HOUSE BILL No. 2675
AN ACT concerning county clerks and county appraisers; amending K.S.A. 79-408 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 79-408 is hereby amended to read as follows: 79-408. The county clerk shall complete and maintain all real estate assessment rolls that may be required for the assessment districts of the county. Such assessment rolls shall contain a correct and pertinent description of each piece, parcel or lot of real property in numerical order as to lots and blocks, sections or subdivisions, in the respective townships or cities, as the case may be. In making up such assessment rolls, the county clerk shall consult the real estate transfer record in the office of the clerk, and the records and plats in the office of the register of deeds, reports from United States land offices, and may require the owner or occupant of a particular property to furnish a proper description thereof. In making such rolls the county clerk shall deduct the acreage of all lands used for railway right-of-way or interurban railway right-of-way.

After the county clerk has completed such rolls, the clerk shall deliver them to the county appraiser no later than December 15. All such rolls and descriptions may be maintained electronically, as the county may find necessary and proper.

Sec. 2. K.S.A. 79-408 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.

I hereby certify that the above Bill originated in the House, and passed that body.
