AN ACT concerning motor vehicles; relating to competitive bidding;
amending K.S.A. 2011 Supp. 75-3740 and repealing the existing
section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2011 Supp. 75-3740 is hereby amended to read as
follows: 75-3740. (a) Except as provided by K.S.A. 75-3740b, and
amendments thereto, and subsection (g), all contracts and purchases made
by or under the supervision of the director of purchases or any state agency
for which competitive bids are required shall be awarded to the lowest
responsible bidder, taking into consideration conformity with the
specifications, terms of delivery, and other conditions imposed in the call
for bids.

(b) The director of purchases shall have power to decide as to the
lowest responsible bidder for all purchases, but if:

(1) The dollar amount of the bid received from the lowest responsible
bidder from within the state is identical to the dollar amount of the bid
received from the lowest responsible bidder from without the state, the
contract shall be awarded to the bidder from within the state; and

(2) in the case of bids for paper products specified in K.S.A. 75-
3740b, and amendments thereto, the dollar amounts of the bids received
from two or more lowest responsible bidders are identical, the contract
shall be awarded to the bidder whose bid is for those paper products
containing the highest percentage of recycled materials.

(c) Any or all bids may be rejected, and a bid shall be rejected if it
contains any material alteration or erasure made after the bid is opened.
The director of purchases may reject the bid of any bidder who is in
arrears on taxes due the state, who is not properly registered to collect and
remit taxes due the state or who has failed to perform satisfactorily on a
previous contract with the state. The secretary of revenue is hereby
authorized to exchange such information with the director of purchases as
is necessary to effectuate the preceding sentence notwithstanding any other
provision of law prohibiting disclosure of the contents of taxpayer records
or information. Prior to determining the lowest responsible bidder on
contracts for construction of buildings or for major repairs or
improvements to buildings for state agencies, the director of purchases
shall consider: (1) The criteria and information developed by the secretary of administration, with the advice of the state building advisory commission to rate contractors on the basis of their performance under similar contracts with the state, local governmental entities and private entities, in addition to other criteria and information available; and (2) the recommendations of the project architect, or, if there is no project architect, the recommendations of the secretary of administration or the agency architect for the project as provided in K.S.A. 75-1254, and amendments thereto. In any case where competitive bids are required and where all bids are rejected, new bids shall be called for as in the first instance, unless otherwise expressly provided by law or the state agency elects not to proceed with the procurement.

(d) Before the awarding of any contract for construction of a building or the making of repairs or improvements upon any building for a state agency, the director of purchases shall receive written approval from the state agency for which the building construction project has been approved, that the bids generally conform with the plans and specifications prepared by the project architect, by the secretary of administration or by the agency architect for the project, as the case may be, so as to avoid error and mistake on the part of the contractors. In all cases where material described in a contract can be obtained from any state institution, the director of purchases shall exclude the same from the contract.

(e) All bids with the names of the bidders and the amounts thereof, together with all documents pertaining to the award of a contract, shall be made a part of a file or record and retained by the director of purchases for five years, unless reproduced as provided in K.S.A. 75-3737, and amendments thereto, and shall be open to public inspection at all reasonable times.

(f) As used in this section and in K.S.A. 75-3741, and amendments thereto, "project architect" shall have the meaning ascribed thereto in K.S.A. 75-1251, and amendments thereto.

(g) When a state agency is receiving bids to purchase passenger motor vehicles, such agency shall follow the procedures prescribed in subsection (b)(1), except in the case where one of the responsible bidders offers motor vehicles which are assembled in Kansas. In such a case, 10% of the bid of the responsible bidder which offers motor vehicles assembled in Kansas shall be subtracted from the bid amount, and that amount shall be used to determine the lowest bid pursuant to subsection (b)(1). This section shall only apply to bids which match the exact motor vehicle specifications of the agency purchasing passenger motor vehicles.

Sec. 2. K.S.A. 2011 Supp. 75-3740 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.
