

## 2012 Kansas Statutes

**22-3012. Secrecy of proceedings and disclosure.** Disclosure of matters occurring before the grand jury other than its deliberations and the vote of any juror may be made to the prosecuting attorney for use in the performance of his duties. Otherwise a juror, attorney, interpreter, reporter or any typist who transcribes recorded testimony may disclose matters occurring before the grand jury only when so directed by the court preliminarily to or in connection with a judicial proceeding or when permitted by the court at the request of the defendant upon a showing that grounds may exist for a motion to dismiss the indictment because of matters occurring before the grand jury. No obligation of secrecy may be imposed upon any person except in accordance with this rule. The court may direct that an indictment shall be kept secret until the defendant is in custody or has given bail, and in that event the clerk shall seal the indictment and no person shall disclose the finding of the indictment except when necessary for the issuance and execution of a warrant or summons.
