SENATE BILL NO. 17**

As Recommended by House Committee on  
Elections

**Brief\***

House Sub. for SB 17 would make changes to provisions enacted in 2011 HB 2067, the act which established requirements for photographic voter identification (photo ID) and required proof of U.S. citizenship for newly registered Kansas voters. Specifically, the bill would make the following changes:

- Proof of Citizenship for Newly Registered Voters—The effective date would be changed from January 1, 2013, to June 15, 2012.
- Additional Changes Regarding Photo ID Requirements—The bill would add an ID card issued by an Indian tribe to the list of acceptable photo ID forms, one of which is required to vote in person. The bill also would extend the provision of a free certified copy of a birth certificate to any person who is 17 years of age or older for the purposes of voting, if the applicant for the free copy lacks the photo ID required. (Current law allows a free copy only for the purposes of registering to vote.)

The bill would be in effect upon publication in the *Kansas Register*.

## **Background**

As it left the Senate, SB 17 would have increased the campaign contribution limit for State Board of Education candidates from \$500 to \$1,000 for each primary or general election. The House Committee on Elections deleted these contents and adopted a substitute bill with the contents of HB 2437, as amended by the same Committee, with the addition of a technical change.

With respect to HB 2437, the bill was introduced by the House Committee on Elections at the request of the Secretary of State. Testifying in favor of the bill were the Secretary of State and the election commissioners of Wyandotte, Johnson, and Sedgwick counties. Opponents included representatives of the Kansas Equality Coalition, the Westview Manor of Peabody, the KanVote Coalition, the National Association for the Advancement of Colored Persons (the Kansas State Conference and the Topeka Unit), the League of Women Voters, and Sunflower Community Action.

The House Committee on Elections amended HB 2437 to add the Indian tribe ID card to the list of acceptable photo ID forms for voting in person, and to extend the provision of the free birth certificate copy for the purpose of voting.

According to the fiscal note on HB 2437, as introduced, both the Office of the Secretary of State and the Kansas Association of Counties indicated passage of the original bill would have no fiscal effect on state or county revenues or expenditures.
