Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2011 Supp. 25-2309 is hereby amended to read as follows: 25-2309. (a) Any person may apply in person, by mail, through a voter registration agency, or by other delivery to a county election officer to be registered. Such application shall be made on: (1) A form approved by the secretary of state, which shall be provided by a county election officer or chief state election official upon request in person, by telephone or in writing; or (2) the national mail voter registration form issued pursuant to federal law. Such application shall be signed by the applicant under penalty of perjury and shall contain the original signature of the applicant or the computerized, electronic or digitized transmitted signature of the applicant. A signature may be made by mark, initials, typewriter, print, stamp, symbol or any other manner if by placing the signature on the document the person intends the signature to be binding. A signature may be made by another person at the voter's direction if the signature reflects such voter's intention.

(b) Applications made under this section shall give voter eligibility requirements and such information as is necessary to prevent duplicative voter registrations and enable the relevant election officer to assess the eligibility of the applicant and to administer voter registration, including, but not limited to, the following data to be kept by the relevant election officer as provided by law:

1. Name;
2. place of residence, including specific address or location, and mailing address if the residence address is not a permissible postal address;
3. date of birth;
4. sex;
5. the last four digits of the person's social security number or the person's full driver's license or nondriver's identification card number;

(17) boxes for the applicant to check to indicate whether or not the applicant will be 18 years of age or older on election day, together with the question "Will you be 18 years of age on or before election day?";

(19) a statement that the applicant shall be required to provide identification when voting; and
(20) political party affiliation declaration, if any. An applicant's failure to make a declaration will result in the applicant being registered as an unaffiliated voter.

This section shall be interpreted and applied in accordance with federal law. No eligible applicant whose qualifications have been assessed shall be denied registration.

(c) Any person who applies for registration through a voter

(3) a statement that if the applicant does register to vote, information regarding the office to which the application was submitted will remain confidential and be used only for voter registration purposes; and

(4) if the agency provides public assistance, (i) the statement "Applying to register or declining to register to vote will not affect the amount of assistance that you will be provided by this agency."

(ii) boxes for the applicant to check to indicate whether the applicant would like to register or declines to register to vote, together with the statement "IF YOU DO NOT CHECK EITHER BOX, YOU WILL BE CONSIDERED TO HAVE DECIDED NOT TO REGISTER TO VOTE AT THIS TIME."

(iii) the statement "If you would like help in filling out the voter registration application form, we will help you. The decision whether to seek or accept help is yours. You may fill out the application form in private."

(iv) the statement "If you believe that someone has interfered with your right to register or to decline to register to vote, your right to privacy in deciding whether to register or in applying to register to vote, or your right to choose your own political party or other political preference, you may file a complaint with the Kansas Secretary of State."

(d) If any person, in writing, declines to register to vote, the voter registration agency shall maintain the form prescribed by subsection (c).

(e) A voter registration agency shall transmit the completed registration application to the county election officer not later than five days after the date of acceptance. Upon receipt of an application for registration, the county election officer shall send, by nonforwardable mail, a notice of disposition of the application to the applicant at the postal delivery address shown on the application. If a notice of disposition is returned as undeliverable, a confirmation mailing prescribed by K.S.A. 25-2316c, and amendments thereto, shall occur.

(f) If an application is received while registration is closed, such application shall be considered to have been received on the next following day during which registration is open.

When a county election officer has reason to believe that a voter's registration residence is not a permissible postal delivery address, the county election officer shall attempt to determine a proper mailing address for the voter.

(i) Any registered voter may request that such person's residence address be concealed from public inspection on the voter registration list and on the original voter registration application form. Such request shall be made in writing to the county election officer, and shall specify a clearly unwarranted invasion of personal privacy or a threat to the voter's safety. Upon receipt of such a request, the county election officer shall take appropriate steps to ensure that such person's residence address is not publicly disclosed. Nothing in this subsection shall be construed as requiring or authorizing the secretary of state to include on the voter registration application form a space or other provision on the form that would allow the applicant to request that such applicant's residence address be concealed from public inspection.

(j) No application for voter registration shall be made available for public inspection or copying unless the information required by paragraph (5) of subsection (b) has been removed or otherwise rendered unreadable.

(k) If an applicant fails to answer the question prescribed in paragraph (15) of subsection (b), the county election officer shall send the application to the applicant at the postal delivery address given on the application, by nonforwardable mail, with a notice of incompleteness. The notice shall specify a period of time during which the applicant may complete the application in accordance with K.S.A. 25-2311, and amendments thereto, and be eligible to vote in the next election.

(l) The county election officer or secretary of state’s office shall accept any completed application for registration, but an applicant shall not be registered until the applicant has provided satisfactory evidence of United States citizenship. Evidence of United States citizenship as required in this section will be satisfied by presenting one of the documents listed in paragraphs (1) through (13) of subsection (l) in person at the time of filing the application for registration or by including a photocopy of one of the following documents with a mailed registration application. certificate of naturalization is provided, the applicant shall not be included

(6) If the state election board finds that the evidence presented by an
applicant does not constitute satisfactory evidence of United States
citizenship, such applicant shall have the right to appeal such
determination by the state election board by instituting an action under 8
U.S.C. § 1503. Any negative assessment of an applicant's eligibility by the
state election board shall be reversed if the applicant obtains a declaratory
judgment pursuant to 8 U.S.C. § 1503, demonstrating that such applicant is
a national of the United States.

(n) Any person who is registered in this state on the effective date of
this amendment to this section is deemed to have provided satisfactory
