

HOUSE BILL No. 2687

AN ACT concerning the state building advisory commission; relating to reports and recommendations on state capital improvement budget estimates; amending K.S.A. 46-1702 and K.S.A. 2011 Supp. 75-3717b and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 46-1702 is hereby amended to read as follows: 46-1702. In addition to other powers and duties authorized or prescribed by law or by the legislative coordinating council, the joint committee on state building construction shall:

(a) Study all five-year capital improvement and facilities plans and capital improvement budget estimates which are submitted to the joint committee by state agencies in accordance with K.S.A. 75-3717b, and amendments thereto ~~and the reports on such budget estimates submitted to the joint committee by the state building advisory commission;~~

(b) make recommendations on all such five-year capital improvement and facilities plans and capital improvement budget estimates to the ways and means committee of the senate and the committee on appropriations of the house of representatives;

(c) study the progress and results of all capital improvement projects for the construction of buildings or for major repairs or improvements to buildings for state agencies; and

(d) make an annual report to the legislative coordinating council as provided in K.S.A. 46-1207, and amendments thereto, and such special reports to committees of the house of representatives and senate as are deemed appropriate by the joint committee.

Sec. 2. K.S.A. 2011 Supp. 75-3717b is hereby amended to read as follows: 75-3717b. (a) Whenever a state agency proposes a capital improvement project for the construction of a building or for major repairs or improvements to a building, such state agency shall prepare a capital improvement budget estimate to be submitted to the division of the budget in such form as may be required by the director of the budget and this section. Such state agency shall prepare and include as a part of such capital improvement budget estimate a written program statement describing the project. Such program statement shall: (1) Include a detailed justification for the project including an analysis of the programs, activities and other needs and intended uses for the additional or improved space and an analysis of the alternative means by which such space needs and uses could be satisfied; (2) request appropriations for the project in the three phases of preliminary planning, final planning and construction; (3) describe in detail each such phase of the project; and (4) include cost estimates for land, site surveys, soil investigations, equipment, buildings or major repairs or improvements to buildings and other items necessary for the project.

(b) Not later than July 1 of each year, such state agency shall submit to the division of the budget a copy of such capital improvement budget estimate, and all amendments and revisions thereof, and at the same time such state agency shall submit copies of such capital improvement budget estimate, and all amendments and revisions thereof, directly to the state building advisory commission and to the joint committee on state building construction.

(c) ~~On or before November 15 each year, the state building advisory commission shall report and make recommendations on each capital improvement budget estimate received pursuant to this section regarding the project costs, projected scheduling of funding for such costs, and such other matters as are deemed appropriate by the state building advisory commission, to: (1) The division of the budget, (2) the joint committee on state building construction, and (3) the legislative research department.~~

(d) Not later than July 1 of each year, each state agency submitting such budget estimates shall prepare and submit to the division of the budget, to the state building advisory commission and to the joint committee on state building construction copies of a five-year capital improvement program and facilities plan which shall set forth the current and future space needs and utilization plans for the next five ensuing fiscal years for that state agency in such form and containing such additional information as prescribed by the secretary of administration.

(e)(d) Except as provided in this subsection, the provisions of this section do not apply to any capital improvement project for the adjutant general that is funded entirely by moneys from the federal government.

HOUSE BILL No. 2687—page 2

During the month of January each year, the adjutant general shall present a report to the joint committee on state building construction on all capital improvement projects that are funded entirely by moneys from the federal government and that are proposed for the current and ensuing fiscal years.

¶(e) The provisions of this section do not apply to any capital improvement project for Kansas correctional industries of the department of corrections as provided in subsection (d) of K.S.A. 75-5282, and amendments thereto.

Sec. 3. K.S.A. 46-1702 and K.S.A. 2011 Supp. 75-3717b are hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.
