By Committee on Transportation

1-18

AN ACT concerning motor vehicles; relating to temporary vehicle registration permits; extending the thirty-day registration to sixty days; amending K.S.A. {8-127 and K.S.A.} 2011 Supp. 8-135, 8-135c, 8-143, 8-198} and 8-2409 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 8-127 is hereby amended to read as follows: 8-127. (a) Every owner of a motor vehicle, motorized bicycle, trailer or semitrailer intended to be operated upon any highway in this state, whether such owner is a resident of this state or another state, or such motor vehicle, motorized bicycle, trailer or semitrailer is based in this state or another state shall, before any such vehicle is operated in this state, shall apply for and obtain registration in this state under the provisions of K.S.A. 8-126 to 8-149, inclusive, and acts amendatory thereof or supplemental amendments thereto, except as otherwise provided by law or by any interstate contract, agreement, arrangement or declaration made by the director of vehicles.

(b) Any truck or truck tractor bearing registration of a state other than Kansas which is engaged in intrastate movements within this state shall have Kansas registration, except such vehicles which are registered under the provisions of K.S.A. 8-1,101 to 8-1,123, inclusive, and amendments thereto, and except such vehicles as are entitled to engage in intrastate movements within this state under any interstate contract, agreement, consent, arrangement or declaration made by the director of vehicles.

(c) Whenever any person has a current motorcycle, motorized bicycle, passenger vehicle, truck or truck tractor registration and license plate for a vehicle which has been sold, traded or otherwise disposed of not later than 60 days, inclusive of weekends and holidays, after acquiring another motorcycle, motorized bicycle, passenger vehicle, truck or truck tractor to which the registration and license plate will be transferred and such person has complied with all of the conditions precedent to the transfer of the registration except having the registration transferred in the office of the county treasurer, such person
may operate the motorcycle, motorized bicycle, passenger vehicle, truck
or truck tractor acquired for a period of not to exceed 30–60 days, inclusive of weekends and holidays, after acquiring the same and
pending transferral of registration and license plate in the office of the
county treasurer by displaying the motorcycle license plate on the
motorcycle acquired, the motorized bicycle license plate on the motorized
bicycle acquired, the passenger vehicle license plate on the passenger
vehicle acquired, or the truck or truck tractor license plate on the truck
or truck tractor acquired. If the acquired vehicle is a new vehicle, such
person also must carry and have in possession the assigned certificate of
title or bill of sale when operating the acquired vehicle during said thirty-
day such sixty-day period.}

Section 1. K.S.A. 2011 Supp. 8-135 is hereby amended to
read as follows: 8-135. (a) Upon the transfer of ownership of any vehicle
registered under this act, the registration of the vehicle and the right to use
any license plate thereon shall expire and thereafter there shall be no
transfer of any registration, and the license plate shall be removed by the
owner thereof. Except as provided in K.S.A. 8-172, and amendments
thereto, and 8-1,147, and amendments thereto, it shall be unlawful for any
person, other than the person to whom the license plate was originally
issued, to have possession thereof. When the ownership of a registered
vehicle is transferred, the original owner of the license plate may register
another vehicle under the same number, upon application and payment of a
fee of $1.50, if such other vehicle does not require a higher license fee. If a
higher license fee is required, then the transfer may be made upon the
payment of the transfer fee of $1.50 and the difference between the fee
originally paid and that due for the new vehicle.

(b) Subject to the provisions of subsection (a) of K.S.A. 8-198, and
amendments thereto, upon the transfer or sale of any vehicle by any person
or dealer, or upon any transfer in accordance with K.S.A. 59-3511, and
amendments thereto, the new owner thereof, within 30-60 days, inclusive
of weekends and holidays, from date of such transfer shall make
application to the division for registration or reregistration of the vehicle,
but no person shall operate the vehicle on any highway in this state during
the thirty-day sixty-day period without having applied for and obtained
temporary registration from the county treasurer or from a dealer. After the
expiration of the thirty-day sixty-day period, it shall be unlawful for the
owner or any other person to operate such vehicle upon the highways of
this state unless the vehicle has been registered as provided in this act. For
failure to make application for registration as provided in this section, a
penalty of $2 shall be added to other fees. When a person has a current
motorcycle or passenger vehicle registration and license plate, including
any registration decal affixed thereto, for a vehicle and has sold or
otherwise disposed of the vehicle and has acquired another motorcycle or
passenger vehicle and intends to transfer the registration and the license
plate to the motorcycle or passenger vehicle acquired, but has not yet had
the registration transferred in the office of the county treasurer, such
person may operate the motorcycle or passenger vehicle acquired for a
period of not to exceed 30 {60} days by displaying the license plate on the
rear of the vehicle acquired. If the acquired vehicle is a new vehicle such
person also must carry the assigned certificate of title or manufacturer's
statement of origin when operating the acquired vehicle, except that a
dealer may operate such vehicle by displaying such dealer's dealer license
plate.

(c) Certificate of title: No vehicle required to be registered shall be
registered or any license plate or registration decal issued therefor, unless
the applicant for registration shall present satisfactory evidence of
ownership and apply for an original certificate of title for such vehicle.
The following paragraphs of this subsection shall apply to the issuance of
a certificate of title for a nonhighway vehicle, salvage vehicle or rebuilt
salvage vehicle, as defined in K.S.A. 8-197, and amendments thereto,
except to the extent such paragraphs are made inapplicable by or are
inconsistent with K.S.A. 8-198, and amendments thereto, and to any
electronic certificate of title, except to the extent such paragraphs are made
inapplicable by or are inconsistent with K.S.A. 2011 Supp. 8-135d, and
amendments thereto, or with rules and regulations adopted pursuant to
The provisions of paragraphs (1) through (14) shall apply to any
certificate of title issued prior to January 1, 2003, which indicates that
there is a lien or encumbrance on such vehicle.

(1) An application for certificate of title shall be made by the owner
or the owner's agent upon a form furnished by the division and shall state
all liens or encumbrances thereon, and such other information as the
division may require. Notwithstanding any other provision of this section,
no certificate of title shall be issued for a vehicle having any unreleased
lien or encumbrance thereon, unless the transfer of such vehicle has been
consented to in writing by the holder of the lien or encumbrance. Such
consent shall be in a form approved by the division. In the case of
members of the armed forces of the United States while the United States
is engaged at war with any foreign nation and for a period of six months
next following the cessation of hostilities, such application may be signed
by the owner's spouse, parents, brother or sister. The county treasurer shall
use reasonable diligence in ascertaining whether the facts stated in such
application are true, and if satisfied that the applicant is the lawful owner
of such vehicle, or otherwise entitled to have the same registered in such
applicant's name, shall so notify the division, who shall issue an
appropriate certificate of title. The certificate of title shall be in a form
approved by the division, and shall contain a statement of any liens or
encumbrances which the application shows, and such other information as
the division determines.

(2) The certificate of title shall contain upon the reverse side a form
for assignment of title to be executed by the owner. This assignment shall
contain a statement of all liens or encumbrances on the vehicle at the time
of assignment. The certificate of title shall also contain on the reverse side
blank spaces so that an abstract of mileage as to each owner will be
available. The seller at the time of each sale shall insert and certify the
mileage and the purchase price on the form filed for application or
reassignment of title, and the division shall insert such mileage on the
certificate of title when issued to purchaser or assignee. The signature of
the purchaser or assignee is required on the form filed for application or
reassignment of title, acknowledging the odometer and purchase price
certification made by the seller, except that vehicles which are 10 model
years or older and trucks with a gross vehicle weight of more than 16,000
pounds shall be exempt from the mileage acknowledgment requirement of
the purchaser or assignee. Such title shall indicate whether the vehicle for
which it is issued has been titled previously as a nonhighway vehicle or
salvage vehicle. In addition, the reverse side shall contain two forms for
reassignment by a dealer, stating the liens or encumbrances thereon. The
first form of reassignment shall be used only when a dealer sells the
vehicle to another dealer. The second form of reassignment shall be used
by a dealer when selling the vehicle to another dealer or the ultimate
owner of the vehicle. The reassignment by a dealer shall be used only
where the dealer resells the vehicle, and during the time that the vehicle
remains in the dealer's possession for resale, the certificate of title shall be
dormant. When the ownership of any vehicle passes by operation of law,
or repossession upon default of a lease, security agreement, or executory
sales contract, the person owning such vehicle, upon furnishing
satisfactory proof to the county treasurer of such ownership, may procure a
certificate of title to the vehicle. When a vehicle is registered in another
state and is repossessed in another state, the owner of such vehicle shall
not be entitled to obtain a valid Kansas title or registration, except that
when a vehicle is registered in another state, but is financed originally by a
financial institution chartered in the state of Kansas or when a financial
institution chartered in Kansas purchases a pool of motor vehicle loans
from the resolution trust corporation or a federal regulatory agency, and
the vehicle is repossessed in another state, such Kansas financial
institutions shall be entitled to obtain a valid Kansas title or registration. In
addition to any other fee required for the issuance of a certificate of title,
any applicant obtaining a certificate of title for a repossessed vehicle shall
pay a fee of $3.

(3) Dealers shall execute, upon delivery to the purchaser of every new vehicle, a manufacturer's statement of origin stating the liens and encumbrances thereon. Such statement of origin shall be delivered to the purchaser at the time of delivery of the vehicle or at a time agreed upon by the parties, not to exceed 30 days, inclusive of weekends and holidays. The agreement of the parties shall be executed on a form approved by the division. In the event delivery of title cannot be made personally, the seller may deliver the manufacturer's statement of origin by restricted mail to the address of purchaser shown on the purchase agreement. The manufacturer's statement of origin may include an attachment containing assignment of such statement of origin on forms approved by the division. Upon the presentation to the division of a manufacturer's statement of origin, by a manufacturer or dealer for a new vehicle, sold in this state, a certificate of title shall be issued if there is also an application for registration, except that no application for registration shall be required for a travel trailer used for living quarters and not operated on the highways.

(4) The fee for each original certificate of title shall be $10 in addition to the fee for registration of such vehicle, trailer or semitrailer. The certificate of title shall be good for the life of the vehicle, trailer or semitrailer while owned or held by the original holder of the certificate of title.

(5) Except for a vehicle registered by a federally recognized Indian tribe, as provided in paragraph (16), upon sale and delivery to the purchaser of every vehicle subject to a purchase money security interest as provided in article 9 of chapter 84 of the Kansas Statutes Annotated, and amendments thereto, the dealer or secured party may complete a notice of security interest and when so completed, the purchaser shall execute the notice, in a form prescribed by the division, describing the vehicle and showing the name and address of the secured party and of the debtor and other information the division requires. On and after July 1, 2007, only one lien shall be taken or accepted for vehicles with a gross vehicle weight rating of 26,000 pounds or less. As used in this section "gross vehicle weight rating" shall have the meaning ascribed thereto in K.S.A. 66-1,108, and amendments thereto. The dealer or secured party, within 30 days of the sale and delivery, may mail or deliver the notice of security interest, together with a fee of $2.50, to the division. The notice of security interest shall be retained by the division until it receives an application for a certificate of title to the vehicle and a certificate of title is issued. The certificate of title shall indicate any security interest in the vehicle. Upon issuance of the certificate of title, the division shall mail or deliver confirmation of the receipt of the notice of security interest, the date the certificate of title is issued and the security interest indicated, to the
secured party at the address shown on the notice of security interest. The proper completion and timely mailing or delivery of a notice of security interest by a dealer or secured party shall perfect a security interest in the vehicle, as referenced in K.S.A. 2011 Supp. 84-9-311, and amendments thereto, on the date of such mailing or delivery. The county treasurers shall mail a copy of the title application to the lienholder. For any vehicle subject to a lien, the county treasurer shall collect from the applicant a $1.50 service fee for processing and mailing a copy of the title application to the lienholder.

(6) It shall be unlawful for any person to operate in this state a vehicle required to be registered under this act, or to transfer the title to any such vehicle to any person or dealer, unless a certificate of title has been issued as herein provided. In the event of a sale or transfer of ownership of a vehicle for which a certificate of title has been issued, which certificate of title is in the possession of the transferor at the time of delivery of the vehicle, the holder of such certificate of title shall endorse on the same an assignment thereof, with warranty of title in a form prescribed by the division and printed thereon and the transferor shall deliver the same to the buyer at the time of delivery to the buyer of the vehicle or at a time agreed upon by the parties, not to exceed 30 days, inclusive of weekends and holidays, after the time of delivery. The agreement of the parties shall be executed on a form provided by the division. The requirements of this paragraph concerning delivery of an assigned title are satisfied if the transferor mails to the transferee by restricted mail the assigned certificate of title within the 30 days, and if the transferor is a dealer, as defined by K.S.A. 8-2401, and amendments thereto, such transferor shall be deemed to have possession of the certificate of title if the transferor has made application therefor to the division. The buyer shall then present such assigned certificate of title to the division at the time of making application for registration of such vehicle. A new certificate of title shall be issued to the buyer, upon payment of the fee of $10. If such vehicle is sold to a resident of another state or country, the dealer or person making the sale shall notify the division of the sale and the division shall make notation thereof in the records of the division. When a person acquires a security interest that such person seeks to perfect on a vehicle subsequent to the issuance of the original title on such vehicle, such person shall require the holder of the certificate of title to surrender the same and sign an application for a mortgage title in form prescribed by the division. Upon such surrender such person shall immediately deliver the certificate of title, application, and a fee of $10 to the division. Delivery of the surrendered title, application and tender of the required fee shall perfect a security interest in the vehicle as referenced in K.S.A. 2011 Supp. 84-9-311, and amendments thereto. On and after July 1, 2007, only one lien
may be taken or accepted for security for an obligation to be secured by a lien to be shown on a certificate of title for vehicles with a gross vehicle weight rating, as defined in K.S.A. 66-1,108, and amendments thereto, of 26,000 pounds or less. A refinancing shall not be subject to the limitations of this act. A refinancing is deemed to occur when the original obligation is satisfied and replaced by a new obligation. Lien obligations created before July 1, 2007, which are of a continuing nature shall not be subject to the limitations of this act until the obligation is satisfied. A lien in violation of this provision is void. Upon receipt of the surrendered title, application and fee, the division shall issue a new certificate of title showing the liens or encumbrances so created, but only one lien or encumbrance may be shown upon a title for vehicles with a gross vehicle rating of 26,000 pounds or less, and not more than two liens or encumbrances may be shown upon a title for vehicles in excess of 26,000 pounds gross vehicle weight rating. When a prior lienholder's name is removed from the title, there must be satisfactory evidence presented to the division that the lien or encumbrance has been paid. When the indebtedness to a lienholder, whose name is shown upon a title, is paid in full, such lienholder shall comply with the provisions of K.S.A. 2011 Supp. 8-1,157, and amendments thereto.

(7) It shall be unlawful for any person to buy or sell in this state any vehicle required to be registered, unless, at the time of delivery thereof or at a time agreed upon by the parties, not to exceed 30-60 days, inclusive of weekends and holidays, after the time of delivery, there shall pass between the parties a certificate of title with an assignment thereof. The sale of a vehicle required to be registered under the laws of this state, without assignment of the certificate of title, is fraudulent and void, unless the parties shall agree that the certificate of title with assignment thereof shall pass between them at a time other than the time of delivery, but within 30-60 days thereof. The requirements of this paragraph concerning delivery of an assigned title shall be satisfied if (A) the seller mails to the purchaser by restricted mail the assigned certificate of title within 30-60 days, or (B) if the transferor is a dealer, as defined by K.S.A. 8-2401, and amendments thereto, such seller shall be deemed to have possession of the certificate of title if such seller has made application therefor to the division, or (C) if the transferor is a dealer and has assigned a title pursuant to paragraph (9) of this subsection (c).

(8) In cases of sales under the order of a court of a vehicle required to be registered under this act, the officer conducting such sale shall issue to the purchaser a certificate naming the purchaser and reciting the facts of the sale, which certificate shall be prima facie evidence of the ownership of such purchaser for the purpose of obtaining a certificate of title to such motor vehicle and for registering the same. Any such purchaser shall be
allowed 30-60 days, inclusive of weekends and holidays, from the date of
sale to make application to the division for a certificate of title and for the
registering of such motor vehicle.

(9) Any dealer who has acquired a vehicle, the title for which was
issued under the laws of and in a state other than the state of Kansas, shall
not be required to obtain a Kansas certificate of title therefor during the
time such vehicle remains in such dealer's possession and at such dealer's
place of business for the purpose of sale. The purchaser or transferee shall
present the assigned title to the division of vehicles when making
application for a certificate of title as provided in subsection (c)(1).

(10) Motor vehicles may be held and titled in transfer-on-death form.

(11) Notwithstanding the provisions of this act with respect to time
requirements for delivery of a certificate of title, or manufacturer's
statement of origin, as applicable, any person who chooses to reaffirm the
sale in writing on a form approved by the division which advises them of
their rights pursuant to paragraph (7) of subsection (c) and who has
received and accepted assignment of the certificate of title or
manufacturer's statement of origin for the vehicle in issue may not
thereafter void or set aside the transaction with respect to the vehicle for
the reason that a certificate of title or manufacturer's statement of origin
was not timely delivered, and in such instances the sale of a vehicle shall
not be deemed to be fraudulent and void for that reason alone.

(12) The owner of any vehicle assigning a certificate of title in
accordance with the provisions of this section may file with the division a
form indicating that such owner has assigned such certificate of title. Such
forms shall be furnished by the division and shall contain such information
as the division may require. Any owner filing a form as provided in this
paragraph shall pay a fee of $10. The filing of such form shall be prima
facie evidence that such certificate of title was assigned and shall create a
rebuttable presumption. If the assignee of a certificate of title fails to make
application for registration, an owner assigning such title and filing the
form in accordance with the provisions of this paragraph shall not be held
liable for damages resulting from the operation of such vehicle.

(13) Application for a certificate of title on a boat trailer with a gross
weight over 2,000 pounds shall be made by the owner or the owner's agent
upon a form to be furnished by the division and shall contain such
information as the division shall determine necessary. The division may
waive any information requested on the form if it is not available. The
application together with a bill of sale for the boat trailer shall be accepted
as prima facie evidence that the applicant is the owner of the boat trailer,
provided that a Kansas title for such trailer has not previously been issued.
If the application and bill of sale are used to obtain a certificate of title for
a boat trailer under this paragraph, the certificate of title shall not be issued
until an inspection in accordance with subsection (a) of K.S.A. 8-116a, and
amendments thereto, has been completed.

(14) In addition to the two forms for reassignment under paragraph
(2) of subsection (c), a dealer may attach one additional reassignment form
to a certificate of title. The director of vehicles shall prescribe and furnish
such reassignment forms. The reassignment form shall be used by a dealer
when selling the vehicle to another dealer or the ultimate owner of the
vehicle only when the two reassignment forms under paragraph (2) of
subsection (c) have already been used. The fee for a reassignment form
shall be $6.50. A dealer may purchase reassignment forms in multiples of
five upon making proper application and the payment of required fees.

(15) A first stage manufacturer, as defined in K.S.A. 8-2401, and
amendments thereto, who manufactures a motor vehicle in this state, and
who sells such motor vehicles to dealers located in a foreign country, may
execute a manufacturers statement of origin to the division of vehicles for
the purpose of obtaining an export certificate of title. The motor vehicle
issued an export certificate of title shall not be required to be registered in
this state. An export certificate of title shall not be used to register such
vehicle in the United States.

(16) A security interest in a vehicle registered by a federally
recognized Indian tribe shall be deemed valid under Kansas law if validly
perfected under the applicable tribal law and the lien is noted on the face
of the tribal certificate of title.

(17) On and after January 1, 2010, a certificate of title issued for a
rebuilt salvage vehicle for the initial time, shall indicate on such title, the
reduced classification of such vehicle as provided under K.S.A. 79-5104,
and amendments thereto.

{Sec. 3. K.S.A. 2011 Supp. 8-135c is hereby amended to read as
follows: 8-135c. (a) The provisions of this section shall be a part of and
supplemental to the provisions of article 1 of chapter 8 of the Kansas
Statutes Annotated, and as used in this section, the words and phrases
defined by K.S.A. 8-126, and amendments thereto, shall have the
meanings respectively ascribed to them therein.

nonrepairable vehicle.

apply to the division for a nonrepairable vehicle certificate within 30 days after the title is assigned and delivered by the owner to the
insurance company, with all liens released.

(3) Every insurance company which makes a damage settlement for
a vehicle that has incurred damage requiring such vehicle to be designated a nonrepairable vehicle, but does not acquire ownership of
the vehicle, shall notify the vehicle owner of the owner's obligation to
apply to the department for a nonrepairable vehicle certificate for the
motor vehicle, and shall notify the division of this fact in accordance
with procedures established by the division. The vehicle owner shall
apply to the division for a nonrepairable vehicle certificate within 30 days after being notified by the insurance company.

(4) The lessee of any vehicle which incurs damage requiring the

nonrepairable vehicle.

A vehicle licensed as a farm truck or truck tractor may be used by the owner thereof to transport, for charity and without compensation of any kind, commodities for religious or educational institutions. A truck which is licensed as a farm truck may also be used for the transportation of sand, gravel, slag stone, limestone, crushed stone, cinders, blacktop, dirt or fill material to a township road maintenance or construction site of the township in which the owner of such truck resides. Any applicant for registration of any farm truck or farm truck tractor used in combination with a trailer or semitrailer shall register the farm truck or
farm truck tractor for a gross weight which shall include the empty
weight of the truck or truck tractor or of the combination of any truck or

applicant for registration of any farm truck or farm truck tractor used to
transport a gross weight of more than 54,000 pounds shall durably letter
on the side of the motor vehicle the words "farm vehicle—not for hire."
If an applicant for registration of any farm truck or farm truck tractor
operates such vehicle for any use or purpose not authorized for a farm
truck or farm truck tractor, such applicant shall pay an additional fee
equal to the fee required for the registration of all trucks or truck
tractors not registered as local, 6,000-mile or farm truck or farm truck

The annual license fee for each local urban transit bus which is
owned by a metropolitan transit authority established pursuant to
articles 25 and 28 of chapter 12 or pursuant to article 31 of chapter 13
of the Kansas Statutes Annotated shall be $2.

(8) For licensing purposes, station wagons with a carrying capacity
of less than 10 passengers shall be subject to registration fees based on
the weight of the vehicles, as provided in subsection (a). Station wagons
with a carrying capacity of 10 or more passengers shall be subject to the
truck classifications and license fees as provided.
(9) For any trailer, semitrailer, travel trailer or pole trailer the annual license fee shall be as follows:

(A) (i) Until January 1, 2013, for any such vehicle with a gross weight of more than 12,000 pounds the annual fee shall be $35;
(ii) On January 1, 2013, for any such vehicle with a gross weight of more than 12,000 pounds but less than 54,000 pounds the annual fee shall be $45, on January 1, 2014, $55;
(B) any such vehicle grossing more than 8,000 pounds but not over 12,000 pounds, the annual fee shall be $25, on January 1, 2013, $35, on January 1, 2014, $45;
(C) for any such vehicle grossing more than 2,000 pounds but not over 8,000 pounds, the annual fee shall be $15, on January 1, 2013, $25, on January 1, 2014, $35.

Any such vehicle having a gross weight of 2,000 pounds or less may, at the owner's option, be registered and the fee for such registration shall be as provided in paragraph (C).

Any trailer, semitrailer or travel trailer owned by a nonresident of this state and based in another state, which is properly registered and licensed in the state of residence of the owner or in the state where based, may be operated in this state without being registered or licensed in this state if the truck or truck tractor propelling the same is properly registered and licensed in this state, or is registered and licensed in some other state and is entitled to reciprocal privileges of operation in this state, but this provision shall not apply to any trailer or semitrailer owned by a nonresident of this state when such trailer or semitrailer is owned by a person who has proportionately registered and licensed a fleet of vehicles under the provisions of K.S.A. 8-1,101 to 8-1,123, inclusive, and amendments thereto, or under the terms of any reciprocal or proration agreement made pursuant thereto.

At the option of the owner, any trailer, semitrailer or pole trailer, with a gross weight of more than 12,000 pounds, may be issued a multi-year registration for a five-year period upon payment of the appropriate registration fee. The fee for a five-year registration of such trailer shall be five times the annual fee for such trailer. If the annual registration fee is increased during the multi-year registration period, the owner of the trailer with such multi-year registration shall be subject to the amount of the increase of the annual registration fee for the remaining calendar years of such multi-year registration. When the owner of any trailer, semitrailer or pole trailer registered under this multi-year provision transfers or assigns the title, or interest thereto, the registration of such trailer shall expire. The owner shall remove the license plate from such trailer and forward the license plate to the division of vehicles or may have such license plate assigned to another
trailer, semitrailer or pole trailer upon the payment of fees required by law. Any owner of a trailer, semitrailer or pole trailer where the multi-year registration fee has been paid and the trailer is sold, junked, repossessed, foreclosed by a mechanic's lien or title transferred by operation of law, and the registration thereon is not going to be transferred to another trailer, may secure a refund for the registration fee for the remaining calendar years by making application to the division of vehicles on a form and in the manner prescribed by the director of vehicles. The secretary of revenue may adopt such rules and regulations necessary to implement the multi-year registration of such trailers, semitrailers and pole trailers.

(c) Any truck or truck tractor having a gross weight of 4,000 pounds or over, using solid tires, shall pay a license fee of double the amount herein charged. The annual fees herein provided for trucks, truck tractors and trailers not subject to K.S.A. 8-134a, and amendments thereto, shall be due January 1 of each year and payable on or before the last day of February in each year. If the fee is not paid by such date a penalty of $1 shall be added to the fee charged herein for each month or fraction thereof and until December 31 of each registration year. The annual registration fee for all passenger vehicles and vehicles subject to K.S.A. 8-134a, and amendments thereto, shall be due on or before the last day of the month in which the registration plate expires and shall be due for other vehicles as provided by K.S.A. 8-134, and amendments thereto. If the registration fee is not paid by such date a penalty of $1 shall be added to the fee charged herein for each month or fraction thereof until such registration fee is paid. Members of the armed forces of the United States shall be permitted to apply for registration at any time and be subject to registration fee, less penalties, applicable at the time the application is made. If any motorcycle, motorized bicycle, trailer, semitrailer, travel trailer, or pole trailer is either purchased or acquired after the anniversary or renewal date in any registration year there shall immediately become due and payable a registration fee as follows: If purchased or acquired between the anniversary or renewal date of any registration year and the first six months of such registration year, the annual fee hereinbefore provided; if purchased or acquired during the last six months of any registration year, 50% of such annual fee. If any truck or truck tractor, except trucks subject to K.S.A. 8-134a, and amendments thereto, is purchased or acquired prior to April 1 of any year the fee shall be the annual fee hereinbefore provided, but if such truck or truck tractor is purchased or acquired after the end of March of any year, the license fee for such year shall be reduced 1/12 for each calendar month which has elapsed since the beginning of the year. If any truck registered for a gross weight of 12,000 pounds or less or
passenger vehicle is purchased or acquired and less than 12 months remain in the registration period, the fee shall be \( \frac{1}{12} \) of the annual fee for each calendar month remaining in the registration period.

Upon the transfer of motorcycles, motorized bicycles, passenger vehicles, trailers, semitrailers, trucks or truck tractors, on which registration fees have been paid for the year in which the transfer is made, either (1) to a corporation by one or more persons, solely in exchange for stock or securities in such corporation, or (2) by one corporation to another corporation when all of the assets of such corporation are transferred to the other corporation, then in either case (1) or case (2) the corporation shall be exempt from the payment of registration fees on such vehicles for the year in which such transfer is made. Applications for transfer or registration shall be accompanied by a fee of $1.50. When the registration of a vehicle has expired at midnight on the last day of any registration year, and such vehicle is not thereafter operated upon the highways, any application for renewal of registration made subsequent to the anniversary or renewal date of any registration year following the expiration of such registration and for succeeding registration years in which such vehicle has not been registered shall be accompanied by an affidavit of nonoperation and nonuse, and such application for renewal or registration shall be received by the division of vehicles upon payment of the proper fees for the current registration year and without penalty.

If the owner of the registration becomes deceased and the vehicle is not going to be used on the highway, and title is not being currently transferred, the proper representative of the estate shall be entitled to the refund. The refund shall be made only for the period of time remaining in the registration year from the date of completion and filing of the application with and delivery of the license plate and attachments to the division of vehicles. Where the registration is secured under a quarterly payment annual registration fee, as provided for in K.S.A. 8-143a, and amendments thereto, such refund shall be made on the quarterly fee paid and unused and all remaining quarterly payments shall be canceled. Any truck or truck tractor having the registration fee paid on quarterly payment basis, all quarterly payments due or a fraction of quarterly payment due shall be paid before title may be transferred, except that in case of death, the filing of the application and returning of the license plate and attachment shall cancel the remaining annual payments due. Notwithstanding any of the foregoing provisions of this section, no refund shall be made under the provisions of this section where the amount thereof does not exceed $5. required to be registered in this state, as provided in K.S.A. 8-135, and
amendments thereto, but nothing in this section shall be construed as

142, and amendments thereto, which make it unlawful for any person to

(b) Upon the sale or transfer of any nonhighway vehicle or salvage
vehicle, the purchaser thereof shall obtain a nonhighway certificate of
title or salvage title, whichever is applicable, in the following manner:

(1) If the transferor is a vehicle dealer, as defined in K.S.A. 8-2401,
and amendments thereto, and a certificate of title has not been issued for

required under K.S.A. 8-135, and amendments thereto, the transferor
shall make application to the division for a nonhighway certificate of
title or salvage title, whichever is applicable, as provided in this section,
except that in addition thereto, the division shall require a bill of sale or
such transferor's affidavit, with at least one other corroborating
affidavit, that such transferor is the owner of such nonhighway vehicle
or salvage vehicle. If the division is satisfied that the transferor is the

such application shall provide a place for the applicant to certify that the
vehicle for which the application for a nonhighway certificate of title is
made is a nonhighway vehicle and other provisions the director deems

(2) Every insurance company, which pursuant to a damage settlement, acquires ownership of a vehicle that has incurred damage requiring the vehicle to be designated a salvage vehicle, shall apply for a salvage title within 60 days after the title is assigned and delivered by the owner to the insurance company, with all liens released.

(3) Every insurance company which makes a damage settlement for a vehicle that has incurred damage requiring such vehicle to be designated a salvage vehicle, but does not acquire ownership of the vehicle, shall notify the vehicle owner of the owner's obligation to apply for a salvage title for the motor vehicle, and shall notify the division of this fact in accordance with procedures established by the division. required for an application under subsection (c)(1) of K.S.A. 8-135, and
amendments thereto. In addition, such application shall provide a place
for the applicant to certify that the vehicle for which the application for
salvage title is made is a salvage vehicle, and other provisions the
director deems necessary. Each application for a salvage title shall be

prescribed by K.S.A. 8-135, and amendments thereto, for the transfer of
a certificate of title, except as otherwise provided in this section. A
nonhighway certificate of title or salvage title may be assigned and
transferred only while the vehicle remains a nonhighway vehicle or
salvage vehicle.

(2) Upon transfer or sale of a nonhighway vehicle in a condition
which will allow the registration of such vehicle, the owner shall assign
the nonhighway certificate of title to the purchaser, and the purchaser
shall obtain a certificate of title and register such vehicle as provided in
K.S.A. 8-135, and amendments thereto. No regular certificate of title
shall be issued for a vehicle for which there has been issued a
nonhighway certificate of title until there has been compliance with
K.S.A. 8-116a, and amendments thereto.

rebuilt or restored or is otherwise in a condition which will allow the
registration of such vehicle, the owner shall assign the salvage title to
the purchaser, and the purchaser shall obtain a rebuilt salvage title and
register such vehicle as provided in K.S.A. 8-135, and amendments

No such permit shall be issued for any vehicle unless the owner has motor vehicle liability insurance coverage or an approved self-insurance plan under K.S.A. 40-3104, and amendments thereto. Such permit shall be on a form furnished by the director of vehicles and shall state the date the vehicle is to be taken to the other location, the name of the insurer, as defined in K.S.A. 40-3103, and amendments thereto, and the policy number or a statement that the vehicle is included in a self-insurance plan approved by the commissioner of insurance, a statement attesting to the correctness of the information concerning financial security, the vehicle identification number and a description of the vehicle. when such vehicle is being operated pursuant to subsection (g). Any person who knowingly makes a false statement concerning financial security in obtaining a permit pursuant to subsection (g), or who fails to obtain a permit when required by law to do so is guilty of a class C misdemeanor.

(i) Any person who, on July 1, 1996, is the owner of an all-terrain vehicle, as defined in K.S.A. 8-126, and amendments thereto, shall not be required to file an application for a nonhighway certificate of title under the provisions of this section for such all-terrain vehicle, unless the person transfers an interest in such all-terrain vehicle.
