

2012 Kansas Statutes

65-178. Same; nonliability for furnishing information for studies. The furnishing of data to the secretary of health and environment or his authorized representative, or to any other cooperating agency in such medical research study, shall not make any physician, hospital, sanatorium, rest home, nursing home or other persons or agency furnishing such data, subject to any action for damages or other relief.

History: L. 1961, ch. 289, § 2; L. 1974, ch. 352, §47; July 1.
