

2012 Kansas Statutes

12-16,108. State grants or loans to municipalities; definitions. When used in this act:

- (a) "Municipality" means any city, county, township, school district or other political subdivision of the state;
- (b) "state agency" means any department, authority, office or other governmental agency of this state which is authorized by law to make state grants or loans to a municipality;
- (c) "state grants or loans" means financial aid, gifts, grants or other payments to a municipality made pursuant to a written agreement by a state agency, including moneys loaned to a municipality, with or without interest, whether such money is derived from state or federal revenue sources or from moneys borrowed by the state or its agencies as authorized by law.

History: L. 1989, ch. 56, § 1; July 1.
