year for all funds of each such governmental unit bear to the total of all
such levies made in the preceding year, and (2) 1/2 of all revenue
received by the director of taxation from such countywide retailers' sales
tax shall be apportioned among the county and each city located in such
county, first to the county that portion of the revenue equal to the

persons residing within the Fort Riley military reservation shall be
included in the determination of the population of any city located within
Riley county. All revenue apportioned to a county shall be paid to its
county treasurer and shall be credited to the general fund of the county.

preceding year and (ii) one-fourth shall be apportioned among the county
and each city located in such county, first to the county that portion of the
revenue equal to the proportion that the population of the county residing

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.
