible for collection or payment of sales or compensating tax or control, receipt, custody or disposal of funds due and owing under the Kansas retailers' sales and compensating tax acts who willfully fails to collect such tax, or account for and pay over such tax, or attempts in any manner to evade or defeat such tax or the payment thereof shall be personally liable for the total amount of the tax evaded, or not collected, or not accounted for and paid over, together with any interest and penalty imposed thereon. The provisions of this section shall apply regardless of the: (1) Relationship with the retailer held by such individual; (2) form under which the retailer conducts business, whether a sole proprietor-
ship, partnership or corporation; or (3) dissolution of the business. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. 6672.

(b) A notice of assessment issued to a responsible individual shall be considered to be a proceeding for the collection of the tax liability of the business. If the liability of the business is determined in a proceeding that has become final, any notice of assessment against a responsible individual must be issued within three years after the proceeding against the business has become final.

(c) Within 60 days after the mailing of a notice of assessment against a responsible individual, the person assessed may request an informal conference with the secretary of revenue under K.S.A. 79-3226, and amendments thereto, for a determination of whether such person is a responsible individual under subsection (a) and for a determination of the tax liability of the business.

(d) If notice of assessment and warrant are issued to a responsible individual pursuant to K.S.A. 79-3610, and amendments thereto, or any other jeopardy provision of chapter 79 of the Kansas Statutes Annotated, the person assessed may request that the informal conference held pursuant to subsection (c) be expedited. When such a request is made, the secretary shall schedule the conference to be held within 21 days after receipt of the request and shall issue a written final determination within 21 days after the close of the conference.

(e) The provisions of this section shall be deemed to be supplemental to the Kansas retailers' sales and compensating tax acts.

Sec. 14. K.S.A. 2009 Supp. 79-3651 is hereby amended to read as follows: 79-3651. (a) For the purpose of the proper administration of the Kansas retailers' sales tax act and to prevent evasion of the tax imposed thereunder, it shall be presumed that all gross receipts from the sale of tangible personal property or enumerated services are subject to tax until the contrary is established. The burden of proving that a sale is not subject to tax is upon the seller unless the seller takes from the purchaser an exemption certificate to the effect that the property or service purchased is not subject to tax.

(b) An exemption certificate shall relieve the seller from collecting and remitting tax if the seller has obtained the required identifying information as determined by the director, from the purchaser and the reason for claiming the exemption at the time of purchase and has maintained proper records of exempt transactions pursuant to subsection (a) of K.S.A. 79-3609, and amendments thereto and provided them to the director when requested, except that no such relief from liability shall apply to a seller who: Fraudulently fails to collect the tax; solicits purchasers to participate in the unlawful claim of an exemption; accepts an exemption certificate claiming an entity based exemption when the subject of the transaction is actually received by the purchaser at a location operated by the seller and the director provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available. The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred. The purchaser improperly claiming an exemption shall remain liable for the nonpayment of tax.

(c) The exemption certificate shall be substantially in such form as the director may prescribe. The seller shall use the standard form for claiming an exemption electronically as adopted by the director. A seller may require a purchaser to provide a copy of the purchaser's sales tax registration certificate with a resale certificate as a condition for honoring the purchaser's resale exemption claim, except that in the case of drop shipment sales into this state, the third party vendor may claim a resale exemption based on an exemption certificate provided by its customer, re-seller, or any other information acceptable to the secretary available to the third party vendor evidencing qualification for a resale exemption, regardless of whether the customer, re-seller, is registered to collect and remit sales and use tax in this state. A purchaser is not required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used. A seller is relieved of liability for the tax otherwise applicable if it obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. Such blanket certificate need not be renewed or updated by the seller for exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes
of this subsection, a recurring business relationship exists when a period of no more than 12 months elapses between sales transactions.

(d) To lawfully present a resale exemption certificate the purchaser must be engaged in the business of selling property or services of the same kind that is purchased, hold a registration certificate, except as otherwise permitted in subsection (c) for drop shipment sales into this state, and at the time of purchase, either intend to resell the property in the regular course of business or be unable to ascertain whether the property will be resold or used for some other purpose. A resale exemption certificate may be used for resale of services to tangible personal property and not for services to real property.

(e) Any person who issues a resale certificate or other exemption certificate in order to unlawfully avoid payment of tax for business or personal gain shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not more than $1,000 or imprisonment for not more than one year, or by both. In addition, if the director determines that a person issued a resale certificate in order to unlawfully avoid payment of tax for business or personal gain, the director shall increase any penalty that is due from the person under K.S.A. 79-3615, and amendments thereto, by $250 or 10 times the tax due, whichever is greater, on each transaction where the misuse of a resale certificate occurred.

(f) Exemption certificates issued by an entity claiming a specific exemption under K.S.A. 79-3606, and amendments thereto, based on the status of the entity shall bear the name, address of the entity and identification number issued to the entity pursuant to K.S.A. 2009 Supp. 79-3692, and amendments thereto, and indicate the subsection under which the exemption is being claimed. Such certificate shall be signed by an officer, office manager or other administrator authorized person of the nonprofit entity, if in paper form, and contain the tax identification number of the entity. The certificate shall be substantially in such form as the director may prescribe. A seller may require that payments be made on an exempt entity’s check, warrant, voucher or is charged to the entity’s account shall relieve the seller from collecting and remitting the tax if it is taken in good faith as a condition for honoring the entity’s exemption claim.

(g) It shall be the duty of every person who purchases tangible personal property or services that are taxable under this act to pay the full amount of tax that is lawfully due to the retailer making the sale. Any person who willfully and intentionally refuses to pay such tax to the retailer shall be guilty of a misdemeanor and upon conviction shall be punished and fined as provided by subsection (g) of K.S.A. 79-3615, and amendments thereto.

Sec. 15. K.S.A. 2009 Supp. 79-3666 is hereby amended to read as follows: 79-3666. State sales tax rate changes must take effect on the first day of a calendar quarter. The secretary shall make a reasonable effort to provide sellers with as much advance notice as practicable of any rate changes, legislative change in the tax base and amendments to sales and use tax rules and regulations. Failure of a seller to receive such notice or failure of the secretary to provide such notice to a seller or limit the effective date of a rate change shall not relieve the seller of its obligation to collect sales or use tax or otherwise comply with any such legislative, rule or regulatory changes. Whenever there is less than 30 days between the effective date of any amendments to K.S.A. 79-3603 and 79-3703, which make a change in the retailers’ sales tax or compensating use tax rate and the date such rate change takes effect as provided by this section, the seller shall be relieved from liability for failing to collect tax at the changed rate if:

(a) The seller collected tax at the immediately proceeding rate during such time period; and

(b) the seller’s failure to collect at the changed rate does not extend beyond 30 days after such effective date.

When the seller fraudulently failed to collect at the new sales tax rate or solicits purchasers based on the immediately preceding effective rate, such relief from liability does not apply to such seller.

Sec. 16. K.S.A. 2009 Supp. 79-3672 is hereby amended to read as follows: 79-3672. (a) (1) Notwithstanding the provisions of K.S.A. 2009 Supp. 79-3670 and amendments thereto, a purchaser of direct mail that is not a holder of a direct pay permit shall provide to the seller in conjunction with the purchase either a direct mail form or information to show the jurisdictions to which the direct mail is delivered to recipients.
Upon receipt of the direct mail form, the seller is relieved of all obligations to collect, pay or remit the applicable tax and the purchaser is obligated to pay or remit the applicable tax on a direct pay basis. A direct mail form shall remain in effect for all future sales of direct mail by the seller to the purchaser until it is revoked in writing. Upon receipt of information from the purchaser showing the jurisdictions to which the direct mail is delivered to recipients, the seller shall collect the tax according to the delivery information provided by the purchaser. In the absence of bad faith, the seller is relieved of any further obligation to collect tax on any transaction where the seller has collected tax pursuant to the delivery information provided by the purchaser.

If the purchaser of direct mail does not have a direct pay permit and does not provide the seller with either a direct mail form or delivery information, as required by subsection (a), the seller shall collect the tax according to subsection (a)(5) of K.S.A. 2009 Supp. 79-3670 and amendments thereto. Nothing in this subsection shall limit a purchaser's obligation for sales or use tax to any state to which the direct mail is delivered.

If a purchaser of direct mail provides the seller with documentation of direct pay authority, the purchaser shall not be required to provide a direct mail form or delivery information to the seller.

The following provisions apply to sales of “advertising and promotional direct mail”:

1. A purchaser of “advertising and promotional direct mail” may provide the seller with:
   
   A. A direct pay permit;
   
   B. an exemption certificate, or other statement approved, authorized or accepted by the secretary, claiming “direct mail”; or
   
   C. information showing the jurisdictions to which the “advertising and promotional direct mail” is to be delivered to recipients.

2. If the purchaser provides the permit, certificate or statement referred to in subsections (a)(1)(A) or (a)(1)(B), the seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any tax on any transaction involving “advertising and promotional direct mail” to which the permit, certificate or statement applies. The purchaser shall source the sale to the jurisdictions to which the “advertising and promotional direct mail” is to be delivered to the recipients and shall report and pay any applicable tax due.

3. If the purchaser provides the seller information showing the jurisdictions to which the “advertising and promotional direct mail” is to be delivered to recipients, the seller shall source the sale to the jurisdictions to which the “advertising and promotional direct mail” is to be delivered and shall collect and remit the applicable tax. In the absence of bad faith, the seller is relieved of any further obligation to collect any additional tax on the sale of “advertising and promotional direct mail” where the seller has sourced the sale according to the delivery information provided by the purchaser.

4. If the purchaser does not provide the seller with any of the items listed in subsections (a)(1)(A), (a)(1)(B) or (a)(1)(C), the sale shall be sourced according to subsection (a)(5) of K.S.A. 2009 Supp. 79-3670, and amendments thereto.

   b. Notwithstanding the provisions of K.S.A. 2009 Supp. 79-3670, and amendments thereto, the following provisions apply to sales of “other direct mail”:

   1. Except as otherwise provided in this subsection, sales of “other direct mail” are sourced in accordance with subsection (a)(3) of K.S.A. 2009 Supp. 79-3670, and amendments thereto.

   2. A purchaser of “other direct mail” may provide the seller with either:

   A. A direct pay permit; or
   
   B. an exemption certificate, or other statement approved, authorized or accepted by the secretary, claiming “direct mail.”

   3. If the purchaser provides the permit, certificate or statement referred to in subsection (b)(2)(A) or (b)(2)(B), the seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any tax on any transaction involving “other direct mail” to which the permit, certificate or statement apply. Notwithstanding subsection (b)(1) the sale shall be sourced to the jurisdictions to which the “other direct mail” is to be delivered to the recipients and the purchaser shall report and pay any applicable tax due.

   c. For purposes of this section:

   1. “Advertising and promotional direct mail” means:
(A) Printed material that meets the definition of “direct mail”; and
(B) the primary purpose of which is to attract public attention to a product, person, business or organization, or to attempt to sell, popularize or secure financial support for a product, person, business or organization. As used in this subsection, the word “product” means tangible personal property, a product transferred electronically or a service;

(2) “other direct mail” means any direct mail that is not “advertising and promotional direct mail” regardless of whether “advertising and promotional direct mail” is included in the same mailing. The term includes, but is not limited to:

(A) Transactional direct mail that contains personal information specific to the addressee including, but not limited to, invoices, bills, statements of account and payroll advices;
(B) any legally required mailings including, but not limited to, privacy notices, tax reports and stockholder reports; and
(C) other non-promotional direct mail delivered to existing or former shareholders, customers, employees or agents including, but not limited to, newsletters and informational pieces.

“Other direct mail” does not include the development of billing information or the provision of any data processing service that is more than incidental.

(d) (1) (A) This section applies to a transaction characterized as the sale of services only if the service is an integral part of the production and distribution of printed material that meets the definition of “direct mail”.
(B) This section does not apply to any transaction that includes the development of billing information or the provision of any data processing service that is more than incidental regardless of whether “advertising and promotional direct mail” is included in the same mailing.

(2) If a transaction is a “bundled transaction” that includes advertising and promotional direct mail, this section shall apply only if the primary purpose of the transaction is the sale of products or services that meet the definition of “advertising and promotional direct mail.”

(3) Nothing in this section shall limit any purchaser’s:
(A) Obligation for sales or use tax to any state to which the direct mail is delivered;
(B) right, if any, to a credit for sales or use taxes legally due and paid to other jurisdictions; or
(C) right, if any, to a refund of sales or use taxes overpaid to any jurisdiction.

(4) This section applies for purposes of uniformly sourcing direct mail transactions.

New Sec. 17. For any tax established pursuant to law which is administered by the Kansas department of revenue, any taxpayer having a delinquent tax liability and entering into an agreement with the department providing for an installment payment plan allowing the pay off of such liability in a time period in excess of 90 days from the date when such agreement is entered into shall be assessed a service fee of $10. The secretary of revenue shall remit all moneys received by or for the secretary from such fees and collected under this section to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the recovery fund for enforcement actions and attorney fees. The secretary of revenue shall remit the first $350,000 of delinquent taxes, including penalties and interest, collected during any fiscal year for income tax or any other tax that would otherwise be deposited 100% in the state general fund, to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the recovery fund for enforcement actions and attorney fees. All expenditures from the recovery fund for enforcement actions and attorney fees shall be made in accordance with appropriation acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of revenue or by a person or persons designated by the secretary.

Nothing in this section shall be construed to provide a consumer or other insured with a cause of action that does not exist in the absence of this section.

(d) The insurer shall provide notice to consumers that reasonable exceptions are available and information about how the consumer may inquire further.

(e) Within 30 days of the insurer’s receipt of sufficient documentation of an extraordinary life circumstance as the insurer may request under subsection (b), the insurer shall inform the consumer of the outcome of their request for a reasonable exception.
(2) The insurer may grant an exception despite the consumer not providing the initial
request for an exception in writing or grant an exception where the consumer asks for
consideration of repeated circumstances or the insurer has considered this circumstance
previously.

(3) The insurer shall inform the consumer of the outcome of their request in writing.

(f) This section shall be part of and supplemental to the Kansas insurance score act.

Sec. 6. K.S.A. 2009 Supp. 40-5103 is hereby amended to read as follows: 40-5103. As
used in this act:

(a) “Adverse action” means any of the following in connection with the underwriting of
personal insurance:

(1) A denial or cancellation of coverage;

(2) anything other than the best possible rate, or

(3) a reduction or other adverse or unfavorable change in the terms of coverage of
any insurance regardless of whether such insurance is in existence or has been applied for.

(b) “Affiliate” means any company that controls, is controlled by, or is under common
control with another company.

(c) “Agent” shall have the meaning ascribed to it in subsection (k) of K.S.A. 2009 Supp.
40-4902, and amendments thereto, unless the context requires otherwise.

(d) “Applicant” means an individual who has applied to an insurer to be covered by a
personal insurance policy.

(e) “Commissioner” means the commissioner of insurance and any authorized designee
of the commissioner.

(f) “Consumer” means an insured whose credit information is used or whose insurance
score is calculated in the underwriting or rating of a personal insurance policy. “Consumer”
also includes an applicant for a personal insurance policy.

(g) “Consumer reporting agency” means any person which, for monetary fees, dues, or
on a cooperative nonprofit basis, regularly engages, in whole or in part, in the practice of
assembling or evaluating consumer credit information or other information on consumers
for the purpose of furnishing consumer reports to third parties.

(h) “Credit information” means any credit related information derived from a credit
report, found on a credit report itself, or provided on an application for personal insurance.
Credit information shall not include any information which is not credit related, regardless
of whether such information is contained in a credit report or in an application or is used
to calculate an insurance score.

(i) “Credit report” means any written, oral, or other communication of information by a
consumer reporting agency bearing on a consumer’s credit worthiness, credit standing or
credit capacity which is used or expected to be used or collected in whole or in part for the
purpose of serving as a factor to determine personal insurance premiums, eligibility for
coverage, or tier placement.

(j) “Department” means the insurance department established by K.S.A. 40-102 and
amendments thereto.

(k) “Insurance score” means a number or rating that is derived from an algorithm, com-
puter application, model, or other process that is based, in whole or in part, on credit
information for the purposes of predicting the future insurance loss exposure of an individual
applicant or insured.

(l) “Personal insurance” means private passenger automobile, homeowners, motorcycle,
mobile homeowners and non-commercial dwelling fire insurance policies and boat, personal
water craft, snowmobile and recreational vehicle policies. For the strict purposes of this act,
personal insurance shall also include individually underwritten policies of farmers.

Sec. 7. K.S.A. 2009 Supp. 40-5104 is hereby amended to read as follows: 40-5104. No
insurer authorized to do business in the state of Kansas which uses credit information to
underwrite or rate risks, shall:

(a) Use an insurance score that is calculated using income, address, zip code, race, religion,
color, sex, disability, national origin, ancestry or marital status of the consumer as a factor.

(b) Without consideration of any other applicable underwriting factor independent of
credit information and not expressly prohibited by subsection (a), refuse to quote, deny,
cancel or refuse to renew any policy of personal insurance solely on the basis of credit information.

(c) Without consideration of any other applicable factor independent of credit information, base an insured’s renewal rates for personal insurance solely upon credit information.

(d) Without consideration of any other applicable factor independent of credit information, take an adverse action against a consumer solely because such consumer does not have a credit card account.

(e) Consider an absence of credit information or an inability to calculate an insurance score in underwriting or rating personal insurance, unless the insurer does one of the following:

   (1) Treat the consumer as if the applicant or insured had neutral credit information, as defined by the insurer; or

   (2) exclude the use of credit information as a factor and use only other underwriting criteria.

(f) Take an adverse action against a consumer based on credit information, unless an insurer obtains and uses a credit report issued or an insurance score calculated within 90 days from the date the personal insurance policy is first written or notice of renewal is issued.

(g) (1) Except as provided in paragraphs (2) and (3), use credit information unless not later than every 36 months following the last time that the insurer obtained current credit information for the insured, the insurer recalculates the insurance score or obtains an updated credit report.

   (2) The insurer shall:

      (A) Re-underwrite and re-rate the consumer’s personal insurance policy, at the annual renewal of such policy, based upon a current credit report or insurance score for such consumer, if requested by the consumer. Such consumer’s current credit report or insurance score shall be used if the result of the re-underwrite and re-rate reduces the consumer’s rate. Such consumer’s current credit report or insurance score shall not be used to increase the consumer’s rate. The insurer shall not be found to be in violation of rate filings by adjusting an insured’s rate in accordance with this subparagraph. Nothing in this subparagraph shall require an insurer to recalculate a consumer’s insurance score or obtain the updated credit report of a consumer more frequently than once in a twelve-month period.

      (B) Have the discretion to obtain current credit information upon any renewal before the 36 months, if consistent with such insurer’s underwriting guidelines.

   (2) No insurer shall be required to obtain current credit information for an insured, if:

      (A) The insured is in the most favorably-priced tier of the insurer, within a group of affiliated insurers. However, the insurer shall have the discretion to order such report, if consistent with such insurer’s underwriting guidelines;

      (B) credit was not used for underwriting or rating such insured when the policy was initially written. However, the insurer shall have the discretion to use credit for underwriting or rating such insured upon renewal, if consistent with such insurer’s underwriting guidelines; or

      (C) The insurer re-evaluates the insured beginning no later than 36 months after inception and thereafter based upon other underwriting or rating factors, excluding credit information.

(h) Use any of the following as a negative factor against a consumer in any insurance scoring methodology or in reviewing credit information for the purpose of underwriting or rating a policy of personal insurance:

   (1) Any credit inquiry not initiated by the consumer or any inquiry requested by the consumer for such consumer’s own credit information;

   (2) any inquiry relating to insurance coverage, if so identified on a consumer’s credit report;

   (3) any collection account with a medical industry code, if so identified on the consumer’s credit report; or

   (4) any additional lender inquiry beyond the first such inquiry related to the same loan purpose, if coded by the consumer reporting agency on the consumer’s credit report as being from the given loan industry and made within 30 days of one another.”;
And by renumbering the remaining sections accordingly;
Also on page 2, in line 3, by striking “40-3512 is” and inserting “40-2259 and 40-3512 and K.S.A. 2009 Supp. 40-2c01, 40-2118, 40-5103 and 40-5104 are”;

On page 8, by striking all in lines 1 through 11 and inserting the following:

“Section 1. K.S.A. 65-445 is hereby amended to read as follows: 65-445. (a) Every medical care facility shall keep written records of all pregnancies which are lawfully terminated within such medical care facility and shall annually submit a written report thereon to the secretary of health and environment in the manner and form prescribed by the secretary. Every person licensed to practice medicine and surgery shall keep a record of all pregnancies which are lawfully terminated by such person in a location other than a medical care facility and shall annually submit a written report thereon to the secretary of health and environment in the manner and form prescribed by the secretary.

(b) Each report required by this section shall include the number of pregnancies terminated during the period of time covered by the report, the type of medical facility in which the pregnancy was terminated, information required to be reported under K.S.A. 65-6703, and amendments thereto, if applicable to the pregnancy terminated, and such other information as may be required by the secretary of health and environment, but the report shall not include the names of the persons whose pregnancies were so terminated. Each report required by subsection (c)(4) of K.S.A. 65-6703, and amendments thereto, shall specify the medical diagnosis and condition constituting a substantial and irreversible impairment of a major bodily function or the medical diagnosis and condition which necessitated performance of an abortion to preserve the life of the pregnant woman. Each report required by K.S.A. 65-6703, and amendments thereto, shall include a sworn statement by the physician performing the abortion and the referring physician that such physicians are not legally or financially affiliated.

(c) Information obtained by the secretary of health and environment under this section shall be confidential and shall not be disclosed in a manner that would reveal the identity...
of any person licensed to practice medicine and surgery who submits a report to the secretary under this section or the identity of any medical care facility which submits a report to the secretary under this section, except that such information, including information identifying such persons and facilities may be disclosed to the state board of healing arts upon request of the board for disciplinary action conducted by the board and may be disclosed to the attorney general upon a showing that a reasonable cause exists to believe that a violation of this act has occurred. Any information disclosed to the state board of healing arts or the attorney general pursuant to this subsection shall be used solely for the purposes of a disciplinary action or criminal proceeding. Except as otherwise provided in this subsection, information obtained by the secretary under this section may be used only for statistical purposes and such information shall not be released in a manner which would identify any county or other area of this state in which the termination of the pregnancy occurred. A violation of this subsection (c) is a class A nonperson misdemeanor.

(d) In addition to such criminal penalty under subsection (c), any person licensed to practice medicine and surgery or medical care facility whose identity is revealed in violation of this section may bring a civil action against the responsible person or persons for any damages to the person licensed to practice medicine and surgery or medical care facility caused by such violation.

(e) For the purpose of maintaining confidentiality as provided by subsections (c) and (d), reports of terminations of pregnancies required by this section shall identify the person or facility submitting such reports only by confidential code number assigned by the secretary of health and environment to such person or facility and the department of health and environment shall maintain such reports only by such number.

(f) The annual public report on abortions performed in Kansas issued by the secretary of health and environment shall contain the information required to be reported by this section to the extent such information is not deemed confidential pursuant to this section. The secretary of health and environment shall adopt rules and regulations to implement this section. Such rules and regulations shall prescribe, in detail, the information required to be kept by the physicians and hospitals and the information required in the reports which must be submitted to the secretary.

Sec. 2. K.S.A. 2009 Supp. 65-2836 is hereby amended to read as follows: 65-2836. A licensee's license may be revoked, suspended or limited, or the licensee may be publicly or privately censured or placed under probationary conditions, or an application for a license or for reinstatement of a license may be denied upon a finding of the existence of any of the following grounds:

(a) The licensee has committed fraud or misrepresentation in applying for or securing an original, renewal or reinstated license.

(b) The licensee has committed an act of unprofessional or dishonorable conduct or professional incompetency, except that the board may take appropriate disciplinary action or enter into a non-disciplinary resolution when a licensee has engaged in any conduct or professional practice on a single occasion that, if continued, would reasonably be expected to constitute an inability to practice the healing arts with reasonable skill and safety to patients or unprofessional conduct as defined in K.S.A. 65-2837, and amendments thereto.

(c) The licensee has been convicted of a felony or class A misdemeanor, whether or not related to the practice of the healing arts. The board shall revoke a licensee's license following conviction of a felony occurring after July 1, 2000, or a misdemeanor under K.S.A. 65-6703, and amendments thereto, after July 1, 2010, unless a 2/3 majority of the board members present and voting determine by clear and convincing evidence that such licensee will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust. In the case of a person who has been convicted of a felony or a misdemeanor under K.S.A. 65-6703, and amendments thereto, after July 1, 2010, and who applies for an original license or to reinstate a canceled license, the application for a license shall be denied unless a 2/3 majority of the board members present and voting on such application determine by clear and convincing evidence that such person will not pose a threat to the public in such person's capacity as a licensee and that such person has been sufficiently rehabilitated to warrant the public trust.

(d) The licensee has used fraudulent or false advertisements.
(e) The licensee is addicted to or has distributed intoxicating liquors or drugs for any other than lawful purposes.

(f) The licensee has willfully or repeatedly violated this act, the pharmacy act of the state of Kansas or the uniform controlled substances act, or any rules and regulations adopted pursuant thereto, or any rules and regulations of the secretary of health and environment which are relevant to the practice of the healing arts.

(g) The licensee has unlawfully invaded the field of practice of any branch of the healing arts in which the licensee is not licensed to practice.

(h) The licensee has engaged in the practice of the healing arts under a false or assumed name, or the impersonation of another practitioner. The provisions of this subsection relating to an assumed name shall not apply to licensees practicing under a professional corporation or other legal entity duly authorized to provide such professional services in the state of Kansas.

(i) The licensee has the inability to practice the healing arts with reasonable skill and safety to patients by reason of physical or mental illness, or condition or use of alcohol, drugs or controlled substances. In determining whether or not such inability exists, the board, upon reasonable suspicion of such inability, shall have authority to compel a licensee to submit to mental or physical examination or drug screen, or any combination thereof, by such persons as the board may designate either in the course of an investigation or a disciplinary proceeding. To determine whether reasonable suspicion of such inability exists, the investigative information shall be presented to the board as a whole, to a review committee of professional peers of the licensee established pursuant to K.S.A. 65-2840c, and amendments thereto, or to a committee consisting of the officers of the board elected pursuant to K.S.A. 65-2818, and amendments thereto, and the executive director appointed pursuant to K.S.A. 65-2878, and amendments thereto, or to a presiding officer authorized pursuant to K.S.A. 77-514, and amendments thereto. The determination shall be made by a majority vote of the entity which reviewed the investigative information. Information submitted to the board as a whole or a review committee of peers or a committee of the officers and executive director of the board and all reports, findings and other records shall be confidential and not subject to discovery by or release to any person or entity. The licensee shall submit to the board a release of information authorizing the board to obtain a report of such examination or drug screen, or both. A person affected by this subsection shall be offered, at reasonable intervals, an opportunity to demonstrate that such person can resume the competent practice of the healing arts with reasonable skill and safety to patients. For the purpose of this subsection, every person licensed to practice the healing arts and who shall accept the privilege to practice the healing arts in this state by so practicing or by the making and filing of a renewal to practice the healing arts in this state shall be deemed to have consented to submit to a mental or physical examination or a drug screen, or any combination thereof, when directed in writing by the board and further to have waived all objections to the admissibility of the testimony, drug screen or examination report of the person conducting such examination or drug screen, or both, at any proceeding or hearing before the board on the ground that such testimony or examination or drug screen report constitutes a privileged communication. In any proceeding by the board pursuant to the provisions of this subsection, the record of such board proceedings involving the mental and physical examination or drug screen, or any combination thereof, shall not be used in any other administrative or judicial proceeding.

(j) The licensee has had a license to practice the healing arts revoked, suspended or limited, has been censured or has had other disciplinary action taken, or an application for a license denied, by the proper licensing authority of another state, territory, District of Columbia, or other country, a certified copy of the record of the action of the other jurisdiction being conclusive evidence thereof.

(k) The licensee has violated any lawful rule and regulation promulgated by the board or violated any lawful order or directive of the board previously entered by the board.

(l) The licensee has failed to report or reveal the knowledge required to be reported or revealed under K.S.A. 65-28,122, and amendments thereto.

(m) The licensee, if licensed to practice medicine and surgery, has failed to inform in writing a patient suffering from any form of abnormality of the breast tissue for which
surgery is a recommended form of treatment, of alternative methods of treatment recognized by licensees of the same profession in the same or similar communities as being acceptable under like conditions and circumstances.

(n) The licensee has cheated on or attempted to subvert the validity of the examination for a license.

(o) The licensee has been found to be mentally ill, disabled, not guilty by reason of insanity, not guilty because the licensee suffers from a mental disease or defect or incompetent to stand trial by a court of competent jurisdiction.

(p) The licensee has prescribed, sold, administered, distributed or given a controlled substance to any person for other than medically accepted or lawful purposes.

(q) The licensee has violated a federal law or regulation relating to controlled substances.

(r) The licensee has failed to furnish the board, or its investigators or representatives, any information legally requested by the board.

(s) Sanctions or disciplinary actions have been taken against the licensee by a peer review committee, health care facility, a governmental agency or department or a professional association or society for acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(t) The licensee has failed to report to the board any adverse action taken against the licensee by another state or licensing jurisdiction, a peer review body, a health care facility, a professional association or society, a governmental agency, by a law enforcement agency or a court for acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(u) The licensee has surrendered a license or authorization to practice the healing arts in another state or jurisdiction, has surrendered the authority to utilize controlled substances issued by any state or federal agency, has agreed to a limitation to or restriction of privileges at any medical care facility or has surrendered the licensee’s membership on any professional staff or in any professional association or society while under investigation for acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(v) The licensee has failed to report to the board surrender of the licensee’s license or authorization to practice the healing arts in another state or jurisdiction or surrender of the licensee’s membership on any professional staff or in any professional association or society while under investigation for acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(w) The licensee has an adverse judgment, award or settlement against the licensee resulting from a medical liability claim related to acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(x) The licensee has failed to report to the board any adverse judgment, settlement or award against the licensee resulting from a medical malpractice liability claim related to acts or conduct similar to acts or conduct which would constitute grounds for disciplinary action under this section.

(y) The licensee has failed to maintain a policy of professional liability insurance as required by K.S.A. 40-3402 or 40-3403a, and amendments thereto.

(aa) The licensee has failed to pay the premium surcharges as required by K.S.A. 40-3404, and amendments thereto.

(bb) The licensee has knowingly submitted any misleading, deceptive, untrue or fraudulent representation on a claim form, bill or statement.

(cc) The licensee has assisted suicide in violation of K.S.A. 21-3406, and amendments thereto, as established by any of the following:

(1) A copy of the record of criminal conviction or plea of guilty for a felony in violation of K.S.A. 21-3406, and amendments thereto.

(2) A copy of the record of a judgment of contempt of court for violating a injunction issued under K.S.A. 60-4404, and amendments thereto.
Sec. 3. K.S.A. 65-6701 is hereby amended to read as follows: 65-6701. As used in this act K.S.A. 65-6701 through 65-6721, and amendments thereto:

(1) If the fetus was determined to be nonviable and the medical basis of such determination;
(2) if the abortion is necessary to preserve the life of the pregnant woman and the medical basis of such determination, including the specific medical condition the physician believes would cause the death of the pregnant woman; or

(3) if a continuation of the pregnancy will cause a substantial and irreversible impairment of a major bodily function of the pregnant woman and the medical basis of such determination, including the specific medical condition the physician believes would cause a substantial and irreversible impairment of a major bodily function of the pregnant woman.

(b) (c) (1) Except in the case of a medical emergency, prior to performing an abortion upon a woman, the physician shall determine the gestational age of the fetus according to accepted obstetrical and neonatal practice and standards applied by physicians in the same or similar circumstances. If the physician determines the gestational age is less than 22 weeks, the physician shall document as part of the medical records of the woman the basis for the determination. The medical reasons for the determination of the gestational age of the fetus shall also be reported by the physician as part of the written report made by the physician to the secretary of health and environment under K.S.A. 65-445, and amendments thereto.

(2) If the physician determines the gestational age of the fetus is 22 or more weeks, prior to performing an abortion upon the woman the physician shall determine if the fetus is viable by using and exercising that degree of care, skill and proficiency commonly exercised by the ordinary skillful, careful and prudent physician in the same or similar circumstances. In making this determination of viability, the physician shall perform or cause to be performed such medical examinations and tests as are necessary to make a finding of the gestational age of the fetus and shall enter such findings and determinations of viability in the medical record of the woman. The medical reasons for the determination of the gestational age of the fetus shall also be reported by the physician as part of the written report made by the physician to the secretary of health and environment under K.S.A. 65-445, and amendments thereto.

(3) If the physician determines the gestational age of a fetus is 22 or more weeks, and determines that the fetus is not viable and performs an abortion on the woman, the physician shall report such determinations, the medical basis and the reasons for such determinations in writing to the medical care facility in which the abortion is performed for inclusion in the report of the medical care facility to the secretary of health and environment under K.S.A. 65-445, and amendments thereto, or if the abortion is not performed in a medical care facility, the physician shall report such determinations in writing to the secretary of health and environment as part of the written report made by the physician to the secretary of health and environment under K.S.A. 65-445, and amendments thereto.

(4) If the physician who is to perform the abortion determines the gestational age of a fetus is 22 or more weeks, and determines that the fetus is viable, both physicians under subsection (a) determine in accordance with the provisions of subsection (a) that an abortion is necessary to preserve the life of the pregnant woman or that a continuation of the pregnancy will cause a substantial and irreversible impairment of a major bodily function of the pregnant woman and the physician performs an abortion on the woman, the physician who performs the abortion shall report such determinations, the medical basis and the reasons for such determinations and the basis, including the specific medical diagnosis for the determination that an abortion is necessary to preserve the life of the pregnant woman or that a continuation of the pregnancy will cause a substantial and irreversible impairment of a major bodily function of the pregnant woman and the name of the referring physician required by subsection (a) in writing to the medical care facility in which the abortion is performed for inclusion in the report of the medical care facility to the secretary of health and environment under K.S.A. 65-445, and amendments thereto, or if the abortion is not performed in a medical care facility, the physician who performs the abortion shall report such determinations, the medical basis and the reasons for such determinations and the basis, including the specific medical diagnosis for the determination that an abortion is necessary to preserve the life of the pregnant woman or that a continuation of the pregnancy will cause a substantial and irreversible impairment of a major bodily function of the pregnant woman and the name of the referring physician required by subsection (a) in writing.
to the secretary of health and environment as part of the written report made by the physician to the secretary of health and environment under K.S.A. 65-445, and amendments thereto.

(5) The physician shall retain the medical records required to be kept under paragraphs (1) and (2) of this subsection (c) for not less than five 10 years and shall retain a copy of the written reports required under paragraphs (3) and (4) of this subsection (c) for not less than five 10 years.

(d) The secretary of health and environment shall adopt rules and regulations to administer this section. These rules and regulations shall include:

(1) A detailed list of the information that must be kept by a physician under paragraphs (1) and (2) of subsection (c);
(2) the contents of the written reports required under paragraphs (3) and (4) of subsection (c);
(3) detailed information that must be provided by a physician to insure that the specific medical basis and clinical diagnosis regarding the woman and the viability or lack of viability of the fetus is reported.

(e) A woman upon whom an abortion is performed shall not be prosecuted under this section for a conspiracy to violate this section pursuant to K.S.A. 21-3302, and amendments thereto.

(f) Nothing in this section shall be construed to create a right to an abortion. Notwithstanding any provision of this section, a person shall not perform an abortion that is prohibited by law.

(g) As used in this section, “viable” means that stage of fetal development when it is the physician’s judgment according to accepted obstetrical or neonatal standards of care and practice, applied by physicians in the same or similar circumstances that there is a reasonable probability that the life of the child can be continued indefinitely outside the mother’s womb with natural or artificial life-supportive measures.

(h) (1) A woman upon whom an abortion is performed in violation of this section, the father, if married to the woman at the time she receives the abortion procedure, and the parents or custodial guardian of the woman, if the woman has not attained the age of 18 years at the time of the abortion, may in a civil action obtain appropriate relief, unless, in a case where the plaintiff is not the woman upon whom the abortion was performed, the pregnancy resulted from the plaintiff’s criminal conduct.

(2) Such relief shall include:

(A) Money damages for all injuries, psychological and physical, occasioned by the violation of this section;
(B) statutory damages equal to three times the cost of the abortion; and
(C) reasonable attorney fees.

(i) If any provision of this section is held to be invalid or unconstitutional, it shall be conclusively presumed that the legislature would have enacted the remainder of this section without such invalid or unconstitutional provision.

(j) Upon a first conviction of a violation of this section, a person shall be guilty of a class A nonperson misdemeanor. Upon a second or subsequent conviction of a violation of this section, a person shall be guilty of a severity level 10, nonperson felony.

And by renumbering the remaining section accordingly;

In the title, in line 9, by striking all after “ACT”; by striking all in lines 10 through 19 and inserting “concerning abortion; amending K.S.A. 65-445, 65-6701, 65-6703 and K.S.A. 2009 Supp. 65-2836 and repealing the existing sections; also repealing K.S.A. 65-6713.”;

And your committee on conference recommends the adoption of this report.

FIFTY-FOURTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, April 28, 2010, 10:00 a.m.

The House met pursuant to recess with Speaker O'Neal in the chair.
The roll was called with 123 members present.
Rep. Fund was excused on verified illness.
Rep. Tafanelli was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Our Heavenly Father,
You have provided for us a break . . .
a gift we truly appreciate;
but back to the grind
and the tasks assigned,
ready we stand
for the discussions at hand.
Some of our decisions were vetoed,
thus now increasing our workload;
we all heard many comments,
and listened to the arguments
about the bills we passed,
and now our votes we recast.

About the budget,
we know we can't fudge it,
so here the rhyming ends
as our prayer ascends.
We pray the prayer of Solomon
when he asked of God,
"Give your servant(s) a discerning heart
to govern your people and
to distinguish between right and wrong.
Give me wisdom and knowledge,
that I may lead this people."

Lord, we also want to thank you for the wonderful health report of Rep. Myer's wife who had surgery but has no cancer. We also give thanks that Rep. Johnson is able to be back with us. We continue to pray for him and for Rep. Fund, asking for strength and healing. In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Moxley.

INTRODUCTION OF GUESTS

There being no objection, the following remarks by Reps. Furtado and Garcia are spread upon the journal:

Rep. Furtado: Today I want to describe for you a national program sponsored by the State Department in collaboration with the League of Women Voters US by which women
from other countries come to the United States for an extended visit to learn about our political process at the local, state and national government and the services provided to our residents.
