

2012 Kansas Statutes

38-531. Same; management; purpose. The detention home shall be in the charge of a person or persons who shall be under the supervision of the judge of the district court of the county in which the detention home is located. The inmates of the detention home shall be controlled as far as possible through parental care. The children shall be placed in the public schools if possible, or the boards of county commissioners of the counties party to the joint undertaking may provide for separate instruction within the home. The detention home shall supplement the work of the district court and shall be used instead of any jail or prison, but it shall be the policy of the judge of the district court, court services officer and the person or persons in charge of the detention home to make the detention home a temporary home and as soon as possible to provide for the return of the inmates of the home to their biological parents, adoptive parents or legal guardians.
