AN ACT concerning capital improvement budget estimates; relating to
program and facilities plans for public safety agencies; amending
K.S.A. 2010 Supp. 75-3717b and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:
Section 1. K.S.A. 2010 Supp. 75-3717b is hereby amended to read
as follows: 75-3717b. (a) Whenever a state agency proposes a capital
improvement project for the construction of a building or for major
repairs or improvements to a building, such state agency shall prepare a
capital improvement budget estimate to be submitted to the division of
the budget in such form as may be required by the director of the budget
and this section. Such state agency shall prepare and include as a part of
such capital improvement budget estimate a written program statement
describing the project. Such program statement shall: (1) Include a
detailed justification for the project including an analysis of the programs,
activities and other needs and intended uses for the additional or
improved space and an analysis of the alternative means by which such
space needs and uses could be satisfied; (2) request appropriations for the
project in the three phases of preliminary planning, final planning and
construction; (3) describe in detail each such phase of the project; and (4)
include cost estimates for land, site surveys, soil investigations,
equipment, buildings or major repairs or improvements to buildings and
other items necessary for the project.

(b) Not later than July 1 of each year, such state agency shall submit
to the division of the budget a copy of such capital improvement budget
estimate, and all amendments and revisions thereof, and at the same time
such state agency shall submit copies of such capital improvement budget
estimate, and all amendments and revisions thereof, directly to the state
building advisory commission and to the joint committee on state
building construction.

(c) On or before November 15 each year, the state building advisory
commission shall report and make recommendations on each capital
improvement budget estimate received pursuant to this section regarding
the project costs, projected scheduling of funding for such costs, and such
other matters as are deemed appropriate by the state building advisory
commission, to: (1) The division of the budget; (2) the joint committee on
state building construction; and (3) the legislative research department.

(d) Not later than July 1 of each year, each state agency submitting such budget estimates shall prepare and submit to the division of the budget, to the state building advisory commission and to the joint committee on state building construction copies of a five-year capital improvement program and facilities plan which shall set forth the current and future space needs and utilization plans for the next five ensuing fiscal years for that state agency in such form and containing such additional information as prescribed by the secretary of administration, except that for each public safety agency, the capital improvement program and facilities plan shall be for the next 15 ensuing fiscal years.

(e) Except as provided in this subsection, the provisions of this section do not apply to any capital improvement project for the adjutant general that is funded entirely by moneys from the federal government. During the month of January each year, the adjutant general shall present a report to the joint committee on state building construction on all capital improvement projects that are funded entirely by moneys from the federal government and that are proposed for the current and ensuing fiscal years.

(f) The provisions of this section do not apply to any capital improvement project for Kansas correctional industries of the department of corrections as provided in subsection (d) of K.S.A. 75-5282, and amendments thereto.

(g) As used in this section, "public safety agency" means the department of corrections, including all state correctional institutions, juvenile justice authority, including all state juvenile correctional facilities, adjutant general, state fire marshal, Kansas parole board, Kansas highway patrol, department of transportation, Kansas bureau of investigation, emergency medical services board, Kansas sentencing commission and Kansas commission on peace officers' standards and training.

Sec. 2. K.S.A. 2010 Supp. 75-3717b is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.
