Sec. 2. (a) For taxable years commencing after December 31, 2011, and before January 1, 2017, there shall be allowed as a credit against the tax liability of a resident individual taxpayer an amount equal to the resident individual's income tax liability under the provisions of the Kansas income tax act, when the resident individual:

(1) Was domiciled outside this state for five or more years immediately prior to establishing their domicile in a rural opportunity zone in this state;

(2) had no Kansas source income for five or more years immediately prior to establishing their domicile in a rural opportunity zone in this state; and

(3) was domiciled in a rural opportunity zone during the entire taxable year for which such credit is claimed.

(b) A resident individual may claim the credit authorized by this
section for not more than five consecutive years following establishment
of their domicile in a rural opportunity zone.

(c) The maximum amount of any refund under this section shall be
equal to the amount withheld from the resident individual's wages or
payments other than wages pursuant to K.S.A. 79-3294 et seq., and
amendments thereto, or paid by the resident individual as estimated taxes
pursuant to K.S.A. 79-32,101 et seq., and amendments thereto.

(d) No credit shall be allowed under this section if:
(1) The resident individual's income tax return on which the credit is
claimed is not timely filed, including any extension;
(2) the resident individual is delinquent in filing any return with, or
paying any tax due to, the state of Kansas or any political subdivision
thereof; or
(3) the resident individual does not establish such individual's
domicile in a rural opportunity zone prior to January 1, 2016.

(a) This section shall be part of and supplemental to the Kansas
income tax act.

Sec. 3. (a) Any county that has been designated a rural opportunity
zone pursuant to section 1, and amendments thereto, may participate in
the program provided in this section by authorizing such participation by
the county commission of such county through a duly enacted written
resolution. Such county shall provide a certified copy of such resolution
to the secretary of commerce on or before January 1, 2012, for calendar
year 2012, or on or before January 1 for each calendar year thereafter, in
which a county chooses to participate. Such resolution shall obligate the
county to participate in the program provided by this section for a period
of five years, and shall be irrevocable. Such resolution shall specify the
maximum amount of outstanding student loan balance for each resident
individual to be repaid as provided in subsection (b), except the
maximum amount of such balance shall be $15,000.

(b) If a county submits a resolution as provided in subsection (a),
under the program provided in this section, subject to subsection (d), the
state of Kansas and such county which chooses to participate as provided
in subsection (a), shall agree to pay in equal shares the outstanding
student loan balance of any resident individual who qualifies to have such
individual's student loans repaid under the provisions of subsection (c)
over a five-year period, except that the maximum amount of such balance
shall be $15,000. The amount of such repayment shall be equal to 20% of
the outstanding student loan balance of the individual in a year over the
five-year repayment period. The state of Kansas is not obligated to pay
the student loan balance of any resident individual who qualifies pursuant
to subsection (c) prior to the county submitting a resolution to the
secretary pursuant to subsection (a). Each such county shall certify to the
secretary that such county has made the payment required by this subsection.

(c) A resident individual shall be entitled to have such individual's outstanding student loan balance paid for attendance at an institution of higher education where such resident individual earned an associate, bachelor or post-graduate degree under the provisions of this section when: (1) The resident individual was domiciled outside this state for three or more years and had no Kansas source income for two or more years immediately prior to establishing such individual's domicile in a rural opportunity zone in this state; or (2) the resident individual was a resident of Kansas prior to attending an out-of-state institution of higher education. Such resident individual may enroll in this program in a form and manner prescribed by the secretary. Subject to subsection (d), once enrolled such resident individual shall be entitled to full participation in the program for five years, except that if the resident individual relocates outside the rural opportunity zone for which the resident individual first qualified, such resident individual forfeits such individual's eligibility to participate, and obligations under this section of the state and the county terminate. No resident individual shall enroll and be eligible to participate in this program after June 30, 2016.

(d) The provisions of this act shall be subject to appropriation acts. Nothing in this act guarantees a resident individual a right to the benefits provided in this section. The county may continue to participate even if the state does not participate.

(e) The secretary shall adopt rules and regulations necessary to administer the provisions of this section.

Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.
