

## House Resolution No. 6032

By Committee on Federal and State Affairs

5-2

---

1 A RESOLUTION opposing and exposing the radical nature of United  
2 Nations Agenda 21 and its destructiveness to the principles of the  
3 founding documents of the United States of America.

4 WHEREAS, The United Nations Agenda 21 is a comprehensive plan  
5 of environmental extremism, social engineering and global political  
6 control that was initiated at the United Nations Conference on  
7 Environment and Development held in Rio de Janeiro, Brazil, in 1992;  
8 and

9 WHEREAS, The United Nations Agenda 21 is being covertly pushed  
10 into local communities throughout the United States of America through  
11 the International Council of Local Environmental Initiatives through local  
12 "sustainable development" policies such as Smart Growth, Wildlands  
13 Project, Resilient Cities, Regional Visioning Projects and other "Green"  
14 or "Alternative" projects; and

15 WHEREAS, This United Nations Agenda 21 plan of radical so-called  
16 "sustainable development" views the American way of life of private  
17 property ownership, single family homes, private car ownership,  
18 individual travel choices and privately owned farms as destructive to the  
19 environment; and

20 WHEREAS, The United States federal government nor any state or  
21 local government is legally bound by the United Nations Agenda 21, the  
22 influence of the International Council for Local Environmental Initiatives  
23 has now infiltrated approximately 600 local and regional entities in the  
24 United States, with as many as 54 of such entities withdrawing  
25 enrollment during 2011, due to the negative consequences experienced  
26 through implementation of Agenda 21; and

27 WHEREAS, According to the United Nations Agenda 21 policy,  
28 social justice is described as the right and opportunity of all people to  
29 benefit equally from the resources afforded us by society and the  
30 environment, which would be accomplished by redistribution of wealth:  
31 Now, therefore,

32 *Be it resolved by the House of Representatives of the State of Kansas:*  
33 That we recognize the destructive and insidious nature of United Nations  
34 Agenda 21 and hereby expose to public policy makers the dangerous  
35 intent of the plan; and

36 *Be it further resolved:* That the federal government and all state and

1 local governments across the country should seek to be well informed  
2 about the underlying harmful implications of the implementation of  
3 United Nations Agenda 21 destructive strategies for "sustainable  
4 development", and that we hereby endorse rejection of its radical policies;  
5 and

6 *Be it further resolved:* That the Chief Clerk of the House of  
7 Representatives shall send an enrolled copy of this resolution to each  
8 member of the Kansas Congressional Delegation.
