SENATE BILL No. 85
By Committee on Financial Institutions and Insurance

AN ACT concerning group life insurance; removing mandatory participation requirements; amending K.S.A. 2010 Supp. 40-433 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2010 Supp. 40-433 is hereby amended to read as follows: 40-433. No policy of group life insurance shall be delivered in this state unless it conforms to one of the following descriptions:

(1) A policy issued by an insurance company organized under the laws of the state of Kansas on its employees and agents, which agents for the purpose of this act only shall be deemed employees, the beneficiaries under such policies to be persons designated by each insured, or a policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, both subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract or otherwise. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired employees. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless the proprietor or partner is actively engaged in and devotes a substantial part of their time to the conduct of the business of the proprietor or partnership. A policy issued to insure the employees of a public body may provide that the term "employees" shall include elected
or appointed officials.

(b) The premium for the policy may be paid by the policyholder, either wholly from the employer's funds or funds contributed by the employer, or partly from such funds and partly from funds contributed by the insured employees. No policy shall be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least 75% of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contribution or entirely by the employees at their option. A policy on which no part of the premium is to be derived from funds contributed by the insured employees shall insure all eligible employees, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer or except those who reject the coverage in writing.

(c) The policy shall cover at least two employees at date of issue. (d) The amounts of insurance under the policy shall be based upon some plan, precluding individual selection either by the employees or by the employer or trustees.

(2) A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements:

(a) The debtors eligible for insurance under the policy shall be all of the debtors of the creditor whose indebtedness is repayable in installments, or all of any class or classes thereof determined by conditions pertaining to the indebtedness or to the purchase giving rise to the indebtedness.

(b) The premium for the policy shall be paid by the policyholder, either from the creditor's funds or from charges collected from the insured debtors, or from both. A policy on which part or all of the premium is to be derived from the collection from the insured debtors of identifiable charges not required of uninsured debtors shall not include, in the class or classes of debtors eligible for insurance, debtors under obligations outstanding at its date of issue without evidence of individual insurability unless at least 75% of the then eligible debtors elect to pay the required charges. A policy on which no part of the premium is to be derived from the collection of such identifiable charges shall insure all eligible debtors, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy may be issued only if the group of eligible debtors is then receiving new entrants at the rate of at least 100 persons yearly, or may reasonably be expected to receive at least 100 new entrants during the first policy year, and only if the policy reserves to the insurer the right to
require evidence of individual insurability if less than 75% of the new
entrants become insured.

(d) The amount of insurance on the life of any debtor shall at no time
exceed the amount owed by that debtor which is repayable in installments
to the creditor.

(e) The insurance shall be payable to the policyholder. Such payment
shall reduce or extinguish the unpaid indebtedness of the debtor to the
extent of such payment.

(3) A policy issued to a labor union, which shall be deemed the
policyholder, to insure members of such union for the benefit of persons
other than the union or any of its officials, representatives or agents,
subject to the following requirements:

(a) The members eligible for insurance under the policy shall be all of
the members of the union, or all of any class or classes thereof determined
by conditions pertaining to their employment, or to membership in the
union, or both.

(b) The premium for the policy shall be paid by the policyholder,
either wholly from the union's funds, or partly from such funds and partly
from funds contributed by the insured members specifically for their
insurance or entirely by the insured members at their option. No policy
shall be issued on which the entire premium is to be derived from funds
contributed by the insured members specifically for their insurance. A
policy on which part of the premium is to be derived from funds
contributed by the insured members specifically for their insurance may be
placed in force only if at least 75% of the then eligible members excluding
any as to whom evidence of individual insurability is not satisfactory to
the insurer, elect to make the required contributions. A policy on which no
part of the premium is to be derived from funds contributed by the insured
members specifically for their insurance shall insure all eligible members,
or all except any as to whom evidence of individual insurability is not
satisfactory to the insurer or except those who reject coverage in writing.

(c) The policy shall cover at least 25 members at date of issue.

(d) The amounts of insurance under the policy shall be based upon
some plan precluding individual selection either by the members or by the
union.

(4) A policy issued to the trustees of a fund established in this state by
two or more employers if a majority of the employees to be insured of
each employer are located within the state, or to the trustees of a fund
established by one or more labor unions, or by one or more employers and
one or more labor unions, which trustees shall be deemed the policyholder,
to insure employees of the employers or members of the unions for the
benefit of persons other than the employers or the unions, subject to the
following requirements:
(a) The persons eligible for insurance shall be all of the employees of
the employers or all of the members of the unions, or all of any class or
classes thereof determined by conditions pertaining to their employment,
or to membership in the unions, or to both. The policy may provide that
the term "employees" shall include retired employees and the individual
proprietor or partners if any employer is an individual proprietor or a
partnership. No director of a corporate employer shall be eligible for
insurance under the policy unless such person is otherwise eligible as a
bona fide employee of the corporation by performing services other than
the usual duties of a director. No individual proprietor or partner shall be
eligible for insurance under the policy unless the proprietor or partner is
actively engaged in and devotes a substantial part of their time to the
conduct of the business of the proprietor or partnership. The policy may
provide that the term "employees" shall include the trustees or their
employees, or both, if their duties are principally connected with such
trusteeship.

(b) The premium for the policy shall be paid by the trustees either
wholly from funds contributed by the employer or employers of the
insured persons, or by the union or unions, or by both, or partly from such
funds and partly from funds contributed by the insured employees or
wholly from funds contributed by the employees or members at their
option. No policy shall be issued on which the entire premium is to be
derived from funds contributed by the insured persons. The policy shall
insure all eligible persons, or all except any as to whom evidence of
individual insurability is not satisfactory to the insurer or except those who
reject coverage in writing.

(c) The policy shall cover at date of issue at least 100 persons and not
less than an average of five persons per employer unit. (d) The amounts of
insurance under the policy shall be based upon some plan precluding
individual selection either by the insured persons or by the policyholder,
employers, or union.

(e) The requirements of paragraphs (b) and (d) of this subsection
governing employer contributions and amounts of insurance shall not
apply to a voluntary term life insurance policy issued on a group basis.

(5) A policy issued to an association which has been organized and is
maintained for purposes other than that of obtaining insurance, insuring at
least 25 members, employees, or employees of members of the association
for the benefit of persons other than the association or its officers. The
term "employees" as used herein shall be deemed to include retired
employees. The premiums for the policies shall be paid by the
policyholder, either wholly from association funds, or funds contributed by
the members of such association or by employees of such members or any
combination thereof. The amounts of insurance under the policy shall be
based upon some plan precluding individual selection either by the insured
person or by the association or by the member.

(6) Any policy issued pursuant to this section may be extended to
insure the employees against loss due to the death of their spouses, their
children, their grandchildren, their spouse's children, their spouse's
grandchildren, their parents, their spouse's parents, or any class or classes
thereof, subject to the following requirements:

(a) The premium for the insurance shall be paid by the
policyholder, either from the employer's funds or from funds contributed
by the insured employees, or from both. If any part of the premium is to be
derived from funds contributed by the insured employees, the insurance
with respect to spouses, their children, their grandchildren, their spouse's
children, their spouse's grandchildren, their parents and their spouse's
parents may be placed in force only if at least 75% of the then eligible
employees, excluding any as to whose family members' evidence of
insurability is not satisfactory to the insurer, elect to make the required
contribution. If no part of the premium is to be derived from funds
contributed by the employees, all eligible employees, excluding any as to
whose family members' evidence of insurability is not satisfactory to the
insurer, shall be insured with respect to their spouses, their children, their
grandchildren, their spouse's children, their spouse's grandchildren, their
parents, their spouse's parents.

(b) The amounts of insurance shall be based upon some plan
precluding individual selection either by the employees or by the
policyholder, or employer and shall not exceed with respect to any spouse,
child or parent 50% of the insurance on the life of such insured
employee covering an employee's spouse, their children, their
grandchildren, their spouse's children, their spouse's grandchildren, their
parents or their spouse's parents shall not exceed 100% of the amount of
insurance on the life of the insured employee.

(c) Upon termination of the insurance with respect to the spouse
of an employee by reason of the employee's termination of employment or
death, the spouse insured pursuant to this section shall have the same
conversion rights as to the insurance on such spouse's life as is provided
for the employee under K.S.A. 40-434, and amendments thereto.

(d) Notwithstanding the provisions of K.S.A. 40-434, and
amendments thereto only one certificate need be issued for delivery to an
insured person if a statement concerning any dependent's coverage is
included in such certificate.

(e) The requirements of paragraphs (a) and (b) of this subsection
governing participation, contribution by an employer and amounts of
insurance for dependents shall not apply to a voluntary term life insurance
policy issued on a group basis.
(7) A policy may be issued to any other group which the commissioner of insurance finds is the proper subject of a group life insurance policy or contract. Any such group shall be subject to any appropriate conditions or provisions relating thereto which the commissioner may establish or require, consistent with the provisions of this act, and such conditions and provisions shall be included in the policy or contract.

Sec. 2. K.S.A. 2010 Supp. 40-433 is hereby repealed.

Sec. 3. This act shall take effect and be in force from and after its publication in the statute book.
