Every other application shall be made upon a form furnished by the division and accompanied by an examination fee of $3, unless a different fee is required by K.S.A. 8-241, and amendments thereto, and by the proper fee for the license for which the application is made. If the applicant is not required to take an examination the examination fee shall not be required. The examination shall consist of three tests, as follows: (I) Vision; (II) written; and (III) driving. If the applicant fails the vision test, the applicant may have correction of vision made and take the vision test again without any additional fee. If an applicant fails the written test, the applicant may take such test again upon the payment of an additional examination fee of $1.50. If an applicant fails the driving test, the applicant may take such test again upon the payment of an additional examination fee of $1.50. If an applicant fails to pass all three of the tests within a period of six months from the date of original application and desires to take additional tests, the applicant shall file an application for reexamination upon a form furnished by the division, which shall be accompanied by a reexamination fee of $3, except that any applicant who fails to pass the written or driving portion of an examination four times within a six-month period, shall be required to wait a period of six months from the date of the last failed examination before additional examinations may be given. Upon the filing of such application and the payment of such reexamination fee, the applicant shall be entitled to reexamination in like manner and subject to the additional fees and time limitation as provided for examination on an original application. If the applicant passes the reexamination, the applicant shall be issued the classified driver's license for which the applicant originally applied, which license shall be issued to expire as if the applicant had passed the original examination.
