(b) For all taxable years commencing after December 31, 1996, there shall be allowed as a credit against the tax liability of a resident individual imposed under the Kansas income tax act an amount equal to: (1) $1,500 for the taxable year in which occurs the lawful adoption of a child in the custody of the secretary of social and rehabilitation services; or (2) for all taxable years commencing after December 31, 2011, $3,500 for the taxable year in which occurs the lawful adoption of a child at least five years old who is in the custody of the secretary of social and rehabilitation services or a child with special needs, whether or not such individual is reimbursed for all or part of qualified adoption expenses or has received a public or private grant therefor.
