greenhouse products. Land devoted to agricultural use shall not include
those lands which are used for recreational purposes, suburban residential

primary function is for residential or recreational purposes even though
such properties may produce or maintain some of those plants or animals
listed in the foregoing definition.

Sec. 3. K.S.A. 12-520b is hereby amended to read as follows: 12-520b. (a) The governing body of any city proposing to annex land under
the provisions of K.S.A. 12-520, and amendments thereto, shall make
plans for the extension of services to the area proposed to be annexed and
shall, prior to the adoption of the resolution provided for in K.S.A. 12-520a, and amendments thereto, prepare a report setting forth such plans.
The report shall include:

(1) A sketch clearly delineating the land proposed to be annexed and
the area of the city adjacent thereto to show the following information:

(A) The present and proposed boundaries of the city affected by
such proposed annexation;

(B) the present streets, water mains, sewers and other city utility
lines, and the proposed extension thereof; and

(C) the general land use pattern in the areas to be annexed.

(2) A statement setting forth a plan of sufficient detail to provide a
reasonable person with a full and complete understanding of the
intentions of the city for extending to the area to be annexed each major
municipal service provided to persons and property located within the
city and the area proposed to be annexed at the time of annexation and the
estimated cost of providing such services. The plan shall state the
estimated cost impact of providing such services to the residents of the
city and the residents of the area proposed to be annexed. The plan shall
state the method by which the city plans to finance the extension of such
services to such area. Such plan shall include a timetable of the plans for
extending each major municipal service to the area annexed. The plan
shall state the means by which the services currently provided by a
township or special district in the area to be annexed shall be maintained
by the city at a level which is equal to or better than the level of services
provided prior to annexation. The plan shall state those services which
shall be provided immediately upon annexation and those services which
may be provided upon petition of the landowners to create a benefit
district.

(b) A copy of the plan for extension of services shall be sent by
certified mail not less than 10 days prior to the public hearing as
provided in K.S.A. 12-520a, and amendments thereto, to the board of
county commissioners.

(b)(c) The preparation of a plan for the extension of services
required by subsection (a) shall not be required for or as a prerequisite to
the annexation of land of which all of the owners petition for or consent
to such annexation in writing.

Sec. 4. K.S.A. 12-521 is hereby amended to read as follows: 12-521.
(a) Whenever the governing body of any city deems it advisable to annex
land which such city is not permitted to annex under K.S.A. 12-520, and
amendments thereto, or if the governing body of any city is permitted to
annex land under K.S.A. 12-520, and amendments thereto, but deems it
advisable not to annex thereunder, the governing body may annex such
land as provided by this section. The governing body, in the name of the
city, may present a petition to the board of county commissioners of the
county in which the land sought to be annexed is located. The petition
shall set forth a legal description of the land sought to be annexed and
request a public hearing on the advisability of such annexation. The
governing body of such city shall make plans for the extension of
services to the tract of land proposed to be annexed and shall file a copy
thereof with the board of county commissioners at the time of
presentation of the petition. Such report shall include:

(1) A sketch clearly delineating the land proposed to be annexed and
the area of the city adjacent thereto to show the following information:
(A) The present and proposed boundaries of the city affected by
such proposed annexation;
(B) the present streets, water mains, sewers and other city utility
lines, and the proposed extension thereto; and
(C) the general land use pattern in the areas to be annexed.
(2) A statement setting forth a plan of sufficient detail to provide a
reasonable person with a full and complete understanding of the
intentions of the city for extending to the area to be annexed each major
municipal service provided to persons and property located within the
city and area proposed to be annexed at the time of annexation and the
estimated cost of providing such services. The plan shall state the
estimated cost impact of providing such services to the residents of the
city and the residents of the area proposed to be annexed. The plan shall
state the method by which the city plans to finance the extension of such
services to such area. The plan shall include a timetable for the extension
of major municipal services to the area proposed to be annexed. The plan
shall state the means by which the services currently provided by a
township or special district in the area to be annexed shall be maintained
by the city at a level which is equal to or better than the level of services
provided prior to annexation. The plan shall state those services which
shall be provided immediately upon annexation and those services which
may be provided upon petition of the landowners to create a benefit
district.

(b) No portion of any unplatted tract of land devoted to agricultural
use of 21 acres or more shall be annexed by any city under the authority
of this section without the written consent of the owner thereof.

(b)(c) The date fixed for the public hearing shall be not less than 60
nor more than 70 days following the date of the presentation of the
petition requesting such hearing. Notice of the time and place of the
hearing, together with a legal description of the land sought to be annexed
and the names of the owners thereof, shall be published in a newspaper of
general circulation in the city not less than one week and not more than
two weeks preceding the date fixed for such hearing.

A copy of the notice providing for the public hearing shall be mailed
by certified mail to each owner of the land proposed to be annexed not
more than 10 days following the date of the presentation of the petition
requesting such hearing.

A sketch clearly delineating the area in such detail as may be
necessary to advise the reader of the particular land proposed to be
annexed shall be published with such notice and a copy thereof mailed to
the owner of the property with such notice.

The board for good cause shown may continue the hearing beyond the
time specified in the notice without further publication.

(d) On the day set for hearing, the board of county commissioners
shall hear testimony as to the advisability of such annexation, and a
representative of the city shall present the city's proposal for annexation,
including the plan of the city for the extension of services to the area
proposed to be annexed.

The action of the board of county commissioners shall be quasi-
judicial in nature. The board of county commissioners shall consider the
impact of approving or disapproving the annexation on the entire
community involved, including the city and the land proposed to be annexed, in order to insure the orderly growth and development of the community. The board shall make specific written findings of fact and conclusions determining whether such annexation or the annexation of a lesser amount of such area causes manifest injury to the owners of any land proposed to be annexed, or to the owners of land in areas near or adjacent to the land proposed to be annexed or to the city if the annexation is disapproved. The findings and conclusions shall be based upon the preponderance of evidence presented to the board. In determining whether manifest injury would result from the annexation, the board's considerations shall include, but not be limited to, the extent to which the following criteria may affect the city, the area to be annexed, the residents of the city and the area to be annexed, other governmental units providing services to the area to be annexed, the utilities providing services to the area to be annexed, and any other public or private person, firm or corporation which may be affected thereby:

(1) Extent to which any of the area is land devoted to agricultural use;

(2) area of platted land relative to unplatted land;

(3) topography, natural boundaries, storm and sanitary sewers, drainage basins, transportation links or any other physical characteristics which may be an indication of the existence or absence of common interest of the city and the area proposed to be annexed;

(4) extent and age of residential development in the area to be annexed and adjacent land within the city's boundaries;

(5) present population in the area to be annexed and the projected population growth during the next five years in the area proposed to be annexed;

(6) the extent of business, commercial and industrial development in the area;

(7) the present cost, methods and adequacy of governmental services and regulatory controls in the area;

(8) the proposed cost, extent and the necessity of governmental services to be provided by the city proposing annexation and the plan and schedule to extend such services;

(9) tax impact upon property in the city and the area;

(10) extent to which the residents of the area are directly or indirectly dependent upon the city for governmental services and for social, economic, employment, cultural and recreational opportunities and resources;

(11) effect of the proposed annexation on the city and other adjacent areas, including, but not limited to, other cities, sewer and water districts, improvement districts, townships or industrial districts and, subject to the
provisions of K.S.A. 12-521a, and amendments thereto, fire districts;
(12) existing petitions for incorporation of the area as a new city or
for the creation of a special district;
(13) likelihood of significant growth in the area and in adjacent
areas during the next five years; and
(14) effect of annexation upon the utilities providing services to the
area and the ability of those utilities to provide those services shown in
the detailed plan.
(e) The board of county commissioners shall render a judgment
within seven days after the hearing has been adjourned sine die. If a
majority of the board of county commissioners concludes that the
annexation or any part thereof should be allowed, the board shall so find
and grant the annexation by order; and thereupon the city may annex the
land by ordinance. Orders of the board of county commissioners denying
the petition or a part thereof for annexation shall require a majority vote
of the members of the board. When an order denying a petition or part
thereof is issued, it shall be by resolution, which shall be sent by certified
mail to the city proposing the annexation. All orders of the board of
county commissioners granting or denying petitions for annexation shall
be spread at length upon the journal of proceedings of the board. The
failure of such board to spread an order granting annexation upon the
journal shall not invalidate such order.
(f) Within 10 days following the rendering of the judgment of the
board of county commissioners granting all or a part thereof of any
annexation as provided in subsection (e), the city clerk shall certify to the
county election officer a legal description and a map of the area outside
the corporate limits of the city proposed to be annexed and the street
addresses of all real estate located therein. If there are qualified voters
residing in the area proposed to be annexed, then the county election
officer shall conduct a mail ballot election under the provisions of K.S.A.
25-431 et seq., and amendments thereto, in the area proposed to be
annexed within 60 days of such certification. If a majority of the qualified
electors residing in the area proposed to be annexed and voting thereon
approve the annexation, the city may annex the land by passage of an
ordinance. If a majority of the qualified electors residing in the area
proposed to be annexed and voting thereon reject the annexation, the
lands shall not be annexed and the city may not propose the annexation
of any such lands in the proposed area for at least four years from the
date of the election.
(g) Any owner of land annexed pursuant to this section or
the city aggrieved by the decision of the board of county commissioners
may appeal the decision of the board to the district court of the same
county in the manner and method set forth in K.S.A. 19-223, and
amendments thereto. Nothing in this subsection shall be construed as granting the owner of land in areas near or adjacent to land annexed pursuant to this section the right to appeal the decision of the board of county commissioners. Any city so appealing shall not be required to execute the bond prescribed therein.

(2) In the event that a landowner prevails in the appeal under this subsection, the successful landowner shall be awarded reasonable attorney fees and costs.

Sec. 5. K.S.A. 12-531 is hereby amended to read as follows:

12-531. (a) Five three years following the annexation of any land pursuant to K.S.A. 12-520 or 12-521, and amendments thereto, or, where there has been litigation relating to the annexation, five three years following the conclusion of such litigation, the board of county commissioners shall call a hearing to consider whether the city has provided the municipal services as provided in the timetable set forth in the plan in accordance with K.S.A. 12-520b or 12-521, and amendments thereto. The board of county commissioners shall schedule the matter for public hearing and shall give notice of the date, hour and place of the hearing to: (1) The city; and (2) any landowner in the area subject to the service extension plan.

(b) At the hearing, the board shall hear testimony as to the city's extension of municipal services, or lack thereof, from the city and the landowner. After the hearing, the board shall make a finding as to whether or not the city has provided services in accordance with its service extension plan. If the board finds that the city has not provided services as provided in its service extension plan, the board shall notify the city and the landowner that such property may be deannexed, as provided in K.S.A. 12-532, and amendments thereto, if the services are not provided within 2 1½ years of the date of the board's findings.

(c) If the board of county commissioners refuses to hold the hearing as required, any owner of land living in such area annexed may bring an action under provisions of K.S.A. 60-1201 et seq., and amendments thereto, to compel the board to hold the hearing. The court, upon finding the hearing is required, shall award reasonable attorney fees and costs to the landowner.

Sec. 6. K.S.A. 12-532 is hereby amended to read as follows:

12-532. (a) If, within 2 1½ years following the conclusion of the hearing required by K.S.A. 12-531, and amendments thereto, or, where there has been litigation relating to the hearing, 2 1½ years following the conclusion of such litigation, the city has not provided the municipal services as provided in the timetable set forth in the plan prepared in accordance with K.S.A. 12-520b or 12-521, and amendments thereto, the owner of such land may petition the board of county commissioners to
exclude such land from the boundaries of the city. Within 10 days after
receipt of the petition, the board shall schedule the matter for public
hearing and shall give notice of the date, hour and place of the hearing to:
(1) The owner; (2) the city; (3) the township into which the property, if
deannexed, would be placed; and (4) the governing body of any fire
district, sewer district, water district or other special district governments
which have jurisdiction over territory adjacent to the area sought to be
deannexed. The notice shall be sent by certified mail no less than 21 days
before the date of the hearing.

(b) At the hearing, the board shall hear testimony as to the city's
extension of municipal services, or lack thereof, from both the owner and
representatives of the city. Except as provided by subsection (e), if the
board finds after the hearing that the city has failed to provide the
municipal services in accordance with the plan and consistent with the
timetable therein, the board may enter an order excluding the land from
the boundaries of the city. Any such order shall take effect in the same
manner as provided in K.S.A. 12-523, and amendments thereto, for the
effective date of annexation ordinances. Such land shall not be annexed
again for one three year years from the effective date of the order without
the written consent of the owner of the land.

(c) The county clerk shall certify a copy of the order to the register
of deeds of the county. The register of deeds shall record the order in the
deed records of the county, and, at the expense of the owner city, the
register of deeds also shall record the order of exclusion on the margin of
the recorded plat of such land, giving reference thereon to the page and
book of records where the order is recorded in the register's office.

(d) Except as provided by this subsection, after the effective date of
the order to exclude the land from the city, such land shall not be liable
for any general taxes imposed by the city. Such land shall remain liable,
however, for any taxes or special assessments levied by the city as are
necessary to pay its proportionate share of the interest on and principal of
such bonds or other indebtedness incurred by the city for improvements
to the land which were approved by the city before the date on which the
owner or owners filed a petition for the exclusion of the land from the
city.

(e) The board shall not order exclusion of any land if:
(1) The service extension plan conditions the extension of certain
improvements or services on the filing of a legally sufficient petition by
the owners of the land for the creation of an improvement district and to
levy special assessments therein to pay a portion of the costs of such
improvements, and a sufficient petition has not been filed;
(2) since the annexation, the governing body of the city initiated the
creation of an improvement or benefit district affecting such land to levy
special assessments thereon to pay a portion of the costs of certain
municipal improvements, and the formation of the district was blocked by
the filing of a sufficient protest petition by some or all of the owners of
any land in the proposed district;
(3) the exclusion would result in the land being completely
surrounded by other tracts of land located within the city's boundaries; or
(4) the board finds the exclusion of the land would have an adverse
impact on the health, safety and welfare of the residents of the city or
such land.
(f) Any owner or the city aggrieved by the decision of the board may
appeal the decision to the district court in the manner provided in K.S.A.
19-223, and amendments thereto. Any city so appealing shall not be
required to execute the bond prescribed therein.
(g) If the board of county commissioners refuses to hold the hearing
as required, any owner of land may bring an action under provisions of
K.S.A. 60-1201 et seq., and amendments thereto, to compel the board to
hold the hearing. The court, upon finding the hearing is required, shall
award reasonable attorney fees and costs to the landowner.
Sec. 7. K.S.A. 2010 Supp. 25-432 is hereby amended to read as
follows: 25-432. An election shall not be conducted under this act unless:
(a) Conducted on a date, mutually agreed upon by the governing
body of the political or taxing subdivision and the county election officer,
not later than 120 days following the date the request is submitted by the
political or taxing subdivision; and
(b) the secretary of state approves a written plan for conduct of the
election, which shall include a written timetable for the conduct of the
election, submitted by the county election officer; and
(c) the election is nonpartisan; and
(d) the election is not one at which any candidate is elected, retained
or recalled; and
(e) the election is not held on the same date as another election in
which the qualified electors of that subdivision of government are eligible
to cast ballots; and
(f) the election is a question submitted election at which all of the
qualified electors of one of the following subdivisions of government are
the only electors eligible to vote:
(1) Counties;
(2) cities;
(3) school districts, except in an election held pursuant to K.S.A. 72-

amendments thereto;

(8) community college districts organized under K.S.A. 71-1101 et seq., and amendments thereto;

(10) hospital districts;

(11) improvement districts organized under K.S.A. 19-2753, and amendments thereto;

(12) Johnson county park and recreation district organized under K.S.A. 19-2859, and amendments thereto;

(13) sewage disposal districts organized under K.S.A. 19-27,140, and amendments thereto;

(14) water districts organized under K.S.A. 19-3501 et seq., and amendments thereto;

(15) transportation development districts created pursuant to K.S.A. 2010 Supp. 12-17,140 et seq., and amendments thereto;

(16) any tract of land annexed pursuant to section 4, and amendments thereto.

Sec. 8. K.S.A. 60-2301 is hereby amended to read as follows: 60-2301. Except as provided in section 1, and amendments thereto, a homestead to the extent of 160 acres of farming land, or of one acre within the limits of an incorporated town or city, or a manufactured home or mobile home, occupied as a residence by the owner or by the family of the owner, or by both the owner and family thereof, together with all the improvements on the same, shall be exempted from forced sale under any process of law, and shall not be alienated without the joint consent of husband and wife, when that relation exists; but no property shall be exempt from sale for taxes, or for the payment of obligations contracted for the purchase of said premises, or for the erection of improvements thereon. The provisions of this section shall not apply to any process of law obtained by virtue of a lien given by the consent of both husband and wife, when that relation exists.
