SENATE BILL No. 324

By Committee on Public Health and Welfare

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 65-1632 is hereby amended to read as follows: 65-1632. (a) Each license to practice as a pharmacist issued by the board, shall expire on June 30 of the year specified by the board for the expiration of the license and shall be renewed on a biennial basis in accordance with this section every two years. The expiration date shall be established by rules and regulations adopted by the board. Each application for renewal of a license as a pharmacist shall be made on a form prescribed and furnished by the board. Except as otherwise provided in this subsection, the application, when accompanied by the renewal fee and received by the executive secretary of the board on or before the date of expiration of the license, shall have the effect of temporarily renewing the applicant's license until actual issuance or denial of the renewal. If at the time of filing a proceeding is pending before the board which may result in the suspension, probation, revocation or denial of the applicant's license, the board may by emergency order declare that the application for renewal shall not have the effect of temporarily renewing such applicant's license. Every licensed pharmacist shall pay to the secretary of the board a renewal fee fixed by the board as provided in K.S.A. 65-1645, and amendments thereto.

(b) Commencing with the renewal of licenses which expire on June 30, 1998, each license shall be renewed on a biennial basis. To provide for a system of biennial renewal of licenses, the board may provide by rules and regulations that licenses issued or renewed may expire less than two years from the date of issuance or renewal.

(c) The board may deny renewal of any license of a pharmacist on any ground which would authorize the board to deny an initial application for licensure or on any ground which would authorize the board to suspend, revoke or place on probation a license previously granted. Orders under this section, and proceedings thereon, shall be subject to the provisions of the Kansas administrative procedure act.
(d) The payment of the renewal fee by a person who is a holder of a license as a pharmacist shall entitle the person to renewal of license if no grounds exist for denying the renewal of the license and if the person has furnished satisfactory evidence to the board that the person has successfully complied with the rules and regulations of the board relating to continuing professional education. These educational requirements shall be fixed by the board at not less than 20 clock hours nor more than 40 clock hours biennially of a program of continuing education approved by the board. Continuing education hours may be prorated for licensure periods which are less than biennial in accordance with rules and regulations of the board. The maximum number of continuing education hours required by the board to meet the requirements for cancellation of inactive status licensure and renewal of license under subsection (e) or reinstatement of license because of nonpayment of fees under subsection (f) shall not exceed 60.

(e) The payment of the renewal fee by the person who is a holder of a license as a pharmacist but who has not complied with the continuing education requirements fixed by the board, if no grounds exist for denying the renewal of the license other than that the person has not complied with the continuing education requirements fixed by the board, shall entitle the person to inactive status licensure by the board. No person holding an inactive status license from the board shall engage in the practice of pharmacy in this state. Upon furnishing satisfactory evidence to the board of compliance with the continuing education requirements fixed by the board and upon the payment to the board of all applicable fees, a person holding an inactive status license from the board shall be entitled to cancellation of the inactive status license and to renewal of licensure as a pharmacist.

(f) If the renewal fee for any pharmacist's license has not been paid by August prior to the expiration of the license of the renewal year, the license is hereby declared void, and no license shall be reinstated except upon payment of any unpaid renewal fee plus a penalty fee fixed by the board as provided in K.S.A. 65-1645, and amendments thereto, and proof satisfactory to the board of compliance with the continuing education requirements fixed by the board. The penalty fee established by this section immediately prior to the effective date of the act shall continue in effect until a different penalty fee is fixed by the board by rules and regulations as provided in K.S.A. 65-1645, and amendments thereto. Payment of any unpaid renewal fee plus a penalty fee and the submission of proof satisfactory to the board of compliance with the continuing education requirements fixed by the board shall entitle the license to be reinstated. The nonpayment of renewal fees by a previously licensed pharmacist for a period exceeding three years shall not deprive the
previously licensed pharmacist of the right to reinstate the license upon the
payment of any unpaid fees and penalties and upon compliance with the
continuing education requirements fixed by the board, except that the
board may require such previously licensed pharmacist to take and pass an
examination approved by the board for reinstatement as a pharmacist and
to pay any applicable application fee.

The expiration date shall be established by rules and regulations adopted by the board. Each applicant for renewal of a pharmacy technician registration shall be made on a form prescribed and furnished by the board and shall be accompanied by a renewal fee fixed by the board by rule and regulation of not to exceed $25. emergency order declare that the application for renewal shall not have the
effect of temporarily renewing such applicant's registration. If the renewal
fee is not paid by December 1 prior to the expiration date of the renewal
year, the registration is void.

(e) (1) The board may limit, suspend or revoke a registration or deny
an application for issuance or renewal of any registration as a pharmacy
technician on any ground, which would authorize the board to take action
against the license of a pharmacist under K.S.A. 65-1627, and
amendments thereto.

(2) The board may require a physical or mental examination, or both,
of a person applying for or registered as a pharmacy technician.

(3) The board may temporarily suspend or temporarily limit the
registration of any pharmacy technician in accordance with the emergency
adjudicative proceedings under the Kansas administrative procedure act if

an imminent danger to the public health and safety.

administrative procedure act.

new employment, shall furnish the board's executive secretary notice of

prescribed by the board by rule and regulation. Any change in the ratio of
pharmacy technicians to pharmacists in the prescription area of the
pharmacy must be adopted by a vote of no less than six members of the
board.

(h) A person holding a pharmacy technician registration shall display
such registration in that part of the place of business in which such person
is engaged in pharmacy technician activities.

prescribed and furnished by the board. Each application for registration
shall be accompanied by a registration fee fixed by the board by rule and
regulation not to exceed $25.

expire six years from the date of issuance.

an application for issuance or renewal of any registration as a pharmacist
intern on any ground, that would authorize the board to take action against
the license of a pharmacist under K.S.A. 65-1627, and amendments
thereto.

(2) The board may temporarily suspend or temporarily limit the
registration of any pharmacist intern in accordance with the emergency
adjudicative proceedings under the Kansas administrative procedure act, if
the board determines that there is cause to believe that grounds exist for
disciplinary action under this section against the registrant and that the
registrant's continuation of pharmacist intern functions would constitute an
imminent danger to the public health and safety.

(3) Proceedings under this section shall be subject to the Kansas
administrative procedure act.

(e) Every registered pharmacist intern, within 30 days of obtaining
new employment, shall furnish the board's executive secretary notice of
the name and address of the new employer.

pharmacist interns employed by the pharmacy. A pharmacist intern shall
work under the direct supervision and control of a pharmacist. It shall be
the responsibility of the supervising pharmacist to determine that the
pharmacist intern is in compliance with the applicable rules and
regulations of the board, and the supervising pharmacist shall be
responsible for the acts and omissions of the pharmacist intern in the
performance of the pharmacist intern's duties.
