AN ACT concerning the board of regents; relating to funding for remedial courses provided by state educational institutions; relating to exceptions to the qualified admissions standards; amending K.S.A. 2011 Supp. 76-717 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. (a) No funds appropriated from the state general fund for any state educational institution shall be expended for the purposes of providing remedial courses.

(b) The board of regents, in its budget estimate filed pursuant to K.S.A. 75-3717, and amendments thereto, shall not include any appropriation requests for expenditures related to the provision of remedial courses at state educational institutions.

(c) As used in this section:

(1) The terms "board of regents" and "state educational institution" shall have the same meanings, respectively, as such terms are defined in K.S.A. 76-711, and amendments thereto.

(2) "Remedial course" means any course offered by a state educational institution in the area of mathematics or language arts, which includes expenditures for formally organized or separately budgeted instructional activities that give students the basic knowledge and skills required by the institution before they can undertake formal academic course work leading to a postsecondary degree or certificate.

Sec. 2. K.S.A. 2011 Supp. 76-717 is hereby amended to read as follows: 76-717. (a) The board of regents may adopt rules and regulations for the admission of students at the state educational institutions. Except as provided by subsection (f), the rules and regulations shall include the following:

(1) Each Kansas resident who has graduated from an accredited Kansas high school and who is seeking admission to a state educational institution shall be admitted if the applicant for admission has achieved at least one of the following:

(A) The applicant has completed the precollege curriculum prescribed by the board of regents with a minimum grade point average of 2.0 on a 4.0 scale or has been recognized by the board of regents as having attained a functionally equivalent level of education; or
(B) the applicant has a composite American college testing program (ACT) score of not less than 21 points; or

(C) the applicant ranks in the top \( \frac{1}{3} \) of the applicant's high school class upon completion of seven or eight semesters.

(2) Each Kansas resident who has graduated from a non-accredited private secondary school, as defined in K.S.A. 72-53,100, and amendments thereto, and who is seeking admission to a state educational institution shall be admitted if the applicant for admission has a composite American college testing program (ACT) score of not less than 21 points.

(3) Admission to all state educational institutions shall be granted to each Kansas resident under 21 years of age who has earned the general educational development (GED) certificate with an overall score of not less than 50 points.

(4) Admission to all state educational institutions shall remain open for each Kansas resident who is 21 years of age or older and who has:

(A) Graduated from an accredited Kansas high school or a non-accredited private secondary school; or

(B) earned the general educational development (GED) certificate with an overall score of not less than 50 points.

(5) Each state educational institution shall establish and maintain a policy permitting the admission of not more than \( \frac{40}{\%} \) of the total number of freshman class admissions to the state educational institution as exceptions to the minimum admissions standards prescribed by this section. These exceptions shall only be applied to students who are \textit{bona fide} residents of Kansas in accordance with rules and regulations of the board of regents and which rules and regulations are substantially similar to law, rule or regulation relative to the determination of resident status for tuition purposes. The board of regents shall adopt rules and regulations prescribing criteria and guidelines to be applied on a system-wide basis to policies established by the state educational institutions for the purpose of permitting freshman class admissions to the institutions as exceptions to the minimum admissions standards prescribed by this section. On or before January 31 of each year, the board of regents shall submit a report to the legislature containing the number and percentage of freshman class admissions permitted as exceptions to such standards during the preceding academic year. The information contained in the annual report shall be disaggregated by institution.

(6) Each Kansas resident who has earned at least 24 credit hours of transferable course work with a cumulative grade point average of not less than 2.0 on a 4.0 scale at an accredited community college, university or other college shall be admitted as a transfer student to the state educational institutions. Each state educational institution may permit the admission of not more than \( \frac{40}{\%} \) of the total number of such resident transfer
admissions to the state educational institution as exceptions to the
minimum admission standards prescribed by this paragraph. The board of
regents shall adopt rules and regulations prescribing criteria and guidelines
to be applied on a system-wide basis for the purpose of admitting students
who have earned at least 24 credit hours of transferable course work to
state educational institutions as exceptions to the minimum standards
prescribed by this paragraph. On or before January 31 of each year, the
board of regents shall submit a report to the legislature containing the
number and percentage of transfer student admissions permitted as
exceptions to such standards during the preceding academic year. The
information contained in the report shall be disaggregated by institution.

(7) Each person who is not a resident of Kansas and who has
graduated from an accredited high school may be admitted as a freshman
to any of the state educational institutions if the person has achieved at
least one of the following:

(A) The person has completed the precollege curriculum prescribed
by the board of regents with a minimum grade point average of 2.50 on a
4.0 scale or has been recognized by the board of regents as having attained
a functionally equivalent level of education; or

(B) the person has a composite American college testing program
(ACT) score of not less than 21 points; or

(C) the person ranks in the top \( \frac{1}{3} \) of the person's high school class
upon completion of seven or eight semesters.

(8) Each person who is not a resident of Kansas and who has
graduated from a non-accredited private secondary school meeting
requirements substantially equivalent to K.S.A. 72-53,100 through 72-
53,102, and amendments thereto, may be admitted to any state educational
institution if the person has a composite American college testing program
(ACT) score of not less than 21 points.

(9) Each person who is not a resident of Kansas and who has earned
at least 24 credit hours of transferable course work with a cumulative
grade point average of not less than 2.0 on a 4.0 scale at an accredited
community college, university or other college may be admitted as a
transfer student to any of the state educational institutions. Each state
educational institution may permit the admission of not more than 10\%
5% of the total number of such non-resident transfer admissions to the
state educational institution as exceptions to the minimum admission
standards prescribed by this paragraph. The board of regents shall adopt
rules and regulations prescribing criteria and guidelines to be applied on a
system-wide basis for the purpose of admitting students who have earned
at least 24 credit hours of transferable course work to state educational
institutions as exceptions to the minimum standards prescribed by this
paragraph. On or before January 31 of each year, the board of regents shall
submit a report to the legislature containing the number and percentage of
transfer student admissions permitted as exceptions to such standards
during the preceding academic year. The information contained in the
report shall be disaggregated by institution.

(b) The board of regents may prescribe a precollege curriculum which
includes, but need not be limited to, four units of English, three units of
mathematics, three units of social studies and three units of natural
science.

(c) When a Kansas high school is organized in a manner that provides
for documentation of a student's performance in terms other than units of
credit or grade point averages, or both, the board of regents shall
determine for the students of such school a level of education that is
functionally equivalent to the completion of the precollege curriculum
with the required grade point average on a 4.0 scale. The determination of
a functionally equivalent level of education required under this subsection
shall be made by the board of regents after consultation with the state
board of education and the board of education or other governing authority
having jurisdiction over the students of the affected school.

(d) The board of regents shall determine a level of education that is
functionally equivalent to the completion of the precollege curriculum
with the required grade point average on a 4.0 scale for persons who are
not residents of Kansas.

(e) The board of regents may authorize the chief executive officer of
each state educational institution to adopt additional rules and policies
relating to admissions of students so long as such rules and policies are not
in conflict with the provisions of this section.

(f) The board of regents may adopt rules and regulations establishing
standards for the admission of students to state educational institutions that
differ from the standards set forth in subsection (a). Rules and regulations
adopted pursuant to this subsection that are more rigorous than those set
forth in subsection (a) shall not be effective prior to the first day of the
fourth academic year following the year in which the rules and regulations
are adopted.

(g) Information in reports required to be compiled and submitted to
the legislature by this section may be compiled and submitted to the
legislature in a single report.

Sec. 3. K.S.A. 2011 Supp. 76-717 is hereby repealed.
Sec. 4. This act shall take effect and be in force from and after its
publication in the statute book.
