

## 2012 Kansas Statutes

**79-32,195. Tax credits for community services contributions; definitions.** As used in this act, the following words and phrases shall have the meanings ascribed to them herein: (a) "Business firm" means any business entity authorized to do business in the state of Kansas which is subject to the state income tax imposed by the provisions of the Kansas income tax act, any individual subject to the state income tax imposed by the provisions of the Kansas income tax act, any national banking association, state bank, trust company or savings and loan association paying an annual tax on its net income pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, or any insurance company paying the premium tax and privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto;

(b) "Community services" means:

(1) The conduct of activities which meet a demonstrated community need and which are designed to achieve improved educational and social services for Kansas children and their families, and which are coordinated with communities including, but not limited to, social and human services organizations that address the causes of poverty through programs and services that assist low income persons in the areas of employment, food, housing, emergency assistance and health care;

(2) crime prevention; and

(3) health care services.

(c) "Crime prevention" means any nongovernmental activity which aids in the prevention of crime.

(d) "Community service organization" means any organization performing community services in Kansas and which:

(1) Has obtained a ruling from the internal revenue service of the United States department of the treasury that such organization is exempt from income taxation under the provisions of section 501(c)(3) of the federal internal revenue code; or

(2) is incorporated in the state of Kansas or another state as a nonstock, nonprofit corporation; or

(3) has been designated as a community development corporation by the United States government under the provisions of title VII of the economic opportunity act of 1964; or

(4) is chartered by the United States congress.

(e) "Contributions" shall mean and include the donation of cash, services or property other than used clothing in an amount or value of \$250 or more. Stocks and bonds contributed shall be valued at the stock market price on the date of transfer. Services contributed shall be valued at the standard billing rate for not-for-profit clients. Personal property items contributed shall be valued at the lesser of its fair market value or cost to the donor and may be inclusive of costs incurred in making the contribution, but shall not include sales tax. Contributions of real estate are allowable for credit only when title thereto is in fee simple absolute and is clear of any encumbrances. The amount of credit allowable shall be based upon the lesser of two current independent appraisals conducted by state licensed appraisers.

(f) "Health care services" shall include, but not be limited to, the following: Services provided by local health departments, city, county or district hospitals, city or county nursing homes, or other residential institutions, preventive health care services offered by a community service organization including immunizations, prenatal care, the postponement of entry into nursing homes by home health care services, and community based services for persons with a disability, mental health services, indigent health care, physician or health care worker recruitment, health education, emergency medical services, services provided by rural health clinics, integration of health care services, home health services and services provided by rural health networks.

(g) "Rural community" means any city having a population of fewer than 15,000 located in a county that is not part of a standard metropolitan statistical area as defined by the United States department of commerce or its successor agency. However, any such city located in a county defined as a standard metropolitan statistical area shall be deemed a rural community if a substantial number of persons in such county derive their income from agriculture and, in any county where there is only one city within the county which has a population of more than 15,000 and which classifies as a standard metropolitan statistical area, all other cities in that county having a population of less than 15,000 shall be deemed a rural community.
