As Amended by House Committee

Session of 2011

HOUSE BILL No. 2093

By Committee on Transportation

1-26

AN ACT concerning motor vehicles; relating to vehicle identification number inspection fees; amending K.S.A. 2010 Supp. 8-116a and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2010 Supp. 8-116a is hereby amended to read as follows: 8-116a. (a) Except as provided in K.S.A. 8-170, and amendments thereto, when an application is made for a vehicle which has been assembled, reconstructed, reconstituted or restored from one or more vehicles, or the proper identification number of a vehicle is in doubt, the procedure in this section shall be followed. The owner of the vehicle shall request the Kansas highway patrol to check the vehicle and the highway patrol shall within a reasonable period of time perform such vehicle check. At the time of such check the owner shall supply the highway patrol with information concerning the history of the various parts of the vehicle. Such information shall be supplied by affidavit of the owner, if so requested by the highway patrol. If the highway patrol is satisfied that the vehicle contains no stolen parts, it shall assign an existing or new identification number to the vehicle and direct the places and manner in which the identification number is to be located and affixed or implanted. Except as provided under subsection (g), a charge of $10 per hour or part thereof, with a minimum charge of $10, shall be made to the owner of a vehicle requesting check under this subsection, and such charge shall be paid prior to the check under this section. When a check has been made under subsection (b), not more than 60 days prior to a check of the same vehicle identification number, requested by the owner of the vehicle to obtain a regular certificate of title in lieu of a nonhighway certificate of title or obtain a rebuilt salvage title in lieu of a salvage title, no charge shall be made for such second check.

(b) Any person making application for any original Kansas title for a used vehicle which, at the time of making application, is titled in another jurisdiction, as a condition precedent to obtaining any Kansas
title, shall have such vehicle checked by the Kansas highway patrol for
verification that the vehicle identification number shown on the foreign
title is genuine and agrees with the identification number on the
vehicle. Checks under this section may include inspection for possible
violation of K.S.A. 21-3757, and amendments thereto, or other
evidence of possible fraud. The verification shall be made upon forms
prescribed by the division of vehicles which shall contain such
information as the secretary of revenue shall require by rules and
regulations. A charge of $10 per hour or part thereof, with a minimum charge of
$10, shall be made for checks under this subsection. When a
vehicle is registered in another state, but is financed by a Kansas
financial institution and is repossessed in another state and such vehicle
will not be returned to Kansas, the check required by this subsection (b)
shall not be required to obtain a valid Kansas title or registration.
(c) As used in this act, "identification number" or "vehicle
identification number" means an identifying number, serial number,
engine number, transmission number or other distinguishing number or
mark, placed on a vehicle, engine, transmission or other essential part
by its manufacturer or by authority of the division of vehicles or the
Kansas highway patrol or in accordance with the laws of another state
or country.
(d) The checks made under subsection (b) may be made by:
(1) A designee of the superintendent of the Kansas highway patrol;
or
(2) an employee of a new vehicle dealer, as defined in subsection
(b) of K.S.A. 8-2401, and amendments thereto, for the purposes
provided for in subsection (f). For checks made by a designee or new
vehicle dealer, $10% of each charge shall be remitted to the Kansas
highway patrol and the balance of such charges shall be retained by
such designee or new vehicle dealer. When a check is made under
either subsection (a) or (b) by personnel of the Kansas highway patrol
or when a check is made under subsection (b) by an employee of a new
vehicle dealer, the entire amount of the charge therefor shall be paid to
the highway patrol.
(e) There is hereby created the vehicle identification number fee
fund. The Kansas highway patrol shall remit all moneys received by the
Kansas highway patrol from fees collected under subsection (d) to the
state treasurer in accordance with the provisions of K.S.A. 75-4215,
and amendments thereto. Upon receipt of each such remittance, the
state treasurer shall deposit the entire amount in the state treasury to the
credit of the vehicle identification number fee fund. All expenditures
from the vehicle identification number fee fund shall be made in
accordance with appropriations acts upon warrants of the director of
accounts and reports issued pursuant to vouchers approved by the
superintendent of the Kansas highway patrol or by a person or persons
designated by the superintendent.

(f) An employee of a new vehicle dealer, who has received initial
training and certification from the highway patrol, and has met
continuing certification requirements, in accordance with rules and
regulations adopted by the superintendent of the highway patrol, may
provide the checks under subsection (b), in accordance with rules and
regulations adopted by the superintendent of the highway patrol, on
motor vehicles repurchased or reacquired by a manufacturer, distributor
or financing subsidiary of such manufacturer and which are purchased
by the new vehicle dealer. At any time, after a hearing in accordance
with the provisions of the Kansas administrative procedure act, the
superintendent of the highway patrol may revoke, suspend, decline to
renew or decline to issue certification for failure to comply with the
provisions of this subsection, including any rules and regulations.

(g) After July 1, 2012, the fees charged under subsections (a) and
(b) may be established by the superintendent of the Kansas highway
patrol by rules and regulations in an amount not to exceed $20.

Sec. 2. K.S.A. 2010 Supp. 8-116a is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its
publication in the statute book.
