Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) The legislature finds that performance measures are an important management tool that has been utilized by state agencies for numerous years.

(b) The legislature finds that the use of quantifiable performance measures can be used by the governor and the legislature to assess the effectiveness over time of programs and actions of each state agency.

New Section 2. As used in sections 1 through 3, and amendments thereto:

(a) "State agency" shall be defined as set forth in K.S.A. 75-3049, and amendments thereto, except that the university of Kansas hospital authority shall not be included in such definition for the purposes of sections 1 through 3, and amendments thereto; and

(b) "Performance measures" means a quantitative or qualitative indicator used to assess state agency performance, including outcome and output indicators.

New Section 3. (a) Each state agency shall consult with a representative of the department of legislative research and the director of the budget or the director's designee to modify each agency's performance measures to standardize those performance measures and to utilize best practices across all state agencies.

(b) On or before October 1 of each year, each state agency shall submit an annual report based on those performance measures to the legislative budget committees, the director of the budget and the secretary of administration.

(c) The required reports in subsection (b) shall also be sent to the department of administration to be posted on the website created pursuant to K.S.A. 2010 Supp. 74-72,123, and amendments thereto.
New Sec. 4. Sections 1 through 3, and amendments thereto, shall be part of and supplemental to article 30 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

Sec. 5. K.S.A. 2010 Supp. 74-72,123 is hereby amended to read as follows: 74-72,123. (a) As used in the Kansas taxpayer transparency act:

(1) "Searchable website" means a website that allows the public to search and aggregate the information identified in subsection (b), including requirements that the website offer the public the ability to efficiently search and display data, and ascertain the total amounts of revenues and expenditures: (A) Of funds established within the state treasury in an aggregate or summary form in a manner determined by the secretary of administration; (B) of compensation paid to public employees employed by state agencies; and (C) of bond debt as specified in this act.

(2) "Agency" means any entity or instrumentality of the state of Kansas as defined in K.S.A. 75-3701, and amendments thereto, and any other entity or instrumentality delegated statutory authority by the legislature to issue bonds and to collect revenue for the purpose of repaying bonds issued under authority delegated by statute.

(3) "Board" means the public finance transparency board.

(b) No later than March 1, 2009, the secretary of administration shall develop and operate a single, searchable website accessible by the public at no cost to access, that includes:

(1) Annual expenditures, as determined by the secretary of administration and as available within the central accounting system and state payroll system, shall include, but not be limited to:

(A) Disbursements by any state agency from funds established within the state treasury;
(B) bond debt payments;
(C) salaries and wages including, but not limited to, compensation paid to individual employees of state agencies;
(D) contractual services including, but not limited to, amounts paid to individual vendors;
(E) commodities including, but not limited to, amounts paid to individual vendors;
(F) capital outlay including, but not limited to, amounts paid to individual vendors;
(G) debt service including, but not limited to, amounts of bond
interest paid and sources of funds paid for individual bond issues;
(H) aid to local units including, but not limited to, amounts paid to
individual units of government for individually identifiable aid
programs;
(I) other assistance and benefits;
(J) capital improvements including, but not limited to, amounts of
bond principal paid and sources of funds paid for individual bond
issues; and
(K) tax expenditures as reported by the secretary of revenue in the
annual tax expenditure report.
(2) Annual revenues, as determined by the secretary of
administration and as available within the central accounting system,
shall include, but not be limited to:
(A) Receipts or deposits by any state agency into funds established
within the state treasury;
(B) taxes including, but not limited to, compulsory contributions
imposed by the state for the purpose of financing services;
(C) agency earnings including, but not limited to, amounts
collected by each agency for merchandise sold, services performed,
licenses and permits issued, or regulation;
(D) revenue for the use of money and property including, but not
limited to, amounts received for compensation for the use of state-
owned money and property;
(E) gifts, donations and federal grants including, but not limited to,
amounts received from public and private entities to aid in support of a
specific function or other governmental activity;
(F) other revenue including, but not limited to, receipts not
classified elsewhere; and
(G) non-revenue receipts including, but not limited to, all receipts
that do not constitute revenue.
(3) Annual bonded indebtedness which shall include, but not be
limited to the amount of the total original obligation stated in terms of
principal and interest, the term of the obligation, the source of funding
for repayment of the obligation, the amounts of principal and interest
previously paid to reduce the obligation, the balance remaining of the
obligation, any refinancing of the obligation, and the cited statutory
authority to issue such bonds.
(4) The annual performance measures report of each state agency
as required pursuant to section 3, and amendments thereto.
Any other relevant information specified by the secretary of administration after consulting with and seeking the advice of the public finance transparency board as established in K.S.A. 2010 Supp. 74-72,124, and amendments thereto.

(c) The single website provided for in subsection (b) of this section shall include data for fiscal year 2003 and each fiscal year thereafter. The website shall be designed so that such data shall be retained on the single website for not less than 10 years and shall include data for the most recent fiscal years. Data that is available in the central accounting system and state payroll system shall be on the single website as soon as possible, but not later than 45 days after the last day of the preceding fiscal year. The secretary of administration shall develop policies and procedures to make data available from any other source. Nothing in this act shall require the secretary of administration to provide information on the website that is not available in the central accounting system and the state payroll system at the time of initial implementation of the website. After implementation of the initial website, the public finance transparency board shall advise the secretary of administration on incorporating additional information described by this act from any other source of information available to the secretary of administration including information submitted by state agencies pursuant to subsection (d) of this section.

(d) Any state agency shall provide, at the request of the secretary of administration, such information as is necessary to accomplish the purposes of this act.

(e) Nothing in this act shall permit or require the disclosure of information which is considered confidential by state or federal law.

Sec. 6. K.S.A. 75-3715 is hereby amended to read as follows: 75-3715. The director of the budget shall:

(a) Keep in continuous touch with the operations, plans and needs of state agencies, and with the sources and amounts of revenue and other receipts of the state;

(b) analyze the quantity and quality of services rendered by each agency, and the needs for such services and for any new services;

(c) prepare under the supervision of the incoming governor, the budget report for submission to the legislature;

(d) prepare a legislative measure or measures reflecting the incoming governor's budget;
(e) consider and act on applications for transfers between appropriations of the same agency as provided by law;

(f) survey such work programs and periodical allotment requests submitted by state agencies as are required by this act;

(g) report to the governor and to the incoming governor on the operation of the budget system and advise and assist the governor, incoming governor, state finance council, legislature and its ways and means and appropriations committees on request, concerning any matters relating to the budget; and

(h) provide management analysis service to state agencies;

and

(g) consult with each state agency and a representative of the legislative research department to modify each agency's performance measures to standardize those performance measures and to utilize best practices across all state agencies.

Sec. 7. K.S.A. 75-3716 is hereby amended to read as follows: 75-3716. The director of the budget shall prepare the budget report, with the related legislative measure or measures, for the incoming governor's approval and submission to the legislature. The director of the budget shall, on or before September 1 of each year, furnish to every state agency or person authorized to spend or receive state funds a sufficient number of budget estimate forms. The forms shall be prepared by the director of the budget and shall be so designed as to show actual expenditures for at least the last preceding completed fiscal year, estimated expenditures for the current fiscal year, and requests for each succeeding fiscal year, and data for like periods with respect to receipts and actual or estimated balances at the end of such fiscal years.

The director of the budget may require the estimated expenditures to be classified so as to set forth the data by funds, state agencies, character and objects of expenditures, which expenditures may also be required to be classified by functions and activities. The director of the budget may require the revenue estimates to show the basis upon which the estimates were made and the factors involved in the same, and to be classified so as to show receipts by funds, and sources and types of income. The director of the budget may require such further detail, work programs, supplemental and supporting data, and such information as may be necessary to carry out the provisions of this act.

The director shall also consider the annual performance measures reports submitted to the director pursuant to section 3, and amendments thereto.
Sec. 8. K.S.A. 75-3715 and 75-3716 and K.S.A. 2010 Supp. 74-72,123 are hereby repealed.

Sec. 9. This act shall take effect and be in force from and after its publication in the Kansas register.
