KDOC Mission and Vision

Vision: A safer Kansas through effective correctional services.

Mission: The Department of Corrections, as part of the criminal justice system, contributes to the public safety and supports victims of crime by exercising safe and effective containment and supervision of inmates, by managing offenders in the community, and by actively encouraging and assisting offenders to become law-abiding citizens.
Victim Services Mission and Vision

**Vision:** Giving Kansas crime victims a voice in corrections by providing information, services and support with compassion and respect

**Mission:** Kansas Department of Corrections Office of Victim Services serves as a liaison between victims and department staff, the Kansas Prisoner Review Board and victim service providers. We are committed to providing crime victims the opportunity to express their ideas and opinions. We approach our work from a victim focused perspective.

Restorative Justice
Guiding Principles

- Crime is an offense against human relationships.
- Victims and the community are central to the justice processes.
- The first priority of justice processes is to assist victims.
- The second priority is to restore the community, to the degree possible.
- The offender has personal responsibility to victims and to the community for crimes committed.
- Stakeholders share responsibilities for restorative justice through partnerships for action.
- The offender will develop improved competency and understanding as a result of the restorative justice experience.

Feedback from Victim/Offender Dialogue

“I wasn’t sure about this process at first, but you guys have changed my life. I am finally starting to heal after 13 years.”

“This is exactly what I needed. Thank you for listening to me.”

“I then told him that I forgive him and then I hugged him. I felt him trembling as I held him. I felt a huge weight lifted off of my heart - one that I had put there myself.”

Ongoing Challenges

Domestic Violence

The Three Areas of Kansas with Highest Person Crime Rates as Reported by the KBI
January 1, 2010 – December 31, 2010

1. Wichita 67214
2. Salina 67401
3. Wichita 67501

Percentages calculated using the 10 most commonly reported person crimes in each area.
Prevalence of Domestic Violence in the Offender Population

• True prevalence is unknown
• In FY 2008:
  – 22% of newly registering victims identified themselves as victims of domestic violence
  – 50% of victims who worked with Victim Service Liaisons were identified as victims of domestic violence
• 10-30% of offender files show a history of Domestic Violence
• Possibility of improved data with use of DV designation “tag” KSA 22-4616 (Senate substitute for HB2517)

“Why do we have a justice system? Not because of crime. We have a justice system because someone has been hurt by a crime. We need to take into account the harm that has been done to a victim and help that hurt. To be truly effective in our criminal justice effort, we have to include the fact that a crime has harmed someone.”

Peter Michaud, Director of Victim Services,
New Hampshire Department of Corrections
