Changes in institution profile fees:

- Change of institution name..................................$100
- Change of institution location.................................$100
- Change of ownership only.....................................$100
Background

This bill was part of the Kansas Board of Regents legislative package brought to the Legislative Educational Planning Committee.

Proponents of the bill included the President and CEO of the State Board of Regents and the Executive Director of the Kansas Real Estate Commission. There were no opponents.

The Division of Budget fiscal note stated that the budget for the State Board of Regents recommended by the Governor for FY 2012 assumes continuation of the current fee structure. If the bill is not enacted, according to the fiscal note, fees would revert back to the 2003 level and revenues and expenditures would decline by approximately $500,000.
