Evidence of tenancy, if requested, shall be provided to the department and may include, but is not limited to, natural resource conservation services records, farm service agency records, or written agricultural contract or lease documentation.

(3) "Regular season" means a statewide big game hunting season authorized annually which may include one or more seasons restricted to specific types of equipment.

(4) "Special season" means a big game hunting season in addition to a regular season authorized on an irregular basis or at different times of the year other than the regular season.

(c) The fee for big game permits and game tags shall be the amount prescribed pursuant to K.S.A. 32-988, and amendments thereto.

(d) Big game permits are valid throughout the state or such portion thereof as provided by rules and regulations adopted by the secretary in accordance with K.S.A. 32-805, and amendments thereto.

(e) Unless otherwise provided by law or rules and regulations of the secretary, big game permits are valid from the date of issuance and shall expire at the end of the season for which issued.

(f) The secretary may adopt, in accordance with K.S.A. 32-805, and amendments thereto, rules and regulations for each regular or special big game hunting season and for each management unit regarding big game permits. The secretary is hereby authorized to issue big game permits pertaining to the taking of big game. Separate big game permits may be issued for each species of big game. No big game permits shall be issued until the secretary has established, by rules and regulations adopted in accordance with K.S.A. 32-805, and amendments thereto, a regular or special big game hunting season.

(g) The secretary may authorize, by rule and regulation adopted in accordance with K.S.A. 32-805, and amendments thereto, regular landowner or tenant hunt-on-your-own-land big game permits. Members of the landowner's or tenant's immediate family who are domiciled with the landowner or tenant may apply for resident big game permits as landowners or tenants, but the total number of landowner or tenant regular hunt-on-your-own-land permits issued to a landowner or tenant and a landowner's or tenant's immediate family members for each big game species shall not exceed one permit for each 80 acres owned by such landowner or operated by such tenant. Evidence of ownership or tenancy, if requested, shall be provided to the department. such tenant. Evidence of ownership or tenancy, and sibling or lineal
ascending or descending relations, if requested, shall be provided to the
department.

(i) Fifty percent of the big game permits authorized for a regular
season in any management unit shall be issued to landowners or tenants,
provided that a limited number of big game permits have been authorized
and landowner or tenant hunt-on-your-own-land big game permits for that
unit have not been authorized. A landowner or tenant is not eligible to
apply for a big game permit as a landowner or as a tenant in a management
unit other than the unit or units which includes such landowner's or
tenant's land. Any big game permits not issued to landowners or tenants
within the time period prescribed by rule and regulation may be issued
without regard to the 50% limitation.

(j) (1) The secretary may issue, by rules and regulations adopted in
accordance with K.S.A. 32-805, and amendments thereto, resident deer
hunting permits available on a limited basis and valid for a designated
species and sex in designated units, and antlerless-only deer permits in
designated units as necessary for management purposes, and, any of the
following options:

(1) Either sex white-tailed deer permits valid statewide during any
season with the equipment legal for that season;

(2) Either species, either sex archery permits valid statewide;

(3) Either species, either sex muzzle loader permits valid in
designated units; or

(4) Either species, either sex firearm permits valid in designated

deer rifle season by deer management unit. The provisions of this
paragraph shall expire on July 1, 2014.

(k) The secretary may issue permits for deer to nonresident
landowners, but any such permit shall be restricted to hunting only on
lands owned by the nonresident landowner.

(l) The secretary may issue deer hunting permits to nonresidents,
subject to the following limitations:

(1) The total number of nonresident deer permits that may be issued
for a deer season in a management unit and which may be used to take
antlered deer shall be established with the goal of meeting demand for
those permits, using a formula developed by the department that will
consider adjustment factors, including deer population trends, deer-related
vehicle accidents, age structure in the harvest, deer damage, landowner
desire for nonresident deer permits, general public desires and health of
habitat. The 2008 permit numbers shall be based on the adjustment factors
and an average of nonresident demand for permits in each management
unit from the previous six years, establishing at least a 10% increase but
not more than 50% increase in permit numbers in each management unit,
except in unit 16, where permit numbers shall not increase more than
100%. In subsequent years, the formula shall be used to determine permit
allocations based on demand and the adjustment factors.

(2) Nonresident deer permits may be restricted to a particular deer
species.
(3) Nonresident deer permits shall be restricted to two adjacent deer
management units.
(4) Nonresident deer hunters shall select one season at the time of
application.
(5) For an additional fee, nonresident deer hunters applying for a
whitetail either sex archery or muzzle loader permit in a designated mule
deer unit may also apply for one of the limited number of mule deer
stamps. If they are successful in both drawings, they would be issued a
permit that will allow them to take either a whitetail deer or a mule deer in
that unit.

(m) A big game permit shall state the species, number and sex of the
big game which may be killed by the permittee. The secretary may require
any big game permittee to provide survey information at the conclusion of
the open season.
(n) Prior to April 1, 2013, the secretary shall develop and implement
a combination antlered and antlerless deer permit and adopt rules and
regulations for the administration thereof.
(o) The permittee shall permanently affix the carcass tag to the
carcass of any big game animal immediately after killing and thereafter
take such killed game to a check station as may be required in the rules
and regulations, where a check station tag shall be affixed to the big game
carcass if the kill is legal. The tags shall remain affixed to the carcass until
the carcass is processed for storage or consumption. The permittee shall
retain the carcass tag until the carcass is consumed, given to another or
otherwise disposed of.
(p) The provisions of this section do not apply to big game
animals sold in surplus property disposal sales of department exhibit herds
or big game animals legally taken outside this state.
Sec. 2. K.S.A. 2011 Supp. 32-937 is hereby repealed.
Sec. 3. This act shall take effect and be in force from and after its
publication in the Kansas register.
