HOUSE BILL No. 2729

By Committee on Agriculture and Natural Resources

2-10

AN ACT concerning motor vehicles; relating to parks and recreation motor
vehicle permits; amending K.S.A. 32-901 and K.S.A. 2011 Supp. 8-134
and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2011 Supp. 8-134 is hereby amended to read as
follows: 8-134. (a) Every vehicle registration under this act shall expire
December 31 of each year, except passenger vehicles and vehicles
provided for in K.S.A. 8-134a, and amendments thereto. The registration
of vehicles to which K.S.A. 8-134a, and amendments thereto, applies shall
expire in 1982 and thereafter in accordance with the provisions of
subsections (b) and (c). Registration of vehicles shall be renewed annually
upon application by the owner and by payment of the fees required by law.
Except vehicles subject to K.S.A. 8-134a, and amendments thereto, and
passenger vehicles, the renewal shall take effect on January 1 of each year
but the owner of the vehicle shall have until and including the last day of
February of each year within which to make application for such renewal.
The division shall issue for such vehicles a February month decal to
 correspond with the statutory grace period. Criminal sanctions provided in
K.S.A. 8-142, and amendments thereto, for failure to display any license
plate or plates or any registration decal required to be affixed to any such
license plate for the current registration year shall not be enforced until
March 1 of each year. An owner who has made proper application for
renewal of registration of a vehicle prior to January 1, but who has not
received the license plate or registration card for the ensuing year, shall be
entitled to operate or permit the operation of such vehicle upon the
highways upon displaying thereon the license plate issued for the
preceding year for such time as the director of vehicles finds necessary for
issuance of such new license plate.

(b) Every passenger vehicle required by this act to be registered,
except as otherwise provided, shall be registered for a period of 12
consecutive months. The division of vehicles, in order to initiate a system
of registering or reregistering passenger vehicles during any month of a
calendar year, may register or reregister a passenger vehicle for less than a
twelve-month period, prorating the annual registration fee, when in the
director's opinion such proration tends to fulfill the purpose of the monthly
registration system.

(c) Passenger vehicle registration, and the authority to legally operate, use, or tow such vehicle on the highway shall expire at 12:00 a.m. midnight on the last day of the last month of the twelve-month period for which such vehicle was registered, and the owner shall see that such vehicle is reregistered as required by this act. The director of vehicles shall designate the registration period for each passenger vehicle in order to as nearly as feasible equalize registration or reregistration within the 12 months of the year. Any vehicle after having once been registered shall upon reregistration, be registered for the same twelve-month period except when the certificate of title has been transferred as provided by law. In this case, the vehicle shall be registered by the division of vehicles in accordance with the system adopted.

(d) For the purpose of this act, hearses and electrically propelled vehicles shall be classified as passenger vehicles.

(e) Every owner who registers or reregisters a vehicle in a calendar year, and in any calendar year in which a license plate is not issued for the renewal of registration of such vehicle, shall be furnished by the division one decal for the license plate issued for such vehicle and required by K.S.A. 8-133, and amendments thereto, to be affixed to the rear of such vehicle. Such decal shall be affixed to the number plate affixed to the rear of such vehicle and shall contain the letters designating the county in which such vehicle is registered, as provided in K.S.A. 8-147, and amendments thereto, shall be numbered serially in each county and shall indicate the year in which such registration expires. The color of a decal shall be such that it contrasts with the color of the license plate to which it is to be affixed, and the director of vehicles shall change the color of such decals each year, without duplicating the same color in any five-year period or such extended period as the director designates under subsection (b) of K.S.A. 8-132, and amendments thereto. Such decals shall be so constructed that once a decal has been affixed to a license plate it cannot be removed without destroying the decal, and the surface of such decals shall be capable of reflecting light. Consistent with the foregoing, the director of vehicles shall prescribe the size of and material to be used in the production of such decals, and the director of vehicles shall designate the location on a number plate where such decal shall be affixed.

(f)(1) The owner of a vehicle may, at the time of such registration or reregistration, purchase a park and recreation motor vehicle permit. Such permit shall cost $15 until such time as the amount for such permit is changed by rules and regulations of the secretary of wildlife, parks and tourism.

(2) Such permit shall be nontransferable and shall expire on the last day of the 12th month after such permit is purchased date of expiration of
the vehicle registration.

(3) Except as provided in subsection (f)(4), the county treasurer shall remit all such moneys paid to the county treasurer to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury and shall be credited as provided in K.S.A. 32-991, and amendments thereto.

(4) The county treasurer may collect and retain a service charge fee of up to $0.50 for each park and recreation motor vehicle permit issued or sold by the county treasurer.

805, and amendments thereto. Before any duplicate or new permit is
