

2012 Kansas Statutes

19-27a20. Unexpended bond proceeds; uses. Whenever bonds have been issued to pay the costs of additional improvements or enlarged facilities and unexpended funds remain after completion of all improvements authorized upon the recommendation of the main sewer district engineer, the governing body of the district may authorize, by resolution, the use of the unexpended funds for additional improvements or for the maintenance of the main sewer district.

History: L. 1983, ch. 99, § 21; July 1.
